Department of Human Services

MISSION

The Maryland Department of Human Services (DHS) will aggressively assist and empower people in economic need, provide prevention services and protect vulnerable children and adults.

VISION

We envision a Maryland where people independently support themselves and their families and where individuals are safe from abuse and neglect.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. DHS is recognized as a national leader among human service agencies.

- Obj. 1.1** Achieve a Work Participation Rate of fifty percent (less the Caseload Reduction Credit) in federal fiscal year 2016 and retain this rate in subsequent fiscal years.
- Obj. 1.2** In fiscal year 2019, local out-of-home placement boards will review 1,250 cases.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Work Participation Rate	49.7%	51.5%	32.8%	29.2%	50.0%	50.0%	50.0%
Statewide total number of out-of-home placement cases reviewed by local boards	1,136	1,298	1,358	1,305	1,241	1,250	1,250

Goal 2. Maryland residents have access to essential services to support themselves and their families.

- Obj. 2.1** Maintain the Food Supplement error rate at or below six percent each Federal fiscal year.
- Obj. 2.2** Annually distribute meals to Marylanders in need of food.
- Obj. 2.3** Annually place individuals from Temporary Cash Assistance (TCA) families into high quality jobs.
- Obj. 2.4** Place TCA recipients into full-time jobs in targeted promising/growth industries identified by DHS in conjunction with the Department of Labor, Licensing and Regulation (DLJR).
- Obj. 2.5** Place 80 percent of refugees and asylees registered for employment services during Federal fiscal year 2020 in unsubsidized employment.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Food Supplement Program payment error rate	3.4%	3.2%	6.0%	6.4%	5.7%	5.9%	5.9%
Number of meals distributed to hungry Marylanders	14,606,630	16,497,832	14,166,086	13,733,983	15,362,265	15,000,000	15,000,000
Total number of TCA job placements	11,124	13,561	13,068	12,240	11,325	12,304	12,304
¹ Earnings Gain Rate	58%	52%	55%	56%	54%	54%	54%
Percent of refugee and asylee employment caseload placed into jobs	73%	73%	73%	64%	71%	60%	62%

Department of Human Services

Obj. 2.6 Each fiscal year, the Office of Home Energy Programs (OHEP) will maintain a level of participation that ensures greater than 60 percent of households served are a vulnerable population, as defined as having a child under six, disabled individual, and/or an elderly citizen aged sixty or older.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of OHEP unified applications received and processed from eligible households	42.7%	40.8%	40.0%	40.0%	40.0%	41.0%	41.0%
MEAP and/or EUSP benefits paid to targeted groups:							
Percent of eligible households over 60 years of age	25.3%	25.3%	23.4%	27.0%	27.3%	27.6%	27.6%
Percent of eligible disabled households	26.6%	26.4%	24.5%	23.8%	24.0%	24.3%	24.3%
Percent of eligible households with children under six	36.1%	33.0%	28.7%	32.0%	32.3%	32.7%	32.7%

Goal 3. Maryland residents are safe from abuse, neglect and exploitation.

Obj. 3.1 By fiscal year 2020, 90.9 percent of victims of maltreatment will have no recurrence of maltreatment within 12 months of a first occurrence.

Obj. 3.2 By fiscal year 2020, of all children in foster care during a 12 month period, the rate of victimization per 100,000 days of foster care will be no more than 8.5.

Obj. 3.3 For fiscal year 2020, 96.5 percent of adult abuse cases will have no recurrence in six months.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of children with no recurrence of maltreatment within 12 months of a first occurrence	89.8%	90.1%	87.6%	90.1%	89.8%	89.3%	89.3%
Rate of victimization per 100,000 days of foster care during a 12 month period	12.9	10.1	12.3	12.8	11.6	11.7	11.7
Number of reports of adult abuse	6,672	6,229	6,364	6,459	6,353	6,392	6,401
Number of investigations of adult abuse completed	6,233	5,712	6,166	6,606	4,686	5,819	5,704
Number of cases of adult abuse indicated or confirmed	1,696	1,531	1,624	1,709	1,288	1,540	1,512
Percent of indicated or confirmed adult abuse cases for which there is no recurrence of abuse within six months	96.0%	97.3%	96.0%	94.9%	98.2%	96.3%	96.5%

Department of Human Services

Goal 4. Maryland children live in permanent homes, and vulnerable adults live in the least restrictive environments.

Obj. 4.1 By fiscal year 2020, the rate of entry into foster care will be no more than 1.5 per 1,000 children under 18.

Obj. 4.2 By fiscal year 2020, no more than 12 percent of children who exit out-of-home care to reunification with their family of origin will re-enter out-of-home care within 12 months.

Obj. 4.3 By fiscal year 2020, of all children who enter foster care in a 12 month period, the rate of placement moves per 1,000 days of foster care will be no more than 4.12.

Obj. 4.4 By fiscal year 2020, reduce the percent of foster/kinship children who are in care 24 or more continuous months to 45 percent for all foster care children, 30 percent for foster care children under 18, and 89 percent for foster children 18 and over.

Obj. 4.5 By fiscal year 2020, 40 percent of children will exit to permanency within 12 months of entry into foster care.

Obj. 4.6 By fiscal year 2020, 98.4 percent of individuals served by adult services are served in the community.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of children who exit foster/kinship care to permanency within 12 months of entry	36.8%	39.5%	38.0%	25.3%	39.0%	34.0%	34.0%
Rate of all removals into foster care per 1,000 children under 18 years of age	1.50	1.50	1.75	1.79	1.90	1.81	1.81
Percent of children re-entering out-of-home care within 12 months of exiting care to reunify with their family of origin	17.0%	14.6%	17.0%	17.3%	15.6%	16.3%	16.3%
Percent of children re-entering out-of-home care within 12 months of exiting care to guardianship	5.3%	9.2%	7.7%	7.4%	8.5%	7.8%	7.8%
Rate of placement moves per 1,000 days of foster care	4.7	4.1	4.6	4.8	5.1	4.5	4.5
Percent of foster/kinship children who are in care 24 or more continuous months	47%	46%	44%	41%	40%	42%	42%

Department of Human Services

Goal 5. Enable, encourage and enforce parental responsibility.

- Obj. 5.1 Increase the statewide percentage of child support cases with support orders by one percentage point per year.
- Obj. 5.2 Increase by one percentage point each Federal fiscal year the number of cases with payment on arrears.
- Obj. 5.3 Increase the statewide percentage of children in the child support caseload with paternity established by one percentage point each Federal fiscal year.
- Obj. 5.4 Increase the statewide percentage of current support collected by one percentage point each Federal fiscal year until we reach eighty percent.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of cases in the State child support caseload with support orders	85.2%	84.6%	84.9%	86.1%	83.6%	84.9%	84.9%
Percent of cases with arrears for which a payment is received	69.3%	69.6%	70.4%	66.4%	70.2%	71.9%	72.4%
Percent of children in the State child support caseload with paternity established	99.3%	98.9%	98.4%	94.0%	98.4%	98.9%	98.9%
Percent of current support paid	67.8%	68.6%	69.0%	68.7%	68.7%	70.5%	70.5%

N00A01.02 Citizens Review Board for Children - Office of the Secretary

Program Description

Under the Family Law Article, citizens appointed by the Governor review the cases of children in out-of-home care, make findings regarding permanency, safety, and child well-being; and advocate for children as appropriate. These findings are sent to the local departments of social services and the juvenile courts. The Citizens Review Board for Children (CRBC) is required to examine the policies, procedures, and practices of State and local agencies and to review specific cases in order to evaluate their effectiveness in discharging their child protection responsibilities. Tabulated results of the case reviews must be provided to local departments for consideration with the self-assessment process. The State Board, which is the governing body of the CRBC, reports annually to the General Assembly and the Secretary on the status of children in Maryland's child welfare system.

N00A01.04 Maryland Legal Services Program - Office of the Secretary

Program Description

The Maryland Legal Services Program (MLSP) is statutorily mandated to provide legal representation for children involved in Children in Need of Assistance and Termination of Parental Rights (CINA/TPR) proceedings and indigent adults involved in Adult Protective Services (APS) and Adult Public Guardianship Review Board (APGRB) proceedings statewide. Legal services are provided by contracting with law firms that provide effective legal counsel. In situations where there is a conflict of interest, the Court will appoint private attorneys under the Court Appointed Attorney Program (CAAP).

Department of Human Services

N00B00.04 General Administration-State - Social Services Administration

Program Description

The Social Services Administration (SSA) supervises programs provided by Local Departments of Social Services to prevent or remedy neglect, abuse, or exploitation of children; preserve, rehabilitate or reunite families; help children improve their well-being; prevent children from entering out-of-home care when services can enable them to remain in their homes; and provide appropriate services for children needing out-of-home care. SSA is responsible for child welfare policy, training, monitoring and evaluation, and oversight of the child welfare information system. Programs also protect vulnerable adults, promote self-sufficiency, and prevent unnecessary institutional care.

N00G00.01 Foster Care Maintenance Payments - Local Department Operations

Program Description

This program enables Maryland children who cannot remain in the care of their parents, legal guardians, or caretakers to receive care in alternate settings. The local departments provide services to the families of children in Foster Care to facilitate stabilization and reintegration of the child back into the family when it is in the best interest of the child. The program includes payments to foster family homes, group homes, and residential facilities for neglected or dependent children, and financial subsidies paid on behalf of special needs children when adoption without a subsidy has not proven feasible.

N00G00.02 Local Family Investment Program - Local Department Operations

Program Description

The Family Investment Program in the local departments of social services (LDSS) assists customers in finding jobs and determines eligibility for Temporary Cash Assistance, Food Supplement Program, Child Care Subsidy, Public Assistance to Adults, and Medical Assistance. Local departments also determine eligibility for Refugee Assistance. Each LDSS administers cash assistance, food supplement and benefit programs.

N00G00.04 Adult Services - Local Department Operations

Program Description

Local departments of social services, in partnership with the DHS central office in the Social Services Administration and community-based agencies, provide services to the elderly and individuals with disabilities. This service delivery system protects vulnerable adults, promotes self-sufficiency, and avoids or delays unnecessary institutional care. Adult Services is committed to services delivered in a manner that maximizes a person's ability to function independently.

N00H00.08 Child Support-State - Child Support Administration

Program Description

This program administers and monitors child support services provided by local departments of social services and other agencies, provides technical assistance, formulates policy, develops and implements new programs, and ensures compliance with regulations and policy. This program also operates several centralized programs designed to locate noncustodial parents, establish paternity, enforce support orders, collect and disburse payments, and process interstate cases.

N00I00.05 Maryland Office for Refugees and Asylees - Family Investment Administration

Program Description

The Maryland Office for Refugees and Asylees (MORA) manages a federally funded refugee resettlement program that provides cash, medical assistance and social services (employment services, English language and cross-cultural training, skills training, and support services) to refugees and asylees residing in the State. Services lead to refugees and asylees' early economic independence and social adjustment.

Department of Human Services

N00I00.06 Office of Home Energy Programs - Family Investment Administration

Program Description

The Office of Home Energy Programs (OHEP) administers home energy assistance programs using local agencies in each jurisdiction in the State. These programs provide services for low-income families vulnerable to the costs of high energy consumption relative to their income, and associated health and safety risks. These services include: direct cash payments (benefits); indirect assistance (budget counseling, vendor arrangements, referrals, etc.); and non-cash assistance (energy heating/cooling equipment repair/replacement). OHEP administers the Maryland Energy Assistance Program (MEAP) and the Electric Universal Service Program (EUSP).

Department of Human Services

N00I00.07 Office of Grants Management - Family Investment Administration

Program Description

The Office of Grants Management (OGM) provides funding and oversight of government and community-based organizations through a broad based network of diverse partners; community and faith-based organizations, local departments of social services and local and state government agencies. OGM encompasses many community initiatives. The programs serve vulnerable children and adults, married and unmarried couples with children, food needy persons, and people who are homeless or at risk of becoming homeless.

Department of Labor, Licensing and Regulation

MISSION

The Maryland Department of Labor, Licensing and Regulation (DLLR) is committed to safeguarding and protecting Marylanders. We're proud to support the economic stability of the State by providing businesses, the workforce and the consuming public with high quality customer-focused regulatory, employment and training services.

VISION

The Maryland Department of Labor, Licensing and Regulation continues to change Maryland for the better by providing a predictable and inclusive regulatory environment through efficient and responsive processes. DLLR safeguards Maryland's work environments through outreach and educational programs, by establishing partnerships and encouraging ongoing improvements in workplace safety and health. We're fostering economic growth through our collaborative, comprehensive employment and job training programs that best ensure Maryland workers have the skills Maryland employers need to succeed and grow into the future. Our vision for Maryland drives the work of the Department's employees each and every day.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. To support Maryland's economic vibrancy by fostering a comprehensive, cohesive and collaborative workforce creation and adult education system that is supportive of the needs of both job seekers and the business community.

Obj. 1.1 During the current fiscal year, 80 percent of unemployed or underemployed Employment Advancement Right Now (EARN) Maryland participants who complete training will be placed into employment.

Obj. 1.2 During the current fiscal year, 95 percent of EARN Maryland incumbent participants will acquire a new credential, certification, or skill as a result of participation in EARN Maryland training.

Obj. 1.3 Apprenticeship programs are reviewed regularly by the Maryland Apprenticeship and Training Program as required by standards set by law and regulation.

Obj. 1.4 Technical assistance provided to employers will result in 10 or more new apprenticeship programs being developed and 5 or more inactive apprenticeship programs being reactivated annually.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of EARN Maryland participants who complete training placed into employment.	N/A	77%	80%	84%	81%	80%	80%
Percentage of EARN Maryland incumbent participants that acquire a new credential, certification, or skill as a result of participation in EARN Maryland training	N/A	94%	98%	98%	97%	95%	95%
Number of active registered apprenticeship programs	137	136	134	133	138	150	160
Number of apprenticeship technical assistance contacts provided to apprenticeship sponsors	1,410	816	789	888	888	932	979
Number of apprenticeship program reviews	5	2	10	6	76	55	55
Total number of active apprentices	7,561	7,904	8,441	9,060	9,344	9,811	10,301
Total number of new apprentices	2,117	2,346	2,543	3,135	3,368	3,536	3,713

Department of Labor, Licensing and Regulation

Obj. 1.5 Maintain the percent of Workforce Innovation and Opportunity Act (WIOA) adult program participants who are employed two quarters following program services at a rate that meets or exceeds the Federal standard.

Obj. 1.6 Annually maintain the percent of WIOA youth program participants who are employed or are receiving education two quarters following program services at a rate that meets or exceeds the Federal standard.

Obj. 1.7 During the current fiscal year, maintain the number of WIOA adult program participants who are employed four quarters following the end of their program services at a rate that meets or exceeds the Federal standard.

Obj. 1.8 By June 30 of the current fiscal year, the number of students earning Adult Basic Literacy or Adult Intermediate certificates (low or high), Maryland high school diploma, or a transitional certificate will increase to meet standards established by the Correctional Education Council.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Employment Rate of WIOA adult program participants employed during the 2nd quarter after exit	N/A	N/A	N/A	N/A	77%	75%	75%
Percentage of WIOA Youth participants placed into employment or receiving education during the 2nd quarter after exit	N/A	N/A	N/A	N/A	74%	67%	67%
Employment Rate of WIOA adult program participants employed during the 4th quarter after exit	N/A	N/A	N/A	N/A	77%	71%	71%
Total Correctional Education students served per year	7,085	6,762	7,103	6,111	5,290	5,300	5,500
Number of Correctional Education students who earn an Adult Basic Literacy certificate	614	653	727	558	435	450	450
Number of Correction Education students who earn an Intermediate Low certificate	885	756	812	759	565	600	600
Number of Correctional Education students who earn an Intermediate High certificate	657	825	883	797	634	635	635
Number of Correctional Education students who earn a high school diploma	482	220	471	493	437	450	450
Number of Correctional Education students who earn a transitional certificate	3,124	3,457	3,005	2,511	2,989	3,000	3,100

Department of Labor, Licensing and Regulation

Obj. 1.9 By June 30 of the current fiscal year, the number of students earning an occupational program completion certificate will increase to meet the standard established by the Correctional Education Council.

Obj. 1.10 By June 30 of the current fiscal year, increase the percent of adults achieving the targeted annual performance measures established by WIOA for literacy level advancement and earning a Maryland High School Diploma by Examination.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of occupational certificates earned by Correctional Education students	990	916	893	860	790	825	850
Number of national certificates issued to Correctional Education students	852	667	881	838	779	800	825
Total students served per year	39,070	36,030	34,862	36,654	34,259	35,000	35,000
Number of GED applicants tested	8,727	5,590	7,186	7,072	6,569	6,600	6,600
Learner Persistence Rate	47%	39%	43%	53%	59%	60%	61%
Number of High School Diplomas by Examination awarded	4,989	2,187	3,911	3,529	3,201	3,250	3,300
Percent advancing a literacy level	54%	51%	53%	55%	61%	58%	60%
GED pass rate	52%	63%	75%	68%	68%	69%	70%
Percent of senior employment participants placed in jobs	23%	23%	26%	21%	25%	26%	27%
Total number of senior employment program participants trained	214	212	171	149	113	124	136
Total number of hours senior employment participants served local communities	120,240	109,513	90,823	74,454	59,595	65,555	72,111

Goal 2. To provide a worker safety net to promptly and accurately provide Unemployment Insurance (UI) benefits to qualified individuals and to collect employer taxes to fund the benefits.

Obj. 2.1 During the current fiscal year, reduce the average age of an unemployment insurance case pending before the Board of Appeals to 40 days.

Obj. 2.2 During the current fiscal year, process 85 percent of unemployment insurance appeals at the Hearing Examiner's level within 45 days.

Obj. 2.3 During the current fiscal year, have at least 80 percent of the cases that are evaluated pass the Federal Hearing Examiner Evaluation with a score of 85 percent or

Obj. 2.4 During the current fiscal year, pay 87 percent of Federal first payment UI intrastate initial claims within 21 days.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Average age of a case pending before the Board	51	73	99	76	64	50	40
Percent of UI appeals processed within 45 days	90%	96%	97%	95%	82%	95%	95%
Percentage of cases passing with 80% of cases scoring 85 or better	95%	94%	95%	95%	98%	95%	95%
Intrastate initial claims paid within 21 days	89%	91%	90%	88%	89%	90%	90%

Department of Labor, Licensing and Regulation

Goal 3. To improve workplace safety and health for all workers in the State of Maryland and prevent injuries and save lives of individuals using railroads, elevators, escalators, boilers, pressure vessels, and amusement rides in the State.

Obj. 3.1 Annually ensure Maryland's average private sector DART (days away from work, days of restricted activity) rate remains within 15% of the U.S. private sector DART rate average.

Obj. 3.2 Annually ensure formal complaint inspections are initiated within an average of five days of notification.

Performance Measures (MOSH)	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of inspections /investigations opened	1,874	1,650	1,212	1,469	1,904	1,950	2,000
Number of hazards identified	6,710	4,596	4,227	5,351	6,599	6,750	6,750
National DART rate average of injuries and illnesses	1.7	1.6	1.6	1.5	N/A	N/A	N/A
Maryland DART rate average of injuries and illnesses	1.7	1.6	1.5	1.5	N/A	N/A	N/A
Number of formal complaints investigated	119	106	92	85	71	70	70
Average number of days to initiate inspection of formal complaints	2.8	2.8	4.0	3.0	4.8	3.0	3.0

Obj. 3.3 Annually at least 90 percent of Maryland Occupational Safety and Health (MOSH) safety and health training survey respondents rate the services received as satisfactory.

Obj. 3.4 Annually at least 90 percent of consultation survey respondents rate the services received as satisfactory.

Performance Measures (MOSH)	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of individuals attending safety and health seminars	6,352	4,952	6,933	5,723	5,892	6,000	6,000
Percent of individuals who rate overall services received as satisfactory	93%	95%	92%	92%	94%	94%	94%
Number of consultation visits conducted	332	387	440	473	396	425	425
Percent of employers who rate consultation services received as satisfactory	100%	100%	100%	99%	100%	100%	100%

Department of Labor, Licensing and Regulation

Obj. 3.5 During the current fiscal year, maintain the incidence of accidents/injuries at no more than 18 for those accidents that involve covered railroad disciplines.

Obj. 3.6 Reduce incidents and accidents from amusement rides to no more than three during the current fiscal year.

Obj. 3.7 Reduce incidents and accidents from elevators, escalators and lifts to no more than four during the current fiscal year.

Obj. 3.8 Reduce incidents and accidents related to boilers and pressure vessels (BPV) to no more than two during the current fiscal year.

Performance Measures (Safety and Inspection Unit)	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total railroad accidents/incidents investigated	7	6	12	15	13	11	11
Track inspections	294	354	396	342	383	350	350
Operating practices inspections	146	115	23	0	0	130	130
Motive Power and Equipment (MP&E) inspections	199	206	188	83	0	200	200

Department of Labor, Licensing and Regulation

Goal 4. To protect workers and employers through the effective enforcement of wage laws to ensure a level playing field and that workers receive the wages and protections they are due.

Obj. 4.1 In the current fiscal year, reach disposition on 75 percent of wage claims filed within 90 calendar days.

Obj. 4.2 During the current fiscal year, initiate an investigation on 90 percent of referrals and complaints of improperly classified employees working in construction and landscaping industries within 30 days of reception.

Obj. 4.3 During the current fiscal year, reduce the dollar amount of underpayments recovered on prevailing wage projects to \$553 per project.

Obj. 4.4 Annually maintain the percentage of workers found to be owed wages at or below 8 percent.

Obj. 4.5 Annually issue wage determinations within two working days and present pre-construction information for all projects prior to project start.

Obj. 4.6 In the current fiscal year, conduct at least 60 percent of initial compliance reviews within 120 days.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of wage claims where disposition is reached within 90 calendar days	61%	68%	71%	77%	82%	78%	78%
Number of workers interviewed for possible misclassification	3,344	1,213	1,144	1,016	7,571	6,500	6,500
Number of referrals concerning possible misclassification	125	177	121	127	56	75	75
Number of workers found to have been misclassified as independent contractors	342	531	330	53	173	200	200

Department of Labor, Licensing and Regulation

- Goal 5.** To protect the health, safety and welfare of the public by assuring both the basic competence of applicants for occupational and professional licensure, and the adherence of licensees to pertinent statutes and codes.
- Obj. 5.1** By the end of the current fiscal year, maintain the percent of complaints against licensees closed within 180 days of date of receipt above 67 percent.
- Obj. 5.2** By the end of the current fiscal year, the percentage of Home Improvement Commission complaints closed through mediation or by voluntary settlement will reach 42 percent.
- Obj. 5.3** Annually the overall rating of customer satisfaction with the Division of Occupational and Professional Licensing complaint process will be maintained at 5.6, or higher, based on complainant survey responses.
- Obj. 5.4** Through the end of the current fiscal year, the percent of license renewals that are processed through the use of internet and telecommunications technology will be at 92 percent or greater.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of complaints closed within 180 days of receipt	47%	65%	78%	74%	77%	78%	78%
Average number of days to complete complaint process (date the complaint is received to date complaint is closed)	534	235	159	178	155	160	165
Percent of complaints resolved by mediation/settlement based on staff intervention	38%	40%	44%	40%	43%	45%	45%
Recoveries for consumers in non-guaranty cases as a result of Home Improvement Commission activities (millions of dollars)	\$1.08	\$1.52	\$1.82	\$1.90	\$1.51	\$1.90	\$1.95
Customer service rating on a scale of 1 to 10 (1 = Very Dissatisfied/10 = Very Satisfied)	5.6	5.9	8.5	8.8	8.9	8.9	9.0
Average percent of renewals via internet and telecommunications technology	92%	92%	91%	92%	92%	93%	94%
Average percent of online initial applications via Internet	71%	75%	73%	75%	78%	79%	80%

- Goal 6.** To protect financial services consumers, to ensure appropriate financial services licensing, and to maintain the safety and soundness of Maryland's financial services industry.

Obj. 6.1 During the current fiscal year, 100 percent of all bank and credit union examinations will start within the statutory time period of 12 to 18 months.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of banks without onsite monitoring that have an offsite quarterly monitoring report within 90 days of close of the calendar quarter	100%	100%	98%	97%	100%	90%	90%
Percentage of bank and credit union examinations that start within statutory time frame	100%	100%	100%	100%	100%	100%	100%

Department of Labor, Licensing and Regulation

Obj. 6.2 During the current fiscal year, 100 percent of all mortgage company examinations will start within the statutory time period (18 months of licensure and 36 months of the previous examination).

Obj. 6.3 During the current fiscal year, reach an average disposition of 60 days for non-depository complaints.

Obj. 6.4 Annually maintain 75 percent or greater of complainant survey respondents' satisfaction rating as "Satisfied" or better.

Obj. 6.5 During the current fiscal year, reach disposition of 80 percent of non-depository license applications within 60 days (new applications).

Obj. 6.6 During the current fiscal year, 100 percent of all Notice of Intent to Foreclose outreach letters will be sent within 30 days.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

Department of Labor, Licensing, and Regulation

P00A01.01 Executive Direction - Office of the Secretary

Program Description

The Office of the Secretary provides executive leadership, general administration, public information and comprehensive planning for the commissions, boards, divisions and agencies of the Department. This program also houses the Employment Advancement Right Now (EARN) program and a specifically designated Opportunity Zone initiative, which helps undeserved communities benefit from capital and economic investments.

P00A01.02 Program Analysis and Audit - Office of the Secretary

Program Description

The Office of Program Analysis and Audit (OPAA) provides coordination for the Managing for Results process as well as provides program analysis, management analysis and internal audit services to management of the Department. The office performs financial, compliance, and performance audits, and assures compliance with recommendations from legislative, federal and independent auditors. The audit function adds value to the organization by assisting management to achieve its objectives and to maintain a professional level of accountability for both fiscal and operational performance.

P00A01.09 Governor's Workforce Development Board - Office of the Secretary

Program Description

The Governor's Workforce Development Board is the Governor's chief policy-making body for workforce development. It is a business-led board of 45 members, which includes the Governor, Lieutenant Governor, cabinet secretaries, college presidents, the State Superintendent of Schools, elected officials, the business community, labor, and representatives of non-profit organizations. The Board is responsible for developing policies and strategies to form a coordinated workforce system from a variety of education and employment and training programs. It brings together and focuses various workforce development partners and stakeholders on two key outcomes: properly preparing the workforce to meet the current and future demands of Maryland employers, and providing opportunities for all Marylanders to succeed in the 21st century workforce.

P00A01.11 Board of Appeals - Office of the Secretary

Program Description

The Board of Appeals hears and decides appeals from decisions of the Lower Appeals Division on unemployment insurance claims matters. The Board has original jurisdiction over claims that involve a disqualification based on a stoppage of work due to a labor dispute, multiple claims or a difficult issue of fact or law. The Board also hears appeals from determinations of the agency's Contributions Division on assigned unemployment insurance tax rates, benefit charges and claims involving allegations that individuals are independent contractors. These appeals arise from the tax provisions of the unemployment insurance law and other matters relating to the law that may be appealed.

P00B01.05 Office of Information Technology - Division of Administration

Program Description

The Office of Information Technology (OIT) provides technology services to all DLLR programs, and therefore to the citizens of Maryland. Services include computer systems maintenance and development, printing of reports and unemployment insurance payments, support of PC hardware/software/LANs, support of an extensive Wide Area Network, and Internet/Intranet web site development and support. These services are key to the success of many of DLLR's strategic initiatives. Services provided by local and central office staff supported by OIT include: Voice Response System, Exchange System, Unemployment Insurance Benefits System, Electronic Licensing System, and various regulatory systems. Numerous PC systems within DLLR Divisions are developed and maintained.

P00C01.02 Financial Regulation - Division of Financial Regulation

Program Description

The Office of the Commissioner of Financial Regulation ("The Division") supervises depository and non-depository financial institutions. The Commissioner ensures the safe and sound operation of State-chartered depository financial institutions for the protection of the general public and institutional investors or depositors and further ensures that non-depository financial institutions provide the general public with honest and fair credit products and related services. The Division is responsible for supervising the activities of Maryland State Chartered banks, trust companies, savings banks, and credit unions, as well as money transmitters, safe-deposit companies, sales finance companies, installment loan lenders, consumer lenders, credit services businesses, check-casher outlets, debt collection agencies, debt management companies, mortgage lenders (including lenders, brokers and servicers) and mortgage originators; and oversees retail accounts, retail installment contracts and credit grantor contracts. Additionally, the agency issues licenses for non-depository institutions after an investigation of each applicant and approves charters for banking institutions and credit unions to form new institutions, open branches, make stock acquisitions, form affiliates and merge with other financial institutions.

P00D01.01 General Administration - Division of Labor and Industry

Program Description

The Division of Labor and Industry consists of seven budgeted programs: General Administration, Employment Standards, Railroad Safety and Health, Safety Inspections, Prevailing Wage, Apprenticeship and Training, and Occupational Safety and Health. The Office of the Commissioner (General Administration program) consists of the Commissioner, Deputy Commissioner and a support staff of four, and they are responsible for policy development, implementation, and support initiatives that strengthen each program's effectiveness. Major activities include: program planning, development, evaluation, redesign and implementation; adoption of regulations for the programs within the division; planning and management of the division's financial resources; supervision of the issuance of work permits for minors throughout the State and the issuance of special work permits.

P00D01.02 Employment Standards - Division of Labor and Industry

Program Description

The Employment Standards Service assists Maryland workers in collecting wages promised to them through enforcement of the Maryland Wage Payment and Collection Law and the Wage and Hour Law (Minimum Wage). The program is also charged with enforcement and administrative responsibilities under the Workplace Fraud Act of 2013. The program serves as a clearinghouse on many issues and topics concerning employment law in Maryland.

P00D01.03 Railroad Safety and Health - Division of Labor and Industry

Program Description

This program promotes safety and health in all areas of railroad operations and supplements the national inspection program established under the Federal Railroad Administration. The State program monitors the safety practices of each railroad company in the State by conducting inspections of railroad track, operating practices, and motive power and equipment. In addition to working to ensure the safety of mainline operations, State inspectors regularly work with private industry to ensure safety in the yard operation of locomotives and railroad freight cars. Tourist and museum railroad operators who carry passengers but are not covered by Federal railroad regulations are also a focus for the unit. Staff enforces Maryland-specific requirements for track clearances, yard and walkway safety, and promotes safety at highway-railroad grade crossings.

P00D01.05 Safety Inspection - Division of Labor and Industry

Program Description

The Safety Inspection program is composed of the Amusement Ride, Boiler and Pressure Vessel, and Elevator Safety Inspection Units. The program also provides management and supervisory support for the Railroad Safety and Health Program. The Amusement Ride Unit provides an inspection program for amusement rides and attractions erected permanently or temporarily at carnivals, fairs and amusement parks throughout Maryland. The Boiler and Pressure Vessel Safety Inspection Unit is responsible for ensuring that inspections are conducted on boilers and pressure vessels used in commercial establishments, places of public gathering and apartment buildings with six or more units. The Elevator Safety Inspection Unit is responsible for the inspection and certification of elevators, dumbwaiters, escalators and moving walks operating in publicly owned buildings throughout Maryland and ensuring that the required safety inspections are performed by an authorized third party inspector on all privately owned elevator units operating in the State. The objective of the Safety Inspection Program is to increase the safety of the citizens of the State of Maryland by inspecting amusement rides, boilers, pressure vessels, elevators and escalators to ensure that the units are operating according to State laws and regulations, nationally recognized safety standards and manufacturers' specifications.

P00D01.07 Prevailing Wage - Division of Labor and Industry

Program Description

The Prevailing Wage unit administers the Construction Prevailing Wage Law and the Maryland Living Wage Law. Activity includes making determination of wage-rates and fringe benefits through jurisdictional surveys, evaluating corresponding classes of workers employed and wage rates paid, extensive review of certified payroll records, and physical evaluation of work performed on sites.

P00D01.08 Occupational Safety and Health Administration - Division of Labor and Industry

Program Description

The Maryland Occupational Safety and Health (MOSH) program is an approved State plan program that meets Federal requirements under the Williams-Steiger Occupational Safety and Health Act of 1970 (OSHA). MOSH acts in place of OSHA in Maryland, eliminating duplication of requirements and programs for Maryland employers and employees. MOSH is charged with preserving human resources and ensuring that all employers meet the responsibility of providing each working man and woman in the State with working conditions that are safe and healthful. The program also administers the Access to Information about Hazardous and Toxic Substances Law. The MOSH program consists of four major units: compliance, consultation, training and education, and statistics. The compliance unit is the enforcement arm of the program. The MOSH compliance unit inspects places of work and issues citations and penalties for violations of established occupational standards. The compliance unit responds to fatalities, accidents, and employee complaints about safety and health. The unit also responds to referrals from OSHA, other State and local government agencies, and other safety and health professionals. The consultation unit provides assistance to Maryland employers who voluntarily comply with applicable requirements, without citations and penalties. The MOSH consultation program provides on-site surveys and technical assistance to employers. The training and education unit provides statewide, free educational and training programs for employers and employees, as well as more than 100,000 print publications each year to assist them to achieve voluntary compliance. The statistical unit works with the U.S. Department of Labor, Bureau of Labor Statistics to compile the Maryland portion of national injury and illness statistics, special fatality reporting programs, and other special statistical surveys.

P00D01.09 Building Codes Unit - Division of Labor and Industry

Program Description

The Building Codes Unit (BCU) helps to ensure that buildings erected in Maryland meet applicable standards for health and safety. The BCU also establishes and enforces standards for industrialized/modular buildings and is responsible for inspecting and certifying these building units at the factory. In addition, the BCU assists HUD by processing consumer complaints for the Manufactured/ Mobile Home Program. The BCU also promulgates regulations to establish and update building codes which are then implemented by Maryland's counties.

Department of Labor, Licensing, and Regulation

P00F01.01 Occupational and Professional Licensing - Division of Occupational and Professional Licensing

Program Description

The Division of Occupational and Professional Licensing administers regulatory programs that govern the practice of 25 occupations and professions in Maryland. The activities of the Division are primarily conducted through licensing boards and commissions, established by statute, subject to the authority of the Secretary of Labor, Licensing and Regulation. The boards and commissions consist of consumers and industry representatives who are appointed by the Governor, and are empowered to regulate the occupations and professions by qualifying and testing individuals for licensing, issuing and renewing licenses, establishing ethical and other standards of practice for the occupation or profession, and enforcing compliance of licensees with practice standards and Maryland law through a disciplinary process that could result in revocation or suspension of a license, a fine or reprimand.

P00G01.07 Workforce Development - Division of Workforce Development and Adult Learning

Program Description

The Workforce Development offices support the mission of the Division of Workforce Development and Adult Learning (DWDAL) by ensuring businesses have skilled employees needed to be competitive and individuals have access to employment and training resources and services. Adult education, literacy, and correctional education programs, in collaboration with workforce development programs, establish a comprehensive system of workforce creation. At a local level, Workforce Development offices develop dynamic workforce by training, assist in job searches, report needs and demands of the labor market, and connect businesses with employees. At the state level, this program has oversight responsibility for the Division's Workforce Development programs, including those administered by state staff as well as by local Workforce Investment Area organizations.

P00G01.12 Adult Education and Literacy Program - Division of Workforce Development and Adult Learning

Program Description

The Office of Adult and Correctional Education contributes to the growth of Maryland's workforce through education programs. Adult Education and Literacy Services delivers literacy and English language instruction and high school diploma options for adults and out-of-school youth. The office oversees Maryland's Adult Instructional Services and General Educational Development (GED) testing programs. Instructional programs include Adult Basic Education, Adult Secondary Education (including GED Test preparation and the National External Diploma Program), English for Speakers of Other Languages, English Literacy/Civics education, Family Literacy, and Workplace Education. The office responds to the individual education and employment needs of Marylanders and the workforce training demands of the business community. Correctional Education provides academic, library, occupational, and transitional services to incarcerated students in state correctional institutions and assists incarcerated students in preparing to become responsible members of their communities.

P00H01.01 Office of Unemployment Insurance - Division of Unemployment Insurance

Program Description

The Unemployment Insurance (UI) program is designed to help relieve the financial burden of those individuals separated from the labor force through no fault of their own, by the prompt payment of benefits. The program is administered by five claim centers and three adjudication centers throughout the State and is managed through six major central office components: Employer Contributions Section, Benefits Section, Appeals Division, Internal Analysis, Support Services and Benefit Payment Control.

MISSION

The Department of Public Safety and Correctional Services protects the public, its employees, and detainees and offenders under its supervision.

VISION

The Maryland Department of Public Safety and Correctional Services (DPSCS) will be nationally recognized as a department that believes its own employees are its greatest strength and that values the development of their talents, skills, and leadership. We will be known for dealing with tough issues like gang violence by capitalizing on the strength of interagency collaboration. We will be nationally known as the department that takes responsibility for the greatest of problems and moves quickly and quietly to bring about successful change. DPSCS will be known as one of the national leaders in the development and use of technology through system interoperability. Others will look to this department for its effective leadership and evidence-based practices. We will be known for our belief in the value of the human being and the way we protect those individuals, whether they are members of the public, our own employees, those we are obligated to keep safe and in custody, or victims of crime. DPSCS will be known as an organization that focuses on its mission and takes care of its people.

Department of Public Safety and Correctional Services

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Safe Communities: Help to keep Maryland communities safe.

Obj. 1.1 Reduce the number of sentenced offenders returned to correctional or community supervision for a new offense within one year of their release.

Performance Measures		2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Sentenced offenders returned to correctional or community supervision for a new offense within one year of release:								
1	All releaseses - number with new offense	N/A	N/A	N/A	N/A	N/A	N/A	N/A
1	All releaseses - % with new offense	N/A	N/A	N/A	N/A	N/A	N/A	N/A
1	Parolees - number with new offense	N/A	N/A	N/A	N/A	N/A	N/A	N/A
1	Parolees - % with new offense	N/A	N/A	N/A	N/A	N/A	N/A	N/A
1	Mandatory releaseses - number with new offense	N/A	N/A	N/A	N/A	N/A	N/A	N/A

Department of Public Safety and Correctional Services

Goal 2. Offender Safety and Security: Secure and safeguard defendants and offenders confined under Departmental supervision.

Obj. 2.1 No offender confined in a departmental facility will escape.

Obj. 2.2 The total number of offenders who walk off from correctional facilities will not exceed 11.

Obj. 2.3 The total number of offenders who walk off from Threshold will not exceed 5.

Obj. 2.4 The total number of offenders who walk off while supervised by the Central Home Detention Unit will not exceed 27.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of offenders who escape - corrections	1	0	0	0	0	0	0
Number of offenders who escape - detention	0	0	1	0	0	0	0
Number of offenders who walk off from correctional facilities	6	9	4	11	9	9	9
Number of offenders who walk off from Threshold	1	1	5	6	10	5	5
Number of individuals who walk off from home detention	12	12	11	8	8	8	8

Obj. 2.5 The total number of offender-on-offender homicides committed in the Department's facilities will be zero.

Obj. 2.6 During fiscal year 2014 and thereafter, the rate per 100 average daily population (ADP) of offender-on-offender assaults will not exceed the fiscal year 2013 rate in departmental facilities (number in parenthesis).

Obj. 2.7 During fiscal year 2014 and thereafter, the rate per 100 average daily population (ADP) of offender-on-staff assaults will not exceed the fiscal year 2013 rate in departmental facilities (number in parenthesis).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total number of offender-on-offender homicides	2	1	3	5	0	0	0
Correctional offender-on-offender homicides	2	1	3	5	0	0	0
Detention offender-on-offender homicides	0	0	0	0	0	0	0
Overall offender-on-offender assault rate per 100 ADP (FY13: 5.58)	4.86	4.50	6.30	6.99	5.96	5.58	5.58
Correctional offender-on-offender assault rate per 100 ADP (FY13: 4.14)	3.50	3.46	4.84	4.76	4.55	4.14	4.14
Detention offender-on-offender assault rate per 100 ADP (FY13: 13.17)	9.29	8.36	16.57	26.26	19.14	13.17	13.17
Overall offender-on-staff assault rate per 100 ADP (FY13: 2.09)	1.90	1.57	2.44	2.52	1.91	2.09	2.09
Correctional offender-on-staff assault rate per 100 ADP (FY13: 1.63)	1.15	1.00	2.07	1.94	1.48	1.63	1.63
Detention offender-on-staff assault rate per 100 ADP (FY13: 4.54)	4.34	3.66	5.40	7.58	5.91	4.54	4.54

Department of Public Safety and Correctional Services

Goal 3. Offender Well-Being and Re-Entry Preparation: Ensure incarcerated offenders are confined in humane conditions and receive appropriate treatment services (medical, mental health, social work, addictions) and programming to help improve community re-entry success.

Obj. 3.1 Maryland Correctional Enterprises will employ 2,100 inmates by fiscal year 2016.

Obj. 3.2 By fiscal year 2021, DPSCS will have successfully entered into local reentry MOUs with at least 12 of Maryland's 23 county jurisdictions.

Obj. 3.3 By fiscal year 2021, at least 60 percent of the inmates released from local reentry programs will have been successfully reintegrated into their communities, i.e., they will not have been re-convicted and returned to DPSCS custodial or community supervision within 3 years of release.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of inmates employed by MCE (June payroll)	2,091	2,051	2,035	2,010	1,786	1,700	1,700
Number of counties participating	3	3	3	6	6	6	6
² Recidivism for inmate participants	0	0	N/A	N/A	N/A	N/A	N/A

Goal 4. Good Management: Ensure the Department operates efficiently.

Obj. 4.1 At least 35 percent of retake warrants for parole/mandatory supervision release issued will be transmitted by the Maryland Parole Commission (MPC) to the Central Home Detention Unit for entry into METERS/NCIC within three business days of receipt of the warrant request, and at least 10 percent of retake warrants will be transmitted within one business day.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Retake warrants issued	3,511	3,375	3,203	2,695	2,236	2,236	2,236
Percent of requests for retake warrants transmitted within three business days	52%	49%	49%	35%	25%	50%	52%
Percent of requests for retake warrants transmitted within one business day	16%	8%	8%	7%	41%	18%	20%

Obj. 4.2 By fiscal year 2017 and thereafter, at least 75 percent of the graduates of entry level academy training conducted by the Correctional Training Commission (CTC) and the Maryland Police Training and Standards Commission (MPTSC) each fiscal year will be rated appropriately prepared for on-the-job training.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Overall percent of graduates rated professionally competent on the job after completing mandated training	84%	77%	86%	69%	81%	≥ 75%	≥ 75%
Correctional Entrance Level Training:							
35 Day Correctional Academy	90%	88%	89%	81%	93%	≥ 75%	≥ 75%
Police Entrance Training:							
26 Week/ Academy Training	83%	100%	88%	67%	N/A	≥ 75%	≥ 75%
06 Week/ Comparative Compliance	100%	N/A	71%	N/A	N/A	≥ 75%	≥ 75%
Community Supervision Entrance Level Training:							
08 Week / Agent Academy	57%	47%	N/A	59%	77%	≥ 75%	≥ 75%
05 Week / Drinking Driver Monitor Academy	50%	N/A	N/A	N/A	42%	≥ 75%	≥ 75%

Department of Public Safety and Correctional Services

Q00A01.02 Information Technology and Communications Division - Office of the Secretary

Program Description

The Information Technology and Communications Division (ITCD) provides automated management information services to the Department and other criminal justice agencies in the State. It also collects and maintains Maryland's official criminal history record information as part of its administration of the Criminal Justice Information System. ITCD's services include the design, programming, operation, and maintenance of a variety of systems throughout the State, as well as the performance of State and national criminal history records checks for non-criminal justice purposes.

Q00A01.03 Intelligence and Investigative Division - Office of the Secretary

Program Description

The Intelligence and Investigative Division, formerly the Internal Investigative Unit, was renamed effective October 1, 2014. It remains the law enforcement agency tasked with managing administrative and criminal investigations within the Department of Public Safety and Correctional Services. The Unit provides complete oversight to the investigation process by receiving complaints, assigning investigations, monitoring progress and ensuring quality of services.

Q00A01.04 9-1-1 Emergency Number Systems - Office of the Secretary

Program Description

The Emergency Number Systems Board (ENSB) coordinates the implementation of 9-1-1 as the primary emergency telephone number in Maryland. In support of 9-1-1 operations, the ENSB administers the 9-1-1 Trust Fund (funded by a surcharge on telephone service) that finances the operation and enhancement of 9-1-1 systems throughout Maryland, and provides guidance on equipment standards and assistance on training of 9-1-1 personnel.

Q00A02.04 Security Operations - Deputy Secretary for Operations

Program Description

Security Operations provides resource assistance to the East, West, and Central Regions through K-9 interdiction, Intelligence, and a Special Operations Group, which is used for high risk transports, courtroom security, and disturbance responses. Crisis management is also provided to ensure the readiness of the facilities through emergency exercises. Security Operations also provides teams trained specifically for hostage negotiation, critical incident stress management, and contraband interdiction. It also oversees the Transportation and Data Management units, and ensures compliance with policy and procedures through audits with the Program Audit Review Team, review of incident reports, and tracking trends through analysis of statistical data.

Q00C01.01 General Administration and Hearings - Maryland Parole Commission

Program Description

The Maryland Parole Commission hears cases for parole release and revocation, and is authorized to parole inmates sentenced to a term of confinement of six months or more from any correctional institution in Maryland except the Patuxent Institution. The Commission is authorized to issue warrants for the return of alleged violators to custody and revoke supervision upon finding that a violation of the conditions of parole or mandatory supervision release has occurred. The Commission also makes recommendations to the Governor regarding pardons, commutations of sentences, and parole of inmates sentenced to life imprisonment.

Q00C02.01 Division of Parole and Probation-Support Services - Division of Parole and Probation

Program Description

The Division of Parole and Probation provides offender supervision and investigation services. The Division's largest workload involves the supervision of probationers assigned to the Division by the courts. Inmates released on parole by the Maryland Parole Commission or released from the Division of Correction because of mandatory release are also supervised by the Division. The Drinking Driver Monitor Program (DDMP) supervises offenders sentenced by the courts to probation for driving while intoxicated (DWI) or driving under the influence (DUI).

Q00D00.01 Patuxent Institution - Patuxent Institution

Program Description

Patuxent Institution operates as a maximum security, treatment-oriented correctional facility that provides remediation services to male and female offenders in its Eligible Person Program and Patuxent Youthful Offenders Program. The Institution also addresses the needs of mentally-ill offenders throughout the correctional system within the Correctional Mental Health Center-Jessup (CMHC-Jessup), as well as Patuxent's Transition Unit and Step-Down Unit. The remaining population is comprised of inmates who may be participating in the Patuxent Assessment Unit (PAU), the Regimented Offender Treatment Center (ROTC), the Parole Violators Program (PVP), or stand-alone cognitive behavioral treatment modules. In addition, the Institution provides risk assessment services to inmates with life sentences who are being considered for parole by the Maryland Parole Commission.

Q00E00.01 General Administration - Inmate Grievance Office

Program Description

The Inmate Grievance Office (IGO) reviews grievances against officials and employees of the Department of Public Safety and Correctional Services with operational responsibilities for its correctional institutions (as distinguished from detention facilities) filed by inmates incarcerated in those institutions. Inmates can appeal to IGO after they have exhausted all relevant institutional procedures. Grievances without merit can be dismissed by IGO's executive director without a hearing. Grievances that may have merit are scheduled for hearings with the Office of Administrative Hearings (OAH).

Q00G00.01 General Administration - Police and Correctional Training Commissions

Program Description

The Police and Correctional Training Commissions (PCTC) provide staffing and administrative services to two separate and distinct Commissions. The Police Training Commission prescribes minimum police selection and training standards for entrance, in-service, and advanced levels for all police officers serving the state, county, and municipal agencies in Maryland. The Correctional Training Commission prescribes minimum selection and training standards for community supervision, juvenile justice, and correctional personnel serving in state and county agencies. Both commissions train police and correctional officers for the state, county, and municipal agencies. All state, county, and municipal police and correctional officers are certified by PCTC to ensure that they meet the agency's specified standards. PCTC also provides firearms safety, crime prevention, and drug resistance education programs to Maryland businesses, schools, and citizens and has been given a supporting role in the statewide study of race-based traffic stops. PCTC also operates the Public Safety Education and Training Center, provides specialized training resources and curricula to State and local public safety officers.

Q00K00.01 Administration and Awards - Criminal Injuries Compensation Board

Program Description

The Criminal Injuries Compensation Board (CICB) provides assistance to innocent victims of crime who have suffered a physical injury and sustained a financial loss. Awards are made for lost wages, medical expenses, counseling, crime scene clean-up, and funeral expenses for victims of homicide. The maximum award for each claim is \$45,000. Funding is generated by defendant-paid court costs to the State's Criminal Injuries Compensation Fund (CICF) and federal grants. Funding for the Board is provided only through CICF.

Q00N00.01 General Administration - Maryland Commission on Correctional Standards

Program Description

The Maryland Commission on Correctional Standards (MCCS) develops standards and enforces regulations addressing: life, health, safety, and constitutional issues for the operation of Maryland's prisons, detention centers, and community correctional centers. In 1998 the MCCS acquired regulatory and licensing authority over private home detention monitoring agencies. The Commission ensures adherence to requirements for both public adult correctional facilities and private home detention monitoring agencies through regular auditing and submission of formal reports of compliance.

Q00T04.05 Youth Detention Center - Division of Pretrial Detention

Program Description

The Youth Detention Center replaced the former Baltimore City Detention Center in 2015. BPC consists of four buildings that house persons committed to the Department's custody while awaiting trial or sentencing in Baltimore City. The Jail Industries and Annex Buildings house male detainees, the Women's Detention Center houses both male and female detainees, and the Wyatt Building houses juvenile detainees.

MISSION

The mission of the Maryland State Department of Education is ensuring Maryland residents have access to efficient systems of public education and rehabilitation services. The Maryland State Department of Education provides leadership, support, and accountability for effective systems of public education and rehabilitation services with a focus on excellence, equity, and efficiency.

VISION

The Maryland State Department of Education will ensure all students have access to a world class educational system that prepares them to graduate ready for post-secondary learning, rewarding work and success in society and life.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Achievement will improve for each student.

Obj. 1.1 The percentage of students that have met or exceeded expectations in English/Language Arts and Mathematics on State Assessments will be increased from baseline data established by the 2014-15 administration of the new (Partnership for Assessment of Readiness for College and Careers) PARCC assessments.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
English/Language Arts - Level 4 (Met Expectations) or Level 5 (Exceeds Expectations)							
Grade 3	N/A	38.1%	37.5%	39.8%	38.9%	41.1%	N/A
Grade 4	N/A	40.1%	40.3%	41.9%	43.1%	45.3%	N/A
Grade 5	N/A	40.1%	39.4%	41.4%	42.2%	44.4%	N/A
Grade 6	N/A	36.2%	37.0%	38.4%	38.7%	40.9%	N/A
Grade 7	N/A	38.7%	39.4%	43.0%	45.6%	47.8%	N/A
Grade 8	N/A	40.4%	38.6%	38.9%	41.3%	43.5%	N/A
Grade 10	N/A	39.7%	44.4%	49.3%	42.4%	44.6%	N/A
Mathematics - Level 4 (Met Expectations) or Level 5 (Exceeds Expectations)							
Grade 3	N/A	36.4%	44.0%	43.0%	42.2%	44.4%	N/A
Grade 4	N/A	30.6%	37.0%	37.5%	38.8%	41.0%	N/A
Grade 5	N/A	29.9%	36.5%	35.5%	38.0%	40.2%	N/A
Grade 6	N/A	29.5%	32.6%	32.2%	31.8%	34.0%	N/A
Grade 7	N/A	21.3%	24.2%	25.4%	28.6%	30.8%	N/A
Grade 8	N/A	23.2%	21.9%	16.8%	15.9%	18.1%	N/A
Algebra I	N/A	31.2%	35.6%	36.5%	31.1%	33.3%	N/A
Algebra II	N/A	20.2%	26.8%	27.3%	28.2%	30.4%	N/A

Obj. 1.4 The number of students in the Juvenile Services Education Program earning a Maryland high school diploma (HSD) will increase annually by 5 percent or more, and the percentage of students demonstrating academic gains in both reading and mathematics will be 60 percent or more.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
July 1 enrollment	576	487	413	462	394	400	370
Total students served per year	5,482	4,736	4,348	4,032	3,662	3,250	2,957
Number of students earning a Maryland HSD	47	53	59	78	79	78	80
Number of students completing a Career Technology Education (CTE) module	1,554	2,169	1,510	1,686	1,248	1,770	1,800
Percent of students demonstrating academic gains - Reading	53.7%	53.7%	57.0%	58.7%	60.0%	N/A	N/A
Percent of students demonstrating academic gains - Math	60.1%	64.7%	68.2%	64.4%	60.0%	N/A	N/A
Teacher vacancy rate	N/A	N/A	N/A	18.5%	17.0%	17.0%	17.0%
Average length of teacher tenure (years)	N/A	N/A	N/A	6	4	4	4
Number of students enrolled in post-secondary education opportunities	N/A	N/A	N/A	19	26	28	29
Number of students enrolled in CTE classes	N/A	N/A	N/A	3,817	2,742	2,495	2,270
Number of classroom hours cancelled due to unavailability of a teacher or substitute	N/A	N/A	N/A	3,339	2,057	2,050	2,050

Obj. 1.5 The four-year cohort graduation rate will increase by .73 percentage points per year until it reaches the target of 88.49 percent by AY 2020.

Obj. 1.6 Maryland will continue to serve approximately 21,000 students in 50 public charter schools.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of high school dropouts (Cohort Rate)	8.35%	8.08%	7.97%	8.21%	N/A	N/A	N/A
Four-Year High School graduation rate (Cohort Rate)	86.39%	86.98%	87.61%	87.67%	N/A	N/A	N/A
Five-Year High School graduation rate (Cohort Rate)	88.70%	89.11%	89.47%	N/A	N/A	N/A	N/A
Number of public charter schools operating	47	47	49	49	50	50	52
Number of students enrolled in public charter schools	17,829	19,337	20,988	21,900	23,723	24,000	24,300

Maryland State Department of Education

Goal 2. All educators will have the skills to improve student achievement.

Obj. 2.1 The percentage of inexperienced/Year One teachers teaching in high poverty schools will decrease by 0.5 percent annually.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of inexperienced/Year One teachers teaching in the State	N/A	4,049	3,430	3,586	3,444	3,400	3,400
Percentage of inexperienced/Year One teachers teaching in elementary schools in the high poverty quartile	N/A	9.2%	8.2%	7.7%	7.3%	7.1%	6.9%
Percentage of inexperienced/Year One teachers teaching in elementary schools in the low poverty quartile	N/A	5.4%	4.3%	4.7%	4.9%	5.1%	5.3%
Percentage of inexperienced/Year One teachers teaching in secondary schools in the high poverty quartile	N/A	8.6%	7.2%	7.2%	6.9%	6.7%	6.5%
Percentage of inexperienced/Year One teachers teaching in secondary schools in the low poverty quartile	N/A	4.5%	3.5%	3.9%	3.1%	3.3%	3.5%
Number of teachers with National Board for Professional Teaching Standards Certification	2,570	2,728	2,785	2,818	3,056	3,178	3,300

Obj. 2.2 The percentage of the State's teachers rated as effective or highly effective will increase.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of teachers evaluated Highly Effective	40.8%	35.9%	37.0%	39.2%	38.5%	38.7%	38.9%
Percent of teachers evaluated Effective	56.4%	61.9%	60.6%	58.3%	59.2%	59.1%	59.0%
Percent of teachers evaluated Ineffective	2.8%	2.2%	2.4%	2.5%	2.3%	2.2%	2.1%

Goal 3. The employment, economic self-sufficiency, and independent living of people with disabilities will be promoted through Division of Rehabilitation Services (DORS) vocational rehabilitation and disability determination programs.

Obj. 3.1 By June 30, 2020, DORS will help 2,000 people with disabilities obtain competitive integrated employment.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of eligibility decisions	7,485	6,901	7,262	7,673	8,571	9,000	9,500
Number who achieve an employment outcome	2,545	2,559	2,565	1,853	1,365	1,500	1,700
Percentage who are employed during the 2nd quarter after program exit	N/A	N/A	N/A	N/A	41%	45%	50%

R00

<http://www.marylandpublicschools.org/>

Maryland State Department of Education

Goal 4. The self-sufficiency of people with disabilities will be maximized through DORS' disability determination program.

Obj. 4.1 By June 30, 2020, the Maryland Disability Determination Services (DDS) will adjudicate annually 71,500 claims for Social Security Disability Insurance (SSDI/Title II) and Supplemental Security Income (SSI/Title XVI).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Claims cleared accurately	75,434	76,734	70,374	72,611	67,873	69,000	71,000
Title II mean processing time (days)	86.8	91.4	97.8	91.0	95.0	92.0	92.0
Title XVI mean processing time (days)	92.0	95.1	102.3	93.6	98.6	94.0	94.0
Net accuracy rate	97.7%	96.0%	97.4%	96.2%	96.0%	97.0%	97.0%

Goal 5. External and internal customers will be provided with service that is: friendly and courteous; timely and responsive; accurate and consistent; accessible and convenient; truthful and transparent.

Obj. 5.1 At least 80 percent of respondents will indicate they are satisfied with the customer service received by MSDE employees.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of Customer Service survey respondents who indicate that, overall, they are very satisfied, somewhat satisfied or neutral	N/A	N/A	N/A	89.7%	87.7%	88.7%	89.7%

NOTES

¹ A new Kindergarten Readiness Assessment (KRA) was administered statewide beginning in the 2014-15 school year. The new assessment is based on more rigorous standards than the previous Maryland Model for School Readiness (MMSR) assessment, so outcomes are not comparable to prior years.

State Department of Education

R00A01.03 Division of Academic Policy and Innovation - State Department of Education - Headquarters

Program Description

The Division drove academic reform and innovation to increase and sustain student achievement through cross-divisional collaboration, partnerships, professional development, and policies that support school systems, teachers, and leaders. Starting in fiscal 2019, the Division's functions have been realigned into other Department programs.

State Department of Education

R00A01.04 Division of Accountability and Assessment - State Department of Education - Headquarters

Program Description

This Division administers the Maryland School Performance Program's annual Report Card. The Maryland School Performance Program requires the collection of data on an annual basis to provide accountability on the State, school system, and school levels. The analysis and interpretation of these data provide the basis for school improvement efforts at each level. The Division delivers the annual student assessments and provides information management, data analysis and interpretation services.

State Department of Education

R00A01.20 Division of Rehabilitation Services-Headquarters - State Department of Education - Headquarters

Program Description

The primary function of this office is the overall administration and direction of the rehabilitation services and independent living rehabilitation services provided by the Division of Rehabilitation Services (DORS). The Office of Business Support Services provides executive direction and fiscal management; collects and tabulates case service and fiscal statistics; provides Federal fiscal reporting; conducts and monitors procurement activities; is responsible for human resources and facilities management, including the Workforce and Technology Center; manages the Division's information technology services; initiates requests for research and other projects; and directs the activities of the Business Enterprise Program for the Blind. The Office of Program and Community Support is responsible for the administration of the Client Assistance Program, and coordinates public relations, communications and volunteer services; coordinates the Division's program planning and evaluation activities; coordinates staff development and training; coordinates and monitors community rehabilitation programs; and develops cooperative working relationships with other public and voluntary agencies working in the rehabilitation, worker's compensation, health, education, and other related fields. It is responsible for providing direction to program development and coordination of the services of the Division of Rehabilitation Services.

State Department of Education

R00A01.23 Division of Rehabilitation Services-Disability Determination Services - State Department of Education - Headquarters

Program Description

This division is a Federal program administered by the State of Maryland. The Social Security Amendments of 1972 provide cash payments to qualified beneficiaries who are totally and permanently disabled and unable to engage in substantial gainful employment. The amendments also provide for welfare recipients who are blind or permanently and totally disabled to be paid by the Social Security Administration. The initial determination of the existence or non-existence of disability for the Social Security or Supplemental Security Income applicant is done by this division. Recommendations are made to the Social Security Administration which makes the final determination of eligibility for benefits and notifies applicants.

State Department of Education

R00A01.24 Division of Rehabilitation Services-Blindness and Vision Services - State Department of Education - Headquarters

Program Description

This office oversees programs and services for individuals whose primary disability is vision loss. The office provides services through rehabilitation counselors, rehabilitation technologists, case managers, and rehabilitation teachers with specialized training in issues of importance to people who are blind. Programs and services include career guidance and assessment, assistive technology, vocational or academic education, orientation, and mobility and/or job placement. The office also administers the Maryland Business Enterprise Program for the Blind, which prepares individuals to operate successful vending and food service operations in public facilities.

State Department of Education

R00A02.01 State Share of Foundation Program - Aid To Education

Program Description

This program is the major State aid program for primary and secondary education, providing a foundation grant that estimates the amount of funding necessary to provide adequate resources to educate the average student. Over time the program has grown to include additional grants for various purposes, including (1) accounting for differences in the costs of providing educational resources among school systems, (2) ensuring that each school system received at least one percent annual increases in State aid in fiscal year 2009 and 2010, (3) changing the calculation of the net taxable income component of wealth in the education aid funding formula, (4) cushioning jurisdictions from formula aid reductions that result from declining enrollment, and (5) grants that account for the impact that tax increment financing districts have upon jurisdictional wealth.

R00A02.03 Aid for Local Employee Fringe Benefits - Aid To Education

Program Description

This program provides funds for the employers' share of retirement costs for local school system employees in the Teachers' Retirement and Pensions Systems maintained by the State. Beginning in FY 2018, funding for librarian retirement can be found in the new Maryland State Library Agency (R11).

R00A02.04 Children At Risk - Aid To Education

Program Description

This program provides funds to reduce the number of students who drop out of school each year, to provide services for pregnant and parenting teenagers, to prevent youth suicides, to reduce the incidence of child alcohol and drug abuse, and to reduce HIV/AIDS among students. This program also includes funding for the SEED school, a public residential boarding school for at-risk youth that opened in fiscal year 2009.

R00A02.05 Formula Programs for Specific Populations - Aid To Education

Program Description

This program provides funding for the basic support of specific student populations. The Out-of-County Placements Program supports situations in which students have been placed by a court, State agency, or licensed child care placement agency in school systems other than counties where parents reside. The counties in which the parents reside are required to reimburse the school systems where the students are placed, and the State pays the difference if local cost is greater in the school system providing education. The Schools Near the Boundaries of Two Counties Program provides funding through the same formula for students enrolled in a different county from where they reside because of their closer proximity to a school in another district.

R00A02.07 Students With Disabilities - Aid To Education

Program Description

Maryland law requires the identification, diagnosis, examination, and education of all students with disabilities, ages three through twenty, who are in need of special education services. Education Article Section 8-414 mandates the funding level by the State. Section 8-406 requires the State and local educational agencies to fund nonpublic special education programs for students with disabilities for whom neither the State nor local agencies can provide an appropriate program. The Autism Waiver Program provides services to children with autism spectrum disorder in the most appropriate and least restrictive environment. The Waiver maximizes the use of Medical Assistance funding to cover the cost of providing services to this population. Related Federal funding is provided in the budget of the Maryland Department of Health.

R00A02.08 Assistance to State for Educating Students With Disabilities - Aid To Education

Program Description

The federal Individuals with Disabilities Education Act authorizes federal grants which enable states and local education agencies to initiate, expand, and improve programs at the preschool, elementary, and secondary levels in order to provide full educational opportunities to all students with disabilities. Most of the State allocation is distributed to local school systems on a formula basis. Medical Assistance funding is provided by the Maryland Department of Health for school health related services, service coordination, and transportation services.

R00A02.25 Guaranteed Tax Base - Aid To Education

Program Description

This program provides additional State education aid to counties that 1) have less than 80 percent of the statewide average wealth per pupil, and 2) provide local education funding above the local share required by the Foundation Program. The program encourages less wealthy jurisdictions to maintain or increase local education tax effort.

R00A02.27 Food Services Program - Aid To Education

Program Description

This program provides free and reduced price meals to children throughout Maryland. State funds are used to expand food and nutrition programs for needy children and supplement currently available Federal and local funds. Federal funds are disbursed by MSDE to public and nonpublic schools, residential child care institutions, child care centers, summer programs, and charitable institutions.

R00A02.58 Head Start - Aid To Education

Program Description

This program enhances school readiness of Head Start children by providing expanded and improved Head Start services to children, ages birth to five, from low-income families. Expansion and improvement of services include expanding the hours of services, increasing the number of children served, and developing quality improvement measures such as staff development and program improvement.

Maryland School for the Blind

MISSION

The Maryland School for the Blind (MSB), a statewide resource center, provides outreach, school and residential services for students to reach their fullest potential by preparing them with the abilities to be as successful, independent and well-rounded contributing members of their communities as possible.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. All students will acquire academic and independent living skills.

- Obj. 1.1** All MSB early childhood students will improve social relationship and functional independence skills as a result of staff implementing at least five strategies embedded into functional routines.
- Obj. 1.2** All Early Childhood through grade 12 students will improve individual literacy skills.
- Obj. 1.3** All students will acquire and demonstrate progress in independent daily living skills.
- Obj. 1.4** All students will access and benefit from involvement in co-curricular activities that include choral and/or instrumental music, athletics, theater, and social services clubs.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of students where five or more strategies have been effectively utilized by staff	N/A	66%	66%	66%	97%	98%	98%
Percent of students whose social relationships and functional independence skills have improved	N/A	66%	66%	66%	97%	98%	98%
Percent of non-readers and pre-readers who achieved their Individualized Education Program (IEP) communication and/or literacy objectives	N/A	94%	89%	84%	93%	94%	95%
Percent of readers who increased fluency rate	N/A	53%	71%	61%	76%	77%	78%
Percent of students achieving progress in demonstrating skills in the home, school and/or community	N/A	90%	80%	83%	85%	86%	87%
Number of eligible students	N/A	92	81	84	85	85	85

State Department of Education

R00A03.01 Maryland School for the Blind - Funding for Educational Organizations

Program Description

The Maryland School for the Blind (MSB) educates students whose needs cannot be met in their respective 24 local school systems through community-based outreach and comprehensive on-campus programs on a day or residential basis. The school serves students from birth to age 21 who are blind or visually impaired, including some with multiple disabilities. Each student has a mandated Individualized Education Plan (IEP) tailored to his or her needs. MSB's program includes general education subjects and in addition, special instruction in the disability-specific areas of the Expanded Core Curriculum that includes braille, orientation and mobility, career education and independent living skills. Exit goals for students, depending on their abilities, are to earn either a high school diploma or a certificate of attendance at graduation or, prior to graduation, return to their local school systems with increased skill levels essential for successful reintegration and academic achievement.

Blind Industries and Services of Maryland

MISSION

The mission of Blind Industries and Services of Maryland (BISM) is twofold: 1) to provide stable career opportunities, innovative rehabilitation programs, and quality products and services; and 2) to develop resources for training and education. The mission of the Rehabilitation Department is to empower blind consumers through comprehensive rehabilitation and adjustment programs that instill a positive philosophy of blindness and a fundamental belief that with proper training and opportunity the blind can compete on terms of equality with their sighted counterparts.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. To assist consumers who are blind or low vision to gain skills of blindness and confidence necessary to live independently.

Obj. 1.1 Annually BISM will provide at least 45,540 hours of training in blindness skills - braille, cane travel, computer, independent living, career exploration, physical fitness, adjustments to blindness, and community-based training - to adult and senior citizens who are blind or low vision.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of participants	285	284	283	231	312	200	200
Number of training hours	60,406	60,054	60,947	54,684	58,400	45,540	45,540

State Department of Education

R00A03.02 Blind Industries and Services of Maryland - Funding for Educational Organizations

Program Description

Blind Industries and Services of Maryland (BISM) was established in 1908 to provide training and employment opportunities to blind Marylanders. BISM provides training in the skills of blindness via two training programs. The Comprehensive Orientation, Rehabilitation, and Empowerment (CORE) program serves blind or low vision adults who are the age of employability. CORE is a comprehensive program that teaches alternative techniques of blindness, builds confidences, and incorporates a positive philosophy of blindness. It prepares graduates for the next stage of life whether employment, continuing education, and/or achieving independent living goals. The Senior programs serve blind or low vision citizens who are age 55 and over. The programs are less intensive but teach the same skills of Braille, cane travel, independent living, computer technology, and arts and crafts. Seniors gain skills necessary to stay in their own homes, live independently, and continue to be active in family and community.

R00A04.01 Children's Cabinet Interagency Fund - Children's Cabinet Interagency Fund

Program Description

The Children's Cabinet works to ensure the effective, efficient and comprehensive delivery of services to Maryland's children and families by coordinating the programs and policies of the State child-serving agencies. The Children's Cabinet includes the Secretaries of the Departments of Budget and Management, Disabilities, Health, Human Services, Juvenile Services, and the State Superintendent of Schools, and is chaired by the Executive Director of the Governor's Office for Children (GOC). The Children's Cabinet maintains an Interagency Fund, enters into Community Partnership Agreements (CPAs) with Local Management Boards (LMBs), assists in the development of plans for a continuum of services that is family and child-oriented, and implements an interagency effort to maximize available resources. The Children's Cabinet Interagency Fund is administered by GOC on behalf of the Children's Cabinet.

Maryland Longitudinal Data System Center

MISSION

The Maryland Longitudinal Data System (MLDS) Center develops and maintains the Maryland Longitudinal Data System in order to provide analyses, produce relevant information, and inform choices to improve student and workforce outcomes, while ensuring the highest standards of system security and data privacy.

VISION

The vision of the Maryland Longitudinal Data System Center is to become the preeminent source in the State of Maryland for accurate, cross-sector, and actionable information on student to workforce transitions and outcomes.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Maintain a public facing website that provides timely and relevant information for stakeholders.

Obj. 1.1 Dashboards are maintained throughout each year with up-to-date data that is useful for key stakeholders including policy makers, educators, and the public.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of new dashboards and other data analyses and summaries added to the website.	0	1	22	17	20	30	35

State Department of Education

R00A05.01 Maryland Longitudinal Data System Center - Maryland Longitudinal Data System Center

Program Description

This program manages and analyzes education and workforce data on each individual student in the State to determine how students are performing and to what extent they are prepared for higher education and the workforce. The Center collaborates with five entities to provide this information to policy makers, education professionals, and the general public to enhance education and support services and promote transparency. The five entities are the Maryland State Department of Education (MSDE), Maryland Higher Education Commission (MHEC), the Department of Labor, Licensing and Regulation (DLLR), the School of Social Work at the University of Maryland, Baltimore Campus (UMB), and the College of Education at the University of Maryland, College Park Campus (UMCP).

R00A06.01 Maryland Center for School Safety - Operations - Maryland Center for School Safety

Program Description

The Maryland Center for School Safety was established in 2013 as an independent unit of State government, providing a coordinated and comprehensive policy for school safety in Maryland. The Center collaborates with local school systems, law enforcement agencies, State and local government, community organizations, parents and other groups by disseminating information on best practices, programs and resources; providing technical assistance and training; collecting, analyzing, and integrating statewide data; and promoting interagency efforts to ensure safe schools.

Interagency Commission on School Construction

MISSION

The Interagency Commission on School Construction (IAC) provides leadership and resources to local education agencies in the development of school facilities so that all Maryland public school students, teachers, administrators and staff have safe and educationally supportive environments in which to teach and learn. The overriding goal of the public school construction program is to promote equity in the quality of school facilities throughout the State of Maryland.

VISION

A State in which all public school facilities enable students and educators to learn and teach in safe environments that are designed, constructed, and maintained to support the requirements of educational programs and services.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. The Interagency Commission on School Construction (IAC) will promote equity in the quality of school facilities throughout the State of Maryland.

Obj. 1.1 For each local education agency (LEA), in any one year the deviation from the statewide average age of the square footage for that year will remain constant or improve compared to the deviation recorded for fiscal year 2005 (baseline year). The Statewide average age in the baseline year was 24.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

State Department of Education

R00A07.01 Interagency Commission On School Construction - Interagency Commission On School Construction

Program Description

The Interagency Commission on School Construction reviews and analyzes requests for State funds for capital improvement projects for public school buildings from each local education agency with the approval of the local government. The funded projects enable students and teachers to learn and teach in safe and educationally supportive learning environments. Local matching funds are required for projects which are funded through the Public School Construction Capital Improvement Program, such as renovations, additions, new and replacement schools, limited renovations, systemic renovations, and high school science and pre-kindergarten renovations and additions. Other funding programs include the Aging School Program (ASP), Non-Public Aging School Program (NPASP), Public School Safety Improvement (PSSI), Healthy School Facility Fund (HSFF), Revolving Loan Program, and the Qualified Zone Academy Bond (QZAB) program. The Public School Construction Program coordinates with the Department of General Services, the Maryland Department of Planning, and the Maryland State Department of Education to perform various work and services.

Maryland State Library Agency

MISSION

The mission of the Maryland State Library Agency (MSL) is to provide leadership and consultation in technology, training, marketing, funding, resource sharing, research, and planning, so that Maryland libraries can fulfill their missions now and in the future to the people of Maryland.

VISION

Maryland libraries will be the first thought of Maryland residents for information in the 21st century.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Libraries will anticipate and meet the educational and informational needs of their communities.

Obj. 1.1 Maryland Public Libraries will provide equitable access to educational, social, and informational services through electronic and print resources.

Obj. 1.2 The Maryland Library for the Blind and Physically Handicapped (LBPH) will coordinate statewide library services for all blind, visually impaired, physically disabled, and reading disabled Maryland residents and for institutions serving these individuals.

Total Expenditure	84,733,642	87,571,101	90,770,356

Maryland State Library Agency

R11A11.01 Maryland State Library - Maryland State Library

Program Description

The State Library Agency administers State and Federal programs to improve library services; operates the Maryland State Library for the Blind and Physically Handicapped; approves plans for the State Library and the Regional Resource Centers; coordinates Sailor--the State's on-line electronic information network that provides free Internet access to Maryland residents; and oversees the State Library Network where residents can obtain materials and services not available at their local library. The AskUsNow! program is a 24/7 live online interactive service which uses librarians to provide answers to questions, research guidance, and help in navigating the Internet to Maryland residents in a live chat and email follow-up format. Partner libraries contribute existing staff and Internet workstations. AskUsNow! has been adopted as a service model for chat reference services nationwide. Funding for previous fiscal years may be found in the Maryland State Department of Education budget (R00A01.17).

Maryland State Library Agency

R11A11.02 Public Library Aid - Maryland State Library

Program Description

State funding is mandated by Maryland law for public libraries. Federal financial assistance is provided to promote the development of public library services and interlibrary cooperation, and to assist in providing specialized State library services to physically disabled persons and residents and staff of State institutions. Funding for previous fiscal years may be found in the Maryland State Department of Education budget (R00A02.31).

Maryland State Library Agency

R11A11.03 State Library Network - Maryland State Library

Program Description

This program ensures that the major library resources of the State will be readily available to all Maryland citizens, thus improving the capacity of each library to meet the specific informational needs of its clientele and provide maximum use of existing collections. Through cooperative efforts it is possible to provide additional resources and services for all library users at the lowest reasonable cost. The State Library Network has implemented a long-term program to electronically connect libraries and other resources within the State and provide connection to the Internet. The network includes the Enoch Pratt Central Library which is designated as the State Library Resource Center, three regional resource centers, and metropolitan cooperative service programs. Funding for previous fiscal years may be found in the Maryland State Department of Education budget (R00A02.32).

Maryland State Library Agency

R11A11.04 Aid for Local Library Employee Fringe Benefits - Maryland State Library

Program Description

This program provides funds for the employers' share of retirement costs for library employees in the Teachers' Retirement and Pensions Systems maintained by the State. It also includes funding to support the retirement of Montgomery County Public Library Employees, who are not in the State retirement system, as well as funding to cover the State Retirement Agency administrative fee costs for library employees. Funding for previous fiscal years may be found in the Maryland State Department of Education budget (R00A02.03).

MISSION

Morgan State University is, by legislative statute, Maryland's public urban university. Morgan serves the community, region, State, nation, and world as an intellectual and creative resource by supporting, empowering, and preparing high-quality, diverse graduates to lead the world. The University offers innovative, inclusive, and distinctive educational experiences to a broad cross-section of the population in a comprehensive range of disciplines at the baccalaureate, master's, doctoral, and professional degree levels. Through collaborative pursuits, scholarly research, creative endeavors, and dedicated public service, the University gives significant priority to addressing societal problems, particularly those prevalent in urban communities. These goals and objectives reflect the University's ten-year strategic plan, which focuses on the five strategic goals including: Enhancing Student Success, Enhancing Morgan's Status as a Doctoral Research University, Improving and Sustaining Morgan's Infrastructure and Operational Processes, Growing Morgan's Resources, and Engaging with the Community.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Enhancing Student Success: Morgan will create an educational environment that enhances student success.

- Obj. 1.1 Increase the graduation rate of Morgan undergraduates to 45 percent by 2023.
- Obj. 1.2 Increase the graduation rate of PELL recipients to 40 percent by 2023.
- Obj. 1.3 Increase the second-year retention rate of Morgan undergraduates to 80 percent by 2023.
- Obj. 1.4 Increase the percent of high-ability freshmen to 27 percent by 2023.
- Obj. 1.5 Increase the diversity of undergraduate students to 18 percent by 2023.

NOTES

¹ Data for 2018 is estimated because it is reported on a calendar year basis.

Morgan State University

R13M00.00

Program Description

Morgan State University, founded in 1867, is a doctoral/research university. With an enrollment of more than 7,600 students, the northeast Baltimore campus is the largest of the State's four historically black institutions. Morgan offers baccalaureate, master's and doctorate programs in the fields of liberal arts, the sciences, engineering, public health, nursing, education, and business.

St. Mary's College of Maryland

MISSION

St. Mary's College of Maryland is Maryland's honors college, a selective, public liberal arts college—a vibrant community of scholars and learners. We foster a rigorous and innovative curriculum; experiential learning; scholarship and creativity; close mentoring relationships; and a community dedicated to honesty, civility, and integrity. We are committed to diversity, access, and affordability. Our students, faculty and staff serve local, national, and global communities and cultivate and promote social responsibility.

VISION

St. Mary's College of Maryland will increasingly serve as the liberal arts college of choice for intellectually ambitious students, faculty, and staff from diverse backgrounds, attracted by a rigorous, innovative, and distinctive curriculum that integrates theory and practice; a talented, professionally engaged, and student-centered faculty and staff; and a strong infrastructure. Students will be part of a collaborative learning community that embraces intellectual curiosity and innovation, the power of diversity, and the College's unique environment. Our graduates will thrive as responsible and thoughtful global citizens and leaders.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Ensure a high quality and rigorous academic program.

- Obj. 1.1** At least 80 percent of the graduating class will participate in a one-on-one learning experience. This is typically fulfilled through a St. Mary's Project, directed research, independent study, or credit-bearing internship.
- Obj. 1.2** Maintain a full-time faculty of which 98 percent have terminal degrees. Maintain the proportion of undergraduate credit hours taught by full-time faculty at 88 percent annually.
- Obj. 1.3** Maintain an environment that promotes individual contact between faculty and students by maintaining a student-faculty ratio of no more than 12 to 1.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of the graduating class successfully completing a one-on-one learning experience	79%	74%	77%	75%	78%	78%	78%
Percent of all full-time faculty who have terminal degrees	100%	100%	97%	98%	99%	99%	99%
Percent of undergraduate credit hours taught by full-time faculty	87%	88%	89%	91%	89%	89%	89%
Undergraduate student to faculty ratio (IPEDS calculation)	10:1	10:1	10:1	10:1	10:1	10:1	10:1

St. Mary's College of Maryland

Goal 2. Recruit, support, and retain a diverse and qualified group of students, faculty and administrative staff who will contribute to and benefit from the enriched academic and cultural environment provided by St. Mary's.

Obj. 2.1 Recruit a qualified and diverse entering class with the following attributes: Median verbal and math combined SAT score of at least 1150, average high school grade point average (GPA) of at least 3.40 (4 point scale), minority enrollment of at least 25 percent, out of state student enrollment of at least 10 percent, students from first generation households enrollment of at least 20 percent, and Pell Grants disbursed during their first semester student enrollment of at least 20 percent.

Obj. 2.2 Achieve and maintain 4-year graduation rates for all students (70 percent), all minorities (59 percent), African-American students (51 percent), Hispanic students (70 percent), all first generation students (65 percent), and all students with a Pell Grant disbursed during their first semester (58 percent). Maintain 6-year graduation rates for all students (80 percent), all minorities (74 percent), African-American students (71 percent), Hispanic students (80 percent), all first generation students (78 percent) and all Pell Grants disbursed during their first semester (68 percent).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Median (verbal and mathematics combined) SAT scores of first year entering class	1,190	1,165	1,150	1,130	1,180	1,190	1,190
Average high school GPA	N/A	3.39	3.36	3.34	3.33	3.38	3.40

St. Mary's College of Maryland

Obj. 2.3 The first to second-year retention rate will be 90 percent.

Obj. 2.4 The College will strive for diversity in the faculty and staff so that the composition reflects the aspired diversity of the student body. The aspirant goal for full-time faculty and staff will be: all minorities (20 percent and 28 percent), and women (50 percent and 50 percent).

Obj. 2.5 Ensure access for transfer students, particularly those from 2-year institutions. Achieve and maintain transfer students at 20 percent of the entering class each fall.

Obj. 2.6 Achieve and maintain degree completion rates for transfer students at 60 percent for three-year graduation rates, and at 70 percent for four-year graduation rates.

First to second-year retention rate	90%	86%	86%	87%	87%	85%	86%
Percent minority of all full-time tenured or tenure-track faculty	17%	17%	18%	16%	17%	18%	19%
Percent women of all full-time tenured or tenure-track faculty	49%	47%	47%	46%	51%	51%	51%
Percent minority of all full-time (non-faculty) staff	24%	23%	24%	24%	27%	28%	29%
Percent women of all full-time (non-faculty) staff	56%	57%	54%	55%	52%	52%	52%
Percentage of entering fall class who are transfer students	20%	21%	22%	25%	20%	22%	22%
3-year graduation rate for all transfer students	60%	61%	53%	62%	56%	67%	76%
4-year graduation rate for all transfer students	73%	67%	74%	62%	71%	74%	75%

Goal 3. Ensure access for students with financial need through a strategic combination of federal, state, private, and institutional funds.

Obj. 3.1 72 percent of entering first-year student need is met by awarding any need-based aid.

Obj. 3.2 Support persistence to graduation of students receiving need-based aid at entry. Achieve and maintain first-to-second year retention rates at 90 percent, four-year graduation rates at 70 percent, and six-year graduation rates at 80 percent for students receiving need-based aid in the first semester.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Average percent of first-time full-time degree-seeking student need met by awarding need-based aid	75%	71%	72%	72%	75%	75%	75%
First-to-second year retention rate for students receiving need-based aid in the first semester	91%	86%	86%	84%	80%	84%	86%
Four-year graduation rate for students receiving need-based aid in the first semester	64%	71%	75%	66%	61%	63%	59%
Six-year graduation rate for students receiving need-based aid in the first semester	84%	76%	72%	75%	81%	78%	71%

St. Mary's College of Maryland

Goal 4. Increase student contributions to the Maryland community and to the state and national workforce.

Obj. 4.1 65 percent of graduating seniors will have performed community service while at SMCMD.

Obj. 4.2 45 percent of graduating seniors will have participated in a paid or unpaid internship.

Obj. 4.3 The rate of employment among five-year out alumni will be 95 percent.

Obj. 4.4 At least 50 percent of the five-year-out alumni of SMCMD will pursue an advanced degree.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of graduating seniors who will have performed community service while at SMCMD	62%	62%	70%	79%	71%	71%	71%
Percent of graduating seniors who fulfilled a paid or unpaid internship	47%	40%	43%	45%	41%	45%	45%
¹ Employment rate of five-year-out alumni	92%	91%	98%	97%	98%	98%	98%
Percent of alumni pursuing or obtained an advanced degree five years after graduation	44%	48%	63%	60%	64%	64%	64%

NOTES

¹ Due to issues encountered with the Alumni survey administration, numbers for 2014 and 2015 include extrapolated data based on previous years' reports.

St. Mary's College of Maryland

R14D00.00

Program Description

St. Mary's College of Maryland (SMCM) is a co-educational public honors college with a four year, liberal arts program offering Bachelor of Arts, Bachelor of Science and a Master of Arts in Teaching degrees. The educational program is organized to service boarding, day commuter and part-time evening students.

Maryland Public Television

MISSION

Maryland Public Television (MPT) enriches lives and strengthens communities through the power of media.

VISION

We envision a region of dynamic communities where people - informed, inspired, and moved by insights gained through the use of Maryland Public Television's public media services - engage in respectful dialogue, develop common aspirations and together create a healthier and more vibrant society.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Maintain financial viability of the Maryland Public Broadcasting Commission.

Obj. 1.1 Maximize membership and member contributions.

Obj. 1.2 Maximize funding from non-State sources.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of members	60,500	60,500	60,882	61,000	58,083	60,000	62,000
Member contributions (millions)	6.1	7.1	7.0	7.0	6.7	7.0	7.0
Total special and federal funds (millions)	\$17.18	\$18.53	\$17.54	\$17.80	\$18.30	\$18.60	\$21.48

Goal 2. Maintain viewership by producing excellent local programming and educational programs.

Obj. 2.1 Produce quality entertainment and educational programming at the national and local level.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total number of MPT original programs produced	251	245	297	271	268	268	268
Total hours of MPT original programming produced	129	128	159	142	138	137	137
Total viewers 2+ of age (in thousands)	1,000	1,200	1,800	1,600	1,300	1,300	1,300
Total number of non-scheduled interruptions	4	3	4	1	5	4	4

R15

<http://www.mpt.org/>

Maryland Public Television

Goal 3. Provide lifelong learning opportunities through educational programs and services.

Obj. 3.1 Maintain number of broadcast hours dedicated to educational programming.

Obj. 3.2 Provide online educational opportunities for Maryland schoolchildren through the Thinkport website.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Hours of educational programs broadcast	1,095	1,095	453	5,455	9,470	9,470	9,470
Visits to Thinkport website (in thousands)	1,755	1,856	1,633	1,337	1,381	1,400	1,400
Year-over-year increase in site activity	3.0%	5.7%	-12.0%	-18.0%	3.3%	1.1%	0.0%

NOTES

¹ In January 2016, MPT ceased the broadcast of instructional programs, as they are available 24 hours a day, 7 days a week online. In fiscal year 2017 and in the out years, MPT will measure hours of children's programming under this category.

USM - University of Maryland

MISSION

The University System of Maryland (USM) seeks to improve the quality of life for the people of Maryland by providing a comprehensive range of high quality, accessible and affordable educational opportunities; engaging in research and creative scholarship that expand the boundaries of current knowledge; and providing knowledge-based programs and services that are responsive to the needs of the citizens of Maryland and the nation. The University System of Maryland fulfills its mission through the effective and efficient management of its resources and the focused missions and activities of each of its component institutions.

VISION

USM strives to be a preeminent system of public higher education, admired around the world for its leadership in promoting and supporting education at all levels, fostering the discovery and dissemination of knowledge for the benefit of the State and the nation, and instilling in all members of its community a respect for learning, diversity, and services to others.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Meet the educational needs of our state, our nation, and an increasingly diverse student population.

- Obj. 1.1 Expand access to USM institutions and programs.
- Obj. 1.2 Increase the affordability of USM institutions and programs.
- Obj. 1.3 Promote degree completion and educational attainment among Maryland citizens.
- Obj. 1.4 Ensure continued high levels of success and satisfaction among USM students and alumni.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total undergraduate (UG) enrollment	111,100	120,295	122,835	130,398	133,242	134,024	134,953
Percent African-American (of total UG enrollment)	25.7%	25.4%	25.8%	25.6%	25.8%	25.9%	25.9%
Percent minority (of total UG enrollment)	40.9%	41.7%	42.7%	43.5%	44.4%	44.8%	45.0%
Percentage of new students transferring from Maryland community colleges	26.8%	25.3%	23.9%	22.5%	22.0%	22.0%	22.0%
National ranking for tuition and fees	26	23	23	21	21	≥21	≥21
Percentage of undergraduates receiving financial aid	58.8%	63.0%	60.1%	56.7%	55.9%	56.0%	56.0%
Total amount of institutional financial aid awarded to undergraduates (millions)	\$120	\$129	\$137	\$141	\$148	≥\$148	≥\$148
Median level of indebtedness of recent graduates (averaged median of all USM institutions)	N/A	\$20,810	\$20,621	\$20,863	\$20,863	≤\$20,863	≤\$20,863
Total number of undergraduate degrees awarded	23,238	23,724	25,048	25,776	26,280	26,641	27,000
Total number of graduate and first professional degrees awarded	12,730	12,411	12,480	12,532	12,493	13,582	>13,500
Percentage of State residents with a bachelor's degree or higher	37%	38%	39%	39%	40%	≥40%	≥40%
Traditional student 6-year graduation rate (includes only first-time, full-time (F'TFT) students, excludes University of Maryland University College (UMUC))	67%	67%	70%	69%	71%	71%	71%
6-year graduation rate for F'TFT African-American students	48%	48%	49%	50%	54%	54%	54%
6-year graduation rate for F'TFT minority students	57%	57%	59%	61%	63%	63%	63%

USM - University of Maryland

Goal 3. Create new and more effective ways to leverage the resources available to the USM for the use and benefit of Maryland and its citizens.

- Obj. 3.1** Through Effectiveness and Efficiency (E&E) 2.0 and other innovative strategies, achieve greater efficiencies and effectiveness in support of State and System goals.
- Obj. 3.2** Build and support a vibrant culture of philanthropy and support across all USM institutions, alumni, and stakeholders.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Operating expenditures per full time equivalent student	\$28,120	\$30,185	\$29,549	\$29,857	N/A	≥\$30,500	≥\$30,500
Percentage of cost savings/avoidance achieved as percentage of State-supported budget	3%	2%	3%	3%	2%	≥2%	≥2%
Private funds raised (millions)	\$256	\$335	\$277	\$292	\$408	≥\$341	≥\$370

Goal 4. Build a System-wide culture of Equity, Diversity, Inclusion, and Civic Engagement that values and celebrates all Maryland residents.

- Obj. 4.1** Increase bachelor's degree attainment among underrepresented minority populations in Maryland.
- Obj. 4.2** Increase the number of underrepresented minority students graduating from USM institutions with degrees in STEM and health care fields.
- Obj. 4.3** Increase the number of underrepresented minority students, faculty and staff attending, teaching, or working at USM institutions.
- Obj. 4.4** Increase the number of USM institutions that participating in nationally-recognized civic and community engagement initiatives.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Of all USM bachelor's degrees awarded, the total number going to underrepresented minority (URM) students	5,978	6,326	6,983	7,418	7,598	8,001	8,098
Of all USM bachelor's degrees awarded, percentage going to underrepresented minority (URM) students	26%	26%	28%	29%	29%	30%	30%
Of all USM degrees awarded in STEM or health care fields, the total number going to URM students	1,467	1,669	1,865	2,013	2,136	2,523	2,673
Of all USM degrees awarded in STEM or health care fields, percentage going to URM students	22.9%	23.9%	24.1%	24.1%	24.0%	25.8%	≥26.0%
The total number of USM student who identify as URM	48,307	54,547	56,348	58,052	60,294	60,795	61,397
Percentage of USM student who identify as URM	31.5%	32.4%	33.1%	33.7%	34.4%	≥35.0%	≥35.0%

University System of Maryland

R30B00.00

Program Description:

The University System of Maryland (USM) was established July 1, 1988 and is comprised of the former University of Maryland and the State Universities and Colleges. The USM's twelve institutions and two regional higher education centers along with its headquarters provide a continuum of education, research and public services.

SUMMARY OF UNIVERSITY SYSTEM OF MARYLAND

USM - University of Maryland, Baltimore Campus

MISSION

To improve the human condition and serve the public good of Maryland and society at-large through education, research, clinical care, and service.

VISION

The University of Maryland, Baltimore Campus (UMB) will excel as a pre-eminent institution in our missions to educate professionals; conduct research that addresses real-world issues affecting the human condition; provide excellent clinical care and practice; and serve the public with dedication to improve health, justice, and the public good. The University will become a dominant economic leader of the region through innovation, entrepreneurship, philanthropy, and interdisciplinary and inter-professional teamwork. The University will extend our reach with hallmark local and global initiatives that positively transform lives and our economy. The University will be a beacon to the world as an environment for learning and discovery that is rich in diversity and inclusion. The University's pillars of professionalism are civility, accountability, transparency, and efficiency. The University will be a vibrant community where students, faculty, staff, visitors, and neighbors are engaged intellectually, culturally, and socially.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Enhance UMB's standing as a major contributor to Maryland's highly qualified health, legal, and human services workforce and position UMB as a university of research strength, innovation, and entrepreneurship and that is "open for business" with the business community.

Obj. 1.1 Through fiscal year 2019, increase or maintain the number of undergraduate nursing, professional practice doctorate, and professional masters' graduates at a level at least equal to the 2014 level of 1,105.

Obj. 1.2 Through fiscal year 2019, increase extramural funding for research, service, and training projects from the 2014 base of \$499 million.

Obj. 1.3 Through fiscal year 2019, produce and protect intellectual property, retain copyright, and transfer university technologies at a level appropriate to mission by increasing cumulative active licenses or options, disclosures received, and new patent applications filed above 2014 levels.

Obj. 1.4 Through fiscal year 2019, increase or maintain nationally recognized memberships and awards to UMB faculty at a level at least equal to the 2015 level of 15.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

USM - University of Maryland, Baltimore Campus

Goal 2. Develop students who demonstrate personal, professional, and social responsibility and who acquire the skills and experiences needed to succeed at UMB, in the community, and in their chosen professions after graduation and enhance UMB's commitment to students through its mission of teaching and learning excellence by providing the infrastructure for the advancement of scholarly and pedagogically-sound teaching.

Obj. 2.1 Through fiscal year 2019, maintain a minimum 90 percent graduation rate within 150 percent of time to degree for each principal professional program.

Obj. 2.2 Through fiscal year 2019, maintain a first-time licensure exam pass rate for each principal professional program of at least 95 percent.

Obj. 2.3 Through fiscal year 2019, maintain an average debt of graduating students not exceeding the 2014 level.

Laurel College Center							

Goal 4. Leverage UMB's standing as a Baltimore City anchor institution to provide its surrounding communities with meaningful and sustainable educational, employment, and economic opportunities that serve as a catalyst for individual and community empowerment.

Obj. 4.1 Through fiscal year 2019, increase the Days of Service for UMB employees through UMB Supports Maryland Unites compared to the level reported for 2014.

Obj. 4.2 Through fiscal year 2019, increase the number of days that faculty spend in public service with Maryland's governments, businesses, schools, and communities compared to the level reported for 2014.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of days in public service per full-time faculty member	10.1	10.1	11.1	9.6	9.6	10.0	10.0

USM - University of Maryland, Baltimore Campus

Goal 5. Continue to develop a culture of giving at UMB that supports the strategic needs of the university and its schools.

Obj. 5.1 By fiscal year 2019, attain annual campaign goal of \$102 million a year.

Obj. 5.2 By fiscal year 2019, increase or maintain combined university endowments from all sources at a level at least equal to the 2014 level.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Campaign giving, annual (millions)	\$71.0	\$76.7	\$58.4	\$74.8	\$104.4	\$95.0	\$110.0
Endowment, annual (millions)	\$340.9	\$332.4	\$340.6	\$376.0	\$436.9	\$465.3	\$495.6

Goal 6. Position UMB internally and externally as an excellently managed university, utilizing best business practices to achieve greater efficiency and effectiveness and managing its resources for the greatest impact on its mission.

Obj. 6.1 Through fiscal year 2019, attain annual cost savings of at least 3 percent of the total budget based on enhanced efficiency and effectiveness.

Obj. 6.2 Through fiscal year 2019, decrease or maintain annual operating expenditures per adjusted full-time equivalent student (FTEs) to no more than the level reported for 2014.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Annual cost savings as a percentage of actual budget	5%	3%	2%	1%	1%	1%	1%
Operating Expenditures per Adjusted FTEs	\$58,136	\$60,570	\$62,895	\$63,718	\$66,699	\$66,699	\$66,699

USM Core Indicators

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total enrollment (undergraduates)	746	792	866	905	929	909	917

USM - University of Maryland, College Park Campus

MISSION

As the State's premier public research university, its original land grant institution, and the legislatively mandated flagship institution of USM, the University of Maryland, College Park campus (UMCP) serves the citizens of the State through three broad mission areas of research, teaching, and outreach. The University is the State's primary center for graduate study and research, and it is responsible for advancing knowledge through research, providing highest quality undergraduate instruction across a broad spectrum of academic disciplines, and contributing to the economic development of the State.

VISION

The University of Maryland, College Park campus serves the citizens of the State by leading the ranks of the nation's premier public research universities. It is nationally and internationally recognized for the quality of its faculty and students, for its outstanding academic and research programs across the disciplines, for programs in the arts that are a national model of excellence and community involvement, and for outreach and service initiatives that are key resources for the well-being of the citizens of the State. UMCP provides the highest quality undergraduate education, noted for its breadth, depth and many special opportunities for students. Graduate education - the hallmark of a first-rate research university - includes, at UMCP, both professional and research degree programs overseen by a world class faculty whose interests span an extraordinary range of research and scholarship that is characterized by creativity, innovation, impact, and inclusiveness, and that attracts graduate students of the highest academic caliber from every ethnic and racial group.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Provide an enriched educational experience to our undergraduate students that takes full advantage of the special strengths of a diverse research university and promotes retention and graduation.

Obj. 1.1 Maintain or reduce the difference in six-year graduation rates between all students and African-American students from 6 percentage points in 2014 to at or below 6 percentage points in 2019.

Obj. 1.2 Reduce the difference in six-year graduation rates between all students and Hispanic students from 6 percentage points in 2014 to 5 percentage points in 2019.

Obj. 1.3 Create an ethnically and racially diverse community by achieving and maintaining a critical mass of at least 40 percent minority undergraduate students through increased recruitment and retention efforts of minority students between 2014 and 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage point difference in graduation rates from UMCP							
African-American students and all students	6	7	6	6	6	5	5
Hispanic students and all students	6	5	6	3	<1	5	5
Percentage of minority undergraduate students enrolled in UMCP	41%	42%	43%	43%	43%	40%	40%

Obj. 1.4 Maintain the second-year student retention rate of all UMCP students between 94.7 percent in 2014 to 95 percent or higher by 2019.

Obj. 1.5 Increase the six-year graduation rate for all UMCP students from 84.1 percent in 2014 to 85 percent by 2019.

Obj. 1.6 Maintain the second-year retention rate of all UMCP minority students from 95.1 percent in 2014 to 95 percent by 2019.

Obj. 1.7 Increase the six-year graduation rate for all UMCP minority students from 82.2 percent in 2014 to 83 percent by 2019.

Obj. 1.8 Maintain the second-year retention rate of African-American students from 93.6 percent in 2014 to 95 percent by 2019.

Obj. 1.9 Increase the six-year graduation rate for UMCP African-American students from 78 percent in 2014 to 79 percent by 2019.

R30B22

<http://www.umd.edu/>

USM - University of Maryland, College Park Campus

Obj 1.10 Maintain the second-year retention rate of UMCP Hispanic students from 94.6 percent in 2014 to 95 percent by 2019.

Obj 1.11 Increase the six-year graduation rate for UMCP Hispanic students from 77.7 percent in 2014 to 81 percent by 2019.

Obj 1.12 Increase the percentage of transfer students who graduate at UMCP from 60 percent in 2014 to 75 percent by 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year freshman retention rate from UMCP: all students	94.7%	95.7%	95.4%	95.3%	95.8%	95.0%	95.0%
All minority students	95.1%	95.8%	96.0%	95.8%	96.7%	95.0%	95.0%
All African-American students	93.6%	95.4%	96.7%	94.9%	95.1%	95.0%	95.0%
All Hispanic students	94.6%	93.3%	93.1%	95.9%	95.7%	95.0%	95.0%
First-time freshman six-year graduation rate from UMCP: all students	84.1%	84.6%	86.4%	86.6%	85.4%	85.0%	85.0%
All minority students	82.2%	82.9%	84.9%	85.3%	84.8%	83.0%	83.0%
All African-American students	78.0%	77.4%	80.9%	81.1%	79.5%	79.0%	79.0%
All Hispanic students	77.7%	79.9%	80.4%	84.1%	85.0%	81.0%	81.0%
New full-time undergraduate transfer 4-year graduation rate from UMCP: all students from UMCP (or another public university in Maryland)	60.0%	71.0%	74.0%	76.0%	79.0%	75.0%	75.0%

Goal 2. Prioritize the affordability of a top-tier education for the citizens of Maryland and success of those students with limited financial resources to succeed in an academic setting.

Obj. 2.1 Maintain or reduce the percentage of the class who default on federal loan programs below 4 percent between 2014 and 2019.

Obj. 2.2 Increase the six-year graduation rate for low financial resource students from 77 percent in 2014 to 82 percent by 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of borrowers in the class who enter repayment on federal loans and default prior to the end of the following fiscal year	4.2%	2.8%	2.0%	2.0%	2.4%	4.0%	4.0%
First-time freshman 6-year graduation rate from UMCP - UM Low Financial Resource Students	77.4%	81.0%	83.5%	83.7%	80.5%	82.0%	82.0%

R30B22

<http://www.umd.edu/>

USM - University of Maryland, College Park Campus

Goal 3. Promote the economic development of a knowledge-based economy in Maryland dedicated to the advancement and commercialization of research.

Obj. 3.1 Increase total research and development (R&D) expenditures reported by the National Science Foundation (NSF) from \$458 million reported in FY 2014 to \$470 million in FY 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total R&D expenditures, as reported by NSF (\$ millions)	\$492	\$485	\$506	\$539	\$549	\$561	\$572

Goal 4. Expand our Maryland family of alumni and constituents to achieve a network of support that is the hallmark of an outstanding research institution.

Obj. 4.1 The total number of annual alumni donors to the University will increase from 20,503 in 2014 to 25,250 by 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total number of annual alumni donors	20,503	23,324	23,428	23,935	22,141	24,000	25,250

Goal 5. Prepare our graduates to be productive members of the labor force, particularly in areas considered vital to the economic success of the State.

Obj. 5.1 The percentage of UMCP alumni employed in Maryland one year after graduation will be maintained from 49 percent in Survey Year 2014 to Survey Year 2017.

Obj. 5.2 Increase the number of UMCP degrees in STEM fields (science, technology, engineering, and math) from 3,378 in 2014 to 3,650 by 2019.

Obj. 5.3 Increase the number of UMCP teacher education completers from 337 in 2014 to 350 or higher in 2019.

Obj. 5.4 Maintain the percentage of UMCP students satisfied with education received from 95 percent in Survey Year 2014 to Survey Year 2017.

Obj. 5.5 Maintain the percentage of UMCP students satisfied with education received for graduate or professional school at or above 97 percent between Survey Year 2014 and Survey Year 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of UMCP graduates employed in Maryland one year after graduation (triennial measure)	49.0%	N/A	N/A	48.9%	N/A	N/A	49.0%
Percentage of UMCP alumni employed full or part-time one year after graduation (triennial measure)	83.0%	N/A	N/A	83.9%	N/A	N/A	80.0%
Number of UMCP STEM field degrees	3,378	3,563	3,717	3,981	4,399	3,650	3,650
Number of UMCP teacher education completers (including undergraduate, master's, post-baccalaureate/non-degree)	337	311	352	295	280	265	350
Percentage of alumni satisfied with education received for employment one year after graduation (triennial measure)	95.0%	N/A	N/A	91.9%	N/A	N/A	95.0%
Percentage of alumni satisfied with education received for graduate or professional school one year after graduation (triennial measure)	98.0%	N/A	N/A	88.8%	N/A	N/A	97.0%

R30B22.00

Program Description:

The University of Maryland, College Park Campus (UMCP), a comprehensive public research university, is the flagship institution of USM and Maryland's 1862 land-grant institution. UMCP offers baccalaureate, master's and doctoral programs in the liberal arts and sciences, social sciences, the arts, and selected professional fields. UMCP also serves the State's agricultural, industrial, and commercial communities, as well as school systems, governmental agencies, and citizens.

USM - Bowie State University

MISSION

Bowie State University (BSU) empowers a diverse population of students from Maryland, the nation, and the world to reach their full potential through its high-quality, liberal-arts-based bachelor's, master's, and doctoral programs. The University provides a nurturing environment distinguished by a culture of success that supports students in completing their course of study. As Maryland's first historically black university, Bowie State inspires and prepares ethical and socially responsible leaders who can think critically, discover knowledge, commit to lifelong learning, value diversity, and function effectively in a highly technical and dynamic global community.

VISION

Building on its image as a student-centered institution, Bowie State University will provide its diverse student population with a course of study that ensures a broad scope of knowledge and understanding that is deeply rooted in expanded research activities. The University excels in teacher education and will become the premier teacher of teachers. Through the integration of internal business processes, technology, and the teamwork of administrators, faculty, and staff, the University will be recognized statewide as a model of excellence in higher education for the effective and efficient use of human, fiscal, and physical resources.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Deliver high-quality academic programs and co-curricular experiences.

Obj. 1.1 Maintain the percentage of new tenure-track faculty with terminal degrees through 2019.

Obj. 1.2 Increase the number of professionally-accredited programs from five in 2015 to seven in 2019.

Obj. 1.3 Maintain the satisfaction level of bachelor's degree graduates with academic preparation for employment and lifelong learning.

Obj. 1.4 Maintain the University System of Maryland (USM) Board of Regents' comprehensive institution goal of seven to eight course units taught by full-time equivalent (FTE) core faculty through 2019.

Obj. 1.5 Increase the number of science, technology, engineering and math (STEM) program students from 680 in 2015 to 750 in 2019 and graduates from 96 in 2015 to 150 in 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of new core faculty with terminal degrees	100%	100%	100%	100%	100%	100%	100%
Number of professionally-accredited programs	5	5	5	6	6	6	6
Course units taught by FTE core faculty (per academic year)	7.6	7.3	8.0	7.6	7.6	7.5	7.5
Students satisfied with education received for employment (triennial measure)	87%	N/A	N/A	86%	N/A	N/A	90%
Students satisfied with education for graduate/professional school (triennial measure)	100%	N/A	N/A	80%	N/A	N/A	90%
Number of undergraduates in STEM programs	597	680	653	740	871	894	950
Number of degrees awarded in undergraduate STEM programs	80	96	100	93	114	125	140

R30B23

<http://www.bowiestate.edu/>

USM - Bowie State University

Obj. 1.6 Increase the number of teacher education graduates from 42 in 2015 to 65 in 2019 and maintain teacher licensure pass rates.

Obj. 1.7 Increase the number of Bachelor of Science in Nursing (BSN) graduates from 86 in 2015 to 100 in 2019 and increase licensure pass rates to at least the statewide BSN average by 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of undergraduates and Masters of Arts in Teaching (MAT) post-baccalaureate in teacher education	261	267	238	227	231	228	240
Number of undergraduates and MAT post-baccalaureate completing teacher training	42	42	39	18	33	35	38
Pass rates for undergraduates and MAT post-baccalaureate on PRAXIS II	100%	100%	100%	100%	100%	100%	100%
Number of undergraduates enrolled in nursing	647	614	530	546	610	620	625
Number of qualified applicants admitted into nursing program	145	89	70	92	56	70	70
Number of qualified applicants not admitted into nursing program	20	124	119	5	3	10	10
Number of BSN graduates	84	86	112	50	58	75	70
Percent of nursing graduates passing the licensure exam	71%	53%	41%	72%	59%	70%	75%

Goal 2. Develop and implement programs and services that promote access, affordability and completion.

Obj. 2.1 Maintain or exceed the 2012 undergraduate second-year retention rate of 75 percent.

Obj. 2.2 Increase the undergraduate six-year graduation rate from 38 percent in 2015 to 50 percent in 2019.

Obj. 2.3 Maintain the proportion of in-state undergraduate tuition and mandatory fees as a percent of Prince George's County median income to less than 12 percent.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year undergraduate retention rate at BSU or another public university in Maryland	70%	74%	72%	75%	72%	68%	72%
Six-year undergraduate graduation rate from BSU or another public university in Maryland	35%	38%	41%	41%	43%	45%	47%

USM - Bowie State University

Goal 3. Conduct and sustain academic transformation initiatives to improve student success and promote greater faculty collaboration.

Obj. 3.1 Increase the number of on-line and hybrid courses annually from 99 in 2012 to 240 in 2019 and offer at least 2 predominantly or fully online program(s) by 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of online programs	0	0	0	0	0	0	0
Number of online and hybrid courses running in academic year	183	219	235	241	310	320	340

Goal 4. Advance the overall effective and efficient use of resources and identify new revenue sources.

Obj. 4.1 Increase alumni giving from \$120,000 in 2012 to \$170,000 in 2019.

Obj. 4.2 Increase the gift dollars received from \$1.3 million in 2012 to \$1.5 million in 2019.

Obj. 4.3 Increase the amount of grant funding from \$9 million in 2012 to \$11 million in 2019.

Obj. 4.4 Increase classroom utilization rate from 67 percent in 2012 to 70 percent in 2019.

Obj. 4.5 Increase the funds allocated to facilities renewal as a percent of replacement value from 1.3 percent in 2012 to 3.5 percent in 2019.

Obj. 4.6 Sustain or increase the percentage of expenditures for instruction from 40 percent in 2012.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Dollars of alumni giving	\$133,269	\$156,656	\$275,294	\$232,370	\$201,615	\$251,184	\$265,000

USM - Towson University

MISSION

Towson University (TU), as the State's comprehensive Metropolitan University, offers a broad range of undergraduate and graduate programs in the liberal arts, sciences, arts and applied professional fields that are nationally recognized for quality and value. Towson emphasizes excellence in teaching, scholarship, research and community engagement responsive to the needs of the region and the State. In addition to educating students in the specialized knowledge of defined fields, Towson's academic programs develop students' capacities for effective communication, critical analysis, and flexible thought, and they cultivate an awareness of both difference and commonality necessary for multifaceted work environments and for local and global citizenship and leadership. Towson's core values reflect high standards of integrity, collaboration, and service, contributing to the sustainability and enrichment of the culture, society, economy, and environment of the State of Maryland and beyond.

VISION

With nearly 23,000 students, Towson University, a regionally and nationally ranked large comprehensive university, will continue to foster intellectual inquiry and critical thinking preparing graduates who will serve as effective, ethical leaders and engaged citizens. Through a foundation in the liberal arts, an emphasis on rigorous academic standards, and the creation of small learning environments, we are committed to providing a collaborative, interdisciplinary and inter-professional atmosphere, excellence in teaching, leadership development, civic engagement, and applied and sponsored research opportunities at both the undergraduate and graduate levels. Our graduates will leave Towson University with the vision, creativity and adaptability to craft innovative, evidence-based solutions that enrich the culture, society, economy, and environment of Maryland, the region, and beyond.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Create and maintain a well-educated work force.

- Obj. 1.1 Increase the estimated number of TU graduates employed in Maryland to 3,400 or above by survey year 2017.
- Obj. 1.2 Increase the number of TU students receiving degrees or certificates in teacher training programs to 725 by fiscal year 2019.
- Obj. 1.3 Increase the number of TU students receiving degrees or certificates in STEM (science, technology, engineering, mathematics) programs to 918 by fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total enrollment	22,499	22,285	22,284	22,343	22,705	22,923	22,864
Total degree recipients	5,425	5,544	5,432	5,584	5,543	5,580	5,600
Employment rate of graduates (triennial survey)	85.7%	N/A	N/A	84.4%	N/A	N/A	85.0%
Estimated number of graduates employed in Maryland (triennial survey)	3,245	N/A	N/A	3,413	N/A	N/A	3,500
Number of students in teacher training programs	1,866	1,760	1,479	1,382	1,228	1,189	1,128
Number of students receiving degrees or certificates in teacher training programs	709	611	600	620	537	574	621
Percent of students who completed a degree or certificate in a teacher training program and passed Praxis II	98%	99%	98%	98%	97%	98%	98%
Number of undergraduate students enrolled in STEM programs	3,051	3,121	3,320	3,530	3,771	3,995	4,200
Number of graduate students enrolled in STEM programs	794	750	655	811	805	786	775
Number of students graduating from STEM programs	864	933	861	934	926	950	975

USM - Towson University

Obj. 1.4 Increase and maintain the estimated number of degrees awarded in nursing to 230 by fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of qualified applicants who applied to nursing programs	271	311	334	461	450	373	440
Number accepted into nursing programs	172	187	213	325	276	270	260
Number of undergraduates enrolled in nursing programs	438	509	575	730	789	779	750
Number of graduate students enrolled in nursing programs	83	65	57	43	32	19	30
Number of students graduating from nursing programs	215	225	262	291	288	300	335
Percent of nursing program graduates passing the licensing examination	84%	89%	83%	87%	TBA	84%	84%

Goal 2. Promote economic development.

Obj. 2.1 Increase and maintain the ratio of median 'TU graduates' salary to the median annual salary of civilian work force with a bachelor's degree to 80.0 percent or above by survey year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Median salary of 'TU graduates employed full-time (triennial survey)	\$39,999	N/A	N/A	\$42,539	N/A	N/A	\$45,250
Ratio of median salary of 'TU graduates to civilian work force with bachelor's degree (triennial survey)	78.8%	N/A	N/A	80.6%	N/A	N/A	80.0%

USM - Towson University

Goal 3. Increase access for and success of minority, disadvantaged and veteran students.

- Obj. 3.1 Increase and maintain the percent of minority undergraduate students to 33 percent or above by fiscal year 2019.
- Obj. 3.2 Increase and maintain the percent of African-American undergraduate students to 18 percent or above by fiscal year 2019.
- Obj. 3.3 Increase and maintain the ethnic minority undergraduate second-year retention rate to 85 percent or above by fiscal year 2019.
- Obj. 3.4 Increase and maintain the African-American undergraduate second-year retention rate to 85 percent or above through fiscal year 2019.
- Obj. 3.5 Increase and maintain the ethnic minority undergraduate graduation rate to 72 percent or above by fiscal year 2019.
- Obj. 3.6 Increase and maintain the African-American undergraduate graduation rate to 72 percent or above by fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of minority undergraduate students enrolled	28.9%	31.3%	33.9%	36.7%	39.5%	42.7%	45.0%
Percent of African-American undergraduate students enrolled	15.2%	16.1%	17.6%	19.0%	20.8%	22.8%	24.0%
Second-year retention rate of minority students at TU (or another public university in Maryland)	90.9%	89.3%	89.4%	88.2%	90.0%	90.0%	90.0%
Second-year retention rate of African-American students at TU (or another public university in Maryland)	92.0%	90.1%	93.8%	89.7%	90.8%	91.0%	91.0%
Six-year graduation rate of minority students from TU (or another public university in Maryland)	66.0%	68.5%	72.9%	72.3%	75.8%	75.0%	75.0%
Six-year graduation rate of African-American students from TU (or another public university in Maryland)	63.8%	67.6%	69.6%	69.0%	76.4%	78.0%	76.0%

Obj. 3.7 Increase the number of enrolled first-generation undergraduate students to 3,400 or above by fiscal year 2019.

Obj. 3.8 Increase the number of enrolled low-income undergraduate students to 3,150 or above by fiscal year 2019.

Obj. 3.9 Increase the number of enrolled veterans and service members.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
First-generation undergraduate students enrolled	3,427	3,332	3,332	3,183	3,282	3,344	3,350
Six-year graduation rate from TU of first-generation students	62.8%	65.0%	66.2%	67.2%	68.0%	70.1%	68.0%
Low-income undergraduate students enrolled	2,932	2,991	3,120	3,205	3,576	3,681	3,700
Six-year graduation rate from TU of low-income students	50.0%	63.6%	62.8%	61.9%	63.9%	67.4%	66.0%
Number of incoming undergraduate veterans and service members	77	90	77	91	103	84	90
Second-year retention rate at TU of veterans and service members	69.8%	81.1%	80.5%	78.0%	75.7%	80.0%	80.0%

USM - Towson University

Goal 4. Achieve and sustain national eminence in providing quality education, research and public service.

Obj. 4.1 Maintain the second-year retention rate of TU undergraduates at or above 87 percent through fiscal year 2019.

Obj. 4.2 Maintain the six-year graduation rate of TU undergraduates at or above 72 percent through fiscal year 2019.

Obj. 4.3 Maintain the level of student satisfaction with education received for employment at or above 90 percent through Survey Year 2019.

Obj. 4.4 Maintain the level of student satisfaction with education received for graduate/professional school at or above 98 percent through Survey Year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year retention rate of students at TU (or another public university in Maryland)	88.1%	87.5%	87.4%	87.3%	86.8%	87.0%	87.0%
Six-year graduation rate of students from TU (or another public university in Maryland)	68.7%	71.4%	74.8%	74.2%	75.9%	76.0%	75.0%
Percent of students satisfied with education received for employment (triennial survey)	89.5%	N/A	N/A	86.7%	N/A	N/A	90.0%
Percent of students satisfied with education received for graduate/professional school (triennial survey)	99.2%	N/A	N/A	95.3%	N/A	N/A	98.0%

Goal 5. Maximize the efficient and effective use of State resources.

Obj. 5.1 Maintain and increase expenditures on facility renewal to two percent by fiscal year 2019.

Obj. 5.2 Increase the number of full-time equivalent students enrolled in TU courses delivered off campus or through distance education to 1,475 or above by fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of replacement cost expended in facility renewal and renovation	5.00%	3.56%	2.69%	2.65%	2.10%	2.07%	2.01%
Full-time equivalent students enrolled in distance education and off campus courses	1,405	1,388	1,568	1,542	1,641	1,830	1,900

University System of Maryland

R30B24.00

Program Description:

Towson University (TU), serving both residential and commuter students, provides a broad range of undergraduate programs in both the traditional arts and sciences and applied professional fields, as well as in applied master and doctoral level programs.

USM - University of Maryland Eastern Shore

MISSION

The University of Maryland Eastern Shore (UMES), the State's Historically Black 1890 Land-Grant institution, has its purpose and uniqueness grounded in distinctive learning, discovery, and engagement opportunities in the arts and sciences, education, technology, agriculture, business, and health professions. UMES is a student-centered, doctoral research degree-granting university known for its nationally accredited undergraduate and graduate programs, applied research, and highly valued graduates. UMES provides individuals, including first-generation college students, access to a holistic learning environment that fosters multicultural diversity, academic success, and intellectual and social growth. UMES prepares graduates to address challenges in a global knowledge-based economy, while maintaining its commitment to meeting the workforce and economic development needs of the Eastern Shore, the State, the nation, and the world.

VISION

UMES moves into the twenty-first century poised to become a Carnegie Doctoral Research University and a Four-Year 3 classified institution. As an 1890 Land-Grant University, it continues to be accessible to all groups, especially those of disadvantaged backgrounds. The University's faculty members are well-respected scholars and artists who contribute to the University's productivity and to their professions in areas of learning, performance, teaching, research, and service. With this firm infrastructure, the University is committed to sound academic quality and development of values-based leaders.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Sustain, design, and implement quality undergraduate and graduate academic programs to meet the challenges of a highly competitive and global workforce.

- Obj. 1.1** Maintain a minimum passing rate on the Praxis II of 95 percent.
- Obj. 1.2** Increase the percentage of students expressing satisfaction with job preparation from 76 percent in 2014 to 90 percent in 2019.
- Obj. 1.3** Maintain the percentage of students expressing satisfaction with graduate/professional school preparation at a minimum of 90 percent in 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of undergraduate students who completed teacher training and passed Praxis II	100%	100%	100%	100%	100%	100%	100%
Percentage of students satisfied with education received for employment (triennial measure)	76%	N/A	N/A	77%	N/A	N/A	80%
Percentage of students satisfied with education received for graduate/professional school (triennial measure)	85%	N/A	N/A	82%	N/A	N/A	85%

Goal 2. Promote and sustain access to higher education for a diverse student population.

- Obj. 2.1** Maintain the percentage of first generation students at a minimum of 40 percent through 2019.
- Obj. 2.2** Maintain the percentage of non African-American undergraduate students at a minimum of 25 percent through 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total undergraduate enrollment	3,531	3,571	3,743	3,278	2,862	2,962	2,727
Percentage of first-generation students enrolled	55%	55%	48%	50%	41%	40%	40%
Percentage of non-African-American undergraduate students enrolled	27%	28%	27%	26%	27%	27%	27%

R30B25

USM - University of Maryland Eastern Shore

Obj. 2.3 Increase the number of students enrolled in courses using distance education technology from 1,852 in 2014 to 3,000 in 2019.

Obj. 2.4 Increase the number of students enrolled in courses at off-campus sites from 247 in 2014 to 300 in 2019.

Obj. 2.5 Maintain enrollment of economically disadvantaged students at a minimum of 43 percent through 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of students enrolled in distance education courses	1,852	1,973	2,309	2,150	1,882	1,948	2,016
Number of students enrolled in courses at off-campus sites	247	279	281	241	225	233	241
Percent of economically disadvantaged students	57%	57%	54%	56%	53%	43%	43%

Goal 3. Enhance quality of life in Maryland in areas of critical need to facilitate sustainable domestic and international economic development.

Obj. 3.1 Increase the total number of teacher education graduates from 18 per year in 2014 to 30 per year in 2019.

Obj. 3.2 Increase the total number of STEM (science, technology, engineering, mathematics) graduates from 133 in 2014 to 190 in 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Undergraduates enrolled in teacher education programs	52	31	30	27	15	16	17
Students who completed all teacher education programs	18	23	27	16	20	21	22
Number of graduates of STEM programs	133	128	160	118	122	126	130

Goal 4. Redesign and sustain administrative systems to accelerate learning, inquiry, and engagement.

Obj. 4.1 Increase the second-year retention rate for all UMES students from 73 percent in 2014 to 80 percent in 2019.

Obj. 4.2 Increase the six-year graduation rate for all UMES students from 39 percent in 2014 to 50 percent in 2019.

Obj. 4.3 Increase the second-year retention rate for all African-American students from 73 percent in 2014 to 80 percent in 2019.

Obj. 4.4 Increase the six-year graduation rate for African-Americans from 38 percent in 2014 to 50 percent in 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year retention rates at UMES (or another public university in Maryland) for all students	73%	77%	73%	63%	68%	70%	72%
Six-year graduation rate from UMES (or another public university in Maryland) for all students	39%	44%	38%	43%	45%	47%	49%

USM - University of Maryland Eastern Shore

Goal 5. Efficiently and effectively manage University resources and pursue public/private funds to support the enterprise.

Obj. 5.1 Raise \$2 million annually through 2019.

Obj. 5.2 Maintain a minimum of 1 percent efficiency on operating budget savings (e.g., rate of operating budget savings achieved through efficiency measures) through 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Campaign funds raised (\$ millions)	\$1.7	\$2.4	\$2.3	\$3.4	\$1.7	\$2.5	\$2.5
Percentage rate of operating budget savings	2.8%	1.0%	2.3%	2.3%	3.0%	1.0%	1.0%

University System of Maryland

R30B25.00

Program Description:

The University of Maryland Eastern Shore (UMES) is the 1890 Land-Grant university for the State. As such, it maintains a legacy of a historically black university that offers equal education opportunity to all students who qualify for admission. Degree programs are offered in liberal arts, the social, natural and agricultural sciences, business, technology, education, allied health, and hospitality.

USM - Frostburg State University

MISSION

Frostburg State University (FSU) is a student-centered teaching and learning institution featuring experiential opportunities. The University offers students a distinctive and distinguished baccalaureate education along with a select set of applied master's and doctoral programs. Frostburg serves regional and statewide economic and workforce development; promotes cultural enrichment, civic responsibility, and sustainability; and prepares future leaders to meet the challenges of a complex and changing global society.

VISION

Frostburg State University will be recognized as a student-centered teaching and learning institution. The University will be known nationally for its emphasis on experiential education, its commitment to sustainability, and for the quality of its graduates as critical thinkers, life-long learners, and technologically competent global citizens.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Address Statewide and regional workforce needs by preparing a changing student population for an era of complexity and globalization.

Obj. 1.1 Increase the number of STEM (science, technology, engineering, mathematics) program graduates from 150 in 2014 to 170 in 2019.

Obj. 1.2 Increase the number of teacher education graduates above the 2014 level of 129 by 2019.

Obj. 1.3 Increase the number of baccalaureate-level nursing graduates from 51 in 2014 to above 105 by 2019.

Obj. 1.4 Through 2019 maintain the number of students enrolled in courses delivered off campus at a level equal to or greater than the 2014 level of 6,769.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of undergraduates enrolled in STEM programs	858	913	949	925	804	810	820
Number of graduates of STEM programs (annually)	150	140	128	150	169	170	175
Number of undergraduates and Master of Arts (MAT) post-bachelor's enrolled in teacher education	482	423	414	322	274	290	310
Number of undergraduates and MAT post-bachelor's completing teacher training	129	126	113	95	96	100	105
Pass rates for undergraduates and MAT post-bachelor's on Praxis III exam	96%	97%	98%	96%	98%	98%	99%
Number of undergraduates enrolled in Nursing (RN to BSN) program	224	375	457	445	468	470	465
Number of graduates of the Nursing (RN to BSN) program	51	97	139	155	147	150	155
Number of Nursing (RN to BSN) program graduates employed in Maryland	25	76	97	124	127	129	128
Number of annual off-campus course enrollments	6,769	7,830	8,268	8,419	8,562	8,570	8,575

R30B26

USM - Frostburg State University

Goal 2. Promote an institutional image of academic distinction and ensure stable institutional enrollment through admission of students prepared to succeed in college and persist to graduation.

Obj. 2.1 Increase the second-year retention rate of all undergraduates from 77 percent in 2014 to 78 percent in 2019 and the six-year graduation rate from 56.0 percent in 2014 to 61.7 percent in 2019.

Obj. 2.2 By 2019, maintain the percentage of African-American undergraduates at a level equal to or greater than the 2014 level of 27 percent.

Obj. 2.3 By 2019, sustain the percentage of minority undergraduates at a level equal to or greater than the 2014 level of 36.5 percent.

Obj. 2.4 Maintain the second-year retention rate of African-American students at a level equal to or greater than the 2014 level of 80 percent.

Obj. 2.5 Attain and preserve a six-year graduation rate of African-American students at 54 percent through 2019.

Obj. 2.6 Increase the second-year retention rate of minority students from 78 percent in 2014 to 80 percent in 2019.

Obj. 2.7 Realize and maintain a six-year graduation rate for minority students of 52 percent through 2019.

Obj. 2.8 Maintain the approximate percentage of economically disadvantaged students at 60 percent through 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year retention rate at FSU all students	77.0%	74.8%	76.8%	76.7%	73.7%	75.0%	76.0%
Six-year graduation rate from FSU (or another public university in Maryland) for all students	56.0%	55.6%	61.7%	55.2%	57.3%	58.0%	59.0%
Percent African-American (Fall undergraduate in fiscal year)	27.0%	29.0%	30.8%	31.4%	31.4%	32.0%	33.0%
Percent minority (Fall undergraduate in fiscal year)	36.5%	39.7%	42.0%	43.8%	43.7%	44.0%	45.0%
Second year retention rate at FSU for African-American students	80.0%	79.4%	83.2%	78.2%	71.3%	72.0%	73.0%
Six-year graduation rate from FSU (or another public university in Maryland) for African-American students	53.0%	50.3%	62.0%	48.8%	59.2%	60.0%	61.0%
Second-year retention rate at FSU for minority students	78.0%	77.8%	82.3%	76.8%	69.4%	70.0%	71.0%
Six-year graduation rate from FSU (or another public university in Maryland) for minority students	52.6%	50.1%	61.9%	51.3%	56.2%	57.0%	58.0%
Percent of economically disadvantaged students	61.0%	60.0%	60.7%	61.6%	61.9%	62.0%	62.0%

USM - Frostburg State University

Goal 3. Recruit and retain diverse and talented faculty and staff committed to student learning and University goals.

- Obj. 3.1** Attain greater faculty diversity: women from 40 percent in 2014 to 42 percent in 2019; African-Americans from 3.6 percent in 2014 to 4.5 percent in 2019.
- Obj. 3.2** Increase the number of programs awarded professional accreditation (e.g., the National Council for Accreditation of Teacher Education and the Association to Advance Collegiate Schools of Business) from 9 in 2014 to 10 by 2019.
- Obj. 3.3** By the 2017 survey year, maintain or surpass the satisfaction of graduates with education received for work at the 2014 level of 92 percent.
- Obj. 3.4** By the 2017 survey year, maintain the percentage of satisfaction with education for graduate/professional school at the 2014 level of 100 percent.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Faculty diversity: Women (full-time faculty)	40%	41%	41%	42%	44%	44%	45%
African-American (full-time faculty)	3.6%	4.3%	4.8%	3.9%	4.0%	4.3%	4.5%
Achievement of professional accreditation by program	9	9	9	10	10	10	10
Satisfaction with education for work (triennial survey)	92%	N/A	N/A	91%	N/A	N/A	92%
Satisfaction with education for graduate or professional school (triennial survey)	100%	N/A	N/A	100%	N/A	N/A	100%

Goal 4. Enhance facilities and the campus environment in order to support and reinforce student learning.

- Obj. 4.1** Maintain effective use of resources through 2019 by allocating at least two percent of replacement costs to facilities renewal and achieve at least two percent of operating budget for reallocation to priorities.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of replacement cost expended in facility renewal	0.6%	0.5%	1.2%	1.6%	2.3%	2.1%	2.1%
Rate of operating budget reallocation	2.0%	10.0%	3.0%	3.0%	3.0%	2.0%	2.0%

Goal 5. Promote economic development in Western Maryland and in the region.

- Obj. 5.1** Increase the percentage of graduates employed one year out from 80 percent in survey year 2014 to 97 percent in survey year 2017.
- Obj. 5.2** Prepare graduates to obtain higher initial median salaries from \$35,700 in 2014 to \$36,800 in 2017.
- Obj. 5.3** Sustain or increase the number of economic development initiatives established in 2015 (11) through 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Headcount enrollment (Fall total in fiscal year)	5,474	5,645	5,756	5,676	5,396	5,451	5,551
Number of graduates with a bachelor's degree	1,011	1,028	963	1,061	1,026	1,030	1,035
Number of graduates working in Maryland (triennial survey)	669	N/A	N/A	467	N/A	N/A	500
Percent of graduates employed one year out (triennial survey)	80%	N/A	N/A	96%	N/A	N/A	97%
Median salary of graduates (triennial survey)	\$35,700	N/A	N/A	\$41,241	N/A	N/A	\$42,500
Number of initiatives	10	11	11	10	8	10	10

USM - Frostburg State University

Goal 6. Promote activities that demonstrate the University's educational distinction.

Obj. 6.1 Through 2019, continue participation in the system campaign goal.

Obj. 6.2 Increase student's involvement in community outreach from 4,121 in 2014 to 4,280 in 2019.

Obj. 6.3 Increase the number of faculty awards from 20 in 2014 to 23 in 2019.

Obj. 6.4 Sustain the Regents' goal of 7 to 8 course units taught by full-time equivalent (FTE) Core Faculty through 2019.

Obj. 6.5 Through fiscal year 2019 sustain the number of days spent in public service per FTE Faculty is at least 11 as recorded in fiscal year 2015.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Funds raised in annual giving (\$ millions)	\$2.4	\$2.2	\$2.1	\$3.1	\$3.2	\$3.2	\$3.5
Number of students involved in community outreach	4,121	4,260	4,566	4,610	3,801	4,000	4,200
Number faculty awards	20	14	17	14	19	20	20
Course units taught by FTE core faculty	7.1	7.5	7.3	7.3	7.3	7.6	7.6
Days of public service per FTE faculty	11.6	11.0	9.6	9.0	8.1	10.0	11.0

University System of Maryland

R30B26.00

Program Description:

Frostburg State University (FSU) offers a comprehensive array of undergraduate and graduate degrees emphasizing arts and humanities, business, applied technologies, education, environmental sciences, human services, and social and behavioral sciences.

USM - Coppin State University

MISSION

Coppin State University (CSU) is an urban, comprehensive, and Historically Black Institution. Building on a legacy of excellence in teacher preparation in the metropolitan community, the university offers quality undergraduate and graduate programs in teacher education, liberal arts, health professions, technology and STEM (science, technology, engineering and mathematics) disciplines. Coppin, as an anchor institution, is committed to providing educational access and diverse opportunities for all students while emphasizing its unique role in educating residents of Metropolitan Baltimore and first-generation college students. Coppin is committed to community engagement and partnering with businesses, governmental and non-governmental agencies to meet workforce demands; preparing globally competent students; strengthening the economic development of Baltimore, Maryland and developing stronger strategic partnerships.

VISION

Coppin State University's goal, over the next decade, is to apply the highest levels of academic excellence and creativity for its students. While serving all students in the state of Maryland, Coppin State University will continue to enhance its special connections to first generation college students and to the City of Baltimore. Coppin State University will embody excellence in urban education, in the use of technology to make learning more effective and its administration more productive, and in liberal arts teaching that contributes models for inner city academic achievement to the city, the State and the nation.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Provide access to higher education for diverse citizens of Maryland.

Obj. 1.1 Increase the percentage of non-African-American students to 24 percent.

Obj. 1.2 Increase the number of students enrolled in programs delivered off-campus or through distance education to 1,219.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of non-African-American students enrolled	7%	8%	14%	23%	23%	23%	24%
Number of students enrolled in off-campus or distance education courses	1,072	1,130	1,169	1,260	1,191	1,207	1,219

Goal 2. Promote economic development in Maryland's areas of critical need in particular, and the inner city in general.

Obj. 2.1 Increase the number of students completing CSU's teacher training program and eligible for state licenses to 42.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Undergraduates who intend to get a teacher education degree	319	170	155	150	156	167	170
Number of undergraduate students completing teacher training program and eligible for state licenses	10	12	12	25	36	40	42
Percent of undergraduate students who completed teacher training program and passed Praxis II exam	100%	100%	100%	100%	100%	100%	100%

R30B27

<http://www.coppin.edu/>

USM - Coppin State University

Obj. 2.2 Increase student enrollment in STEM programs to 230, and increase the number of baccalaureate degrees awarded in STEM programs to 45.

Obj. 2.3 Increase the NCLEX (nursing licensure) examination pass rate to 79 percent.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number undergraduates enrolled in STEM programs	220	207	206	241	206	224	230
Number of baccalaureate degrees awarded in STEM programs	15	22	19	25	33	42	45
Number of baccalaureate degrees awarded in nursing	136	85	85	85	69	75	83
NCLEX (Nursing licensure) exam passing rate	67%	62%	76%	79%	N/A	N/A	N/A

Goal 3. Improve the retention and graduation rates of undergraduate students.

Obj. 3.1 Increase the six-year graduation rate for all students to 24 percent.

Obj. 3.2 Increase the six-year graduation rate for all African-American students to 23 percent.

Obj. 3.3 Maintain a second-year retention rate of 69 percent or greater for all undergraduate students.

Obj. 3.4 Maintain a second-year retention rate of 59 percent or greater for African-American students.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Six-year graduation rate of all students from CSU	16.1%	18.7%	17.7%	21.0%	25.0%	23.0%	24.0%
Six-year graduation rate of all minority students from CSU	14.7%	18.3%	17.1%	21.0%	24.0%	22.0%	23.0%
Six-year graduation rate of African-American students from CSU	14.8%	17.8%	16.6%	19.0%	20.0%	17.0%	18.0%
Second-year retention rate at CSU of all students	61%	69%	69%	66%	63%	68%	67%
Second-year retention rate at CSU of all minority students	60%	67%	69%	62%	66%	68%	67%
Second-year retention rate at CSU of African-American students	59%	67%	69%	62%	68%	69%	69%

Goal 4. Achieve and sustain national eminence in providing quality liberal arts and sciences education.

Obj. 4.1 Maintain the percentage of graduates satisfied with education received in preparation for graduate and professional study at 90 percent or greater.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of alumni satisfied with education received for graduate or professional school one year after graduation (triennial survey)	N/A	N/A	≥90%	≥90%	N/A	N/A	N/A

R30B27

<http://www.coppin.edu/>

USM - Coppin State University

- Obj. 4.2** Maintain percent of CSU graduates employed in Maryland at 85 percent or greater.
- Obj. 4.3** Maintain the number of students enrolled in urban teacher education, natural sciences, nursing and health sciences, criminal justice, management science, and information technology programs at 1,905 (fiscal year 2014).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Percent of graduates employed in Maryland (triennial survey)	N/A	N/A	N/A	10%	N/A	N/A	N/A
Employment rate of graduates in Maryland (triennial survey)	N/A	N/A	≥92%	≥59%	N/A	N/A	N/A
Percent of alumni satisfied with education received for employment one year after graduation (triennial survey)	N/A	N/A	75%	76%	N/A	N/A	N/A
Total number of students enrolled in urban teacher education, natural sciences, nursing and health sciences, criminal justice, and Information Technology academic programs	1,905	1,818	1,824	1,692	1,718	1,745	1,756

Goal 5. Increase revenue from alternative sources to State appropriations.

- Obj. 5.1** Increase the percent of alumni giving to 10 percent or greater.
- Obj. 5.2** Save at least three percent of operating budget through cost containment measures.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of alumni giving	9%	9%	9%	9%	9%	9%	9%
Percentage of operational budget savings achieved	2%	2%	2%	2%	3%	3%	3%

Goal 6. Maximize the efficient and effective use of State resources.

- Obj. 6.1** Expend at least 0.3 percent of replacement cost for facility renewal and renovation.
- Obj. 6.2** Increase total philanthropic funding on the basis of a moving three-year average to \$2.2 million.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of replacement cost expended in facility renewal and renovation	0.4%	0.4%	0.4%	0.4%	0.3%	0.3%	0.3%
Total philanthropic funding (millions)	\$1.8	\$1.8	\$1.8	\$1.8	\$1.7	\$1.6	\$1.6

NOTES

¹ Based on number of responses, not on total number of students who graduated.

USM - University of Baltimore

MISSION

The University of Baltimore (UB) provides innovative education in business, public affairs, the applied liberal arts and sciences, and law to serve the needs of a diverse population in an urban setting. A public university, UB offers excellent teaching and a supportive community for undergraduate, graduate and professional students in an environment distinguished by academic research and public service. The University makes excellence accessible to traditional and nontraditional students motivated by professional advancement and civic awareness; establishes a foundation for lifelong learning, personal development, and social responsibility; combines theory and practice to create meaningful, real-world solutions to 21st-century urban challenges; and is an anchor institution, regional steward and integral partner in the culture, commerce, and future development of Baltimore and the region.

VISION

The University of Baltimore is a leader in the development and dissemination of knowledge in the applied disciplines that form the core of its academic programs. Any qualified Marylander has access to UB's academic programs and services without regard to geographic location, economic means, or other limiting circumstances. UB's students are highly satisfied with their preparation for productive professional lives. The University maintains a lifelong relationship with its graduates and continues to meet their educational needs in a rapidly changing world. Maryland's businesses, governments, and not-for-profit organizations value UB's talents. UB is a major contributor to sustaining mid-town Baltimore as a flourishing urban environment.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. The University of Baltimore will enhance the quality of learning, teaching, and research.

- Obj. 1.1** Through 2017, maintain the percentage of UB graduates employed in their field one year after graduation at a level equal to or greater than the 95.4 percent recorded in Survey Year 2008.
- Obj. 1.2** Through 2017, maintain a 75 percent or greater first-time attempt passage rate on the Maryland Bar examination.
- Obj. 1.3** Annually maintain the percentage of students earning credits in at least one learning activity outside the traditional classroom at 42 percent or greater.
- Obj. 1.4** Annually maintain the second-year retention rate of all students and African-American students at 70 percent or greater.
- Obj. 1.5** Increase the percentage of students satisfied with educational preparation for employment to 88 percent, and maintain the percentage of students satisfied with educational preparation for graduate or professional school at 100 percent in survey year 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of graduates employed one year after graduation (triennial survey)	85.0%	N/A	N/A	85.9%	N/A	N/A	90.0%
UB law graduates who pass the Bar exam on first attempt	83.0%	80.0%	66.0%	67.0%	67.0%	70.0%	75.0%
Students earning credits outside of traditional classroom	44.0%	45.0%	49.0%	52.7%	55.6%	53.0%	55.0%
Second-year retention rate at UB (or another public university in Maryland): All students	67.4%	78.8%	70.8%	72.3%	68.1%	74.0%	78.0%
Second-year retention rate at UB (or another public university in Maryland): African-American students	70.7%	81.9%	73.4%	70.0%	66.7%	72.0%	76.0%
Student satisfaction with education received for employment (triennial survey)	83.0%	N/A	N/A	88.7%	N/A	N/A	90.0%
Student satisfaction with education received for graduate or professional school (triennial survey)	94.4%	N/A	N/A	97.5%	N/A	N/A	98.0%

<http://www.ubalt.edu/>

USM - University of Baltimore

Obj. 1.6 Annually, UB will exceed the national benchmark six-year graduation rate for similar selective institutions of first-time, full-time degree seeking for all undergraduate students and African-American students.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Six-year graduation rate from UB (or another public university in Maryland): All students	37.0%	42.9%	32.2%	36.1%	32.9%	37.0%	40.0%
Six-year graduation rate from UB (or another public university in Maryland): African-American students	31.0%	30.3%	26.9%	30.9%	25.3%	42.0%	47.0%

Goal 2. The University of Baltimore will increase student enrollment in response to State and regional demand.

Obj. 2.1 By fiscal year 2017, maintain the current number of minority students at 650 or higher, including 500 African Americans graduates. Maintain the percentage of African-American undergraduates at approximately 50 percent, and maintain the percentage of economically disadvantaged students at 50 percent or greater in fall 2016 and forward.

Obj. 2.2 Through 2017, maintain the percentage of UB STEM (science, technology, engineering, mathematics) graduates employed in Maryland at 91.4 percent or greater.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of minority students, including African Americans, who graduate from UB	635	676	716	789	754	750	725
Percentage of African-American undergraduates	47.1%	47.0%	48.0%	47.1%	45.9%	47.0%	47.0%
Percentage of economically disadvantaged students	69.7%	78.0%	66.4%	49.0%	87.9%	75.0%	75.0%
Percentage of STEM graduates employed in Maryland (triennial survey)	86.0%	N/A	N/A	85.7%	N/A	N/A	90.0%

Goal 3. The University of Baltimore meets community, businesses, government, and not-for-profit needs in the Baltimore metropolitan area and Maryland.

Obj. 3.1 Increase UB's entrepreneurial revenues by 5 percent a year or greater through 2017 (from \$174,427 in 2009) and increase the percentage of research dollars coming from federal sources to 10 percent or greater by 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Entrepreneurial revenues per year	\$307,076	\$201,682	\$194,192	\$220,634	\$269,273	\$287,000	\$213,035
Number of federal awards	4	4	4	6	8	10	10
Percentage of research dollars from federal sources	4.0%	4.0%	4.4%	14.0%	47.7%	50.0%	50.0%

USM - Salisbury University

MISSION

Salisbury University (SU) is a premier comprehensive Maryland public university, with four privately endowed schools, offering excellent, affordable education in undergraduate liberal arts, sciences, business, nursing, education, social work, and applied master's and doctoral programs. Our highest purpose is to empower students with the knowledge, skills, and core values that contribute to active citizenship, gainful employment, and life long learning in a democratic society and interdependent world.

VISION

Salisbury University, a Maryland university of national distinction, will be acknowledged by its peers as a globally oriented, widely recognized comprehensive university for excellence in education both in and out of the classroom and for its commitment to model programs in civic engagement. Undergraduate research, international experiences, and a broad range of internships and community outreach activities will be the hallmark of the institution, enriching the traditional academic curriculum and enabling students to connect research to practice and theory to action. Salisbury University will grow to meet the education and workforce needs of the State by providing nationally distinguished undergraduate programs as well as specialized master and doctoral programs that uniquely serve the region. We will attract superior students who are academically exceptional and who embrace their role as involved citizens. We will empower students for a life of leadership and cultural appreciation through their participation in campus artistic and athletic activities and in campus clubs and organizations. We will graduate students who are recruited by the best employers and graduate schools and who will contribute to the economic and social vitality of the State and the nation.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Provide a quality undergraduate and graduate academic and learning environment that promotes intellectual growth and success.

- Obj. 1.1** Increase the percentage of nursing graduates who pass on the first attempt the nursing licensure exam from 89 percent in fiscal year (FY) 2014 to a rate of 95 percent in FY 2019.
- Obj. 1.2** Maintain the percentage of teacher education graduates who pass the teacher licensure exam at the FY 2014 rate of 100 percent into FY 2019.
- Obj. 1.3** Increase the percentage of SU graduates who are satisfied with their level of preparation for graduate or professional school from 97 percent in Survey Year (SY) 2014 to 98 percent in SY 2017.
- Obj. 1.4** Increase the percentage of SU graduates who are satisfied with their level of preparation for employment from 95 percent in SY 2014 to 98 percent in SY 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Nursing National Council Licensure Exam (NCLEX) pass rate	89%	89%	90%	93%	91%	93%	95%
Teaching (Praxis II) pass rate	100%	97%	100%	100%	100%	100%	100%
Satisfaction with preparation for graduate school (triennial measure)	97%	N/A	N/A	99%	N/A	N/A	99%
Satisfaction with preparation for employment (triennial measure)	95%	N/A	N/A	94%	N/A	N/A	95%

USM - Salisbury University

Goal 2. Utilize strategic collaborations and targeted community outreach to benefit the University, Maryland, and the region.

Obj. 2.1 Increase the estimated percentage of graduates employed in Maryland from 77.1 percent in SY 2014 to 78 percent in SY 2017.

Obj. 2.2 Maintain the percentage of graduates employed one-year after graduation at the SY 2014 rate of 100 percent into SY 2017.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of bachelor's degree graduates employed in Maryland one year after graduation (triennial)	77.1%	N/A	N/A	65.5%	N/A	N/A	67.0%
Percentage of bachelor's degree graduates employed one year after graduation (triennial)	100.0%	N/A	N/A	94.2%	N/A	N/A	95.0%

Obj. 2.3 Increase the number of teacher education graduates from 332 in FY 2014 to 350 in FY 2019.

Obj. 2.4 The number of graduates in science, technology, engineering and math (STEM) related fields will increase from 287 in FY 2014 to 341 in FY 2019.

Obj. 2.5 Maintain the number of nursing degree recipients at the FY 2014 of 110 into FY 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of teacher education enrollments	1,276	1,253	1,229	1,163	1,131	1,126	1,143
Number of teacher education graduates	332	338	282	303	302	247	248
Number of STEM enrollments	1,403	1,418	1,393	1,455	1,418	1,450	1,479
Number of STEM graduates	287	295	346	312	316	326	320
Number of undergraduate nursing majors	583	601	538	547	563	544	548
Number of baccalaureate degree recipients in nursing	93	86	94	90	97	87	87
Number of graduate nursing majors	28	33	29	34	42	40	40
Number of graduate degree recipients in nursing	17	6	14	3	2	9	8
Total number of nursing degree recipients	110	92	108	93	99	96	95

Goal 3. The University will foster inclusiveness as well as cultural and intellectual pluralism.

Obj. 3.1 Increase the percentage of African-American undergraduates from 12.0 percent in FY 2014 to 14.6 percent in FY 2019.

Obj. 3.2 Increase the percentage of minority undergraduates from 23.2 percent in FY 2014 to 26.8 percent in FY 2019.

Obj. 3.3 Increase the percentage of economically disadvantaged students attending SU from 52.6 percent in FY 2014 to 55.1 percent in FY 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of African-American undergraduates	12.0%	12.9%	13.9%	14.3%	14.5%	14.6%	14.7%
Percentage of minority undergraduates	23.2%	24.1%	25.6%	26.0%	26.2%	26.4%	26.6%
Percentage of economically disadvantaged students	52.6%	53.4%	53.4%	53.3%	54.4%	54.7%	54.9%

R30B29

<http://www.salisbury.edu/>

USM - Salisbury University

Goal 4. Improve retention and graduation rates while advancing a student-centered environment.

- Obj. 4.1** The second-year retention rates of SU first-time, full-time freshmen will increase from 82.5 percent in FY 2014 to 86.3 percent in FY 2019.
- Obj. 4.2** The second-year retention rates of SU first-time, full-time African-American freshmen will increase from 85.0 percent in FY 2014 to 89.0 percent in FY 2019.
- Obj. 4.3** The second-year retention rates of SU first-time, full-time minority freshmen will increase from 81.1 percent in FY 2014 to 86.1 percent in FY 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Second-year first-time, full-time retention rate at SU (or another public university in Maryland): All students	82.5%	84.9%	84.0%	84.7%	84.9%	85.0%	85.1%
African-American students	85.0%	89.0%	81.4%	83.8%	83.8%	84.0%	84.2%
Minority students	81.1%	85.5%	80.1%	84.0%	83.0%	83.3%	83.6%

- Obj. 4.4** The six-year graduation rates of SU first-time, full-time freshmen will increase from 73.2 percent in FY 2014 to 75.0 percent in FY 2019.
- Obj. 4.5** The six-year graduation rates of SU first-time, full-time African-American freshmen will increase from 62.0 percent in FY 2014 to 68.1 percent in FY 2019.
- Obj. 4.6** The six-year graduation rates of SU first-time, full-time minority freshmen will increase from 59.5 percent in FY 2014 to 69.3 percent in FY 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Six-year graduation rate of first-time, full-time freshmen from SU (or another public university in Maryland): All students	73.2%	73.0%	75.1%	74.6%	76.6%	76.7%	76.8%
African-American students	62.0%	66.1%	71.2%	70.5%	74.7%	75.0%	75.2%
Minority students	59.5%	68.4%	70.6%	68.9%	73.5%	73.9%	74.2%

ADDITIONAL MEASURES

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Median salary of SU graduates (one year after graduation) (triennial)	\$37,500	N/A	N/A	\$41,227	N/A	N/A	\$43,750
Ratio of median salary of SU graduates (one year after graduation) to the median salary of the civilian workforce with a bachelor's degree (triennial)	75%	N/A	N/A	79%	N/A	N/A	80%
Estimated number of nursing graduates employed in Maryland as nurses (triennial)	51	N/A	N/A	75	N/A	N/A	70
Number of applicants to the professional nursing program	215	200	177	177	171	204	210
Applicants accepted into the professional nursing program	102	96	103	103	98	99	97
Applicants not accepted into the professional nursing program	113	104	74	74	73	105	113

USM - University of Maryland University College

MISSION

University of Maryland University College (UMUC) is a public university with more than half a century of experience providing open access to high quality educational programs and world class services to qualified students in the state of Maryland, the nation, and the world. The university is committed to students' success as its paramount goal and to an educational partnership with them for life.

VISION

The University of Maryland University College will be the leading global university distinguished by the quality of our education, commitment to our students' success, and accessibility to our programs.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Create and maintain a well-educated workforce.

Obj. 1.1 Increase the number of graduates employed in Maryland from 1,558 in fiscal year 2014 to equal to or greater than 1,600 in fiscal year 2019.

Obj. 1.2 Increase the number of students enrolled in STEM (science, technology, engineering, and mathematics) programs from 7,454 in fiscal year 2014 to 10,800 in fiscal year 2019.

Obj. 1.3 Increase the number of enrollments/registrations in courses delivered off campus or through distance education worldwide from 294,226 in fiscal year 2014 to 300,000 in fiscal year 2019.

Obj. 1.4 Maintain or increase the level of student satisfaction with education received for employment.

Obj. 1.5 Maintain or increase the level of student satisfaction with education received for graduate school.

Obj. 1.6 Increase the number of students enrolled in the Master of Arts in Teaching (MAT) program to 225 by fiscal year 2019.

Performance Measures		2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Total undergraduate enrollment		26,740	35,154	42,892	44,219	45,604	51,260	54,406
¹ Total bachelor's degree recipients		4,209	4,459	5,638	5,883	6,205	6,391	6,583
Employment rate of graduates (triennial measure)		90%	N/A	N/A	88%	N/A	N/A	88%
Number of graduates employed in Maryland (triennial measure)		1,558	N/A	N/A	2,412	N/A	N/A	2,412
¹ Number of undergraduates enrolled in STEM programs		7,454	9,812	10,940	12,116	13,055	14,674	15,575
¹ Number of baccalaureate graduates of STEM programs		1,125	1,557	1,625	1,873	2,258	2,326	2,396
Number of worldwide off-campus and distance education enrollments/registrations		294,226	294,568	309,768	317,094	329,337	370,186	392,904
Percent of students satisfied with education for employment (triennial measure)		95%	N/A	N/A	96%	N/A	N/A	96%
Percent of students satisfied with education received for graduate school (triennial measure)		99%	N/A	N/A	97%	N/A	N/A	97%
¹ Number of students enrolled in MAT program		150	165	160	138	135	152	161

R30B30

USM - University of Maryland University College

Goal 2. Promote economic development in Maryland.

Obj. 2.1 Maintain or increase the ratio of median graduates' salary to the average annual salary of civilian work force with a bachelor's degree at 1.2 from fiscal year 2014 through fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Median salary of graduates (triennial measure)	\$59,165	N/A	N/A	\$60,545	N/A	N/A	\$60,545
Ratio of median salary of UMUC graduates to U.S. civilian workforce with bachelor's degree (triennial measure)	1.2	N/A	N/A	1.1	N/A	N/A	1.1

Goal 3. Increase access for economically disadvantaged and minority students.

Obj. 3.1 Maintain or increase the percentage of minority undergraduate students at 40 percent or greater, the percentage of African-American undergraduate students at 29 percent or greater, and the percentage of economically disadvantaged students at 49 percent between fiscal year 2014 and fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Percent minority of all undergraduates	46%	43%	44%	44%	50%	50%	50%
¹ Percent African-American of all undergraduates	29%	27%	26%	26%	26%	26%	26%
¹ Percent economically disadvantaged students	50%	49%	48%	44%	46%	46%	46%

Goal 4. Maximize the efficient and effective use of State resources.

Obj. 4.1 Maintain current annual rate of operating budget savings achieved through efficiency and cost containment measures at two percent.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of operating budget savings achieved through efficiency and cost containment measures	2%	2%	2%	2%	2%	2%	2%

Goal 5. Broaden access to educational opportunities through online education.

Obj. 5.1 Increase the number of worldwide online enrollments from 243,303 in fiscal year 2014 to 252,000 in fiscal year 2019, increase the number of African-American students enrolled in online courses from 18,741 in fiscal year 2014 to 24,000 in fiscal year 2019, and increase the percent of classes taught online from 86 percent in fiscal year 2014 to 90 percent in fiscal year 2019.

Obj. 5.2 Maintain undergraduate tuition for Maryland residents at an affordable level.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of worldwide online enrollments	243,303	248,104	265,520	274,581	288,336	324,099	343,989
¹ African-American students enrolled in online courses	18,741	20,819	21,915	22,827	23,514	26,431	28,053
¹ Percentage of courses taught online	86%	88%	74%	76%	76%	76%	76%
Undergraduate resident tuition rate per credit hour	\$258	\$266	\$279	\$284	\$289	\$294	\$300
Percent increase from previous year	3%	3%	5%	2%	2%	2%	2%

NOTES

¹ Beginning with 2016 data, UMUC is reporting all students worldwide, inclusive of all geographic locations and instructional modalities.

USM - University of Maryland Baltimore County

MISSION

University of Maryland Baltimore County (UMBC) is a dynamic public research university integrating teaching, research, and service to benefit the citizens of Maryland. As an Honors University, the campus offers academically talented students a strong undergraduate liberal arts foundation that prepares them for graduate and professional study, entry into the workforce, and community service and leadership. UMBC emphasizes science, engineering, information technology, human services, and public policy at the graduate level. UMBC contributes to the economic development of the State and the region through entrepreneurial initiatives, workforce training, K-16 partnerships, and technology commercialization in collaboration with public agencies and the corporate community. UMBC is dedicated to cultural and ethnic diversity, social responsibility, and lifelong learning.

VISION

An Honors University in Maryland, UMBC will be one of the nation's best public research universities of its size as it combines the traditions of the liberal arts academy, the creative intensity of the research university, and the social responsibility of the public university. UMBC will be known for integrating research, teaching and learning, and civic engagement so that each advances the others for the benefit of society.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Prepare students for work and/or graduate/professional school.

- Obj. 1.1 Increase the employment rate of UMBC graduates from 84.5 percent in Survey Year 2017 to 85 percent in Survey Year 2020.
- Obj. 1.2 Increase the percentage of bachelor's degree recipients satisfied with the preparation for employment from 82.9 percent in Survey Year 2017 to 90 percent in SY 2020.
- Obj. 1.3 Maintain the graduate/professional school-going rate for UMBC's bachelor's degree recipients at 40 percent or higher.
- Obj. 1.4 Maintain the percentage of bachelor's degree recipients satisfied with the preparation for graduate/professional school at 95 percent or higher.
- Obj. 1.5 Increase the percent of UMBC's bachelor's degree recipients employed and/or going to graduate/professional school from 91 percent in Survey Year 2017 to 95 percent in Survey Year 2020.

Performance Measures (Triennial Measures)	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

USM - University of Maryland Baltimore County

Goal 2. Increase the estimated number of UMBC graduates in key State workforce areas.

Obj. 2.1 Increase the number of students completing teacher training at UMBC and available to be hired by Maryland public schools from 75 in fiscal year 2014 to 100 in fiscal year 2019.

Obj. 2.2 Increase the estimated number of UMBC bachelor's degree recipients in science, technology, engineering, mathematics (STEM) fields - areas that are key to success in the knowledge economy for the State of Maryland - from 997 in fiscal year 2014 to 1,125 in fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of undergraduates in teacher training programs	220	220	198	187	179	175	175
Number of post-bachelor's students in teacher training programs	243	240	147	135	161	150	150
Number of undergraduates completing teacher training program	42	46	35	31	34	33	33
Number of post-bachelor's students completing teacher training program	33	56	39	42	36	36	36
Percent of undergraduate teacher candidates passing Praxis II or National Teachers Examination (NTE)	100%	100%	100%	100%	100%	100%	100%
Percent of post-bachelor's teacher candidates passing Praxis II or NTE	100%	100%	100%	100%	100%	100%	100%
Number of undergraduates enrolled in STEM programs	5,873	6,212	6,315	6,272	6,438	6,708	6,708
Number of baccalaureate graduates of STEM programs	997	1,106	1,224	1,235	1,333	1,250	1,300
Rank in STEM bachelor's degrees awarded compared to peer institutions	2nd	2nd	2nd	2nd	2nd	2nd	2nd

Goal 3. Promote economic development.

Obj. 3.1 Maintain through 2019 the number of companies graduating from UMBC incubator programs each year at four or more.

Obj. 3.2 Increase the number of jobs created through UMBC's Technology Center and Research Park from 1,200 in fiscal year 2014 to 1,300 in fiscal year 2019.

Obj. 3.3 Increase the three-year average of invention disclosures reported by UMBC's Office of Technology Development from 27.33 in fiscal year 2014 to 28 in fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Companies graduating from UMBC incubator programs	8	5	9	18	20	6	6
Number of jobs created by UMBC's Technology Center and Research Park	1,200	1,200	1,412	1,440	1,450	1,450	1,450
Three-year average number of invention disclosures	27.33	26.33	30.33	25.33	27.33	27.33	29.67

USM - University of Maryland Baltimore County

Goal 4. Enhance access and success of minority students.

- Obj. 4.1** Increase the percentage of African-American undergraduate students from 15.8 percent in fiscal year 2014 to 17.5 percent in fiscal year 2019.
- Obj. 4.2** Maintain a retention rate of African-American students at 90 percent or greater through fiscal year 2019.
- Obj. 4.3** Increase the graduation rate of African-American students from 67.3 percent in fiscal year 2014 to 70 percent in fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent African-American of undergraduate students enrolled	15.8%	16.4%	17.1%	17.4%	18.0%	18.2%	18.2%
Percent minority of undergraduate students enrolled	45.3%	46.3%	47.7%	49.3%	51.6%	52.9%	52.9%
Second-year retention rate at UMBC (or another public university in Maryland) of African-American students	91.8%	94.5%	93.8%	87.6%	90.0%	90.0%	90.0%
Six-year graduation rate of African-American students from UMBC (or another public university in Maryland)	67.3%	61.2%	67.7%	61.9%	61.2%	69.0%	69.0%

Goal 5. Enhance success of all students.

- Obj. 5.1** Maintain a retention rate of UMBC undergraduate students at 90 percent or greater through fiscal year 2019.
- Obj. 5.2** Increase the graduation rate of UMBC undergraduates from 68.8 percent in fiscal year 2014 to 70 percent in fiscal year 2019.
- Obj. 5.3** Maintain at least 100 Ph.D. degrees awarded through fiscal year 2019.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Ratio of full-time equivalent students to full-time instructional faculty	23.5	22.9	22.4	21.9	21.4	23.0	23.0
Second-year retention rate at UMBC (or another public university in Maryland) of students	87.4%	91.0%	89.5%	87.1%	87.3%	90.0%	90.0%
Rank among peer institutions in ratio of full-time equivalent students to full-time instructional faculty	9th	9th	5th	5th	6th	5th	5th
Six-year graduation rate of students from UMBC (or another public university in Maryland)	68.8%	66.9%	66.7%	68.2%	66.4%	69.0%	69.0%
Number of Ph.D. degrees awarded	102	100	82	88	94	90	90

Goal 6. Provide quality research.

- Obj. 6.1** Increase the dollars in total Federal research and development (R&D) expenditures in Science and Engineering (S&E) per full-time faculty from \$110,900 in fiscal year 2014 to \$135,000 in fiscal year 2019.
- Obj. 6.2** Rank in the top half among public research peer institutions (10th in 2015) in average annual growth rate (5-year) in federal research and development (R&D) expenditures.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total federal R&D expenditures in S&E per full-time faculty	\$110,900	\$117,483	\$114,954	\$120,871	\$123,242	\$126,340	\$131,085
Rank among public research peer institutions in five-year average growth rate in federal R&D expenditure	9th	10th	9th	8th	9th	8th	8th

Notes

¹ The peer institutions used in comparison changed in 2015.

USM - University of Maryland Center for Environmental Science

MISSION

The University of Maryland Center for Environmental Science (UMCES) is a research institution that advances knowledge in environmental and natural sciences through scientific discovery, integration, application and teaching. UMCES is the only institution of the University System of Maryland (USM) whose statutory mission is the development of a comprehensive program of environmental research, education and service. Through these functions, UMCES will maintain its national and international reputation for the excellence and multidisciplinary nature of its research, its success in applying scientific knowledge to the management of the Chesapeake Bay and its watershed, and its multifaceted collaborations in education. UMCES can grant joint graduate degrees in environmental sciences and advise, teach, and serve as mentors to many graduate students in USM institutions.

VISION

UMCES will continue to evolve as a globally eminent yet locally relevant institution dedicated to discovery, integration, application and teaching concerning the environment and natural resources.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Strengthen the predictive ecology for Maryland through highly relevant research programs.

Obj. 1.1 Increase to 240 the number of Chesapeake Bay restoration research projects from 214 in 2015.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of Chesapeake Bay restoration projects	229	214	212	194	184	200	210

Goal 2. Strengthen the K-12 education and teacher training in environmental education programs.

Obj. 2.1 Maintain the number of K-12 students participating in UMCES' environmental education programs at 11,000.

Obj. 2.2 Increase science, technology, engineering and math (STEM) teacher training to 910 teachers from 888 teachers in 2015 in UMCES' environmental education

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
K-12 students participating in environmental education program	11,000	11,000	11,000	11,000	11,000	11,000	11,000
K-12 teachers trained in environmental education program	608	888	1,309	1,753	305	320	330

Goal 3. Increase extramural support from government and private sources.

Obj. 3.1 Improve private support to \$4 million from \$2.8 million in 2015.

Obj. 3.2 Increase the two-year running average of total extramural research funding received to \$25.5 million.

Obj. 3.3 Increase research expenditures from all sources to \$60.0 million from \$52.2 million in 2015.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Private support (\$ millions)	\$2.6	\$2.8	\$7.1	\$5.3	\$5.0	\$5.7	\$5.8
Two-year running average of total extramural research funding (\$ millions)	\$21.2	\$24.1	\$25.0	\$25.0	\$25.1	\$25.3	\$25.5
¹ Research expenditures (\$ millions) as calculated for National Science Foundation report	\$50.8	\$52.2	\$55.0	\$58.4	\$59.0	\$59.5	\$60.0

R30B34

USM - University of Maryland Center for Environmental Science

Goal 4. Provide quality research and graduate education.

- Obj. 4.1 Increase to at least 225 annual peer-reviewed publications produced by UMCES faculty from 164 in 2015.
- Obj. 4.2 Increase the mean number of citations in peer-review publications attributed to UMCES faculty members to 48.0 from 40.5 in 2015.
- Obj. 4.3 Increase the average Graduate Record Examination (GRE) Verbal and Quantitative scores for incoming students under the direction of UMCES faculty to 318.
- Obj. 4.4 Increase the number of new large competitive extramural research awards in excess of \$300,000 to 29 from 23 in 2015.
- Obj. 4.5 Improve faculty salaries to the 42nd percentile for Carnegie Research I universities in order to attract and retain outstanding faculty from the 35th percentile in 2015.
- Obj. 4.6 Continue through 2017 to maintain research expenditures per faculty member at or above the 85th percentile for Carnegie Research I Universities.

Performance Measures		2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹	Number of peer-reviewed publications produced by faculty	200	164	159	180	185	190	195
¹	Mean number of citations per peer-reviewed publications attributed to UMCES faculty	38.3	40.5	43.9	46.3	47.0	47.5	48.0
²	Average GRE scores (verbal and quantitative) of incoming students under the direction of UMCES faculty	1,250	1,250	1,250	312	313	315	318
	Number of grants awarded in excess of \$300,000	19	23	17	17	22	23	24
	Percentile rank of UMCES faculty salaries, on average, compared to those at Carnegie Research I universities	36%	35%	30%	48%	33%	35%	40%
	Percentile rank of UMCES expenditures per faculty member as compared to Carnegie Research I universities	>85%	>85%	>85%	>85%	>85%	>85%	>85%

NOTES

¹ 2018 data is an estimate.

² 2016 and prior are reported using the old GRE scoring system.

University System of Maryland

R30B34.00

Program Description:

The University of Maryland Center for Environmental Science (UMCES) engagement in research, education, and public service consists of three laboratories, two of which are located on the Chesapeake Bay: The Chesapeake Biological Laboratory (CBL) at Solomons, the Horn Point Laboratory (HPL) at Cambridge, and the Appalachian Laboratory (AL) at Frostburg. In addition, UMCES is one of three partner institutions at the Institute of Marine and Environmental Technology (IMET). The Research Fleet Operations (RFO) is based at CBL. The Maryland Sea Grant College coordinates the research efforts of the University System of Maryland that are associated with the U.S. Department of Commerce's National Oceanic and Atmospheric Administration.

USM- University System of Maryland Office

MISSION

The University System of Maryland Office provides strategic vision, leadership and planning designed to foster communication, cooperation and operational synergies within and among its three principal constituencies: the citizens of Maryland, the Board of Regents of the University System of Maryland (USM), and the family of twelve diverse institutions and two regional higher education centers that constitute the USM. In addition, it strives to enhance both the resources available to the System's institutions and the outcomes achieved through financial stewardship of investments and economic support from public and private sources.

VISION

The University System of Maryland Office promotes and supports its constituent institutions, individually and collectively, to achieve national and international recognition. The USM Office proactively foresees and addresses higher education issues of critical importance to the citizens of Maryland and forges productive linkages between USM knowledge resources in ways that meet the educational, economic and social well-being of the State.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Promote access to USM institutions through cooperation.

Obj. 1.1 Expand access to higher education for underserved populations and regions of the State by increasing enrollment at USM's regional centers at Shady Grove and Hagerstown.

Obj. 1.2 Continue to provide cost effective access to higher education in Maryland by expanding the number of transfer students entering USM institutions each year from Maryland community colleges.

Obj. 1.3 Support Maryland's teacher training needs by developing and maintaining a vibrant network of Professional Development School (PDS) partnerships.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Total enrollment at USM's regional higher education centers	4,347	4,429	4,488	4,262	3,746	3,418	≥4,000
Number of Maryland community college transfers	11,882	11,182	11,603	11,544	12,154	≥12,000	≥12,000
Number of Professional Development School (PDS) partnerships supported by USM	286	298	306	307	304	294	≥295

Goal 2. Promote operational synergies.

Obj. 2.1 Maintain the level of savings achieved through centrally-negotiated, leveraged procurement of information technology (IT) software products at \$18 million or more per year.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Savings achieved through centrally-negotiated leveraged procurement of IT products and services (\$ millions)	\$8.0	\$13.6	\$11.7	\$12.4	\$13.5	\$12.2	≥\$12.2

R30B36

<http://www.usmd.edu/usm/>

USM - University System of Maryland Office

Goal 3. Promote private support for USM.

- Obj. 3.1** Continue to ensure that the risk-adjusted returns for the combined University System of Maryland Foundation (USMF) and the Common Trust Fund (CTF) investments exceed established national financial market indices.
- Obj. 3.2** Raise at least \$250 million each year through private giving.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Combined USMF and CTF risk-adjusted return versus return from selected 60/40 stock/bond portfolio (SBP)	12.3/15.5	4.0/1.7	-1.8/-1.7	12.9/10.8	9.10/6.25	≥SBP	≥SBP
Private funds raised (millions)	\$256	\$335	\$277	\$292	\$408	≥\$341	≥\$370

Goal 4. Provide financial stewardship to maximize effective and efficient USM operations.

- Obj. 4.1** Maintain USM's current bond rating (Aa1).
- Obj. 4.2** Maintain at least a two percent annual cost efficiency effort annually.
- Obj. 4.3** Continue efforts to achieve the Board of Regents' goal of increasing annual institutional spending on facilities renewal to two percent of the current replacement value of institutional capital assets.
- Obj. 4.4** Maintain a diverse and skilled workforce.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Bond rating (Moody's)	Aa1	Aa1	Aa1	Aa1	Aa1	Aa1	Aa1
Cost efficiency factor as percentage of USM's annual State-supported budget	3%	2%	3%	3%	2%	≥2%	≥2%
Capital and operating funds budgeted for facilities renovation and renewal as percentage of replacement value	0.8%	0.9%	0.9%	0.7%	1.6%	≥1.0%	≥1.0%
Percent of minorities in professional and executive positions within the USM Office	32%	32%	31%	32%	32%	≥31%	≥31%

University System of Maryland

R30B36.00

Program Description:

The University System of Maryland Office (USM Office) is staff to the Board of Regents.

Maryland 529

MISSION

Maryland 529's mission is to provide simple and convenient options that encourage Marylanders to save in advance for educational and disability-related expenses.

VISION

A state in which all people, by saving in advance, will be able to meet their educational and life goals for themselves and their families.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Raise awareness and participation in the Maryland Prepaid College Trust (MPCT) and the Maryland College Investment Plan (MCIP).

Obj. 1.1 Communicate the benefits of the Maryland 529 Plans to adults 25-44 with children ages 0-12 in the State of Maryland.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of households reached through television advertising	N/A	N/A	509,470	429,007	2,100,000	1,900,000	1,900,000
Number of listeners reached through radio advertising	N/A	N/A	566,000	835,600	1,500,000	1,000,000	1,000,000
Number of impressions through digital advertising (in millions)	N/A	N/A	13.2	14.2	15.2	16.8	17.5
Number of emails delivered through email marketing	N/A	N/A	200,000	300,000	455,581	475,000	500,000
Number of new prospect mailers delivered to households in Maryland	N/A	N/A	15,000	15,000	8,836	8,800	8,800
Number of community outreach events attended by Maryland 529	N/A	N/A	213	235	258	270	300
Number of new users to Maryland529.com	N/A	N/A	315,484	345,948	477,151	484,000	500,000

Obj. 1.2 Achieve measurable increases in college savings among Maryland families.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of accounts in the MPCT	N/A	N/A	34,875	35,986	36,605	37,377	38,125
Number of unique beneficiaries enrolled in the MPCT	N/A	N/A	31,593	32,306	32,868	33,525	34,196
Number of students eligible to use MPCT benefits	N/A	N/A	4,732	4,244	3,783	3,500	3,500
Number of eligible students not using MPCT benefits	N/A	N/A	359	661	N/A	N/A	N/A
Number of students enrolled in the MPCT attending a Maryland public college or university	N/A	N/A	2,413	2,716	2,179	2,500	2,500
Number of unique beneficiaries enrolled in the MCIP	N/A	N/A	169,617	182,617	199,180	213,000	227,910
Percentage of MCIP accounts set up for Automated Monthly Contributions (AMC)	N/A	N/A	47%	48%	46%	47%	48%
Average account balance in MCIP	N/A	N/A	\$18,933	\$20,544	\$21,054	\$21,685	\$22,336
Average monthly account contribution to MCIP	N/A	N/A	\$173	\$178	\$187	\$192	\$198
Total Annual Contributions (in millions) for both Plans	N/A	N/A	\$541	\$571	\$615	\$645	\$677

Maryland 529

Goal 2. Raise awareness and participation in the Save4College State Contribution Program.²

- Obj. 2.1** Increase enrollment in the Save4College State Contribution Program by low-income households earning less than \$50,000 as an individual/\$75,000 as a couple.
- Obj. 2.2** Increase enrollment in the Save4College State Contribution Program in Baltimore City and Prince George's County, the two lowest average household income counties in the metro Baltimore/Washington, DC corridor.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of total program applicants	N/A	N/A	N/A	3,084	16,088	20,000	24,000
Number of eligible applicants who received State a contribution	N/A	N/A	N/A	1,888	13,381	17,400	20,880
Number of eligible applicants with household income of less than \$50,000 as an individual/\$75,000 as a couple who received contribution	N/A	N/A	N/A	799	8,244	10,788	12,946
Number of State contribution applicants from Baltimore City who received contribution	N/A	N/A	N/A	206	5,550	7,200	8,561
Number of State contribution applicants from Prince George's County who received contribution	N/A	N/A	N/A	227	452	500	500
Number of webpage views - maryland529.com/mdmatch250	N/A	N/A	N/A	17,679	73,876	85,000	85,000
Number of broadcast/cable television advertisements	N/A	N/A	N/A	0	9,218	9,500	9,500
Number of broadcast radio advertisements	N/A	N/A	N/A	116	890	900	900
Number of impressions through digital advertising (in millions)	N/A	N/A	N/A	3	10	11	11

Goal 3. Raise awareness and participation in the Maryland Achieving a Better Life Experience (ABLE) Program.²

- Obj. 3.1** Inform people with disabilities, their families, and the organizations that provide them with support, about the benefits of the ABLE program.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of attendees at presentations/expos	N/A	N/A	N/A	429	2,866	3,530	4,290
Number of presentations/expos	N/A	N/A	N/A	17	90	118	149
Number of attendees at presentations/expos to Statewide	N/A	N/A	N/A	275	1,895	2,275	2,730
Number of presentations/expos to Statewide organizations	N/A	N/A	N/A	13	45	52	60
Number of attendees at presentations/expos at national conferences	N/A	N/A	N/A	0	284	300	300
Number of presentations/expos at national conferences	N/A	N/A	N/A	0	3	4	5
Total number of email accounts	N/A	N/A	N/A	854	3,085	4,000	5,000
Number of unique visits to the Maryland ABLE website	N/A	N/A	N/A	0	1,077	2,000	3,500

Maryland 529

Obj. 3.2 Achieve measurable increases in the Maryland ABL.E program.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of accounts funded	N/A	N/A	N/A	0	572	1,250	2,100
Total Assets Under Management (in millions)	N/A	N/A	N/A	\$0	\$2,341	\$4,000	\$6,000
Percentage of account holders that are Maryland residents	N/A	N/A	N/A	N/A	98%	95%	95%

NOTES

¹ This measure reflects calendar years and includes students who are eligible to use MPCT¹ benefits in both current and prior calendar years.

² 2017 was the inaugural year of the Save4College State Contribution and the ABL.E Programs.

Maryland 529

R60H00.41 Maryland Prepaid College Trust

Program Description

Maryland 529 is an independent State agency. Maryland 529 offers two flexible 529 plan options for families to save for college. The Prepaid College Trust allows families to lock in future college tuition at today's prices and is backed by a Maryland legislative guarantee. The College Investment Plan, managed by T. Rowe Price, offers a variety of different investment options and can be started with as little as \$25 through automatic investment. These plans are the only 529 plans to offer Maryland taxpayers an income tax deduction and both plans can be used toward qualified educational expenses at nearly any college in the country. More information can be found at <http://maryland529.com>.

R60H00.45 Maryland Achieving a Better Life Experience Program

Program Description

The Maryland Achieving a Better Life Experience (ABLE) Program allows individuals to set aside funds for individuals with disabilities. The funds can be used to supplement the costs of eligible disability-related expenses and in general enhance the overall health, financial well-being and independence of individuals with disabilities.

Maryland Higher Education Commission

MISSION

The mission of the Maryland Higher Education Commission (MHEC) is to ensure that the people of Maryland have access to a high-quality, adequately-funded, effectively-managed, and capably-led system of postsecondary education that adheres to the principle and law governing equal educational opportunity and enables its citizens to make positive contributions to society and to thrive in the economy. It accomplishes this mission through the provision of statewide planning, leadership, coordination and advocacy for the State's postsecondary education institutions and their students directly. Stakeholders include the Governor and General Assembly, Maryland business and industry, and the citizenry as a whole.

VISION

A State where all citizens are equally prepared to be productive, socially-engaged, and responsible members of a healthy economy and an open and democratic society in which all citizens make contributions to creating and maintaining that economy and society.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Ensure institutions and Maryland residents have the information and resources needed to benefit from equal access to postsecondary education.

Obj. 1.1 Maintain or increase the number of State financial aid publications distributed to the public.

Obj. 1.2 Maintain or increase the proportion of on-time Free Application for Federal Student Aid (FAFSA) application submissions relative to the number of high school seniors.

Obj. 1.3 Maintain or increase the number of on-time FAFSA application submissions from students age 25 or older.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of organizations receiving publications for distribution	647	631	640	631	644	625	650
Number of publications distributed to organizations receiving publications for distribution	N/A	434,425	439,862	500,665	495,575	505,575	555,600
¹ Ratio of number of on-time FAFSA applications to number of high school graduates	0.712	0.723	0.721	0.740	0.801	0.825	0.842
Number of on-time FAFSA applications from students age 25 or older	38,221	35,471	35,119	31,128	51,265	52,370	53,000

Maryland Higher Education Commission

Goal 2. Improve response time to inquiries.

Obj. 2.1 By 2017, improve response time to inquiries in the Office of Student Financial Assistance (OSFA) and Program Review and Compliance (PRC).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of student complaints received through formal process by Academic Affairs	N/A	60	61	66	60	60	60
Allocated number of full-time equivalent (FTE) employees responding to complaints (Academic Affairs)	N/A	2.0	2.0	2.0	2.0	2.0	2.0
Actual number of FTE employees responding to complaints (Academic Affairs)	N/A	1.5	1.0	1.0	1.0	1.5	2.0
Allocated number of FTE employees responding to inquiries (OSFA)	10.5	11.5	11.5	11.5	11.5	11.5	11.5
Actual number of FTE employees responding to inquiries	8.00	9.0	9.0	9.0	9.0	9.0	9.0
Number of student complaints resolved through formal process (Academic Affairs)	N/A	54	38	37	51	55	58
Median length of time to answer telephone inquiries received (OSFA) (minutes)	N/A	N/A	3	3	3	3	3

Goal 3. Expand informational opportunities for students entering or continuing in postsecondary education to ensure success.

Obj. 3.1 By 2018, increase the number of information-sharing events attended by MHEC staff from 103 to 125.

Obj. 3.2 By 2019, expand the number of organizations participating in the information-sharing network from 48 to 60.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of information events attended by MHEC staff	107	103	112	121	132	143	160
Number of participating organizations	48	65	80	89	79	100	125

Goal 4. Improve MHEC's information/message delivery using multiple social media.

Obj. 4.1 Expand use of social media.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of social media interactions	N/A	N/A	1,228,942	667,385	370,023	407,000	430,000

NOTES

¹ The basis for calculating this performance measure changed beginning with FY 2016. Because the final number of high school graduates is not available from the Maryland State Department of Education in time for the submission of the Managing for Results data, MHEC is now estimating the number of high school graduates as a percentage of 12th graders.

Maryland Higher Education Commission

Summary of Maryland Higher Education Commission

R62I00.02 College Prep/Intervention Program

Program Description

This program aims to raise the level of academic preparedness of economically and environmentally disadvantaged students to enable them to attend and succeed in college. Funds from this program provide State matching funds to the federal GEAR UP grant program (Gaining Early Awareness and Readiness for Undergraduate Programs) which is administered in partnership with the Maryland State Department of Education.

R62I00.03 Joseph A. Sellinger Formula for Aid to Non-Public Institutions of Higher Education

Program Description

Sections 17-101 to 17-105 of the Education Article of the Maryland Annotated Code established the Joseph A. Sellinger Formula for Aid to Non-Public Institutions of Higher Education, which provides unrestricted funds to eligible independent institutions. The aid is computed by multiplying each independent institution's enrollment for the prior fall semester by a percent of State funds provided per student at specified four-year public colleges and universities in Maryland in the same fiscal year.

Appropriation Statement

	2018 Actual	2019 Appropriation	2020 Allowance

R62I00.10 Educational Excellence Awards

Program Description

Section 18-301 of the Education Article establishes the Educational Excellence Awards which include the Educational Assistance Grant for low and moderate income students with awards ranging from \$400 to \$3,000, the campus-based Educational Assistance Grant for low and moderate income students who for extenuating circumstances miss the application filing deadline, and the Guaranteed Access Grant for students whose family income is below a designated poverty index and who meet certain academic requirements. Funds for the campus-based Educational Assistance Grant are allocated to eligible institutions that then select recipients. The Guaranteed Access Grant provides 100 percent of financial need up to the annual expenses of a full-time resident undergraduate at the four-year public institution with the highest annual expenses for a full-time resident undergraduate within the University System of Maryland, other than the University of Maryland University College and University of Maryland, Baltimore Campus. A College Readiness Outreach Program has been authorized to allow a ninth or tenth grade student to prequalify on the basis of financial need for a Guaranteed Access Grant. The Guaranteed Access Grant would be awarded at the time of enrollment in an institution of higher education in the State of Maryland.

R62I00.12 Senatorial Scholarships

Program Description

Section 18-404 of the Education Article provides each State Senator funds to award scholarships. The total amount of the scholarships is limited to no more than the amount authorized in the prior year plus the increase over the prior year in tuition and mandatory fees for a full-time undergraduate Maryland resident at the four-year public institution with the highest annual expenses for a full-time resident undergraduate within the University System of Maryland, other than the University of Maryland University College and University of Maryland, Baltimore Campus. Awards may be used out of state under certain circumstances.

R62I00.27 Maryland Loan Assistance Repayment Program for Foster Care Recipients

Program Description

Section 18-3202 of the Education Article establishes this program which provides funds to help recipients of foster care repay their student loans. In general, individuals are eligible for the program if they were in foster care for at least three years; work at least 20 hours per week for the State, a county or a municipality; and received an undergraduate or graduate degree from a Maryland higher education institution. Eligible individuals can annually receive an award of \$5,000 or 10 percent of their higher education student loan debt, whichever is less, for up to three years.

R62I00.28 Maryland Loan Assistance Repayment Program for Physicians and Physician Assistants

Program Description

Section 18-2803 of the Education Article establishes this program which provides educational loan repayment assistance to physicians and physician assistants. Priority is given to physicians and physician assistants specializing in primary care in a federally designated geographic area of the State. Assistance may be provided to primary care physicians and medical residents practicing in State designated geographical areas if funds are available. In addition, assistance may be provided to physicians and physician assistants practicing in a medical specialty identified as a shortage area by the Maryland Department of Health.

R62I00.36 Workforce Shortage Student Assistance Grants

Program Description

Section 18-708 of the Education Article establishes the Workforce Shortage Student Assistance Grants to aid students studying in the following workforce shortage fields: (1) school teachers (Sharon Christa McAuliffe Memorial Teacher Scholarship); (2) social workers (Ruth M. Kirk Public Social Work Scholarship); (3) nurses; (4) child care providers (Hattie N. Harrison Memorial Scholarship); (5) developmental disabilities, mental health, child welfare, and juvenile justice (Ida G. and L. Leonard Ruben Scholarships); (6) physical and occupational therapists and assistants; and (7) public servants (William Donald Schaefer Scholarship and the Parren J. Mitchell Public Service Scholarship). Eligible majors and employment fields will be determined by an Advisory Council biennially and will address statewide and regional workforce needs. Both merit and need-based criteria will be used when making awards. Recipients must fulfill a service obligation in the employment field for which the award was received after they complete their degree.

Support for State Operated Institutions of Higher Education

R75T00.01 Support for State Operated Institutions of Higher Education - Higher Education Institutions

Program Description

This program contains general and special funds for the State-operated institutions of higher education. The general funds also appear as current unrestricted funds (State General Funds) within the individual unit budgets. The special funds include (1) funds from the Higher Education Investment Fund, which appears as current unrestricted funds within the individual unit budgets, and (2) funds from a surcharge on motor vehicle registrations for the Maryland Medical System Operations Fund, which appears as current restricted funds in the University of Maryland, College Park Campus budget.

Baltimore City Community College

MISSION

Baltimore City Community College (BCCC) provides outstanding educational, cultural, and social experiences to the residents of Baltimore, the State of Maryland, and surrounding areas. The College's accessible, affordable, comprehensive programs include college transfer and career preparation, technical training, and life skills training. The College provides a variety of student services that meet and support the learning needs of an increasingly diverse student population. BCCC is a dynamic higher education institution that is responsive to the changing needs of its stakeholders: individuals, businesses, government, and educational institutions of the community at large.

VISION

BCCC strives to be the leader in providing quality education that responds to and meets the needs of a diverse population of learners, adding value to lives and the community.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Increase Student Retention and Success.

- Obj. 1.1** Increase 3-year graduation-transfer-retention rates of first-time, full-time entrants seeking degree or certificate.
- Obj. 1.2** Increase fall-to-fall retention rates of full-time entrants to 54 percent for first-time, full-time fall 2017 entrants and 35 percent for first-time, part-time entrants.
- Obj. 1.3** Increase number of degrees and certificates awarded.
- Obj. 1.4** Ensure tuition and fees for Maryland residents remain one of the lowest.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of students who graduated within 3 years	5%	4%	9%	10%	13%	14%	15%
Percent of students who transferred out to 4-year institutions within 3 years	10%	7%	12%	14%	10%	11%	12%
Percent of students who transferred out to 2-year institutions within 3 years	12%	12%	14%	6%	9%	10%	11%
Percent of students who were retained at the end of 3 years	14%	15%	15%	14%	13%	14%	15%
Combined Graduation-Transfer-Out Rate	27%	23%	36%	30%	36%	37%	38%
Graduation-transfer rate of entering study cohort 4 years later	36%	34%	29%	41%	33%	35%	37%
Retention rate of first-time full-time entrants	46%	42%	44%	45%	45%	46%	47%
Retention rate of first-time part-time entrants	28%	28%	27%	26%	29%	30%	31%
Number of degrees awarded	442	405	425	380	443	468	493
Number of certificates awarded	150	104	113	108	213	223	233
Percent of credit students receiving Pell Grants	58%	52%	54%	44%	41%	41%	41%
Percent of credit students receiving any financial aid	65%	61%	62%	53%	51%	51%	51%
Average tuition and fees per credit hour for all Maryland community colleges	\$127	\$130	\$137	\$142	\$146	\$142	\$145
Average tuition and fees per credit hour for BCCC	\$104	\$110	\$110	\$123	\$133	\$133	\$134

Baltimore City Community College

Goal 2. Increase relationships with business and education partnerships.

Obj. 2.1 Develop new programs to meet business and industry needs.

Obj. 2.2 Increase enrollment in non-credit Workforce Development contract training courses (measured in full-time equivalent).

Obj. 2.3 Increase the percent of Career Program Graduates employed or enrolled at senior institutions within one year of graduation.

Obj. 2.4 Increase the Nursing (RN) licensure exam pass rate and Dental Hygiene licensure exam pass rate.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Enrollment (seats taken) in contract training courses	1,522	2,460	2,863	4,385	3,032	3,100	3,100
Percent of career program graduates employed full-time in related or somewhat related field	N/A	N/A	N/A	75%	N/A	100%	N/A
Percent of organizations reporting satisfaction with training	100%	100%	100%	100%	100%	100%	100%
¹ Nursing (RN) licensure exam pass rate	70%	57%	79%	84%	N/A	85%	90%
¹ Dental Hygiene licensure exam pass rate	100%	100%	100%	100%	N/A	100%	100%

Goal 3. Measure institutional effectiveness and sustainability

Obj. 3.1 First-time entrants needing English/Reading remediation who complete remediation within 4 years.

Obj. 3.2 Increase credit and non-credit enrollment of Maryland residents.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of tested fall entrants requiring remediation in math	90%	92%	96%	97%	98%	97%	97%
Percent of tested fall entrants requiring remediation in English/Reading	76%	74%	77%	93%	86%	86%	86%
Of first-time entrants who needed any developmental courses, the percent who completed remediation within 4 years	17%	25%	18%	30%	27%	28%	29%
Credit enrollment of Maryland residents	5,096	5,010	4,439	4,079	3,813	4,156	4,530
Non-credit enrollment of Maryland residents	4,362	4,036	4,214	4,393	4,672	4,700	4,750

Baltimore City Community College

R95C00.00

Program Description:

Baltimore City Community College (BCCC) provides the citizens of Baltimore with quality, accessible, and affordable education and skills-training that will allow them to achieve their full potential, become liberally educated, appreciate contemporary issues, earn a living wage, and become productive and socially engaged citizens of their time. To achieve these goals, BCCC provides transfer preparation in the arts and sciences, business, computer science, and engineering so that its graduates may continue their education at any public or private four-year college or university. The College also provides technical, liberal arts, science, and skill-based education in a user-friendly environment for life-long continuing education by which students may upgrade their knowledge, change careers, and master critical thinking skills. Associate degree programs, certificate programs, specific skills training, and national and industry certification programs are developed to meet both the present and future needs of citizens, industries, and businesses.

Maryland School for the Deaf

MISSION

The Maryland School for the Deaf, a diverse, bilingual community, in partnership with families, provides an equitable and exemplary education in a nurturing, engaging, and challenging environment to ensure students achieve personal excellence and become responsible lifelong learners.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Students in Pre-K through Grade 12 achieve their developmental potential.

- Obj. 1.1 Eighty percent of students earning the Maryland State High School (HS) diploma will attend college.
- Obj. 1.2 Eighty percent of students earning a Maryland State Certification of Program Completion will go to work or attend a training program.
- Obj. 1.3 Seventy-five percent of Kindergarteners will demonstrate readiness in Mathematics, Social Foundations, and Physical Well-Being and Motor Development as determined by the Kindergarten Readiness Assessment (KRA).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

Program Description

The Maryland School for the Deaf is accredited by the Middle States Association of Colleges and Schools and the Conference of Educational Administrators of Schools and Programs for the Deaf. The Frederick Campus, pre-kindergarten through grade 12, and the Columbia Campus, pre-kindergarten through grade 8, provide two levels of curriculum, a Maryland high school diploma or a Certificate of Program Completion, with different goal levels and different levels of student support services. Enhanced Program Services are available for those with multiple disabilities, who are medically fragile, and/or developmentally disabled.

HOUSING AND COMMUNITY DEVELOPMENT

Department of Housing and Community Development

Office of the Secretary

Division of Credit Assurance

Division of Neighborhood Revitalization

Division of Development Finance

Division of Information Technology

Division of Finance and Administration

Maryland African American Museum Corporation

Department of Housing and Community Development

MISSION

The Maryland Department of Housing and Community Development (DHCD) works with diverse partners to finance and support affordable homeownership, rental housing, small businesses, and municipal infrastructure projects that change Maryland for the better.

VISION

All Maryland citizens will have the opportunity to live and prosper in affordable, desirable and secure housing in thriving communities.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Expand DHCD loan portfolio in a fiscally sustainable manner to provide Maryland citizens and local communities with quality affordable single family and multifamily housing and strong local economies.

- Obj. 1.1** Annually provide a minimum of \$400 million in loans to enable at least 2,000 low to moderate income Marylanders to purchase homes (based on the average loan amount of \$193,671 in 2017 with a projected growth rate of 3 to 5 percent) primarily through the Maryland Mortgage Program.
- Obj. 1.2** Annually increase lending for special needs and home rehabilitation based on an average loan size of approximately \$38,000 through the Special Loans program.
- Obj. 1.3** Annually produce new units and preserve existing units of affordable rental housing for families, the disabled, seniors and special needs individuals.
- Obj. 1.4** Annually, assist more than 3,000 single family and 1,640 multifamily households with energy efficiency improvements.
- Obj. 1.5** Maintain lending to municipalities and local governments at \$25 million annually for infrastructure improvements.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.

Total dollars invested - millions	\$2.2	\$3.9	\$5.1	\$8.7	\$14.5	\$50.0	\$50.0

Department of Housing and Community Development

Goal 2. Strengthen Maryland's older communities; decrease homelessness, increase stable housing for vulnerable citizens and increase the number of sustainable communities.

Obj. 2.1 Annually utilize financial resources to leverage other public and private resources achieving a minimum \$10 match for every \$1 invested through the Community Development Block Grants (CDBG), Community Services Block Grants (CSBG), Homelessness Solutions Programs (HSP), and Home Owners Preserving Equity (HOPE) programs.

Obj. 2.2 Annually utilize financial resources to leverage other public and private resources achieving a minimum \$5 match for every \$1 invested through the Community Legacy (CL), Strategic Demolition Fund (SDF), Baltimore Regional Neighborhood Initiative (BRNI), and Community Investment Tax Credit (CITC) programs.

Obj. 2.3 Assist local partners in providing shelter and housing to homeless people and people at risk of homelessness.

Obj. 2.4 Utilize \$75 million by fiscal year 2019 for strategic demolition of vacant/derelict units.

Obj. 2.5 Provide homeless individuals with appropriate levels of shelter and shelter services in order to move individuals in crisis to stable housing.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Leveraged ratio (CDBG, CSBG, HSP, HOPE)	\$6:1	\$7:1	\$6:1	\$7:1	\$7:1	\$6:1	\$7:1
Total number of people provided with pre-purchase homeownership counseling	N/A	N/A	N/A	N/A	7,339	7,400	7,450
Total number of people provided with foreclosure prevention/mitigation counseling	11,153	10,905	9,034	7,885	2,795	2,775	2,725
Number of new operating projects funded	252	262	291	266	124	215	202
² Leveraged ratio (CL, BRNI, SDF, CITC)	\$5.5:1	\$7:1	\$6:1	\$10:1	\$7:1	\$8:1	\$8:1
Total amount leveraged for Division of Neighborhood Revitalization Programs (millions)	\$259	\$320	\$285	\$516	\$417	\$510	\$515

⁵ Total number of households exiting to permanent housing	N/A	N/A	4,514	7,823	4,420	7,250	6,498

NOTES

¹ In fiscal years 2014 and 2015, DHCD stopped including energy funding in the multifamily totals because the Energy Department began reporting this data separately.

² The inception of BRNI was fiscal year 2014 and the inception of SDF was fiscal year 2013; therefore, historic values do not include data from these programs in prior years.

³ For fiscal year 2017 and onward, this metric includes Bureau of Homelessness Services programs formerly under the Department of Human Services (DHS).

⁴ This measure was previously reported by DHS and included data from the Homeless Prevention Program (HPP). It is now reported by DHCD following the transfer of the Bureau of Homeless Services programs from DHS to DHCD but does not include data from the HPP which remained at DHS.

⁵ Prior to fiscal year 2017 this measure was reported by DHS, for fiscal year 2017 onward this metric includes Bureau of Homelessness Services programs formerly under DHS.

Department of Housing and Community Development

S00A22.01 Maryland Housing Fund - Division of Credit Assurance

Program Description

The Maryland Housing Fund (MHF) was created in 1971 as a unique mortgage insurance program. MHF maintains existing primary and pool insurance for residential mortgages financed with revenue bond proceeds issued by the Community Development Administration (CDA), as well as primary insurance for certain permanent loans by public and private lenders. In 2002 the Department reopened a limited multi-family program of MHF, insuring mortgage loans known as "SHOP" (Special Housing Opportunity Program). The SHOP loans finance or refinance the acquisition, construction, or rehabilitation of shared living and related facilities for the special needs population, which are owned and sponsored by nonprofit organizations. The Department continues expanding its MHF insurance program to authorize insurance on a case by case basis, financed by bonds, with Credit Enhancement under the U.S. Department of Housing and Urban Development (HUD) Risk Sharing Program. In 2007 the Department opened a limited single-family program for 35 percent loss coverage on 30 year loans, and the newest loans offer "loss of job protection" for the borrower. On January 1, 2011 MHF entered into a limited Reinsurance Program for loans that CDA had originated between 2005 and 2010 which had only 35 percent mortgage insurance coverage.

S00A22.03 Maryland Building Codes - Division of Credit Assurance

Program Description

The Maryland Building Codes Administration (MBCA) helps to ensure buildings erected in Maryland meet applicable standards for health and safety. MBCA establishes and enforces standards for industrialized/modular buildings and is responsible for inspecting and certifying these building units at the factory. MBCA assists U.S. Department of Housing and Urban Development by processing consumer complaints for the Manufactured/Mobile Home Program. MBCA provides technical assistance and training to local governments, industry and the public to ensure that buildings are energy efficient and accessible to individuals with disabilities.

S00A24.02 Neighborhood Revitalization-Capital Appropriation - Division of Neighborhood Revitalization

Program Description

Funding for two programs is provided. The Neighborhood Business Development Program provides flexible gap financing for small businesses starting up or expanding in locally designated neighborhood revitalization areas throughout the State. The Community Development Block Grant Program provides competitive grants to local governments in non-entitlement areas of the State for use in revitalizing neighborhoods, expanding affordable housing and economic opportunities, and/or improving facilities and services.

S00A25.02 Housing Development Program - Division of Development Finance

Program Description

The Multi-Family Housing Development Program administers financing programs to provide affordable rental housing. Financing is provided for the acquisition, construction, and renovation of multifamily rental housing, transitional housing and emergency shelters. The Housing Development Program provides financing using the proceeds from the issuance of tax-exempt and taxable bonds and administers Federal programs including the Low Income Housing Tax Credit.

S00A25.03 Single Family Housing - Division of Development Finance

Program Description

The Single Family Housing Program works with a network of lenders statewide to originate homeownership loans and to make commitments of mortgage funds to stimulate homeownership in all areas of the State. The Program has two major financing sources: the bond/mortgage-backed securities (MBS)-funded Maryland Mortgage Program (MMP) and the State-funded Maryland Home Financing Program.

S00A25.05 Rental Services Programs - Division of Development Finance

Program Description

Rental Services Programs administer the Federal Section 8 Housing Choice Voucher Program in partnership with local governments not served by a public housing authority. Participating families are provided rent subsidies to lease safe, decent and affordable housing in the private rental market. Rental Services Programs also administer the State-funded Rental Allowance Program in partnership with local governments state-wide in order to provide rental assistance to households with emergency needs or at risk of homelessness. Rental Services Programs also administer other rental assistance programs, including the Bridge Subsidy Demonstration Program and, as needed, assistance for households displaced or otherwise affected by disasters. Under a contract with the U.S. Department of Housing and Urban Development, Rental Services performs contract administration and monitors compliance with tenant occupancy requirements for federally assisted multifamily housing within the State.

Department of Housing and Community Development

S00A26.01 Information Technology - Division of Information Technology

Program Description

This program is responsible for providing technology products and services to DHCD staff. The program has three key organizational units: the Information Systems Unit, the Network Operations Unit, and the Customer Service Unit. The Information Systems Unit is responsible for assessing data needs, having knowledge of business processes and data systems, and identifying technological opportunities. This unit is responsible for the design, development, implementation, and maintenance of databases/applications that meet the needs of the internal and external user community. The Network Operations Unit is responsible for providing hardware, software, help desk services, and training to the Department's user community. It is also responsible for the administration of DHCD's network infrastructure. The Customer Service Unit provides technical support.

Department of Housing and Community Development

S00A27.01 Finance and Administration - Division of Finance and Administration

Program Description

The program provides critical departmental support through the Office of the Chief Financial Officer (CFO) and the Division of Finance and Administration (DFA). The CFO is responsible for all financial activities of the Department. This includes functional oversight over DFA and the financial activities of the Community Development Administration and the Maryland Housing Fund. DFA provides advice and technical support in fiscal matters to the Department's Executive Staff, senior program directors and managers of the various program and support units. DFA oversees the financial management and central support services in the Department, providing financial, analytical, internal review and reporting; preparing and managing operating and capital budgets; accounting for the Department's expenditures and revenues for budgetary and grant accounting; as well as preparing audited financial statements for the Maryland Housing Fund and the State-funded loan and grant programs; coordinating and providing procurement and purchasing services; and providing other support services to the Department, including facilities and fleet management, emergency preparedness, records retention, and telecommunications.

Maryland African American Museum Corporation

S50B01.01 General Administration

Program Description

This program oversees the development and future programs of the Reginald F. Lewis Museum of Maryland African American History and Culture. The museum's primary mission is to inform and educate the general public about the contributions and experience of African American history and culture, and to serve the local and statewide community through public programming, educational opportunities and community outreach efforts.

Division of Tourism, Film and the Arts

Maryland Technology Development Corporation

Department of Commerce

MISSION

Our mission is to create an economic development culture in Maryland that will maximize our great assets and create quality jobs. We will retain, grow and attract companies through outstanding customer service while creating the highest level of prosperity for all Marylanders.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Achieve operational excellence through the adoption of customer service standards, training, orientations, and performance reviews.

Obj. 1.1 Create a comprehensive program for ongoing training strategies encompassing all needs within the Department.

Obj. 1.2 Achieve "outstanding" results on customer service survey from stakeholders.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of staff completing customer service training	N/A	N/A	N/A	100%	100%	100%	100%
Percentage of stakeholders rating customer service as somewhat or very satisfied	N/A	N/A	N/A	93%	91%	93%	95%

Goal 2. Foster a competitive business environment by assessing the impacts of taxes and the effectiveness of financing programs and tax credits.

Obj. 2.1 Leverage private sector capital of at least 10:1 in the fiscal year for financing programs operated by the Department.

Obj. 2.2 Create a return on incentive of at least 10:1 on settled transactions with contractually obligated employment reporting in the fiscal year for the Maryland Economic Development Assistance Authority and Fund (MEDAAF) Capability 1, 2, 3 and Sunny Day.

Obj. 2.3 Leverage private sector investments of 2:1 in qualified Maryland biotechnology companies (QMBCs) and 3:1 in qualified Maryland Cybersecurity companies (QMCCs).

Obj. 2.4 Increase new manufacturing jobs in Maryland utilizing More Jobs for Marylanders (MJM).

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of financing transactions approved	46	57	38	39	38	35	35
Number of financing transactions settled	41	38	34	23	27	25	25
Dollar amount of total project costs (capital investment) anticipated for projects settled (millions)	\$348	\$509	\$308	\$368	\$748	\$400	\$400
Private sector dollars leveraged	15:1	18:1	23:1	9.6:1	39.9:1	20:1	20:1
Return On incentive (ROI) over 5 years	9.4:1	19.2:1	24.5:1	16.6:1	18.3:1	15:1	15:1
BIITC Private Investment in QMBCs (millions)	\$20	\$24	\$24	\$24	\$23	\$24	\$24
Number of QMBCs receiving investment that have remained viable in Maryland for 5 years or more	20	19	18	17	15	18	18
CIITC Private Investment in QMCCs (millions)	\$4	\$4	\$6	\$1	\$1	\$6	\$6
Number of Project Enrollment applications received for the MJM Tax Credit	N/A	N/A	N/A	N/A	N/A	40	20
Number of jobs created through the MJM Tax Credit	N/A	N/A	N/A	N/A	0	765	700

Department of Commerce

Goal 3. Advance innovation and entrepreneurship by tapping into education and innovation communities through workforce development initiatives and embracing a culture of commercialization.

Obj. 3.1 Increase the number of skilled workers and improve business climate through the Partnership for Workforce Quality (PWQ) grant program.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of grants approved through the PWQ program	N/A	N/A	N/A	N/A	34	40	40
Number of workers trained through the PWQ program	N/A	N/A	N/A	N/A	1,043	1,000	1,000

Goal 4. Expand targeted growth clusters and industries by means of collaboration, ambassador programs, workforce development initiatives, partnerships, and industry advisory boards.

Obj. 4.1 Increase jobs created and retained for Maryland businesses by 3 percent annually.

Obj. 4.2 Increase outreach efforts to Maryland investors, incubators, universities and federal facilities to connect with entrepreneurs and early stage companies to assist in promoting innovation and securing business locations in Maryland.

Obj. 4.3 Engage no less than 400 foreign corporations per year to consider Maryland as an ideal location for their U.S. operations.

Obj. 4.4 Attract no less than 40 potential Foreign Direct Investment (FDI) business decision makers to explore potential sites in Maryland per year.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Direct outreach	1,218	1,051	2,263	3,421	2,901	2,915	2,915
Group outreach	583	549	548	1,160	1,701	1,460	1,460
Issues resolved	1,602	1,617	1,670	2,412	2,266	1,650	1,650
Facility location decisions	89	62	70	84	51	55	55
Total jobs retained	3,573	4,950	3,689	15,261	2,705	3,435	3,435
Total jobs created	7,054	6,811	7,616	6,907	6,868	7,050	7,050
Total jobs	10,627	11,761	11,305	22,168	9,573	10,485	10,485
Number of foreign companies engaged	415	435	654	379	523	530	535
Number of foreign company location decisions	13	9	11	17	9	12	15
Number of foreign prospects visiting Maryland buildings and/or sites	48	50	43	39	34	40	45
Value of private sector export sales resulting from Commerce assistance (millions)	\$73	\$85	\$94	\$100	\$117	\$120	\$125

Department of Commerce

Goal 5. Create one Maryland and enhance community development by increasing touchpoints by Commerce staff in the local jurisdictions and engaging underserved populations and businesses of all sizes.

Obj. 5.1 Assist small, disadvantaged businesses by providing capital through the Maryland Small Business Development Financing Authority (MSBDFEA).

Obj. 5.2 Prepare early stage biotechnology companies to be successful, leading to job creation.

T00F00.07 Partnership for Workforce Quality - Division of Business and Industry Sector Development

Program Description

The Partnership for Workforce Quality (PWQ) program provides matching skill upgrade training grants and support services targeted to improve the competitive position of small and mid-sized manufacturing and technology companies. PWQ grants are used to increase the skills of existing workers for new technologies and production processes, and to improve employee productivity and increase industry employment stability. PWQ matching grants are made directly to companies as well as through a number of manufacturing, software industry and International Organization for Standardization 9000 consortia programs working in cooperation with the Department.

T00F00.12 Maryland Biotechnology Investment Tax Credit Reserve Fund - Division of Business and Industry Sector Development

Program Description

The Biotechnology Investment Tax Credit Reserve Fund is a special continuing, non-lapsing fund. This tax credit was established against State income tax for investors as an incentive to invest in qualified biotechnology firms. The value of the credit is equal to 50 percent of an eligible investment made in a qualified biotechnology business during the taxable year. The maximum credit is \$250,000 per investor. The statute established an application and certification process and created a reserve fund. The money in this Fund is invested and reinvested by the Treasurer and interest and earnings are credited to the General Fund.

T00F00.16 Economic Development Opportunity Fund - Division of Business and Industry Sector Development

Program Description

The Economic Development Opportunity Fund (Sunny Day Fund) was created to enable Maryland to act on extraordinary economic development proposals that require financial assistance beyond the capabilities of other state and local financing programs. The Sunny Day Fund is a non-lapsing revolving fund. Funds are loaned, granted, or invested to assist in the retention and expansion of existing business, or the establishment and attraction of new business in Maryland.

T00G00.06 Film Production Rebate Program - Division of Tourism, Film, and the Arts

Program Description

This program was created to retain and encourage the expansion of the film industry in Maryland. Grant recipients are chosen based on merit and economic benefit to the State. This production of films, television series, and commercials stimulates job growth, business sales, and an increased tax base. Chapter 595 of the Acts of 2018 replaced the program's reserve fund effective July 1, 2018.

Maryland Technology Development Corporation

MISSION

To facilitate the creation and foster the growth of businesses throughout all regions of the State through the commercialization of technology; to be Maryland's leading source of funding for technology transfer and development programs and entrepreneurial business assistance; to respond to the needs of the research and development community by establishing and managing programs that fill gaps in the innovation process, focusing on those critical areas where the organization can add unique value; and operating in partnership with other organizations through a flexible, technically-oriented professional staff.

VISION

Maryland will become internationally recognized as one of the premier 21st century locations for technology and technology-based economic development.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Increase technology transfer and commercialization.

- Obj. 1.1 Encourage collaboration between research institutions and early-stage companies.
- Obj. 1.2 Manage the Maryland Stem Cell Research Fund and work with the Maryland Stem Cell Commission.
- Obj. 1.3 Manage the Maryland Innovation Initiative and work with the Maryland Innovation Initiative Board of Directors.
- Obj. 1.4 Manage the Cybersecurity Investment Fund to build upon the cybersecurity assets of the region.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Technology Commercialization Fund investments	20	21	22	22	20	7	7
Stem Cell Research Fund proposals received	180	173	166	160	160	160	160

Cybersecurity proposals received	N/A	16	20	22	24	22	22
Cybersecurity investments	N/A	8	8	8	6	5	5

Goal 2. Increase the future financial viability of start-up companies.

- Obj. 2.1 Assist start-up companies to receive downstream funding.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Cumulative amount of downstream funding leveraged by TEDCO							
Maryland Technology Commercialization Fund (\$ millions)	\$670	\$749	\$952	\$1,000	\$1,002	\$1,004	\$1,004

Maryland Technology Development Corporation

Goal 3. Assist in the creation and success of high technology firms within Maryland.

Obj. 3.1 Approve financing and seed capital investments for emerging high technology businesses.

Obj. 3.2 Manage the active financing and seed capital investments provided to emerging high technology businesses.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of Enterprise Investment Fund (EIF) investments approved	30	8	3	4	4	4	4

Maryland Technology Development Corporation

T50T01.03 Maryland Stem Cell Research Fund

Program Description

The Stem Cell Research Fund supports stem cell research and development at Maryland's research universities and private sector research corporations. The Maryland Stem Cell Commission has established an independent scientific peer review committee that reviews, evaluates, ranks, and rates research proposals for State-funded stem cell research based on procedures and guidelines established by the Commission and in a manner that gives due consideration to the scientific, medical, and ethical implications of the research.

Appropriation Statement

Maryland Technology Development Corporation

T50T01.04 Maryland Innovation Initiative

Program Description

The purpose of the Maryland Innovation Initiative is to promote the commercialization of research conducted in participating universities, encourage qualifying universities to partner on commercialization proposals, strategies, and funding sources, including with federal laboratories located in Maryland; and facilitate technology transfer from university labs to start-up companies.

Appropriation Statement

Maryland Technology Development Corporation

T50T01.06 Enterprise Investment Fund Administration

Program Description

This program reflects administrative expenditures for the Enterprise Investment Fund, also known as the Maryland Venture Fund (MVF). The MVF was developed to make equity investments in early-stage enterprises located in the State or willing to move to the State. MVF activities are provided through six types of program activity: the Enterprise Investment Fund, the Challenge Investment Program, the Enterprise Venture Capital Limited Partnership Fund, the InvestMaryland Fund, the Maryland/Israel Development Fund, and the Federal Information Processing Standard Certification Grant Program.

Appropriation Statement

	2018 Actual	2019 Appropriation	2020 Allowance

Maryland Technology Development Corporation

T50T01.07 Capital - Enterprise Investment Fund

Program Description

This program reflects disbursements from the Enterprise Investment Fund, also known as the Maryland Venture Fund (MVF). The disbursements are investments in emerging high-technology businesses which are either located in or relocating to the State. Investments may be in the form of equity, convertible debt or limited partnership interests, and venture capital investments. The Challenge Investment Program provides early stage technology companies with seed financing in the form of an investment tied to a contingent royalty repayment agreement. Investments are based on the market potential of the technology.

Maryland Technology Development Corporation

T50T01.08 Second Stage Business Incubator

Program Description

The Second Stage Business Incubator, also known as the Gap Investment Fund, makes disbursements to start-up technology-based companies that are in need of capital to grow their businesses in Maryland. The disbursements are matched by investments the company has received from other sources. The purpose of this Fund is to help bridge the gap between seed funding and venture capital investments. Companies use Gap Investment Funds to employ new staff to grow and become more firmly established in Maryland.

Maryland Technology Development Corporation

T50T01.09 Maryland Technology Infrastructure Fund

Program Description

The purpose of the Maryland Technology Infrastructure Fund is to promote technological development in Opportunity Zones. An Opportunity Zone is an economically-distressed community where new investments, under certain conditions, may be eligible for preferential tax treatment. Localities qualify as Opportunity Zones if they have been nominated for that designation by the State and that nomination has been certified by the Secretary of the U.S. Treasury via his delegation of authority to the Internal Revenue Service.

Maryland Technology Development Corporation

T50T01.10 Minority Pre-Seed Investment Fund

Program Description

The purpose of the Minority Pre-Seed Investment Fund is to provide investments in emerging technology companies led by entrepreneurs who demonstrate a socially or economically disadvantaged background that hinders access to traditional forms of capital and executive networks at the pre-seed stage. The Fund also incorporates seasoned business mentors/advisors into the program curriculum to increase the likelihood of successful start-up companies.

ENVIRONMENT

Department of the Environment

Office of the Secretary

Operational Services Administration

Water and Science Administration

Land and Materials Administration

Air and Radiation Administration

Coordinating Offices

Maryland Environmental Service

Maryland Department of the Environment

MISSION

To protect and restore the environment for the health and well-being of all Marylanders.

VISION

Healthy, vibrant and sustainable communities and ecosystems in Maryland.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Provide excellent customer service and community outreach.

Obj. 1.1 Respond to 90 percent of Public Information Act (PIA) requests within 30 days of receipt.

Obj. 1.2 Meet permit turnaround times for 90 percent of the permits processed.

Obj. 1.3 Respond to environmental emergencies to reduce risk to public health and the environment.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of PIA responses issued within 30 days	80%	85%	73%	88%	90%	91%	92%
Percentage of permits processed within applicable standard time	90.6%	92.1%	95.3%	96.0%	95.4%	90.0%	90.0%
Number of environmental emergencies responded to	537	492	441	473	450	450	450

Goal 2. Manage air quality and emissions for maximum protection of human health and the environment.

Obj. 2.1 Achieve attainment with the eight-hour ozone and PM2.5 standards in the Baltimore and Washington metropolitan areas and Cecil County.

Obj. 2.2 Reduce greenhouse gas (GHG) emissions.

Obj. 2.3 Reduce emissions of criteria pollutants from power plants.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Est.	2019 Est.	2020 Est.
Number of exceedances of the eight-hour ozone standard	5	8	26	17	20	18	15
Amount of greenhouse gases (in million tons per year) emitted from power plants	22.0	18.6	18.4	12.7	17.6	17.2	16.8
Amount of criteria pollutants (in thousands of tons per year) emitted from power plants	45	39	31	16	15	14	14

U00

<http://www.mde.state.md.us/>

Maryland Department of the Environment

Goal 3. Reduce Maryland citizens' exposure to hazards.

- Obj. 3.1 Improve the initial significant compliance rate at radiation machine facilities to at least 80 percent.
- Obj. 3.2 Ensure that Maryland shellfish are harvested from waters that are clean enough to meet National Shellfish Sanitation Program requirements.
- Obj. 3.3 Reduce the number of elevated blood lead levels found.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of inspected radiation machines in initial compliance	80%	82%	81%	89%	89%	89%	89%
¹ Percent of required shellfish waters sampling achieved	80%	82%	81%	77%	81%	81%	81%
¹ Number of children tested for elevated blood lead	109,031	110,217	118,619	131,833	130,014	132,998	135,983
¹ Reported exceedances of elevated blood lead standard	355	377	355	388	342	320	300

Goal 4. Protect water resources and ensure safe and adequate supplies of drinking water.

- Obj. 4.1 Achieve 60 percent of Maryland's Chesapeake Bay nitrogen and phosphorus reduction goals by 2017, and 100 percent by 2025 (45.48 million lbs. nitrogen target by 2017 and 41.17 million lbs. by 2025; 3.01 million lbs. phosphorus target by 2017 and 2.81 million lbs. by 2025.)
- Obj. 4.2 Reduce the volume of sewage overflows by an amount equal to a 50 percent reduction of the three-year average amount (2002, 2003, 2004: 521,761,000 gallons).
- Obj. 4.3 Ensure that of the Maryland population served by public community water systems, at least 97 percent are served by systems that are in compliance with all drinking water regulations for which the department has received EPA's delegated authority approval (primacy).
- Obj. 4.4 Complete all federally-required Total Maximum Daily Load (TMDL) analyses to address 303d impaired waters listings.
- Obj. 4.5 Maintain 80 percent significant compliance with groundwater standards for all active municipal solid waste landfills each year.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Annual Maryland nitrogen load to Bay (million lbs)	49.81	48.09	47.47	45.48	44.94	44.94	44.94
¹ Annual Maryland phosphorus load to Bay (million lbs)	2.92	2.80	2.80	2.80	2.80	2.80	2.80
Percent change in gallons of actual sewage overflow during the most recent consecutive three-year average compared to the FY2002-2004 three-year average amount of 521,761,000	-40%	-48%	-61%	-67%	-52%	-40%	-40%
Of the Maryland population served by public community water systems, percent served by systems that are in compliance with all drinking water regulations for which the department has primacy	96%	90%	98%	99%	90%	95%	97%
Percent of total required listings addressed from the schedule of 2016-2022 TMDL priority waters	N/A	N/A	5%	10%	29%	44%	64%
Percentage of municipal solid waste landfills in significant compliance with groundwater standards	85%	90%	90%	90%	90%	90%	90%

Maryland Department of the Environment

Goal 5. Support and track sustainable materials management and waste reduction.

Obj. 5.1 Reduce the quantity of waste disposed, per person, per year.

Obj. 5.2 Increase diversion of organic materials from disposal by increasing the number of permitted composting facilities and increasing the quantity of organic materials recycled annually.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Est.	2019 Est.	2020 Est.
Statewide Maryland Recycling Act (MRA) recycling rate	43.51%	43.19%	42.91%	44.07%	44.52%	44.96%	45.27%
MRA waste disposed, per capita (tons)	0.63	0.65	0.66	0.62	0.62	0.62	0.61
Number of permitted composting facilities	-	-	12	18	22	24	26
Quantity of organic materials recycled (tons)	915,222	938,328	975,822	990,829	1,022,953	1,047,365	1,072,360

Department of the Environment

U00A01.01 Office of the Secretary - Office of the Secretary

Program Description

The Office of the Secretary provides direction and establishes State environmental policies to be implemented by the operating units. Functions in this program include internal MDE-SERV and MFR programs. Data is used to manage for improved effectiveness and efficiency; internal and external audits; policy and planning coordination; enforcement and compliance policy coordination; operations oversight; intergovernmental relations relating to regulations and legislation; environmental justice coordination; and equal opportunity in employment.

U00A01.03 Capital Appropriation - Water Quality Revolving Loan Fund - Office of the Secretary

Program Description

This program provides funds for low interest loans to Maryland's local jurisdictions and private entities for capital projects that improve water quality. These projects include upgrades and expansions to wastewater treatment plants, interceptors and collectors, pump stations, capping of old landfills, and creation of storm water management facilities. State funds are required to provide the 20% match to the federal funds.

U00A01.04 Capital Appropriation - Hazardous Substance Clean-Up Program - Office of the Secretary

Program Description

This program provides funding for State participation in the Federal Comprehensive Response, Compensation and Liability Act Program (Superfund). In addition the State funds are utilized to clean up other uncontrolled waste sites within the State which do not qualify for federal funding, but which pose a substantial threat to public health and the environment where there is no viable financially responsible party.

U00A04.01 Water and Science Administration - Water and Science Administration

Program Description

The Water and Science Administration (WSA) provides an integrated approach to the State's water programs. The administration staffs the Governor's Chesapeake Bay Cabinet and coordinates State activities under the Chesapeake Bay Total Maximum Daily Load (TMDL) and Chesapeake Bay Watershed Implementation Plan. As the implementing agency for the federal Clean Water Act and Safe Drinking Water Act, the administration sets water quality standards and identifies surface water impairments and high quality waters. WSA ensures that the drinking water systems in Maryland provide safe and adequate supplies of potable water. The administration regulates the following: water supply systems and wastewater treatment facilities and industries; tidal, nontidal and waterway construction activities, including dredge and fill operations; and municipal stormwater systems. The administration oversees local stormwater management programs and reviews and approves sediment/erosion control and stormwater plans for State and federal capital projects. WSA implements the Clean Water Act 401 Water Quality Certification Program, and performs consistency reviews under the Coastal Zone Management Act. The administration coordinates the National Flood Insurance Program and floodplain mapping functions in coordination with the Federal Emergency Management Agency. WSA administers the US FDA shellfish-growing water certifications, including support of Maryland's emerging aquaculture industry; performs algal bloom and fish-kill investigations; administers the Federal BEACH Act program; and issues fish consumption health guidelines. The WSA administers the Well Drillers, Waterworks and Waste Systems Operators, and the Marine Contractors Licensing Boards.

U00A06.01 Land and Materials Administration - Land and Materials Administration

Program Description

The Land and Materials Administration ensures that all hazardous wastes and non-hazardous solid wastes are managed to protect public health and the environment. It issues permits and conducts inspections pertaining to design, construction, and operation of solid waste management systems and facilities; natural wood waste and scrap tire recycling facilities; sewage sludge utilization sites; hazardous waste treatment, storage, and disposal facilities; petroleum storage facilities; installation and operation of above-ground and underground petroleum storage facilities; transportation and delivery of petroleum; and transportation of hazardous wastes. It provides regulatory oversight of mining and reclamation of lands and waters impacted by mining; and permitting and inspection oversight of animal feeding operations to reduce nutrient pollution. The program tracks and identifies generators and transporters of hazardous and special medical waste, encourages waste minimization and pollution prevention, oversees remediation of contamination at federal facilities, and monitors low-level radioactive waste management. It undertakes action when hazardous substances are released, and addresses sites that do not qualify for the Federal Superfund Program and those that pose a significant threat to public health or the environment. It oversees cleanup of commercial and industrial properties under the Voluntary Cleanup/Brownfields initiative and provides oversight of certain remedial activities at sites listed on the National Priorities List. The program manages the State's lead poisoning prevention and lead paint abatement services accreditation programs, investigates lead poisoning cases, maintains lead poisoning registries, tracks the incidence of lead poisoning, conducts paint surveys of residential buildings, and educates healthcare providers and the public. It coordinates lead poisoning prevention efforts of MDH and DHCD, and coordinates enforcement activities with Baltimore City. The program provides technical assistance and guidance to local governments, businesses, industry, and the general public.

U00A07.01 Air and Radiation Administration - Air and Radiation Administration

Program Description

The Air and Radiation Administration ensures that air quality and radiation levels in Maryland sustain public health, safety, and the environment. It operates an air-monitoring network to obtain up-to-the minute data on air quality, develops plans to attain and maintain health-based national ambient air quality standards, and promulgates regulations to implement these plans. The program works with other states to ensure that transport of air pollution is minimized, issues construction and operating permits for air pollution sources to ensure compliance with air quality standards and to control emissions of toxic air pollutants, conducts site inspections to determine compliance with regulatory and permitting requirements, takes enforcement actions as appropriate, and investigates citizens' complaints. In addition, the Administration is implementing significant programmatic initiatives relating to climate change.

Maryland Environmental Service

MISSION

The mission of the Maryland Environmental Service is to provide operational and technical services to protect and enhance the environment for the benefit of the people of Maryland.

VISION

The Maryland Environmental Service is: an innovative and leading-edge solver of environmental problems; a responsible and successful manager of environmental operations; and a great place to work.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Improve the environment through Maryland Environmental Service activities.

Obj. 1.1 Manage liquid waste products to reduce the nutrient problems in the Chesapeake Bay.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Gallons of wastewater treated (billions)	5.17	6.13	6.37	6.03	6.54	6.54	6.54
Number of parameters tested	81,097	81,212	80,375	84,210	79,959	79,959	79,959
Gallons of used antifreeze recycled (thousands)	27	24	25	29	34	32	32
Gallons of used oil recycled (thousands)	488	484	497	456	432	410	410
Number of corporate and State National Pollution Discharge Elimination System (NPDES) violations	180	155	125	158	311	119	119

Goal 2. Improve infrastructure to convey and treat water and wastewater in the State.

Obj. 2.1 Obligate 75 percent of appropriated capital funding annually.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percentage of capital dollars obligated	32%	50%	52%	37%	30%	75%	75%

Goal 3. Work more safely.

Obj. 3.1 Improve safety performance by limiting accidents and related lost work time and by reducing the number of preventable vehicle accidents.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of accidents resulting in lost work time	39	25	30	32	38	43	39
Accident leave as a percent of total hours worked	0.24%	0.20%	0.09%	0.06%	0.10%	0.25%	0.20%

Goal 4. Provide excellent customer service and satisfaction.

Obj. 4.1 MES will achieve a client satisfaction result of 75 percent or more.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Client satisfaction rate	N/A	92.5%	N/A	92.0%	N/A	91.0%	N/A

NOTES

¹ The Maryland Environmental Service conducts a customer service survey every other year.

Maryland Environmental Service

U10B00.41 General Administration

Program Description

The Maryland Environmental Service is an independent State agency that provides technical services to clients for engineering, design, financing, construction and project management, and operations of environmental facilities. These technical services support water supply, wastewater treatment, solid waste management and energy production to State agencies, counties, municipal corporations, and private entities.

Department of Juvenile Services

MISSION

By law, the Department of Juvenile Services (DJS) is a child-serving agency responsible for assessing the individual needs of referred youth and providing intake, detention, probation, commitment, and after-care services. DJS collaborates with youth, families, schools, community partners, law enforcement, and other public agencies to coordinate services and resources to contribute to safer communities.

VISION

Successful youth, strong leaders, safer communities.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Improve positive outcomes for justice-involved youth

- Obj. 1.1** Achieve a 50 percent reduction in recidivism by fiscal year 2022 to ensure youth will remain in their communities and have opportunities to achieve positive outcomes.
- Obj. 1.2** Increase the number of parents/caregivers who engage in treatment planning and services.
- Obj. 1.3** Increase the number of justice-involved youth in the community attending educational programming and progressing towards academic completion.
- Obj. 1.4** Increase the number of employment-eligible justice-involved youth who earn wages.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
¹ Percent of youth re-adjudicated within one year after release from all residential placements	20.9%	18.8%	20.0%	20.0%	20.0%	20.0%	20.0%
¹ Percent of young women in residential programming who are re-adjudicated or convicted within one year after release	7.5%	7.7%	6.3%	6.3%	6.3%	6.3%	6.3%
Percent of committed youth with identified behavioral health needs connected with service providers 30 days from discharge	N/A	N/A	N/A	85.1%	71.4%	71.4%	71.4%
Percent of families of committed youth who felt informed during their child's commitment and re-entry process	N/A	N/A	N/A	96.9%	93.2%	93.2%	93.2%
Average percent of committed youth in out-of-state residential placement	11.0%	11.5%	9.9%	8.5%	11.9%	11.9%	11.9%
Percent of committed youth seeking employment who are employed within 30 days of discharge	N/A	N/A	N/A	21.1%	14.5%	14.5%	14.5%

Department of Juvenile Services

Goal 2. Only use incarceration when necessary for public safety.

- Obj. 2.1 Increase the use of informal tools and programming to prevent juvenile justice system involvement.
- Obj. 2.2 Increase the appropriate uses of Alternative to Detention (ATD).
- Obj. 2.3 Utilize Accountability and Incentives Management (AIM) to reduce youth going further into the juvenile justice system.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Number of youth referred to intake	16,880	15,629	14,510	13,786	12,827	12,827	12,827
Number of placements to detention facilities, pre-disposition, juvenile jurisdiction	4,368	3,716	3,254	2,665	2,377	2,377	2,377
Number of admissions to Community Detention / Electronic Monitoring (CD/EM) program	3,474	3,402	2,890	2,306	2,020	2,020	2,020
Percent of youth who have no new charges while on CD/EM	94.0%	92.8%	93.6%	94.1%	93.9%	93.9%	93.9%
Average number of youth on Informal Supervision	1,105	966	817	739	742	742	742

Goal 3. Keep committed and detained youth safe while delivering services to meet youth needs.

- Obj. 3.1 Ensure all youth in DJS committed facilities receive appropriate services to address identified needs.
- Obj. 3.2 Ensure all committed youth are placed quickly and appropriately post disposition.
- Obj. 3.3 Increase rate of successful completion of committed programs.
- Obj. 3.4 Monitor compliance with security procedures to ensure safety and security of staff and youth.
- Obj. 3.5 Ensure consistent implementation of facility behavior management program.
- Obj. 3.6 Increase the range and frequency of available pro-social activities for youth and families.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Average daily population (ADP) of youth pending placement in detention	84.7	66.0	59.8	60.8	61.2	61.2	61.2
Percentage of youth in detention pending placement for under 30 days	69%	69%	72%	69%	67%	67%	67%
Percent of youth released from DJS committed facilities who took part in career development programming during placement	N/A	N/A	N/A	83%	81%	81%	81%
ADP of youth detained after ejection from a committed program	26.1	18.3	11.0	14.0	13.5	13.5	13.5
Rate of escapes from secure (state-operated) facilities per 100 days of youth placement	0.001	0.001	0.002	0.006	0.001	0.001	0.001
Injuries to youth per 100 days of youth placement, resulting from youth incidents (DJS operated or licensed programs)	0.073	0.103	0.131	0.135	0.119	0.119	0.119
Number of DJS youth who are the victims of a homicide	3	6	8	4	10	10	10

V00

Department of Juvenile Services

Goal 4. Ensure a continuum of care for justice-involved youth that is age- and developmentally-appropriate.

Obj. 4.1 Engage families, and communities at key case planning decision points.

Obj. 4.2 Ensure assessment of youth for age and developmentally appropriate post- dispositional services.

Obj. 4.3 Increase the percentage of youth who successfully complete community supervision.

Obj. 4.4 Support and prepare youth and families for re-entry.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Act.	2019 Est.	2020 Est.
Percent of families of committed youth attending youth re-entry planning meetings	N/A	N/A	N/A	72%	76%	76%	76%
Average number of youth on Probation	2,628	2,429	2,258	2,292	2,204	2,204	2,204
Average number of youth on Aftercare	1,534	1,177	1,044	1,209	1,080	1,080	1,080
Number of youth newly assigned to probation in a year	2,338	2,012	1,833	1,608	1,586	1,586	1,586
¹ Percent of youth re-adjudicated or convicted within one year of probation assignment	19%	18%	17%	17%	17%	17%	17%

NOTES

V00E01.01 Residential and Community Operations - Residential and Community Operations

Program Description

Residential and Community Operations provides community and residential services to all youth served by the Department. The Division also provides health, behavioral health, and educational services in all DJS operated residential facilities, placement services, Community Detention/Electronic Monitoring (CD/EM), and victim services. The Division promotes the continuity of integrated case management throughout the continuum of programs, services, care and custody, based on a youth's level of risk and need. The facilities and programs administered by this unit provide a wide range of services that include screening, counseling, education, vocational enhancement, health services and recreational activities. Residential Operations also provides secure transports of youth between facilities and court.

STATE POLICE

Department of State Police

Maryland State Police

Fire Prevention Commission and Fire Marshal

Maryland State Police

MISSION

To ensure Maryland is a safe place to live, work and visit.

VISION

To serve and protect the citizens of Maryland while remaining focused on our core values of integrity, fairness and service.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

Goal 1. Prevent and investigate crime while supporting allied law enforcement agencies.

Obj. 1.1 Use task forces, drug interdiction units, forensic and intelligence data to identify and arrest perpetrators of criminal acts.

Performance Measures	2014 Act.	2015 Act.	2016 Act.	2017 Act.	2018 Est.	2019 Est.	2020 Est.
Number of local drug task force investigations	1,366	1,810	1,731	1,977	1,610	1,700	1,900
Number of arrests	752	789	1,567	842	1,000	1,050	1,100
Number of drug interdiction investigations – Package Unit	476	366	406	362	270	300	360
Number of drug interdiction arrests	253	179	124	134	130	135	140
Amount of seized cash assets	\$2,853,638	\$1,857,260	\$8,428,716	\$4,871,208	\$4,200,000	\$4,000,000	\$3,700,000

W00A01.02 Field Operations Bureau - Maryland State Police

Program Description

The Field Operations Bureau is comprised of 22 barracks within six geographical troop areas. The Bureau protects the life and property of all individuals and organizations within Maryland by preventing, detecting and deterring crime. This is in keeping with the Department's goal to provide support to allied law enforcement agencies and communities.

Department of State Police

W00A01.03 Criminal Investigation Bureau - Maryland State Police

Program Description

The Criminal Investigation Bureau is responsible for directing the investigative, intelligence, analytical and scientific resources of the Department to reduce crime and safe-guard the citizens and the infrastructure of the state from terrorist attack. The Criminal Investigation Bureau is committed to combining the development of accurate and timely intelligence to reduce crime and minimize the threat of terrorist attack. The components of the Criminal Investigation Bureau are: (1) Northern Command Criminal Enforcement Command, (2) Southern Command Criminal Enforcement Division; and the Forensic Sciences Division.

Department of State Police

W00A01.04 Support Services Bureau - Maryland State Police

Program Description

The Support Services Bureau Headquarters Staff provides direction for three distinct administrative support commands: the Personnel Command includes the Office of the Department Prosecutor, Human Resources Division, Office of Promotional Testing, and the Education and Training Division; the Technology Information Management Command includes the Electronic Systems, Central Records, Licensing, Administrative Operations, Police Communications Support, and Information Technology Divisions; and the Logistics Command includes the Facilities Management, Motor Vehicle, and Quartermaster Divisions. These commands sustain the rest of the Department by handling a host of administrative and equipment functions necessary to support crime reduction, homeland defense and roadway safety initiatives.

W00A01.08 Vehicle Theft Prevention Council - Maryland State Police

Program Description

The Vehicle Theft Prevention Council assists in the prevention and deterrence of vehicle theft and related crimes, including vandalism and theft of property from vehicles. The Council develops statewide strategies and makes grants to support community-based law enforcement, prevention and education, juvenile and prosecution programs.

Department of State Police

W00A02.01 Fire Prevention Services - Fire Prevention Commission and Fire Marshal

Program Description

The Office of the State Fire Marshal (OSFM) is charged with the responsibility of safeguarding life and property from hazards of fire and explosion. The Agency evaluates buildings and occupancies to ensure compliance with the State Fire Prevention Code and associated regulations and appropriate statutes. The OSFM also investigates the cause of fires and explosions and where identified as intentional, initiates the criminal investigation and arrests the perpetrators for such acts.

PUBLIC DEBT AND STATE RESERVE FUND

Public Debt

State Reserve Fund

Public Debt

X00A00.01 Redemption and Interest on State Bonds - Redemption and Interest on State Bonds

Program Description

Debt service payments on the State's general obligation bonds are paid from the Annuity Bond Fund. The revenue sources for the Fund include the State property tax, premium from bond sales, and repayments from certain State agencies, subdivisions, and private organizations. General funds may be appropriated directly to the Annuity Bond Fund to make up the difference between the debt service payments and funds available from property taxes and other sources. Federal funds from interest subsidies for certain bonds may also be appropriated directly to the Fund. Prior to FY 2004, general funds for the debt service on bonds sold for public school construction were funded in the Maryland State Department of Education and transferred to this program as reimbursable funds.

State Reserve Fund

Program Description

The State Reserve Fund is comprised of the following: (1) Revenue Stabilization Account, (2) Dedicated Purpose Account, (3) Economic Development Opportunities Program Account, and (4) Catastrophic Event Account. The objectives of the Fund are to designate, provide for and appropriate certain reserve funds for future use when the magnitude and timing of fiscal requirements are uncertain and retain in escrow State revenues for future requirements to reduce the need for future tax increases.

State Reserve Fund

Y01A01.01 Revenue Stabilization Account - Revenue Stabilization Account

Program Description

The Revenue Stabilization Account, also known as the Rainy Day Fund, was established to retain revenue for future needs and reduce the need for future tax increases by moderating revenue growth. Appropriations are required when the unappropriated general fund surplus of the second preceding fiscal year exceeds \$10 million. Appropriations are also required in years when the account balance is less than 7.5% of general fund revenue as stated in the annual report of the Board of Revenue Estimates submitted to the Governor. If the account balance is at least 3% but less than 7.5% of general fund revenue, an appropriation is required of \$50 million or whatever lesser amount is necessary to bring the balance to 7.5% of estimated general fund revenue. If the account balance is less than 3% of general fund revenue, the required appropriation is \$100 million. To transfer funds from the account requires specific authorization by an Act of the General Assembly or specific authorization in the budget bill if the transfer results in a balance that is at least 5% of projected general fund revenue. To transfer an amount that would reduce the account balance below 5% requires the transfer to be authorized in an Act of the General Assembly other than the budget bill.

Appropriation Statement

	2018 Actual	2019 Appropriation	2020 Allowance
12 Grants, Subsidies, and Contributions	10,000,000	3,345,241	443,836,013

State Reserve Fund

Y01A02.01 Dedicated Purpose Account - Dedicated Purpose Account

Program Description

The Dedicated Purpose Account was established to (1) retain appropriations for major, multi-year expenditures where the magnitude and timing of cash needs are uncertain and (2) meet expenditure requirements. Certain Restrictions may apply on the use of the funds and the manner in which funds may be transferred from the Account.

Appropriation Statement

FOREWORD

The Department of Budget and Management annually produces the capital budget volume of the State Budget. This volume provides a description of each capital project and program funded in the proposed capital budget and five-year Capital Improvement Program (CIP). Each chapter of the volume contains the CIP for a separate State agency. The chapter begins with a summary of factors influencing the CIP, a summary of changes to the prior CIP, followed by one or two sections summarizing any proposed State-owned capital projects and Grant and Loan programs.

The format of the pages for capital projects and capital programs is explained in Illustration #1 below and in Illustration #2 on the next page. Dollar amounts in the funding charts are displayed in thousands. For example:

1 = 1,000
 10 = 10,000
 100 = 100,000
 1,000 = 1,000,000
 10,000 = 10,000,000

Project Description

Current Budget Year Amount

MARKETING, ANIMAL INDUSTRIES & CONSUMER SERVICES

Budget Code: LA1205

Project Title

Salisbury Animal Health Laboratory Replacement (Wicomico)

FY 2020 Total **\$4,975**

Construct a new 18,066 NASF/28,592 GSF animal health lab to replace the existing laboratory in Salisbury. This new laboratory will be constructed on State-owned property adjacent to the current facility in Wicomico County. Upon completion of the new lab, the current facility will be demolished. The new lab will meet modern biosafety and accreditation requirements for laboratories and will provide an efficient space for staff with the ability to accommodate growth. The current facility in Salisbury was built more than 60 years ago and is in poor condition. The Salisbury Animal Health Lab (SAHL) conducts routine tests that protect the safety of the food supply as well as the State's overall economy, especially its poultry and livestock industries. In cases of animal health emergencies, including disease outbreaks and natural disasters, the lab provides critical diagnostic and investigatory services that identify and contain various threats. The FY 2020 budget includes funds to complete the design and begin the construction and equipping of this project.

Program Description

FY 2020 Total

Senior Center Capital Grant Program (Statewide)

\$1,600

The Senior Center Capital Grant Program provides financial assistance to local governments for the acquisition, design, construction, renovation, and equipping of senior centers. The senior centers provide programs and services to support older adults with information, assistance, health screenings, congregate meals, continuing education, and recreational programs. This Program promotes healthy aging and encourages the empowerment of seniors in a local setting. The State may provide a grant up to 50 percent of the project cost, not to exceed \$800,000. Local governments are required to secure matching funds on a dollar-for-dollar basis against State dollars. The FY 2020 budget includes funding for two projects in two jurisdictions.

Illustration #2 (Capital Program)

INTRODUCTION

Maryland's proposed Capital Improvement Program (CIP) for fiscal year 2020, exclusive of the Consolidated Transportation Program (CTP), totals \$1,966,769,491 and is derived from several fund sources:

Source	Amount - in thousands
General Obligation Bonds	1,089,194
General Funds	70,825
General Funds for Transportation	125,000
Special Funds	531,134
Federal Funds	116,617
Revenue Bonds	34,000
Total	1,966,770

General Obligation (GO) Bonds are authorized and issued to provide funds for State-owned capital improvements such as prisons, State hospitals, facilities at public institutions of higher education, and State office buildings. GO Bonds are also issued for various local capital projects, local jails, public schools, and community health centers.

For fiscal year 2020, the capital budget proposes \$1,089,194,000 in GO Bonds for State-owned facilities and grant and loan programs. A total of \$4,194,000 in GO Bonds from prior years will be deauthorized and used to fund FY 2020 projects. The new net GO Bond amount, subtracting deauthorizations, is \$1,085,000,000.

General tax revenues, or General Funds, are most frequently used for operating budget items. However, a portion of General Funds in FY 2020 - FY 2024 has been set aside for capital projects or programs and are identified herein. These funds are also referred to as "Capital Appropriations" or "PAYGO."

Special Funds are dedicated to specific purposes such as parks and open space. They include private grants, user fees, dedicated taxes, and loan repayments.

Federal Funds are grants from the federal government, which are designated for a specific purpose such as construction of military facilities or the financing of housing programs.

Revenue Bonds are funds generated through the sale of bonds secured by dedicated revenues and are not considered an obligation of the State of Maryland.

Non-Budgeted Funds are funds generated from fees, charges, grants, donations, and operations which are not included in the State budget because the activities which generate these funds are intended to be self-supporting. The expenditure of Non-Budgeted Funds for capital projects is subject to the availability of such funds in the amounts and in the years projected and to decisions of the appropriate governing bodies. Non-Budgeted Funds are included in project funding summaries to display total project costs, but are not included in agency subtotals or grand totals.

The Maryland Energy Administration's State Agency Loan Program and Jane E. Lawton Loan Program are no longer included in the State's capital budget. These programs are continued through the operating budget.

The fiscal year 2020 capital budget is summarized by fund source and use, for each agency's project or program, on the following pages.

INTRODUCTION

The following table shows projects with GO Bond pre-authorizations for FY 2020. The FY 2020 funding amounts for these projects have been adjusted to reflect current project needs.

MDP	Patterson Center Renovations	3,875
DPSCS	Demolition of Buildings at the Baltimore City Correctional Complex	23,816
MSP	Barrack C - Cumberland: New Barrack and Garage	9,020
BSU	Communications Arts and Humanities Building	5,100
UMB	Central Electric Substation and Electrical Infrastructure Upgrades	13,159
UMCP	School of Public Policy Building	12,500
USMO	Southern Maryland Regional Higher Education Center	6,953
TU	New Science Facility	66,225
Total		274,664

Note 1: All three MES pre-authorized projects are being funded in FY 2020.

Note 2: The UMCP New Cole Field House was pre-authorized for FY 2020, but the General Assembly added to the FY 2019 appropriation for the project; as a result, the Governor's \$25 million commitment has already been fulfilled.

Note 3: The DJS New Female Detention Center was pre-authorized for FY 2020, but construction and equipment funds have been delayed to FY 2021, FY 2022, and FY 2023.

INTRODUCTION

The following table shows the proposed GO Bond pre-authorization levels for FY 2021, FY 2022, and FY 2023.

Projects with Planned Pre-Authorizations

<u>Agency</u>	<u>Project</u>	<u>FY 2021</u>	<u>FY 2022</u>	<u>FY 2023</u>
BCCC	Liberty Campus: Loop Road, Inner Loop, and Entrance Improvements	3,749	-	-
MES	Eastern Correctional Institution - Co-Generation Plant Upgrades	-	273	-
MES	New Germany State Park - Water and Wastewater Treatment Plants and Water Collection System Upgrades	2,359	1,011	-
MES	Swallow Falls State Park - Water and Wastewater Treatment Plant Improvements	3,373	-	-
MES	Woodstock - Wastewater Treatment Plant Upgrades	2,000	-	-
MHEC	Allegany College - Technology Building Renovation, Phase 2	4,161	1,401	-
MHEC	Anne Arundel Community College - Health Sciences and Biology Building	19,994	-	-
MHEC	College of Southern Maryland - Hughesville Center for Health Sciences	3,000	-	-
MHEC	Hagerstown Community College - Center for Business and Entrepreneurial Studies	1,001	-	-
MHEC	Montgomery College - Catherine and Isiah Leggett Math and Science Building	23,000	-	-
MHEC	Prince George's Community College - Marlboro Hall Renovation and Addition	9,104	23,632	8,188
DoIT	Public Safety Communications System	8,000	-	-
DMIL	Havre de Grace CSMS Surface Equipment and Automotive Maintenance Facility	4,784	4,784	-
MSU	New Student Services Support Building	4,761	-	-
DPSCS	ECI - High Temperature Distribution and Perimeter Security Improvements	9,211	8,459	8,460
DPSCS	Jessup Region Electrical Infrastructure Upgrade	6,460	-	-
DPSCS	Demolition of Buildings at the Baltimore City Correctional Complex	5,101	-	-
SMCM	New Academic Building and Auditorium	28,200	17,033	-
UMCP	School of Public Policy Building	2,500	-	-
UMES	School of Pharmacy and Health Professions	45,735	23,600	-
USMO	Southern Maryland Regional Higher Education Center	62,202	3,229	-
MISC	Garrett College - Community Education and Performing Arts Center	5,500	-	-
Total		254,195	89,543	16,648

INTRODUCTION

Abbreviations used in this document include:

<u>Term</u>	<u>Abbreviation</u>
Property Acquisition	A
Americans with Disabilities Act	ADA
Construction, Renovation, or Demolition	C
Capital Improvement Program	CIP
Movable Equipment or Furniture	E
Federal Funds	FF
Fiscal Year	FY
General Funds	GF
General Obligation Bonds	GO Bonds
Gross Square Feet	GSF
Net Assignable Square Feet	NASF
Net Square Feet	NSF
Planning or Design	P
Revenue Bonds	RB
Special Funds	SF

FISCAL YEAR 2020
SUMMARY OF CAPITAL BUDGET BY FUND SOURCE

	General Obligation Bonds	General Funds	Special Funds	Federal Funds	Revenue Bonds	Totals
State-Owned	387,073	-	29,282	42,056	34,000	492,411
Grants and Loans	702,121	70,825	501,852	74,561	-	1,349,359
SUBTOTALS	1,089,194	70,825	531,134	116,617	34,000	1,841,770
Deauthorizations	(4,194)	-	-	-	-	(4,194)
SUBTOTALS	1,085,000	70,825	531,134	116,617	34,000	1,837,576
Department of Transportation*	-	125,000	1,518,500	1,675,100	-	3,318,600
TOTALS	1,085,000	195,825	2,049,634	1,791,717	34,000	5,156,176

*Included in the Department of Transportation funding are General Funds for the Washington Metropolitan Area Mass Transit System (WMATA). The \$125 million in WMATA funding is in addition to the Special and Federal Funds that are typically included in the Governor's transportation budget.

FISCAL YEAR 2020

SUMMARY OF DEAUTHORIZED FUNDS

Ten (10) program and project authorizations have fund balances available which are no longer needed for their original purpose. These funds are recommended for deauthorization and the loans in which they were included are shown below.

<u>Bond Year and Project</u>	<u>Amount of Deauthorization</u>	<u>Rationale</u>
Maryland Consolidated Capital Bond Loan of 2012		
UMBC - Performing Arts and Humanities Complex	800,000	Project complete
UMCP - Physical Sciences Complex	288,234	Project complete
DMIL - Dundalk Readiness Center	242,378	Project complete
Maryland Consolidated Capital Bond Loan of 2013		
CSU - Pedestrian Bridge ADA Improvements	210,696	Project complete
FSU - Center for Communications and Information Technology	293,965	Project complete
UMCP - Physical Sciences Complex	237,066	Project complete
DMIL - Gunpowder Firing Range	159,999	Project complete
Maryland Consolidated Capital Bond Loan of 2014		
SMCM - Anne Arundel Hall Reconstruction	149,321	Funds not needed
Maryland Consolidated Capital Bond Loan of 2015		
SMCM - Anne Arundel Hall Reconstruction	212,341	Funds not needed
Maryland Consolidated Capital Bond Loan of 2016		
MISC - Capital Technology University (MICUA)	1,600,000	Project ineligible for capital funding
TOTAL	4,194,000	

FISCAL YEARS 2020 - 2024

OPERATING BUDGET IMPACTS OF CONSTRUCTION PROJECTS AT STATE-OWNED FACILITIES

The cost of capital projects is not limited to the expenditure(s) associated with construction. The operation of the facility represents an ongoing cost to State government. The following charts summarize the estimated net operating budget impacts of State facilities included in the fiscal year 2020 capital budget. This includes budget impacts regardless of funding source. These impacts are detailed for fiscal years 2020 through 2024.

The charts only include projects that will receive design and/or construction funding in fiscal year 2020. Generally, grant and loan programs are excluded because the ongoing activity does not have a direct measurable net effect on the State's operating budget or personnel. Also excluded are auxilliary projects at State colleges and universities, except those supported with State funds.

FISCAL YEARS 2020 -2024
SUMMARY OF CAPITAL PROJECTS POSSIBLY SUBJECT TO
FEDERAL RESTRICTIONS ON THE USE OF TAX-EXEMPT FINANCING

The Internal Revenue Code limits the use of tax-exempt bonds for “private business use” by non-governmental persons to no more than five percent (5%) of the tax-exempt bonds of any issue, to a maximum of \$15 million per issue. This limit applies to the State’s general obligation bonds, as well as to tax-exempt bonds issued by State-controlled agencies. Two conditions must be satisfied for a project to be subject to the limitation. There must be private business use and private payment. Private business use is use of a tax-exempt financed facility by any entity or person other than State-controlled agencies or local governments, or on a different basis than members of the general public. Examples of private business use include the rental of space in a tax-exempt financed building and the operation of a bookstore or dining facility by a private company. Research sponsored by private companies can sometimes constitute private business use. The structure of operating or research agreements is also used to determine private business use. Private payment is payment for the privately-used portion of a facility above the costs of operating and maintaining that portion of the facility. Also, taking an equity position in a tenant company could lead to a private payment. An example of private payment would be for a tenant in a tax-exempt financed building to pay enough rent to cover not only maintenance but also some of the debt service. The Internal Revenue Code also limits the use of tax-exempt bonds for financing private loans to non-governmental persons to no more than five percent (5%) of the tax-exempt bonds of any issue, to a maximum of \$5 million per issue. The most commonly used term for the portion of bond issues that can be used for private business use and private loans is private activity.

The FY 2020 capital budget includes 13 programs and projects that may meet the conditions described above. Their GO Bond funding and possible private activity amounts are shown below. In some cases, the private activity dollars total exceeds the sum of five fiscal years due to prior-year amounts. In order to be conservative, the table assumes that 100 percent of the bond funds for these programs will be used for private activity. The bottom line of the table shows the percentage of total GO Bonds in each year (assuming two approximately equal GO Bond issues per year) that could go to private activity.

FISCAL YEARS 2020 - 2024

HB 462 REPAYMENT OF PAST TRANSFER TAX REDIRECTIONS

The Maryland State property transfer tax is dedicated to preserving open space and agricultural land, developing recreational facilities, and providing other environmental benefits. In recent fiscal years, some of these funds were redirected from these purposes to finance other State budget needs.

HB 462, passed by the General Assembly during the 2016 session, requires the repayment by FY 2029 of \$229.7 million in past redirections of the transfer tax. The repayments will impact programs which are funded through the transfer tax in the Department of Agriculture (MDA) and the Department of Natural Resources (DNR) and will increase the Special Funds available to the programs above their annual transfer tax allocations. The programs are:

Maryland Agricultural Land Preservation Program (MDA)
 Critical Maintenance Program (DNR)
 Natural Resources Development Fund (DNR)
 Program Open Space (DNR)
 Rural Legacy Program (DNR)
 Ocean City Beach Replenishment and Hurricane Protection Program (DNR)

This repayment plan does not include the \$7.5 million required to be allocated to the Maryland Agricultural and Resource-Based Industry Development Corporation (MARBIDCO) Next Generation Farmland Acquisition Program as this is included in the Governor's Operating Budget. As a result, the totals included in this repayment plan do not match the repayments required in HB 462 by a difference of \$2.5 million from FY 2020 to FY 2022.

The amount to be repaid in FY 2020 is equal to the amount planned in the FY 2019 - FY 2023 CIP.

	Prior	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025 to FY 2029	Total
Payback for FY 2006 Transfer (to be distributed through Transfer Tax formula)	-	12,500	12,500	12,500	-	-	-	37,500
Critical Maintenance/Natural Resources Development Fund (Payback for FY 2006 Transfer)	6,000	6,000	6,000	6,000	6,000	6,000	4,000	40,000
Payback for FY 2016 to FY 2018 Transfer (to be distributed through Transfer Tax formula)	-	25,361	25,361	12,680	12,680	12,680	63,402	152,165
TOTAL	6,000	43,861	43,861	31,180	18,680	18,680	67,402	229,665

NOTE: The payback will be represented as Special Funds throughout this volume. The legal appropriation will be made as General Funds in the State Reserve Fund - Dedicated Purpose Account.

DEPARTMENT OF AGING

SUMMARY

The Department of Aging coordinates State and local services for seniors. These services promote independence and choice, which enable citizens to age with dignity. Services include meals and nutrition, housing assistance, medical and long-term care assistance, employment assistance, and educational and recreational programing. The Department's Capital Improvement Program focuses on assisting local governments to construct and renovate senior centers. There are currently 115 senior centers in Maryland. Through the Senior Center Capital Grant Program, the Department provides grants for up to 50 percent of the total cost of these projects, not to exceed \$800,000 in State funding in any 15-year period. Senior centers facilitate the coordinated delivery of services to support seniors through health screenings, congregate meals, and educational and recreational programs. From FY 2003 to FY 2019, the Maryland Department of Aging provided funds to assist in the construction or renovation of 32 senior center projects across the State.

DEPARTMENT OF AGING

Budget Code: DA07

Senior Center Capital Grant Program (Statewide) **FY 2020 Total** **\$818**

The Senior Center Capital Grant Program provides financial assistance to local governments for the acquisition, design, construction, renovation, and equipping of senior centers. The senior centers provide programs and services to support older adults with information, assistance, health screenings, congregate meals, continuing education, and recreational programs. This program promotes healthy aging and encourages the empowerment of seniors in a local setting. The State may provide a grant up to 50 percent of the project cost, not to exceed \$800,000. Local governments are required to secure matching funds on a dollar-for-dollar basis against State dollars. The FY 2020 budget includes funding for four projects in three jurisdictions.

DEPARTMENT OF AGRICULTURE

SUMMARY

The Department of Agriculture promotes the economic well-being of farmers, as well as businesses engaged in agricultural related operations, and protects consumers and the environment. In pursuit of these activities, the Department is organized into four main offices: Office of the Secretary; Marketing, Animal Industries, and Consumer Services; Plant Industries and Pest Management; and Resource Conservation.

The FY 2020 - FY 2024 Capital Improvement Program provides funds for one State facility and two programs which help farmers preserve Maryland's farmland and reduce nutrient runoff. These programs are the Agricultural Land Preservation Program and the Maryland Agricultural Cost-Share Program.

A new facility will be constructed to replace the current deteriorating 60-year old Salisbury Animal Health Laboratory. This project is critical so that the animal industry, food safety, and public health of Maryland may remain secure and accredited within international standards and protocol. The existing facility is in need of replacement.

The Agricultural Land Preservation Program preserves productive agricultural land, limits the extent and impact of suburban development, and protects the rural character of Maryland's landscape. Through the end of FY 2018, the program has permanently preserved 312,148 acres of agricultural land. The FY 2020 - FY 2024 Capital Improvement Program provides funding to preserve an estimated 61,000 additional acres of farmland.

The Maryland Agricultural Cost-Share Program was created in 1983 as a result of an agreement among the Chesapeake Bay states (Maryland, Virginia, Pennsylvania, and the District of Columbia), the U.S. Environmental Protection Agency, and the Chesapeake Bay Commission to reduce the amount of nutrients (nitrogen and phosphorus) entering the Chesapeake Bay. Agricultural activities in Maryland account for a significant portion of the nitrogen and phosphorus entering the Chesapeake Bay. The Maryland Agricultural Cost-Share Program provides financial incentives to farmers to implement best management practices which reduce nutrient runoff from Maryland's farmland.

Salisbury Animal Health Laboratory Replacement (Wicomico) FY 2020 Total \$12,417

Construct a new 18,066 NASF/28,592 GSF animal health lab to replace the existing laboratory in Salisbury. This new laboratory will be constructed on State-owned property adjacent to the current facility in Wicomico County. Upon completion of the new lab, the current facility will be demolished. The new lab will meet modern biosafety and accreditation requirements for laboratories and will provide an efficient space for staff with the ability to accommodate growth. The current facility in Salisbury was built more than 60 years ago and is in poor condition. The Salisbury Animal Health Lab (SAHL) conducts routine tests that protect the safety of the food supply as well as the State's overall economy, especially its poultry and livestock industries. In cases of animal health emergencies, including disease outbreaks and natural disasters, the lab provides critical diagnostic and investigatory services that identify and contain various threats. The FY 2020 budget includes funds to complete the construction and equipping of this project.

Agricultural Land Preservation Program (Statewide)

FY 2020 Total \$51,471

This program preserves productive agricultural land and woodland, limits the extent and impact of urban sprawl development, and protects agricultural land and woodland as open space through the purchase of perpetual preservation easements. Special Funds reflect the State property transfer tax and local matching funds. The FY 2020 budget will provide funding to preserve an estimated 12,675 additional acres using Special Funds.

Maryland Agricultural Cost-Share Program (Statewide) **FY 2020 Total** **\$9,000**

This program provides grants to Maryland's farmers for installing one or more of over 30 nationally recognized best management practices (BMPs) that reduce soil erosion and nutrient runoff from farmland. The Maryland Agricultural Cost-Share Program (MACS) requires a minimum 12.5 percent cost-share match from grantees. In addition, State financial assistance for most BMPs is limited to \$50,000 per project or \$150,000 per farm. These limits increase to \$200,000 per project and \$300,000 per farm when proposed BMPs include animal waste storage facilities. Proposed projects will improve water quality and must meet MACS eligibility and cost-effective requirements. Projects funded in FY 2020 will be determined based on applications received by MDA.

BALTIMORE CITY COMMUNITY COLLEGE

SUMMARY

Baltimore City Community College is Maryland's only State-operated community college. It offers day, evening, and weekend courses at satellite locations around Baltimore City, as well as at its primary location at the Liberty Campus in northwest Baltimore. The College's mission is to provide high-quality transfer, technical, and career programs; continuing education and developmental education courses; and community service programs that are both accessible and affordable. These programs enable students to continue their education at upper division educational institutions and/or obtain the necessary skills for career success based on community needs and workplace requirements.

The College's FY 2020 - FY 2024 Capital Improvement Program focuses on improving vehicular and pedestrian circulation on campus as well as constructing a new library building. The Liberty Campus roadway dead-ends which causes bottlenecks and limited access. Consequently, the College needs to remove the dead end and create a loop road to allow traffic to flow. The Loop Road project will facilitate better entrance and exit of the campus by emergency vehicles as well as faculty, staff, students, and visitors. The College will also demolish the Bard Library, to be replaced by a new Library Learning Resource Center. The Bard Library is in need of replacement due to its inadequate HVAC and electrical systems, as well as lack of adequate study and computer resource space.

State-Owned Facilities

BALTIMORE CITY COMMUNITY COLLEGE

Budget Code: RC00

Liberty Campus: Loop Road, Inner Loop, and Entrance Improvements (Baltimore City)

FY 2020 Total \$1,874

Construct improvements and expand the campus roadway and parking lots to provide a variety of safety, infrastructure, and site improvements at the Liberty Campus. The project will increase the functional capacity of vehicular roadways, improve vehicular and pedestrian circulation and safety, upgrade underground utility and infrastructure systems, provide access to future building sites, and facilitate better entrance and exit of the campus by emergency vehicles on the landlocked Liberty Campus. The FY 2020 budget includes funding to begin construction.

Liberty Campus: Library Learning Resource Center (Baltimore City)

Demolish the existing Bard Library building on the Liberty Campus of Baltimore City Community College and construct a new Library Learning Resource Center (LLRC). The project will include the removal of all foundations and any abandoned utilities. The new LLRC is expected to be a two to three story structure located at the site of the existing Bard Library building. Given the requirements for a modern learning resource center and the constraints of the building's design, the existing library cannot be economically renovated to meet the needs of the College. The new building will integrate and centralize all students' learning and research space and house the core elements of student services. The estimated cost of this project totals \$41,421,000.

MARYLAND SCHOOL FOR THE DEAF

SUMMARY

The Maryland School for the Deaf (MSD) provides educational and developmental services to deaf and hearing-impaired children in Maryland. The School for the Deaf has two campuses: the Frederick Campus and the Columbia Campus. The Frederick Campus is located on the original site where MSD was founded in 1867. The Frederick Campus serves children from birth through 21 years of age. While most students commute, approximately 23 percent reside on the campus. Most of the buildings at the Frederick Campus were constructed between 1954 and 1974. MSD offers elementary, middle, and high school programs at Frederick. The Columbia Campus serves children from birth through 16 years of age, approximately 22 percent of whom reside on the campus. The campus consists of three buildings which were constructed between 1973 and 1982. MSD offers elementary and middle school programs at the Columbia Campus. The projects included in the five-year Capital Improvement Program are needed to meet modern standards for a residential school and to address building and fire codes, life-safety issues, and educational needs that exist on the Frederick Campus.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

New Emergency Notification System - Columbia Campus (PC): Funding was added in FY 2020 for the design and construction of an emergency notification system at the Columbia Campus. This project will address life-safety issues at the school.

Deletions:

Veditz Building Renovation (PC): Funding for this project has been deferred to FY 2021 because the project schedule has been delayed.

Changes to FY 2021 - FY 2023

High School Boys' and Girls' and Middle School Residences (P): Funding for this project has been deferred from FY 2020 to FY 2022 to accommodate higher priority projects.

MARYLAND SCHOOL FOR THE DEAF

New Emergency Notification System - Columbia Campus (Howard)

FY 2020 Total \$3,975

Construct and install a new visual emergency notification system in two classrooms and one dormitory building at the Columbia Campus of the Maryland School for the Deaf (MSD). The system will use color-coded strobe lights to notify students and staff of emergencies, and it will activate messages that will be sent to other electronic devices. MSD is required to conduct seven types of emergency management drills during the school year. Because all students and the majority of the school's staff are hearing impaired or deaf, the drills must be communicated visually; however, the school lacks a visual communication system for all types of drills except fire drills. This project will bring the school into compliance with current regulations. The FY 2020 budget includes funding to complete design and construction of the system.

Veditz Building Renovation (Frederick)

Renovate both levels of the Veditz Building to provide space for academic classrooms and the Career Technology Education (CTE) program. The Veditz building was originally constructed in 1975 to provide vocational training. However, as employment trends changed over the years, the Vocational program evolved into the CTE program. With this development, the need for print shops with large printing presses was replaced with the need for computer labs for graphic design and multi-purpose spaces for science and health careers. The renovation of the Veditz Building will allow MSD to provide the courses for the career clusters recommended by the Maryland State Department of Education in their Career and Technology Education Programs of Study dated October 2017. The project will also replace outdated and failing building systems.

MARYLAND SCHOOL FOR THE DEAF

High School Boys' and Girls' and Middle School Residences (Frederick)

Construct a new high school boys' residence and student center, high school girls' residence, middle school residence, satellite health center, and central offices at the Maryland School for the Deaf in Frederick. The high school boys' residence will house male students from 14 to 21 years of age. The building will also include a student center for middle and high school students to socialize after school and in the evenings. The high school girls' residence will house female students from 14 to 21 years of age. The building will also include a satellite health center for students who may become ill in the evenings or through the night. The middle school residence will house both girls and boys under 14 and will include proper physical segregation. This building will include offices for central residential administrative staff. New residences are required to address ADA and fire code deficiencies, allow for proper student supervision, and to provide a more home-like environment for students. The estimated cost of this project totals \$24,033,000.

DEPARTMENT OF DISABILITIES

SUMMARY

The Maryland Department of Disabilities was created in response to the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA). These Acts require that all programs, activities, services, and employment opportunities offered to the general public also be accessible to individuals with disabilities. The Access Maryland Program addresses this requirement. This Program provides for accessibility modifications to eliminate architectural barriers in State-owned facilities. Accessibility modifications include signage, visual fire alarms, chair lifts, elevators, ramps, curb cuts, automatic door openers, and accessible restrooms, including necessary fixtures and accessories.

Access Maryland (Statewide) FY 2020 Total **\$1,697**

The Americans with Disabilities Act (ADA) mandates programmatic access to all State services and removal of physical barriers to people with disabilities. In compliance with the ADA, the Maryland Department of Disabilities (MDOD) administers the Access Maryland Program and solicits projects from State agencies each year to improve facilities that require accessibility modifications. This process is a long-term effort which will require funding beyond FY 2024. The fiscal year 2020 budget includes funding for 12 projects in eight jurisdictions. Five projects are at University System of Maryland institutions, one is at Morgan State University, three are at facilities of the Maryland Department of Health, two are at the Department of Natural Resources sites, and one is at the Tawes State Office Complex in Annapolis.

DEPARTMENT OF THE ENVIRONMENT

SUMMARY

The Maryland Department of the Environment (MDE) is the State's primary agency responsible for environmental protection. MDE's mission is to protect and restore the quality of the State's land and water resources. MDE has broad regulatory, planning, and management responsibility for water quality, air quality, solid and hazardous waste management, stormwater management, and sediment control.

The FY 2020 - FY 2024 Capital Improvement Program focuses on four goals: 1) reducing point and nonpoint source nutrient pollution of the Chesapeake Bay; 2) providing for safe, reliable, and adequate water and wastewater infrastructure; 3) remediating sites contaminated by hazardous waste and acid mine drainage which pose a threat to public health or the environment; and 4) reducing the impacts of flooding.

A major focus for MDE's capital program is the reduction of nutrients entering the Chesapeake Bay through employment of Biological Nutrient Removal (BNR) and Enhanced Nutrient Removal (ENR) upgrades at wastewater treatment plants. The Chesapeake Bay Agreement signatories (MD, PA, VA, NY, DE, WV, and DC) have committed to correct the nutrient and sediment related problems in the Bay and its tidal tributaries. The nutrient goals call for the Bay States to reduce the amount of nitrogen discharged to no more than 183.1 million pounds per year and the amount of phosphorus discharged to no more than 12.8 million pounds per year. Maryland's nitrogen and phosphorus load caps are 39.1 million pounds per year and 2.7 million pounds per year, respectively.

The Bay Restoration Fund (BRF) was established to provide the funding necessary to further reduce nitrogen and phosphorus loading in the Bay. The Fund, financed by wastewater treatment plant users, was originally used solely to upgrade Maryland's 67 major wastewater treatment plants with ENR. Recent legislation has expanded the uses of the fund to upgrading minor wastewater treatment plants, connecting septic systems to public sewer, abating combined sewer overflow, rehabilitating existing sewers, upgrading conveyance systems, and upgrading stormwater management.

In addition to the fee financed by wastewater treatment plant users, an annual fee is collected from each home served by an onsite septic system. Sixty percent of these funds are used for septic system upgrades and the remaining 40 percent are transferred to the Department of Agriculture to be used for cover crops.

Maryland Water Quality Revolving Loan Fund (Statewide)

FY 2020 Total \$127,657

The Maryland Water Quality Revolving Loan Fund provides below market interest loans, grants, and loan principal forgiveness to local governments and other eligible entities to finance water quality improvement projects. The goal of the program is to achieve water quality improvements by reducing the amount of nutrients being discharged into the Chesapeake Bay. Projects eligible for funding include wastewater treatment plants, failing septic systems, and nonpoint source projects such as urban stormwater control projects. When Federal Funds are used to fund these projects, they require a 20 percent State match. Projects may also be funded in whole or in a combination of Special Funds, Revenue Bonds, Federal Funds, GO Bonds, and General Funds. Special Funds are derived from the repayment of past loans. The FY 2020 budget includes funding for 18 projects serving six jurisdictions.

Bay Restoration Fund Wastewater Program (Statewide)

FY 2020 Total \$70,000

The Bay Restoration Fund (BRF) Wastewater Program provides grants to local governments for public health and water quality improvement projects. The program offers up to 100 percent of the eligible capital costs related to planning, design, and construction of Biological Nutrient Removal and Enhanced Nutrient Removal (ENR) technology at targeted wastewater treatment plants; up to 85 percent for combined sewer overflow abatement, rehabilitation of existing sewers, and upgrading conveyance systems, including pumping stations; up to 50 percent of project costs for stormwater projects; and up to \$20,000 per home connected to public sewer/septic system abandonment. These capital improvements address major components of point source and nonpoint source water pollution. They are among the most important elements in the State's strategy to improve water quality and reduce the amount of nutrients discharged to the Chesapeake Bay. The Special Funds used to finance this program are derived from a monthly fee charged to all wastewater treatment plant users and the proceeds of Revenue Bonds issued by the program. The wastewater treatment plant upgrade and sewer extension to eliminate septic systems projects funded in FY 2020 will reduce the nitrogen load to the Chesapeake Bay by approximately 179,418 pounds per year. The sewer rehabilitation projects will serve 541,493 homes throughout Maryland. The FY 2020 budget includes funding for 16 projects in eight jurisdictions.

Maryland Drinking Water Revolving Loan Fund (Statewide)

FY 2020 Total \$32,000

The Maryland Drinking Water Revolving Loan Fund provides below market interest rate loans, grants, and loan principal forgiveness to local governments and other eligible entities which finance water treatment plant and water supply distribution system improvements. This assistance enables localities to provide safe, adequate, and reliable water supply while maintaining affordable rates. The Safe Drinking Water Act of 1996 provides Federal grants to states to capitalize their revolving funds. These Federal grants require a 20 percent State match. Projects may be funded in whole or in a combination of Special Funds, Federal Funds, GO Bonds, Revenue Bonds, and General Funds. Special Funds are derived from the repayment of past loans. The FY 2020 budget includes funding for 12 projects serving 749,915 homes in nine subdivisions throughout the State.

DEPARTMENT OF THE ENVIRONMENT

Septic System Upgrade Program (Statewide)

FY 2020 Total \$15,000

The Septic System Upgrade Program (SSUP) provides grants to local governments or other grant partners to upgrade septic systems with best available technology (BAT) for nitrogen removal. Priority for this funding is given to failing septic systems in the Chesapeake Bay and Atlantic Coastal Bays Critical Area. BAT upgrades outside the Critical Area are not required unless a local government determines it is needed for water quality or public health protection. Upgrading onsite septic disposal systems with the best available technology for nitrogen removal is critical in protecting water quality and ground water in Maryland. The Bay Restoration Fund fee revenue from septic systems (\$60 per year per septic/holding tank) is allocated to the Maryland Department of the Environment for the Septic System Upgrade Program (60 percent) and to the Department of Agriculture for cover crops (40 percent). There are approximately 420,000 on-site septic systems in Maryland. The amount of each county's grant allocation is based on the percentage of septic systems located in the county. The FY 2020 budget provides funding for approximately 1,100 septic system upgrades.

Comprehensive Flood Management Program (Statewide)

FY 2020 Total \$5,000

Provide funds to local governments for projects which reduce the risk of loss of life and property from flooding. Grant funds may be used to acquire flood-prone properties for demolition or relocation, install flood warning systems, and construct flood control projects, including engineering studies required to support the design of these projects. Projects funded in FY 2020 will be determined based on applications received by MDE.

Water Supply Financial Assistance Program (Statewide)

FY 2020 Total

\$1,960

This program provides grants to assist small communities in the acquisition, design, construction, and rehabilitation of publicly owned water supply facilities throughout the State. The grant funds enable the State to protect public health and enhance the quality of life. The program may fund up to 87.5 percent (maximum of \$1.5 million) of the total eligible project cost, and a minimum 12.5 percent local match is required. The FY 2020 budget provides funding for five projects in five jurisdictions, which will provide safe and adequate water supplies to 12,801 homes throughout Maryland.

Hazardous Substance Clean-up Program (Statewide)	FY 2020 Total	\$525
---	----------------------	--------------

This program is responsible for the remediation of hazardous waste contaminated sites that pose a threat to public health or the environment and where there is no responsible party to perform the necessary cleanup. These remediations typically prevent human exposure to contamination, remove contamination from groundwater to protect drinking water supplies, and prevent degradation of environmental resources. The FY 2020 budget includes funding to investigate contamination at four sites in three jurisdictions and multiple new site assessments throughout Maryland.

DEPARTMENT OF THE ENVIRONMENT

Mining Remediation Program (Regional)

FY 2020 Total

\$500

The Mining Remediation Program restores abandoned lands and waters impacted by inadequate coal mining reclamation practices prior to the passage of the Surface Mine Control and Reclamation Act of 1977 and in cases where there is no financially viable responsible party. These mines degrade the quality of the environment, prevent and endanger the beneficial use of land and water resources, and put the health and safety of the public at risk. This program assesses, remediates, and restores projects at sites that will bring long-term environmental benefits and economic improvements in the coal mining region of Allegany and Garrett Counties. The FY 2020 budget includes funding to remediate contamination at three project sites in Allegany County.

MARYLAND ENVIRONMENTAL SERVICE

SUMMARY

The Maryland Environmental Service (MES) is an independent agency of the State created to provide water supply, wastewater treatment, and waste management services to State agencies, counties, municipalities, and private sector clients. Projects typically funded through the Capital Improvement Program are designed to ensure a safe drinking water supply and to minimize the environmental impact of wastewater discharges into the community. This must be accomplished while also complying with federal and State regulations.

MES operates 235 water and wastewater treatment facilities in Maryland, of which 92 are State-owned. The remaining 143 are operated by the MES under contract with a local government or corporate owner.

The FY 2020 - FY 2024 Capital Improvement Program will provide funding to permit improvements to State-owned water and wastewater treatment facilities, water tanks, water distribution systems, and sewage collection systems.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Beginning in FY 2020, transfer tax Special Funds will be used to undertake water and wastewater upgrade projects located at Department of Natural Resources' (DNR) facilities. These projects are eligible for transfer tax funds because water and wastewater infrastructure is an integral part of the development and maintenance of State parks and to serving the needs of park visitors. The Capital Budget Volume shows the MES managed projects at DNR State parks as Non-Budgeted Funds under MES' budget. The DNR Natural Resources Development Fund Program includes a line item for State Water and Sewer Infrastructure Improvements at State Parks; these funds are listed as transfer tax Special Funds. DNR will transfer the Special Funds to MES once a contract for each project is approved.

State Water and Sewer Infrastructure Improvement Fund (Statewide)

FY 2020 Total \$9,290

This program provides funding to upgrade and renovate State-owned water and wastewater facilities operated and maintained by the Maryland Environmental Service (MES). These facilities supply, treat, store, and distribute drinking water and collect and treat the wastewater at State hospitals, correctional institutions, parks, and other State facilities. The FY 2020 budget includes funding for thirteen projects in ten jurisdictions.

DEPARTMENT OF HEALTH

SUMMARY

The Maryland Department of Health (MDH) provides State-financed physical, mental, and social health facilities and programs. The Department's mission is to protect and promote the health of the State's citizens and to prevent disease and disability by developing a comprehensive and accessible system of care. In undertaking these efforts, the Department seeks to strengthen partnerships between State and local governments, the business community, and all health care providers in Maryland.

These programs and services are carried out in a variety of facilities. For FY 2020 - FY 2024, capital funds are recommended for State-owned facilities administered by the Behavioral Health Administration and the Developmental Disabilities Administration. The Capital Improvement Program proposes renovations, replacements, and upgrades to these facilities.

The Department also provides or purchases direct care services, including residential and outpatient care for the mentally ill, the developmentally disabled, the chronically ill, the impaired elderly, and people with addictions. The importance and extent of these outpatient services will increase as necessary to permit the planned reductions in the average daily population at Developmental Disabilities Administration centers and Behavioral Health Administration hospitals. The facilities in which these health services are provided may be partially funded through the Community Health Facilities Grant Program and the Federally Qualified Health Centers Grant Program.

Renovation of Clifton T. Perkins Hospital North Wing (Howard) FY 2020 Total \$2,297

Renovate the 80-bed North Wing at Clifton T. Perkins Hospital Center in Jessup to a maximum-security level and construct a new food service center on the maximum-security side of the facility. The project will create a new admissions intake unit at the current kitchen space, rework the existing main storage areas, construct a secured vehicular sally port, and create a new kitchen area. The project will reconfigure the North Wing wards and improve pedestrian circulation. The number of beds will be reduced from 80 to 68 to maintain compliance with code and licensing requirements. The renovation will also create a maximum-security-level admissions area and replace outdated and incompatible security systems, a failing building infrastructure system, and an outdated and deteriorating kitchen. The project will eliminate conditions in these areas that compromise patient treatment and the safety and security of patients and staff. Additionally, the project addresses selected infrastructure deficiencies, including mechanical areas and roofs for the North Wing as well as HVAC and sprinklers serving the adjacent Administration and Administration Support wings. Renovation of the maximum-security Central Control Room and fiber optic connection to the State-owned internet backbone are included in the project scope. The FY 2020 budget includes funding to continue design of the project.

Community Health Facilities Grant Program (Statewide) FY 2020 Total \$6,500

The Community Health Facilities Grant Program provides capital grants for the acquisition, design, construction, renovation, and equipping of facilities that provide mental health, developmental disabilities, and substance abuse treatment services. The program is essential for the deinstitutionalization of individuals with mental illness and developmental disabilities and for preventing institutionalization of individuals with addictions. State funding of residential facilities within the community helps to minimize the number of persons who must be institutionalized in public or private facilities. The State may fund up to 75 percent of eligible capital costs for each project. The FY 2020 recommendation reserves \$1,000,000 for certified Recovery Residences, which provide alcohol-free and illicit drug-free housing to individuals with substance-related disorders, addictive disorders, or co-occurring mental health and substance-related disorders. The FY 2020 budget includes capital funding for six projects in three jurisdictions as well as Recovery Residences projects that will be determined based on future applications received by MDH.

DEPARTMENT OF HEALTH

Federally Qualified Health Centers Grant Program (Statewide) FY 2020 Total \$2,500

The Federally Qualified Health Centers (FQHC) Grant Program provides grants to private nonprofit organizations that have been designated by the federal government as FQHCs. Federally Qualified Health Centers, which must offer services to all persons regardless of their ability to pay, provide primary, preventive, and specialty health care services in medically underserved areas throughout the United States. The State provides grants for up to 75 percent of eligible capital costs for the acquisition, design, construction, renovation, and equipping of FQHC facilities. The projects typically provide preventive and primary health care services, and may also include dental, mental health, and specialty care services. The FQHC Grant Program enhances access to care by developing health care facilities in underserved areas that help maintain the health of the State's medically underserved citizens. The FY 2020 budget includes funding for four projects in four jurisdictions.

MARYLAND HIGHER EDUCATION COMMISSION

SUMMARY

The Maryland Higher Education Commission (MHEC) is the coordinating body for State and private postsecondary education institutions. In this capacity, MHEC approves campus mission statements, approves the operation of new colleges and universities, approves new academic programs, and regulates private career schools.

The Commission also administers more than 20 State and Federal financial aid programs, including the Community College Construction Grant Program (CCCGP) and the Community College Facilities Renewal Grant Program (CCFRGP). The CCCGP provides capital funding assistance for the acquisition of property, the design, construction, and the equipping of major new facilities; expansion and renovation of existing facilities; and upgrades to campus infrastructure. The CCFRGP was established in 2018 and provides capital funding assistance for improvements, repairs, and deferred maintenance projects at the sixteen Maryland Community Colleges, including Baltimore City Community College.

The level of CCCGP State assistance is determined by two criteria: the portion of a project which meets the eligibility requirements for State support and the State/local cost sharing formula prescribed in the Education Article of the Annotated Code of Maryland. State aid typically varies between 50 percent and 70 percent of the cost of eligible capital improvements for local institutions. The State share is 75 percent for community colleges established as regional institutions in accordance with Section 16-202 of the Education Article. Matching funds are provided by local sources and may exceed 50 percent of the total project cost.

CCFRGP eligible projects have a total estimated cost of \$1,000,000 or less and have been submitted to MHEC as part of an annual or ten-year master plan. Community colleges may not receive more than \$500,000 in a fiscal year, and may not receive grants in consecutive years.

The FY 2020 - FY 2024 Capital Improvement Program includes funds to support the critical replacement of aging infrastructure; renovate existing facilities to enhance teaching pedagogy and learning paradigms; create modern classroom and lab spaces; and address projected growth in Science, Technology, Engineering, and Mathematics programs.

Community College Construction Grant Program (Statewide)

FY 2020 Total \$74,010

This program provides grants for capital improvements to Maryland's 15 locally-governed community colleges. The Maryland Higher Education Commission (MHEC) administers the Community College Construction Grant Program in accordance with regulations approved by the Board of Public Works. The level of State grant funding is determined by two criteria: (1) the portion of a project that meets the eligibility requirements for State support and (2) the State/local cost sharing formula prescribed by Section 11-105(j) of the Education Article of the Annotated Code. The FY 2020 budget includes funding for the State's share of 11 projects at 11 community colleges, which includes the top priority of each college that requested funding.

Community College Facilities Renewal Grant Program (Statewide)

FY 2020 Total \$3,800

This program provides grants for eligible facility renewal projects at Maryland's 16 community colleges, including Baltimore City Community College. The Maryland Higher Education Commission (MHEC) administers this program in accordance with Section 16-320 of the Education Article. Grants provided by the program are in addition to, and may not supplant, funds provided by the Community College Construction Grant Program (CCCGP). The program appropriation must be General Funds and equal to five percent of the CCCGP appropriation in the same fiscal year. The FY 2020 budget includes funding for projects at eight community colleges.

HISTORIC ST. MARY'S CITY COMMISSION

SUMMARY

The Historic St. Mary's City Commission (HSMCC) is an independent agency within the Executive Department that operates Historic St. Mary's City, a living history and interpretive museum representing Maryland's first colonial capital. The mission of the Commission is to preserve and protect the archaeological and historical record of St. Mary's City, and to appropriately develop and use this historic and scenic site for the education, enjoyment, and general benefit of the public. The area in and near the City was home to Native American tribal groups by at least 10,000 BCE. English settlers established St. Mary's City as Maryland's capital in 1634. The City was the site of many important moments in American history, including the first experiment in religious toleration in the English colonies, the first person of African ancestry to vote in a British colonial legislative body, and the first woman to request the right to vote in a colonial assembly. The Commission has conducted 50 years of historical archaeological research to discover the buried City and the stories of its people. This research is embodied in the museum's outdoor living history exhibits, 5,000 square feet of traditional exhibit galleries, and educational programming for visitors of all ages. Approximately 50,000 visitors come to Historic St. Mary's City each year to learn about Maryland's early past and enjoy the site, including more than 20,000 Maryland school children and teachers.

St. Mary's College of Maryland furnishes certain administrative support services under an operating agreement with the Commission. The FY 2020 - FY 2024 Capital Improvement Program includes funding to complete construction of the new Maryland Dove, Historic St. Mary's City's seventeenth century replica ship and the museum's most popular exhibit; and to complete the Maryland Heritage Interpretive Center, a new visitor center for the museum.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

Maryland Dove (C): Funding to complete the Maryland Dove, the museum's seventeenth century replica ship, has been accelerated from FY 2021 to FY 2020 to complete the project. Funding has been accelerated to maintain the project schedule set by the General Assembly, which provided construction funding in FY 2019 and preauthorized the remaining \$2.5 million in FY 2020.

Deletions:

Leonard Calvert House Exhibit (P): This project was removed from the CIP given its low priority relative to HSMCC's higher priority projects.

Changes to FY 2021 - FY 2023

Maryland Heritage Interpretive Center: This project, a new visitor center, is included in the CIP in FY 2022. It was removed from the FY 2019 - 2023 CIP primarily due to concerns that HSMCC would not be able to operate the new building without additional State operating funds. However, HSMCC has since demonstrated an improved fiscal outlook. This project is the Commission's second highest priority.

HISTORIC ST. MARY'S CITY COMMISSION

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

HISTORIC ST. MARY'S CITY COMMISSION

Budget Code: DB01

Maryland Dove Replacement (St. Mary's)	FY 2020 Total	\$2,500
---	----------------------	----------------

Construct a new replica of the Maryland Dove, the museum's reproduction seventeenth century wooden sailing ship and dockside exhibit. The new Dove will be a two-masted vessel to more closely represent the Dove of 1634, and it will meet Coast Guard requirements to carry passengers away from the dock. The ship is the most popular exhibit at Historic St. Mary's City and central to the museum's educational programs about maritime history and immigration. The Dove is visited by approximately 22,000 Maryland school children and teachers every year, as well as approximately 15,000 public visitors. The ship was constructed in 1978. She has been well maintained but is nearing the end of her useful life, and will likely have to be taken out of service within the next few years if not replaced. Annual maintenance costs are increasing and professional inspectors have indicated that an overhaul repair will be more expensive than building a new ship. The FY 2020 budget includes funding to complete construction.

HISTORIC ST. MARY'S CITY COMMISSION

Maryland Heritage Interpretive Center (St. Mary's)

Construct an 8,314 NASF/12,279 GSF new visitor center in Historic St. Mary's City called the Maryland Heritage Interpretive Center. The Maryland Heritage Interpretive Center (MHIC) will be located adjacent to the new replacement building for Anne Arundel Hall at St. Mary's College of Maryland. It will include a lobby, a theater for presenting an orientation film and other programs, staff offices, exhibit galleries, an exhibit storage and preparation area, bathroom facilities, and tour check-in space. Exhibits will orient visitors to the area, explain the importance of the City and events to American history, and showcase a selection of the more than eight million artifacts excavated from the site. The new visitor center will replace a small barn converted 30 years ago that currently serves as the visitor center. The existing visitor center is too small and has inadequate facilities, and the building is in poor condition. The existing visitor center is also in an obscure location that often makes it difficult to find. This project was initially part of the St. Mary's College Anne Arundel Hall Reconstruction project.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

SUMMARY

The Department of Housing and Community Development (DHCD) works with diverse partners to finance and support affordable homeownership, rental housing, small businesses, and municipal infrastructure projects that change Maryland for the better. DHCD has two programmatic units: Division of Neighborhood Revitalization and Division of Development Finance. The Capital Improvement Program provides financial assistance to local governments and private organizations to support the objectives listed below.

Division of Neighborhood Revitalization

The Division of Neighborhood Revitalization provides technical and financial assistance to stabilize and revitalize existing neighborhoods. The following programs are part of this division:

Community Development Block Grant Program: provides grants to local governments in non-entitlement areas of the State for use in revitalizing neighborhoods, expanding affordable housing and economic opportunities, and/or improving community facilities and services.

Community Legacy Program: provides financing to assist with the revitalization of neighborhoods that are at risk of physical, economic, or social deterioration.

Neighborhood Business Development Program: funds community-based economic development activities in revitalization areas designated by local governments.

Baltimore Regional Neighborhoods Initiative: provides grants to fund comprehensive revitalization strategies to areas designated as Sustainable Communities in the Baltimore region.

Seed Community Development Anchor Institution Fund: provides strategic investments in community enhancement projects located near educational and healthcare anchor institutions in blighted areas.

Division of Development Finance

The Division of Development Finance provides programs to promote rental housing or homeownership opportunities for the elderly, the disabled, or people with limited income. The following programs are part of this division:

Rental Housing Programs: rehabilitate and create new affordable housing for low-income individuals and families, moderate-income elderly residents, or special-needs populations.

Special Loan Programs: provide loans or grants for abatement of lead hazards; rehabilitation or installation of indoor plumbing; rehabilitation to create accessory, shared, and sheltered housing facilities; rehabilitation to eliminate health, safety, and maintenance deficiencies in residential properties; and acquisition, construction, and modifications of group homes for low-income, elderly, handicapped, disabled, or other citizens of Maryland with special housing needs.

Homeownership Programs: provide below-market-interest-rate mortgage loans with minimum down payments to low- and moderate-income families.

Partnership Rental Housing Program: provides loans or grants to local governments or housing authorities to construct or rehabilitate rental housing for low-income families.

Shelter and Transitional Housing Facilities Grant Program: provides grants to local governments and nonprofit organizations to develop emergency shelters and transitional housing for homeless individuals and families.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Housing and Building Energy Programs: provide loans and grants to promote energy efficient improvements through the renovation of existing facilities, the construction of new properties, or the installation of equipment and materials for single-family and rental housing properties, using multiple funding sources.

Local Government Infrastructure Fund (LGIF) - Office of Rural Broadband: will identify and coordinate the delivery of resources to local Maryland jurisdictions to improve access to high-speed internet.

Opportunity Zones

The Tax Cuts and Jobs Act of 2017, a new federal tax law, created Opportunity Zones to increase investment in distressed communities throughout the country by providing preferential tax treatment. The DHCD's recommendation includes up to \$32 million of targeted funding for Opportunity Zones in Maryland. This funding is allocated through the following programs: Strategic Demolition Fund, Rental Housing Works, and Neighborhood Business Development Program.

Office of the Attorney General (OAG) Settlement Funds

The OAG entered into joint state and federal settlements involving residential mortgage foreclosures and loan servicing with several of the nation's largest mortgage servicers. A total of \$28,000,000 is available for FY 2020, and DBM recommends using \$22,000,000 of these funds for the following capital DHCD programs: Strategic Demolition Fund (\$8,400,000), Homeownership (\$12,700,000), and Special Loans (\$900,000). The settlement funds are included in the Special Fund recommendations for the programs.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

Strategic Demolition Fund: The recommended budget includes \$24,250,000 (\$13,850,000 GO Bonds, \$2,000,000 GF, and \$8,400,000 OAG settlement Special Funds) for the Strategic Demolition fund to continue Project C.O.R.E. and to meet the demand for statewide strategic demolition projects.

Seed Community Development Anchor Institution Fund: \$5,000,000 in General Funds is included in the budget to meet the funding mandate for the program.

Local Government Infrastructure Fund - Office of Rural Broadband: The recommended budget includes \$9,680,000 in GO Bonds for the Local Government Infrastructure Fund - Office of Rural Broadband. This addresses Governor Hogan's June 27, 2017 Executive Order 01.01.2017.14, which established the Office of Rural Broadband to support Maryland's long-term vision to provide affordable high speed internet service to every Maryland home.

Deletions:

Maryland Base Realignment and Closure (MD-BRAC) Preservation Loan Fund: Funding for this program was deleted from the CIP because the program was discontinued.

Changes to FY 2021 - FY 2023

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

FY 2020 - FY 2024 Capital Improvement Program

Grants and Loans

DIVISION OF NEIGHBORHOOD REVITALIZATION

Budget Code: SA24

Strategic Demolition Fund (Statewide)

FY 2020 Total \$24,250

The Strategic Demolition Fund provides funding to assist in demolition, land assembly, housing development or redevelopment, and revitalization projects. The program seeks to catalyze activities that accelerate economic development, job creation, and smart growth in existing Maryland communities. Awards focus on smart growth projects that can have a high economic and revitalization impact in their existing communities. Program recipients may be local governments or groups of local governments and community development organizations. In FY 2020, \$18,750,000 is included for Project C.O.R.E. (Creating Opportunities for Renewal and Enterprise) in Baltimore City, and \$5,500,000 is included for Strategic Demolition projects statewide. Program funds may be used for projects in designated Opportunity Zones. Funding is awarded through a competitive process. FY 2020 projects will be determined based on future applications received by DHCD.

Neighborhood Business Development Program (Statewide)

FY 2020 Total \$12,200

The Neighborhood Business Development Program (NBDP), operating publicly as Neighborhood BusinessWorks (NBW), provides grants and loans to fund community-based economic development activities in revitalization areas designated by local governments. The program is available to businesses located in Priority Funding Areas and Sustainable Communities. The program has the ability to finance 100 percent of project costs in addition to offering loan guarantees and credit enhancements to banks and community development financial institutions. Maximum funding levels are \$5,000,000 per project. Loans are made on a rolling basis, and projects are underwritten based on sound financial criteria. Loan terms range from five to 15 years, with interest rates based on market conditions and risk analysis. FY 2020 projects will be determined based upon future applications received by DHCD.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Baltimore Regional Neighborhoods Initiative (Regional)

FY 2020 Total \$12,000

The Baltimore Regional Neighborhoods Initiative (BRNI) provides grants to fund comprehensive revitalization strategies to "Sustainable Community" areas in Baltimore City and Baltimore and Anne Arundel Counties. Program recipients are nonprofit community development corporations or coalitions. Eligible projects include residential and commercial projects, such as strategic property acquisition, redevelopment, rehabilitation, and new infill development, that build upon existing strengths and assets to achieve healthy residential markets and economic growth. FY 2020 projects will be determined based on future applications received by DHCD.

Community Development Block Grant Program (Statewide)

FY 2020 Total \$9,000

The Community Development Block Grant (CDBG) Program provides federally funded grants to local governments in rural areas of the State for use in revitalizing neighborhoods, expanding affordable housing and economic opportunities, and improving community facilities and services. These "non-entitlement" areas do not have their own CDBG programs, so funding is administered through DHCD. Entitlement areas that administer their own CDBG funds include Anne Arundel, Baltimore, Harford, Howard, Montgomery, and Prince George's counties and the cities of Annapolis, Baltimore, Bowie, Cumberland, Frederick, Gaithersburg, Hagerstown, and Salisbury. Entitlement areas receive a direct allocation from the U.S. Department of Housing and Urban Development (HUD) and are not eligible for the State program. Overall, CDBG activities are to primarily benefit low-income and moderate-income persons. FY 2020 projects will be determined based on future applications approved by DHCD.

Community Legacy Program (Statewide)

FY 2020 Total \$6,000

The Community Legacy Program (CL) provides funding to assist in the revitalization of neighborhoods that are at risk of physical, economic, or social deterioration but are also in the process of launching a revitalization strategy that will reposition the community for new private investment. Priority is given to communities whose residents, businesses, and institutions are committed to the revitalization through demonstrated leadership and action. Funds may be used for capital improvements such as streetscape and façade improvements, recreational amenities, improvement of community gathering places, and other improvements to enhance the desirability of the community. Program recipients may be local governments, groups of local governments, and/or community development organizations. Funding is awarded through a competitive process. The FY 2020 projects will be determined based on future applications received by DHCD.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Seed Community Development Anchor Institution Fund (Statewide)

FY 2020 Total \$5,000

The Seed Community Development Anchor Institution Fund provides strategic investments in community enhancement projects located near educational and healthcare anchor institutions in blighted areas. The initiative aims to improve conditions in defined blighted areas located in close proximity to the State's medical and educational institutions by encouraging these institutions to invest. Awards are made available on a competitive basis through one round of funding annually. Applicants must be hospitals or higher educational institutions to qualify for funding. Awardees are required to provide a match for funding through financial and/or in-kind commitments. FY 2020 projects will be determined based on future applications received by DHCD.

Budget Code: SA25

Rental Housing Programs (Statewide)

FY 2020 Total \$48,000

The Rental Housing Programs provide low-interest loans or deferred-payment loans to housing developers for the financing of affordable rental housing developments. The maximum loan amount is generally \$2,500,000, with an interest rate of zero to four percent, for as many as 40 years. The Rental Housing Programs include funds used for the Rental Housing Program, Rental Housing Works, and the Multifamily HOME loans. The goal of the programs is to rehabilitate and create new affordable rental housing for low-income and moderate-income households. FY 2020 projects will be determined on the basis of future applications received by DHCD.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Homeownership Programs (Statewide)

FY 2020 Total \$23,000

The Homeownership Programs provide low-interest-rate mortgage loans to first-time homebuyers who lack the resources to purchase a home. The programs include the Down Payment and Settlement Expense Loan Program (DSELP), the Maryland Home Financing Program (MHFP). DSELP provides funds for down payment and settlement expense. MHFP, which includes the Homeownership for Individuals with Disabilities Program (HIDP), makes direct loans to households to purchase homes. MHFP funds may be blended with Community Development Administration (CDA) bond funds to maximize the use of limited State resources under MHFP. In FY 2020, \$6,000,000 is provided to expand the existing SmartBuy initiative. The SmartBuy initiative helps qualified applicants with eligible student loan debt purchase homes by providing attractive financing and closing cost assistance, including loan forgiveness of up to 15 percent of the purchase price. FY 2020 projects will be determined based on future applications received by DHCD.

Special Loan Programs (Statewide)

FY 2020 Total \$11,300

Special Loan programs provide preferred-interest-rate loans and grants to low-income and moderate-income families, sponsors of rental properties occupied by limited-income families, and nonprofit sponsors of housing facilities, including group homes. These programs include the Federal HOME Investment Partnership Program, Maryland Housing Rehabilitation Program, Accessible Homes for Senior Homeowners Grant Program, Indoor Plumbing Program, Lead Hazard Reduction Grant and Loan Program, Group Home Financing Program, and the Ground Rent Redemption Loan Program. Funds may be used to provide loans to acquire and rehabilitate existing residential properties for group homes or shelters; to eliminate residential property health, safety, and maintenance deficiencies; to make accessibility-related renovations for senior and disabled homeowners; and to ensure compliance with applicable housing codes and standards. The programs are designed to bring housing up to code and to remediate lead paint hazards that are present in Maryland's homes. FY 2020 projects will be determined based on future applications received by DHCD.

Housing and Building Energy Programs (Statewide)

FY 2020 Total \$10,050

The Housing and Building Energy Programs provide loans and grants to promote energy-efficient improvements for single-family and rental housing properties. Improvements are made through the renovation of existing facilities, the construction of new properties, or the installment of equipment and materials, using multiple funding sources. Capital energy programs include: EmPOWER MD Multifamily Energy Efficiency and Housing Affordability (MEEHA), Energy-Efficiency Homes Construction Loan Program, and the Energy Efficiency Conservation Block Grant Program (BeSmart). Special Funds include Public Service Commission awards and Regional Greenhouse Gas Initiative proceeds. Federal Funds are from the Energy Efficiency Conservation Block Grant program and the HOME Investment Partnerships Program. FY 2020 projects will be determined based on future applications approved by DHCD.

Local Government Infrastructure Fund (Statewide)

FY 2020 Total \$9,680

The Local Government Infrastructure Fund (LGIF) Office of Rural Broadband will identify and coordinate the delivery of resources to local Maryland jurisdictions to improve access to high-speed internet. The program will help local jurisdictions identify and apply for funding, such as federal funding, that can be used to expand access to high-speed internet. The program will also provide low-cost capital grants and loans to local governments for infrastructure projects and financing. FY 2020 projects will be determined based on future applications received by DHCD.

Partnership Rental Housing Program (Statewide)

FY 2020 Total \$6,000

The Partnership Rental Housing Program (PRHP) provides deferred-payment loans to local governments to construct or rehabilitate rental housing to be occupied by households with incomes at or below 50 percent of the statewide median income. The program also enables private and nonprofit borrowers to access financing for the creation of housing restricted to occupancy by people with disabilities. Repayment is not required as long as the borrower continues to own and lease the housing to income-eligible households or persons with disabilities, as appropriate. The loan amount may not exceed the higher of \$75,000 per unit or the actual cost of the project (less the cost of the land). The goal of the program is expand the supply of affordable housing for low-income households through a partnership between the State and local governments, as well as to increase housing opportunities for people with disabilities. FY 2020 projects will be determined based on future applications received by DHCD.

Shelter and Transitional Housing Facilities Grant Program (Statewide)

FY 2020 Total \$4,000

The Shelter and Transitional Housing Facilities Grant Program provides grants to local governments and nonprofit organizations in order to develop emergency shelters and transitional housing for homeless individuals and families. Grantees use the funds to acquire, design, construct, renovate, and equip projects for which loan financing is not feasible. In FY 2020, \$1,000,000 is provided to fund certified Recovery Residences which provide alcohol-free and illicit drug-free housing to individuals with substance-related disorders, addictive disorders, or co-occurring mental health and substance-related disorders. Funding is generally limited to 50 percent of a project's cost. FY 2020 projects will be determined based on current and future applications received by DHCD.

DEPARTMENT OF INFORMATION TECHNOLOGY

SUMMARY

The Department of Information Technology (DoIT) focuses on information technology (IT) policy and management. DoIT supports Maryland's Executive Branch agencies as the principal procurement unit for IT services and in establishing the State's strategic direction for IT and telecommunications. DoIT's goals include establishing a long-range target technology architecture, encouraging cross-agency collaboration, and advocating best practices for operations and project management. DoIT identifies and provides opportunities for State agencies to become more technologically efficient, reduce costs, maximize the State's investment in IT and telecommunication assets, and better serve the citizens of Maryland.

The current Capital Improvement Program is focused on completing the Public Safety Communications System that is designed to improve the State's safety, security, and resilience for all Maryland residents. The project will upgrade the State's technological capabilities to communicate and coordinate inter-agency responses in the event of natural disasters, disease outbreaks, terrorist attacks, or other emergencies. The Capital Improvement Program will also enable local and State agencies to coordinate with their counterparts in surrounding states, such as Virginia and Delaware, to more effectively manage emergencies that occur near or across state boundaries.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

None

Changes to FY 2021 - FY 2023

Public Safety Communications System: Funding has been added in FY 2021 through FY 2023 to upgrade to fiber optic cable and for additional antenna sites to reduce gaps in radio coverage.

DEPARTMENT OF INFORMATION TECHNOLOGY

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

DEPARTMENT OF INFORMATION TECHNOLOGY

Budget Code: FB04

Public Safety Communications System (Statewide)

FY 2020 Total \$30,840

Construct and provide improvements to a statewide Public Safety Communications System to provide the State with a new, modern, wireless 700-megahertz (MHz) communications system. This project corrects existing emergency communications system deficiencies by constructing new infrastructure specifically designed to meet current and future requirements of the State and participating local government agencies. This infrastructure includes radio towers, shelters, microwave radio links, and fiber optic communications systems. The new system provides capacity for voice and data transmission and interoperable communication between State agencies, local government, and federal public safety officials. The FY 2020 budget includes funding for construction and capital equipment to complete Phase 5 at multiple sites in Southern Maryland and the National Capital Region. It also includes funding for ethernet conversions for work completed during Phases 1 through 4, and an antenna replacement in Dorchester County.

DEPARTMENT OF JUVENILE SERVICES

SUMMARY

The Department of Juvenile Services (DJS) provides individualized care and treatment to youth under the age of 18 who violate criminal law, are likely to violate the law, or are likely to endanger themselves or others. This responsibility is carried out through residential and non-residential care programs. DJS' agency goals include reducing violence against children, reducing recidivism among supervised and committed youth, keeping supervised and committed youth safe while holding them accountable for their actions, and promoting continuums of care for referred and delinquent youth.

Secure detention facilities hold youth who have been authorized for emergency detention by a DJS Intake Officer, or who have been accused of an offense which would be a felony if committed by an adult, and who have been ordered detained by a court. Such youth may be awaiting a delinquency hearing or trial to determine whether a delinquent act has been committed or may be awaiting appropriate disposition. Additionally, these facilities serve youth whose delinquency has been sustained and who are pending placement (i.e. awaiting transfer to a committed placement).

Secure commitment facilities hold youth who are entrusted to the Department for long-term treatment in a secure setting. Under current guidelines, only serious and/or chronic offenders are recommended for secure commitment. Secure commitment facilities are divided into hardware secure and staff secure. Hardware secure is the most restrictive setting, with physical restraints such as bars or locks on youths' movements, whereas staff secure is a less restrictive setting with staff supervision providing the primary restraint on youths' movements.

The current Capital Improvement Program seeks to promote DJS' goals through addressing the Agency's most pressing facilities needs, particularly the need to replace or renovate aging detention facilities. New and renovated facilities will improve youth safety and security, provide optimal space for educational and treatment services, and enhance facilities' overall atmosphere. These facility upgrades should help to improve youth treatment outcomes and drive down recidivism rates. Most of the projects included in the Capital Improvement Program will replace facilities that are among the oldest facilities DJS currently operates.

Facilities included in the Capital Improvement Program include secure detention facilities and one secure commitment facility. The New Female Detention Center will replace the Thomas J. S. Waxter Children's Center, constructed in 1963. Renovations to the Baltimore City Juvenile Justice Center will allow the facility to provide a higher level of care to youth in the care of the Department. The new Charles H. Hickey, Jr. School Detention Center will replace a variety of buildings on the Hickey campus that were constructed in the 1950s. The new Alfred D. Noyes Children's Center will replace the existing detention center that was constructed in 1997. The new Combined Services Buildings at the Cheltenham Youth Detention Center and the Hickey School Detention Center will help to support and maintain various DJS facilities. Providing optimal service and security at these facilities requires significant spatial and design changes that can only feasibly be achieved through new construction.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

None

Deletions:

Baltimore City Juvenile Justice Center Education Expansion (C): Funding for this project has been deferred to FY 2021 to align with the project schedule. Funds already appropriated for design will cover

DEPARTMENT OF JUVENILE SERVICES

costs through FY 2020.

New Female Detention Center (CE): Funding for the construction and equipping of this project has been deferred to FY 2021. Complications related to acquiring necessary utility easements have delayed the construction of this project, eliminating the need for funding in FY 2020.

Meadow Mountain Youth Center (P): The Department is reconsidering the scope and justification of this project. It has been removed from the CIP.

Changes to FY 2021 - FY 2023

Alfred D. Noyes Children's Center: Funding for this project has been deferred from FY 2023 to FY 2024 due to limited budget capacity.

DEPARTMENT OF JUVENILE SERVICES

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

RESIDENTIAL SERVICES

Budget Code: VE01

New Female Detention Center (Carroll)

Construct a new 55,279 NASF/93,974 GSF 48-bed detention center on the grounds of the Thomas O'Farrell Center, located in Carroll County. This facility will serve female youth who require detention pending a court disposition or post-adjudication placement. The new facility will consolidate female detention services from the Alfred D. Noyes Children's Center in Montgomery County and Thomas J.S. Waxter Center in Anne Arundel County. Those facilities have severe programmatic and security deficiencies and renovation would not be economical. The new detention center will include space for youth housing, health, food service, education, and recreation. This project will include demolition of five existing buildings on the grounds of the Thomas O'Farrell Center, new sewer pump station, above-ground propane tank, emergency generator, Facility Maintenance Building, salt shed, and booster pump station. Design and construction of water and sewer utilities will be provided by the Maryland Environmental Service (MES) through separate MES contracts.

Baltimore City Juvenile Justice Center Education Expansion (Baltimore City)

Construct and renovate a portion of the existing administrative area on the 6,566 NASF/11,162 GSF second floor of the Baltimore City Juvenile Justice Center (BCJJC) Main Building to provide space to expand educational programming and administrative support. Minor interior renovations to the administrative area adjacent to the Education Expansion site and access stairs are also included in this project's scope of work. This project is necessary to provide adequate educational space to the youth and educators within the facility.

DEPARTMENT OF JUVENILE SERVICES

Charles H. Hickey Jr. School Detention Center (Baltimore Co.)

Construct a new detention center on the grounds of the Charles H. Hickey Jr. School to serve male youth as well as youth charged as adults. The New Detention Center will be located on the Charles H. Hickey Jr. School's Pratt Campus, which is currently unused, and will include space for housing, dietary services, education, somatic and behavioral health, indoor and outdoor recreation, visitation, staff training, and administration. This facility will replace obsolete detention buildings currently located on the Fletcher Campus, which have serious building system and spatial configuration problems that hinder the security and programming capacity of the current facility. The estimated cost of this project totals \$88,370,000.

DEPARTMENT OF JUVENILE SERVICES

Cheltenham Youth Detention Center Combined Services

Building. (Prince George's)

Construct a new Combined Services Building (CSB) and Regional Warehouse Building at Cheltenham Youth Detention Center (CYDC). The CSB will house Regional Facility Maintenance and various administrative services. The Regional Warehouse is the central storage site providing supplies and equipment for all Department of Juvenile Services (DJS) centers in the Washington Metro, Southern Maryland, and Eastern Shore Regions. Staff in the Regional Warehouse will be responsible for procuring, receiving, storing, and distributing supplies and equipment for all facilities located in these regions. Facility Maintenance in the CSB is the central site for building maintenance and repairs for all DJS Centers in the Washington Metro, Southern Maryland, and Eastern Shore Regions; in addition, various administrative functions will be housed in the CSB that are currently located on campus but outside the CYDC fence. Many of these functions are housed in the existing Superintendent's House which will eventually be demolished. Currently both the Warehouse and Facility Maintenance services are scattered on the existing Cheltenham Youth Facility (CYF) campus inside and outside the security perimeter fence. Most of these locations are not climate controlled, have rodent infestations, have roof leaks, and/or are not secure. The estimated cost for this project totals \$17,890,000.

MARYLAND STATE LIBRARY AGENCY

SUMMARY

The Maryland State Library Agency (MSL) supports the development and operation of educational and library programs throughout the State. MSL also oversees locally owned State and regional library resource centers in Baltimore City and in St. Mary's, Washington, and Wicomico Counties.

When the Public Library Capital Grant Program was implemented in FY 2008, it was managed by the Division of Library Development and Services of the Maryland State Department of Education. Effective July 1, 2017, oversight became the responsibility of the Maryland State Library. There are 24 public library systems in Maryland with a total of 191 branches. Many of these branches are in need of replacement, renovation, and alteration. Section 23-509 of the Education Article of the Code of Maryland mandates that the Governor include funding of \$5 million for the Public Library Capital Grant Program in the operating or capital budget.

The State is also responsible for paying the capital expenses for the State Library Resource Center and for three Regional Library Resource Centers. Regional libraries provide books, information, and other materials, services, and resources that the individual member libraries cannot adequately provide themselves. This includes the sharing of resources through inter-library loan, training of library staff, providing collections and exhibits of specialized materials, providing consultant services, and developing a cooperative service program for member libraries. The State Library Resource Center is nearing the end of renovations and was fully funded in FY 2019.

Public Library Capital Grant Program (Statewide)

FY 2020 Total

\$5,000

The Public Library Capital Grant Program provides grants to public libraries to acquire land and to design, construct, expand, renovate, and equip public library facilities. Specific projects are selected by a review committee of public library directors or associate directors and a library trustee representing various regions of the State. These grants are contingent upon review and approval by the State Library Board. Grants may not exceed the eligible capital cost of the project, with a maximum State share ranging from 50 to 90 percent based on taxable wealth per capita, and must be allocated according to criteria outlined in the Education Article, Section 23-509. If requests for State funding exceed \$5 million, awards may be reduced to ensure geographic diversity in the distribution of grant funds. The FY 2020 budget includes funding for nine projects in nine jurisdictions.

MILITARY DEPARTMENT

SUMMARY

The Military Department oversees the operations of the Maryland Army and Air National Guard. The Department has a three-part mission:

Federal Mission: To protect and defend the national security interests of the United States of America by supporting active military forces.

State Mission: To protect the life and property of Maryland citizens and to preserve peace and public safety during natural disasters and periods of civil unrest.

Local Mission: To add value to local communities by providing highly trained and skilled citizen soldiers whose skills and discipline are often applicable to the job site and thereby benefit employers and civic organizations.

To support the operations and training of its more than 5,000 reservists, the Department operates and owns 39 Readiness Centers, three Army Aviation Support Facilities, four Military Training Reservations, nine Surface Equipment Maintenance Facilities, and one Airbase.

The Department also oversees the Maryland Emergency Management Agency (MEMA), which has the primary responsibility and authority for the planning and execution of disaster and emergency preparedness, mitigation, response, and recovery. This responsibility includes coordination of responses between State agencies and civic entities, the federal government, other States, and private agencies involved in emergency services. MEMA Headquarters is currently located on the Camp Fretterd Military Reservation near Reisterstown in Baltimore County.

The FY 2020 - FY 2024 Capital Improvement Program includes funding for two replacement Readiness Centers, including Freedom Readiness Center, in central Maryland, and White Oak Readiness Center. Additionally, funds are provided to construct a new Surface Equipment and Automotive Maintenance Facility in Havre de Grace and to expand MEMA Headquarters at Camp Fretterd. Capital improvement costs, with the exception of MEMA, are shared with the federal government. Although the State's share of capital construction costs varies depending on the project, the cost of new facilities is typically shared 75 percent federal and 25 percent State for eligible project costs. Projects involving additions or alterations, which result from changing mission requirements, are generally 100 percent financed by the federal government.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Havre de Grace Combined Support Maintenance Shop: Surface Equipment and Automotive Maintenance Facility (PC): This project is a combination of the Surface Equipment Maintenance Facility and Automotive Maintenance Facility. Both project components will be procured together for design and construction.

Changes to FY 2021 - 2023

Baltimore City Readiness Center: The Department of the Military is pursuing an exchange agreement with the Marine Corps Reserves for a parcel in northeast Baltimore City which will not require GO Bond funding in the out years.

MILITARY DEPARTMENT

Budget Code: DH0104

Havre de Grace CSMS Surface Equipment and Automotive Maintenance Facility (Harford)

FY 2020 Total \$24,533

Construct a new 60,069 NSF/83,295 GSF Army National Guard Surface Equipment and Automotive Maintenance Facility. The facility will be located within the Combined Support Maintenance Shop (CSMS) Complex at the Havre de Grace State Military Reservation. The prospective facility will contain functional spaces to meet all requirements for sustainment-level maintenance operations, State-level maintenance management and automotive maintenance functions, including general purpose maintenance bays, painting, and other specialty work bays, storage areas, maintenance administrative areas, and other staff support spaces. The facility will be used to perform maintenance on Army National Guard surface equipment and vehicles. The FY 2020 budget includes federal funds to begin design and construction.

Freedom Readiness Center (Carroll)

FY 2020 Total \$4,650

Construct a new 45,884 NSF/67,121 GSF Army National Guard Readiness Center in central Maryland. The prospective facility will contain functional spaces to meet all requirements for two National Guard units, including unit administrative offices, equipment storage areas, locker rooms, toilet/shower facilities, classrooms (including a tiered classroom for regional training), soldier training areas, an assembly hall, and other support spaces. The project also includes a new 6,091 NSF/9,765 GSF detached storage building. The new Freedom Readiness Center in Sykesville, Maryland will replace two insufficient and functionally inadequate facilities in Ellicott City and Catonsville. The FY 2020 budget includes State funding to complete construction and federal funds for equipment.

White Oak Readiness Center (Montgomery)

Construct a replacement facility for the Army National Guard in Silver Spring. The facility will contain functional spaces to meet all requirements for two Army National Guard units, including unit administrative offices, equipment storage areas, locker rooms, toilet/shower facilities, classrooms, soldier training areas, an assembly hall, and other support spaces. The new White Oak Readiness Center will replace existing insufficient and functionally inadequate facilities. The new facility will house units from the existing White Oak facility and one unit from the Adelphi Readiness Center in Prince George's County. The estimated cost of the project totals \$30,715,000.

MARYLAND EMERGENCY MANAGEMENT AGENCY

Budget Code: DH0106

Maryland Emergency Management Agency Headquarters Renovation and Expansion (Baltimore Co.)

FY 2020 Total

\$990

Renovate and construct an expansion to the Maryland Emergency Management Agency (MEMA) Headquarters in Reisterstown, Maryland. The planned renovation and expansion will renovate existing agency office and support spaces, the State Emergency Operations Center (SEOC) and Maryland Joint Operations Center (MJOC). It will provide increased office and conference space, training and classroom facilities; adequate technical support and storage space; and improved restroom, breakroom, and billeting quarters. This project will address problems of inadequate and improperly configured space in the facility, and enable the MEMA to accommodate current and projected personnel, equipment, programs, activities, and support services. The existing facility cannot adequately accommodate agency staff and operations. The building was originally designed in the mid-1990s to accommodate a staff of 39. Since 2001, the staff has more than doubled, with projected fulltime staffing stabilized at 90 personnel by FY 2021. Once completed, the renovated and expanded facility will enable the MEMA to more efficiently respond to emergency events statewide, and support an extensive annual program of training, conferences, and exercises to enhance the readiness of emergency management personnel and interagency partners. The FY 2020 budget includes funding to begin design.

MORGAN STATE UNIVERSITY

SUMMARY

Morgan State University, located on over 170 acres in northeast Baltimore City, is one of Maryland's oldest historically African-American institutions. Morgan was designated Maryland's preeminent public urban research university by the Maryland General Assembly and a National Treasure by the National Trust for Historic Preservation. A Carnegie-classified doctoral research institution, Morgan offers more than 100 academic programs leading to degrees from the baccalaureate to the doctorate. Morgan serves a multiethnic and multiracial student body and seeks to ensure that the doors of higher education are opened as wide as possible to as many as possible. The University's enrollment of nearly 8,000 students is projected to grow, and Morgan is also expanding its online programs through its Extended Campus initiative.

The FY 2020 - FY 2024 Capital Improvement Program (CIP) includes funding for six projects. The New Student Services Support Building will provide welcoming, functional space for student support services and administrative functions. The New Health and Human Services Building, Phases I and II, will result in a new building to bring together related disciplines in modern, expanded space, including much-needed specialized learning environments. The New Science Center, phases I and II, will construct a state-of-the-art facility for scientific instruction and research on the site of the Washington Services Center. Finally, funding for Deferred Maintenance and Site Improvements will update and replace aging building systems and infrastructure, as well as construct site improvements to help the University address its \$100 million deferred maintenance backlog.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions

Deferred Maintenance and Site Improvements (PCE): Funding for this project is accelerated from FY 2023 to FY 2020 in order to meet critical maintenance and site improvement needs.

Deletions

None

Changes to FY 2021 - FY 2023

New Science Center Phase I: Funding for this project has been accelerated from FY 2023 to FY 2022 in order to more quickly address deficiencies in the existing science facilities.

New Science Center Phase II: Based on the University's need for modern facilities for its science programs, funding for this project is provided in FY 2023.

MORGAN STATE UNIVERSITY

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

MORGAN STATE UNIVERSITY

Budget Code: RM00

New Student Services Support Building (Baltimore City) FY 2020 Total \$22,659

Construct a new 74,764 NASF/139,866 GSF building to house student support and administrative functions. The proposed facility will be constructed on the former site of the Soper Library, which was demolished. The new building will provide office facilities, training rooms, meeting rooms, central service facilities, and lounge space. Situated on the corner of Cold Spring Lane and Hillen Road, the site is centrally located on campus, providing easier access for students and visitors. This facility will primarily house the student support services that are currently housed in the Montebello Complex on the southern edge of campus. Montebello was originally designed as a hospital and is not suitable for long-term use by the University. The building is in poor condition and is functionally inadequate for student support services. The FY 2020 budget includes funding to continue construction and commence equipment purchases.

Deferred Maintenance and Site Improvements (Baltimore City) FY 2020 Total \$10,000

Renovate, repair, replace, and upgrade building systems and infrastructure to reduce the deferred maintenance backlog of more than \$100 million. This work will include replacement of roofs, chillers, fume hoods, elevators, floors, windows, and built-in classroom seating; upgrades to fire alarm systems and campus security systems; ADA upgrades; and site work such as repairs to paved areas, sidewalks, and walls on the West Campus. This project will address the University's aging infrastructure and building systems that are outdated, inoperable, or in poor condition. Morgan State University is augmenting the State's investment in its campus facilities by funding maintenance projects in facilities not supported by the State. The FY 2020 budget includes funding to design, construct, and equip Morgan State University's deferred maintenance and site improvement projects.

MORGAN STATE UNIVERSITY

New Health and Human Services Building, Phase I (Baltimore City)

FY 2020 Total \$4,901

Demolish Turner's Armory and the vehicle maintenance facility, located near the corner of Hillen Road and Argonne Drive, and renovate the Portage Avenue office/warehouse building for the relocation of the vehicle maintenance facility. This project will enable the University to construct the New Health and Human Services Building at the Turner's Armory/vehicle maintenance facility site to provide classroom, lab, office, and research space for the School of Community Health and Policy, the Prevention Sciences Research Center, Health Education, Pre-Physical Therapy, the School of Social Work, Medical Technology, and the Department of Family and Consumer Sciences. The construction of this new building is Phase II of the overall project. In addition to clearing the site for the New Health and Human Services Building, Phase I will renovate the 7,772 NASF/10,320 GSF Portage Avenue building to provide offices, lockers, storage, and space for vehicle repair, making it functional to serve as the new vehicle maintenance facility. Site work is required to rebuild the deteriorated parking areas and the access road into the Portage Avenue site. The FY 2020 budget includes funding to complete demolition, renovation, and equipment purchases.

New Health and Human Services Building, Phase II (Baltimore City)

FY 2020 Total \$4,403

Construct a new 106,650 NASF/193,909 GSF Health and Human Services Building on the site of Turner's Armory and vehicle maintenance facility, which will be demolished in Phase I of the project. The new building will house classroom, lab, office, and support spaces for the School of Community Health and Policy, including Public Health, Health Education (undergraduate Public Health), Pre-Professional Physical Therapy, Nutritional Sciences, and Nursing. The building will also house the Prevention Sciences Research Center, the School of Social Work, the Medical Technology program, the Department of Family and Consumer Sciences, and the University Counseling Center. These disciplines are currently located in various buildings which lack sufficient space, are in poor condition, and have outdated and inadequate facilities. The co-location of these related academic and service health programs will promote collaboration, optimize space usage through the provision of shared resources, and enhance students' learning experience. The FY 2020 budget includes funding to begin design of the New Health and Human Services Building.

MORGAN STATE UNIVERSITY

New Science Center Phase I (Baltimore City)

Demolish the Washington Service Center (WSC) to make way for a new building for Biology, Chemistry and Science Education. The size and site of the location, directly across the street from the Dixon Research Building, makes this an ideal site for the construction of the proposed New Science Center. The WSC, which was constructed as a warehouse in 1980 and has never been renovated, is also inadequate and insufficient to continue to house its current occupants - portions of the University Police Department, Procurement and Property Control, and the Physical Plant Department. Likewise, space in the existing Science Complex is insufficient, outdated, and poorly configured. The demolition of the WSC will enable the University to construct a new, modern science center to meet the needs of the sciences. The estimated cost of this project totals \$9,064,000.

<u>Source</u>	<u>Prior Auth.</u>	<u>FY 2020</u>	<u>FY 2021</u>	<u>FY 2022</u>	<u>FY 2023</u>	<u>FY 2024</u>	<u>TOTAL</u>

Planning	-	-	-	589	129	-	718
Construction	-	-	-	-	1,855	5,564	7,419

New Science Center Phase II (Baltimore City)

Construct a new Science Building and connecting bridge to house the Biology Department, Chemistry Department, and the Science Education Department on the site of the existing Washington Service Center. The existing Science Complex is comprised of Carnegie, Calloway, Spencer, Key, Carnegie, and Calloway Halls. The oldest of these buildings (Carnegie Hall) was constructed in 1919 and the newest (Key Hall) in 1964. Spencer Hall was renovated in 1989 and the three other buildings were last renovated in 1992. The renovation was poorly done and created a substandard space which does not meet modern-day building codes. The mechanical, electrical, and plumbing systems in the buildings are obsolete and need to be replaced. Additionally, there is insufficient space in the Science Complex to appropriately serve the sciences because of growth in the science disciplines, and the configuration of the building does not lend itself to the type of instructional or research spaces required to properly support the sciences. The estimated cost of this project totals \$171,323,000.

DEPARTMENT OF NATURAL RESOURCES

SUMMARY

The Department of Natural Resources (DNR) manages the protection, enhancement, and balanced use of the State's natural resources for the wise use and enjoyment of all Maryland citizens.

The Capital Improvement Program reflects two goals: resource conservation and recreational development. The programs supporting these goals include Program Open Space, the Rural Legacy Program, Community Parks and Playgrounds, the Waterway Improvement Program, and the Ocean City Beach Replenishment Fund. The Department also administers capital improvements and maintenance on over 486,863 acres of public land operated by the Maryland Park Service, the Forest Service, the Wildlife and Heritage Service, and the Fishing and Boating Services. Funding primarily consists of Special Fund revenues from the State's property transfer tax and the Waterway Improvement Fund.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Natural Resources Development Fund: Beginning in FY 2020, transfer tax Special Funds will be used to undertake water and wastewater upgrade projects located at Department of Natural Resources (DNR) facilities. These projects are eligible for transfer tax funds because water and wastewater infrastructure is an integral part of the development and maintenance of State parks and to serving the needs of park visitors. The Capital Budget Volume shows the MES managed projects at DNR State parks as Non-Budgeted Funds under MES' budget. The DNR Natural Resources Development Fund Program includes a line item for State Water and Sewer Infrastructure Improvements at State Parks; these funds are listed as transfer tax Special Funds. DNR will transfer the Special Funds to MES once a contract for each project is approved.

Changes to FY 2021 - FY 2023

Natural Resources Development Fund (Statewide)

FY 2020 Total \$19,632

Provide funds to design and construct development projects on DNR property. Typical projects include bathhouse and pavilion construction; road, parking, and trail improvements; and general park improvements. Funds for this program are derived from State transfer tax revenues allocated to DNR. The FY 2020 budget includes funding for seven projects in six subdivisions, two statewide repair programs for bridges and dams, and for five State Park Water and Sewer Infrastructure Upgrades that will be managed by Maryland Environmental Services.

Critical Maintenance Program (Statewide)

FY 2020 Total \$11,000

Construct critical maintenance projects including structural building repairs, bridge repairs, culvert replacements, HVAC and electrical repairs, well and septic system replacement, and road and site repairs. The program is intended to address planned maintenance and repair projects at public use facilities. The FY 2020 budget includes funding for 83 critical maintenance projects in 20 subdivisions.

CHESAPEAKE AND COASTAL SERVICE

Budget Code: KA1402

Coastal Resiliency Program (Statewide) **FY 2020 Total** **\$6,065**

The Coastal Resiliency Program provides funding for natural and nature-based shoreline stabilization and flood reduction projects at vulnerable locations along the State's coast. Coastal resiliency projects may include shoreline restoration, beneficial use of dredge materials, tidal marsh restoration, dune restoration, landscape-level green infrastructure, or other nature-based projects that provide community and ecosystem benefits by restoring, enhancing, or creating coastal habitat. Each year, Maryland's coastal cities and towns experience storm damages to property, infrastructure, and natural resources. Since 2011, Maryland has experienced six hurricane and flood events warranting Presidential Disaster Declarations, resulting in more than \$99 million in federal public assistance. This program helps Maryland reduce its vulnerabilities and enhance the resiliency of its coastal economies. In addition to protecting critical coastal infrastructure, the projects supported through this program allow the State to address climate resiliency, public access, vital habitats, and environmental justice. The FY 2020 budget includes funding for construction of six projects in five jurisdictions, funding for adaptive management of six projects in five jurisdictions, and funding for design of at least three projects based on FY 2020 project solicitation.

Program Open Space (Statewide)

FY 2020 Total \$118,141

Established in 1969, Program Open Space (POS) symbolizes Maryland's long-term commitment to conserving natural resources while providing exceptional outdoor recreation opportunities for all citizens. Funding for Program Open Space typically comes from the collection of a 0.5 percent State property transfer tax. Transfer tax funding of POS is designed with a direct correlation between development pressures and available funding for open space and recreational facilities for the public good. Federal Funds include grants from the U.S. Department of the Interior's National Park Service and U.S. Fish and Wildlife Service. POS Stateside preserves natural areas for public recreation and watershed and wildlife protection across Maryland through the acquisition of fee simple land and conservation easements. Fee simple purchases are managed by DNR as State Parks, Forests, and Wildlife and Fisheries Management Areas. Program Open Space Local provides financial and technical assistance to local subdivisions (counties and municipalities) for the planning, acquisition, and/or development of recreation land or open space areas. To date, Program Open Space has conserved approximately 386,000 acres in State and local lands and assisted with approximately 6,200 local park projects. Funding provided in FY 2020 for State land acquisition could preserve approximately 13,500 acres.

Rural Legacy Program (Statewide)

FY 2020 Total \$25,745

The Rural Legacy Program provides targeted funding for the preservation of the natural resources and resource-based economies of Maryland through the purchase of conservation easements and fee simple acquisition of land located in designated protection areas. These areas include prime agricultural and forest lands, wildlife habitats, and cultural resources that, if conserved, will promote resource-based economies and maintain the fabric of rural life. As of July 2018, the Rural Legacy Program has preserved 95,235 acres. The FY 2020 budget includes funding to preserve approximately 7,400 acres.

Community Parks and Playgrounds (Statewide)

FY 2020 Total

\$2,500

This program provides funding for the restoration of existing and the creation of new parks and green systems in Maryland's cities and towns. The program provides flexible grants exclusively to municipal governments to respond to the unmet need for assistance to rehabilitate, expand, or improve existing parks; create new parks; or purchase and install playground equipment in older neighborhoods and intensely developed areas throughout the State. The FY 2020 budget includes funding for 19 projects in 14 subdivisions.

Ocean City Beach Replenishment and Hurricane Protection Program (Worcester)

FY 2020 Total \$2,000

This program provides for the continued maintenance of the restored beach at Ocean City. Maintenance activities include yearly monitoring and periodic beach nourishment, which is cost-shared at a 53 percent federal and 47 percent non-federal ratio, and annual maintenance, which is solely the responsibility of the State and local governments. The total average yearly non-federal cost is \$2,000,000, which is shared 50 percent State, 25 percent Worcester County, and 25 percent Town of Ocean City. Special Funds reflect State transfer tax revenues and local government contributions. The FY 2020 budget includes \$2,000,000 to the Ocean City Beach Replenishment Fund for beach re-nourishment and maintenance activities.

CHESAPEAKE AND COASTAL SERVICE

Budget Code: KA1402

Waterway Improvement Capital Projects (Statewide) FY 2020 Total \$16,000

This program provides funds to local jurisdictions to finance projects which expand and improve recreational boating throughout the State consistent with the State Boat Act. Examples include dredging of channels, construction of boat ramps, and improvements to public marinas. The funds appropriated for this purpose are administered in accordance with Sections 8-707 through 8-709 of the Natural Resources Article. The Special Funds are primarily from a five percent excise tax on the sale of motorized vessels within the State. During the 2013 legislative session, the General Assembly passed SB 90 which required 0.5 percent of the motor fuel tax to be distributed to the Waterway Improvement Fund beginning July 1, 2013. The Federal Funds are primarily from the Federal Boating Infrastructure Grants and Sport Fish Restoration Boating Access Grants. The FY 2020 budget includes funding for 58 projects in 16 subdivisions.

FISHING AND BOATING SERVICES

Budget Code: KA1701

Oyster Restoration Program (Statewide) **FY 2020 Total \$2,610**

Provide funds to rehabilitate oyster bar habitat and oyster populations in the Chesapeake Bay and its tributaries, focusing on the five oyster restoration tributaries. A healthy oyster population is both economically and ecologically important to Maryland. Oysters filter sediment and algae from the water and they provide a unique bottom habitat for aquatic species. The existing oyster population in Maryland is at historically low levels. By rehabilitating oyster bar habitat, this program aims to increase the native oyster population in the Bay. Benefits of an increased oyster population include providing habitat for other marine organisms, enhancing water filtration, and enabling a sustainable oyster fishery. The FY 2020 budget includes funds for oyster bar rehabilitation activities.

DEPARTMENT OF PLANNING

SUMMARY

The Maryland Department of Planning (MDP) is responsible for the State's historical and cultural programs. The Division of Historical and Cultural Programs provides grants and loans for the acquisition and restoration of historic properties and manages the Banneker-Douglass Museum and the Jefferson Patterson Park and Museum.

The Maryland Historical Trust (MHT) assists the people of Maryland in identifying, studying, evaluating, preserving, protecting, and interpreting the State's significant prehistoric and historic districts, sites, structures, cultural landscapes, heritage areas, cultural objects, and artifacts. The Trust administers the African American Heritage Preservation Grant Program, the Capital Revolving Loan Fund for Historical Preservation, and the Capital Grant Fund for Historical Preservation. Capital grant funds and loans are available to nonprofit organizations, local jurisdictions, business entities, and individual citizens committed to preserving their historic resources.

Patterson Center Renovations (Calvert) **FY 2020 Total** **\$3,875**

Renovate three historic buildings, totaling 10,416 NSF/11,577 GSF, at the Patterson Center at the Jefferson Patterson Park and Museum in Calvert County. Buildings to be renovated include the Main House, Pool House, and Garage. The Main House has flooding in the basement, a deficient HVAC system, and does not meet current fire, electrical, or ADA codes. Renovations are necessary to protect the antiques and other furnishings donated to the State by Mrs. Mary Breckinridge Patterson that remain in the house. The Pool House and Garage will also be renovated to repair various problems associated with the age of the buildings. When renovations are complete, the Patterson Center will include a historic house museum, office space, and space for fundraising events and other public uses. These renovations will ensure continued access to the property while providing an opportunity for the site to become more self sustaining. The FY 2020 budget includes funding to complete the construction and equipping of this project.

DEPARTMENT OF PLANNING

Maryland Archaeological Conservation Laboratory - Expansion and Renovation (Calvert)

FY 2020 Total

\$668

Construct a 4,260/4,692 NSF/GSF addition and renovate 13,262/14,566 NSF/GSF of the Maryland Archaeological Conservation (MAC) Laboratory at the Jefferson Patterson Park and Museum in Calvert County. The MAC Lab provides collections care and storage for the State's archaeological collections and records. This project will expand the storage capacity by adding more compactable shelving and increasing the footprint of the collections storage area. This project also includes improvements related to health and safety, disaster preparedness, and improved movement and treatment of artifacts, including creating a new space for the Isolation Room, changing the use of certain spaces, and installing new equipment and a loading dock. Due to the normal growth of the collection and the deposit of several unanticipated large collections, the facility is nearing its storage capacity. Without the needed expansion, important collections will have to be turned away, resulting in the real possibility of the loss of valuable Maryland artifacts. This project will ensure that the Lab can continue to accept new collections and to serve as the designated repository for the State's archaeological collections. The FY 2020 budget includes funding to begin design of this project.

Grants and Loans

MARYLAND HISTORICAL TRUST

Budget Code: DW0111

African American Heritage Preservation Grant Program (Statewide)

FY 2020 Total \$1,000

The African American Heritage Preservation Grant Program provides capital grants to nonprofit organizations, political subdivisions, business entities, and individuals to assist in the protection of properties that are historically and culturally significant to the African American experience in Maryland. Grant funds can be used to acquire, construct, rehabilitate, restore, or expand buildings or sites. The Maryland Historical Trust (MHT) and the Commission on African American History and Culture limit grant awards to \$100,000. The FY 2020 projects will be determined based on applications received by MHT and the Commission.

Maryland Historical Trust Capital Grant Fund (Statewide)

FY 2020 Total \$600

The Maryland Historical Trust (MHT) Capital Grant Fund provides grants to nonprofit organizations, local jurisdictions, business entities, and individuals to assist with acquisition, rehabilitation, or restoration of properties listed on, or eligible for listing on, the National Register of Historic Places. Nonprofit organizations and local jurisdictions may also receive funding for pre-development costs directly associated with a project to rehabilitate or restore historic properties. The program encourages and facilitates the preservation of historic properties in the State. The FY 2020 projects will be determined based on applications received by MHT.

DEPARTMENT OF PLANNING

Maryland Historical Trust Loan Fund (Statewide)

FY 2020 Total

\$300

The Maryland Historical Trust (MHT) Revolving Loan Fund provides loans to nonprofit organizations, local jurisdictions, business entities, and individuals to assist in the protection of historic property. Loan funds can be used to acquire, rehabilitate, or restore historic property listed on, or eligible for, the National Register of Historic Places. Loan funds can also be used to refinance historic properties if it can be demonstrated that this is in the best interest of the property for proper preservation. Funds may also be used for short-term financing of studies, surveys, plans and specifications, architectural engineering, or other special services directly related to preconstruction work required or recommended by MHT. The maximum amount of the loan is based on a percentage of appraised value or purchase price for acquisition loans, and a percentage of after-rehabilitation appraised value or project costs for rehabilitation loans. The FY 2020 projects will be determined based on applications received by MHT.

MARYLAND PUBLIC BROADCASTING COMMISSION

SUMMARY

The Maryland Public Broadcasting Commission operates a system of regional and local facilities to provide educational and cultural radio and television programs throughout the State. The Commission is responsible for the preparation, content, and presentation of programs for the general public. The FY 2020 - FY 2024 Capital Improvement Program includes funding to replace transmission equipment at various sites and to renovate and expand a broadcasting studio, Studio "A", in Owings Mills. These improvements are necessary to prevent the disruption of broadcasting services and to ensure high-quality programming in the future.

Maryland Public Television - Studio "A" Renovation and Addition (Baltimore Co.)

FY 2020 Total \$8,210

Renovate the 7,480 NASF/9,350 GSF Studio A, Maryland Public Television's (MPT) largest studio, and construct a 5,500 NASF/6,875 GSF expansion. The new Studio A will be 12,980 NASF/16,225 GSF. The current studio was constructed in 1969 and has not been substantially changed since then. It does not have sufficient space or seating for live performances or town hall meetings, and it lacks sufficient means of egress for occupants. Restroom facilities are too small and do not meet ADA guidelines. The building's mechanical, electrical, and HVAC systems are beyond their useful lives and must be replaced. Finally, the loading dock is inaccessible to trucks, and the low ceilings in the studio prevent the studio from being used efficiently. The renovation and expansion of Studio A will allow MPT to keep up with technological advancements in television broadcasting, provide viewers with expanded programming and live tapings, and bring the building up to current code and ADA standards. The FY 2020 budget includes funding to complete design, construction, and equipping of this project.

MARYLAND PUBLIC BROADCASTING COMMISSION

Maryland Public Television Transmission Systems Replacement (Statewide)

FY 2020 Total \$3,061

Replace digital transmission equipment at Maryland Public Television's (MPT) six transmitter sites including Owings Mills, Annapolis, Salisbury, Frederick, Hagerstown, and Oakland. This equipment is nearing the end of its useful life and replacement parts are difficult and expensive to obtain. This project will prevent the disruption of MPT's broadcasting services in the future. Federal Funds come from the digital conversion project (often referred to as the "Repacking Process") administered by the Federal Communications Commission. The FY 2020 budget includes funding to replace antenna and transmission equipment in the Oakland, Frederick, and Salisbury sites and to replace air conditioning equipment at the Hagerstown site.

DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

SUMMARY

The Department of Public Safety and Correctional Services (DPSCS) operates 31 correctional facilities with a current operating capacity of approximately 21,000 inmates. These facilities are administered by three separate divisions within the DPSCS: Division of Correction (DOC); Division of Pre-Trial Detention; and the Office of Treatment Services, which has authority over the Patuxent Institution. The Department must maintain correctional and detention facilities to protect the people of Maryland and provide a safe and secure environment capable of contributing to the reintegration of inmates into society as law-abiding citizens.

DPSCS also administers the Local Jails Improvement Program that provides matching grants to the counties for design, construction, and capital-equipping of local jails and detention centers. By law, the State funds 50 percent of the eligible capital costs based on the level of local need, and 100 percent of the capital eligible costs of capacity needed for additional inmates directed by law to local facilities.

The Capital Improvement Program includes funding to expand and modernize services, update aging infrastructure, and upgrade utilities. Funding is provided to demolish failing buildings at the Baltimore City Correctional Center and to construct a new Therapeutic Treatment Center in Baltimore City that will focus on mental health and substance abuse treatment. Upgrades will be made to two major building systems, including the Jessup Region's Electrical Infrastructure and the hot water and steam system and perimeter security at the Eastern Correctional Institution. Funding is also provided to renovate housing units at the Maryland Correctional Training Center in Hagerstown and to construct perimeter security improvements and a gatehouse/visitors centers at Roxbury Correctional Institution in Hagerstown and Maryland Correctional Institution - Hagerstown. A new regional infirmary in Jessup is planned and inmate employment opportunities at the Jessup Correctional Institution and at the Eastern Correctional Institution will be expanded.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

Roxbury Correctional Institution (RCI) Gatehouse and Perimeter Security System (P): Funding for this project has been accelerated from FY 2021 to FY 2020 to address risks to security and the safety of inmates and staff.

Deletions:

Eastern Correctional Institution (ECI) High Temperature Hot Water System and Perimeter Security Improvements (C): Additional construction funding for this project has been deferred from FY 2020 to FY 2021 through FY 2023 due to delays in the project schedule.

Changes to FY 2021 - FY 2023

Therapeutic Treatment Center: Funding for this project has been included for FY 2021 through FY 2024. This project will provide a specialized facility for mental health and substance abuse treatment.

Maryland Correctional Training Center (MCTC) Housing Unit Windows and Heating Systems Replacement: Funding for this project has been removed from FY 2021 due to sufficient funding provided in FY 2020 to complete this project.

Maryland Correctional Enterprises Textiles and Graphic Shops Expansion: Funding for this project has been deferred from FY 2021 to FY 2022 due to budget capacity.

DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Maryland Correctional Enterprises Furniture Restoration Plant Expansion: Funding for this project has been deferred from FY 2022 to FY 2023 due to budget capacity.

State-Owned Facilities

MARYLAND CORRECTIONAL INSTITUTION-HAGERSTOWN

Budget Code: QR0201

MCI-H Perimeter Security Upgrade (Washington) **FY 2020 Total** **\$1,226**

Construct a new perimeter security fence system to include a new gatehouse with a visiting center, four new guard towers, and a new gymnasium, at the Maryland Correctional Institution-Hagerstown (MCI-H). The demolition of the existing Quonset huts (dormitory style housing for inmates) and the North Dorm building will be demolished as part of this project. The existing fence is suffering from age-related deficiencies and is vulnerable to significant weather events. The population at this facility has declined over the years, and the antiquated buildings are no longer adequate. By including the demolition of these buildings in this project, the new perimeter fence will create a more definable boundary that will protect against intrusion, allow adequate response time in the event of an attempted or actual breach of the security system, and provide a secure enclosure in the event of an emergency evacuation. The FY 2020 budget includes funding to begin design of this project.

MARYLAND CORRECTIONAL TRAINING CENTER

Budget Code: QR0202

Housing Unit Windows and Heating Systems Replacement (Washington)

FY 2020 Total \$10,337

Replace the windows and heating systems at two housing units at the Maryland Correctional Training Center. The project is being completed in three phases: Housing Units 1 and 2 (completed); then 5 and 6 (completed); and finally 3 and 4 (the current project). High maintenance costs, energy losses, and security breaches necessitate window and heating systems replacement. The FY 2020 budget includes funding to complete design and construct the third and final phase of this project.

DIVISION OF CORRECTION

Budget Code: QS0101

Jessup Region Electrical Infrastructure Upgrade (Anne Arundel)

FY 2020 Total \$7,930

Construct an upgrade to the electrical infrastructure for the correctional facilities and supporting operations and offices in the Jessup region. The Jessup electrical infrastructure provides power to six correctional institutions, Maryland Environmental Services facilities, and a firing range, all located in Anne Arundel County near Route 175. The project will upgrade the electrical infrastructure that serves these facilities. This includes constructing a new primary substation and replacing the cables, switches, and transformers that serve these facilities. The existing grid is owned by the Department and supports over 120 buildings, serving more than 4,500 inmates and 1,600 State employees. The project is needed because the existing infrastructure can neither provide reliable uninterrupted power nor support any additional buildings. The FY 2020 budget includes funds to complete the design and begin the construction of this project.

160 Bed Jessup Regional Infirmary Facility (Anne Arundel)

Construct a new Jessup Regional Infirmary facility on the site of the former Maryland House of Corrections. The facility will contain 160 beds for inmates assigned to facilities in the Jessup Region. This infirmary will enable the Department to provide medical treatment in a secure environment for seriously ill inmates in addition to reducing the transportation cost incurred by using local hospitals. Once the new infirmary has been constructed and is operational, the existing inadequate medical building will be demolished. The estimated cost of the project is \$89,505,000.

JESSUP CORRECTIONAL INSTITUTION

Budget Code: QB0202

Maryland Correctional Enterprises Textiles and Graphic Shops Expansion (Anne Arundel)

Construct a new Maryland Correctional Enterprises (MCE) building at the Jessup Correctional Institution (JCI) to house an expansion of the Textiles and Graphic Shops operations. For the last eight years the population at JCI has averaged over 1,700 inmates. This expansion will help alleviate a serious security problem by providing 190 additional job opportunities to idle inmates at this medium-security institution. The project will also provide additional revenue to support MCE programs.

ROXBURY CORRECTIONAL INSTITUTION

Budget Code: QB0403

RCI Gatehouse and Perimeter Security System (Washington) FY 2020 Total \$611

Construct a replacement security system at Roxbury Correction Institution (RCI) in Hagerstown. This project includes replacing the security fence, perimeter security electronics and lighting systems, and constructing a new building to house a gatehouse function. It will also relocate the Regional Business Office. The existing fence system is over 30 years old and severely worn. Wind and weather continuously cause damage to the aged fence fabric and razor ribbon. Further, the visitor center is located within the secure perimeter. This situation poses security threats. Visitors and staff currently enter through the main gate which is controlled by an officer located in a nearby guard tower. Unescorted entry through the security perimeter occurs without benefit of a direct security check. The new gatehouse will remedy this issue. This project will minimize threats and risks of intrusion, introduction of contraband, inmate escape, and physical harm to staff, visitors, and inmates. The FY 2020 budget includes funds to begin design of this project.

EASTERN CORRECTIONAL INSTITUTION

Budget Code: QS0208

ECI High Temperature Distribution and Perimeter Security Improvements (Somerset)

Construct the replacement of the existing high temperature hot water (HTHW) system and the perimeter security fence system at Eastern Correctional Institution (ECI) in Westover. The project includes installing new HTHW distribution pipe lines for the housing units and support services buildings and replacing the existing perimeter security fencing. The existing HTHW system is old, leaking, undersized, underground, and plagued with many maintenance issues. In addition, the existing perimeter security system is no longer adequate to serve the population at ECI. The structure is aged, inefficient, and can no longer provide the facility effective security. Combining the HTHW system and the perimeter security fence system into a single project will allow the Department to provide a safe and healthy environment for staff and inmates.

Maryland Correctional Enterprises Furniture Restoration Plant Expansion (Somerset)

Construct an expansion to the existing Maryland Correctional Enterprises furniture restoration plant located at Eastern Correctional Institution in Westover. The building will be a pre-engineered metal building and will allow the employment of 25 additional inmates. In January 2005, the oven, monorail system, and the exhaust system were removed from the furniture plant. This resulted in the plant lacking a Dust-Free area in which to dry the freshly painted/finished products. The plant has since enclosed an area with vinyl curtains to create temporary space for drying. The new section of the building will allow for a dust-free drying area and will eliminate the temporary, inadequate areas.

Demolition of Buildings at the Baltimore City Correctional Complex (Baltimore City)

FY 2020 Total \$23,816

Demolish 11 major structures as well as minor structures including guard towers, bridges, tunnels, site walls, and modular structures at the Correctional Complex in Baltimore City. This project will demolish the following facilities: Women's Detention Center, Men's Detention Center, Baltimore City Detention Center (BCDC) Power Plant, Annex Building, Wyatt Building, Metropolitan Transition Center (MTC) West Wing, Power Plant, C-Block Building, and Building A. The wall that separates BCDC from MTC will also be demolished. These buildings have long-standing physical plant, health, and safety issues that have been the subject of federal litigation. Demolishing these structures will remove these unsafe and inefficient buildings from the correctional complex. The FY 2020 budget includes funds to continue the demolition of these buildings.

DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Therapeutic Treatment Center (Baltimore City)

Construct a Therapeutic Treatment Center for adult men and women in Baltimore City. This specialized facility will be focused on treating detainees and inmates with short-term sentences for various substance abuse and mental health issues in order to reduce recidivism. This project is the second component of the 2015 Facilities Master Plan for the Correctional Complex in Baltimore City. In Phase I, several existing buildings at the complex will be demolished. The existing detention centers are antiquated and inappropriate for secure and efficient service delivery. The facilities have long standing physical plant, health, and safety issues that were the subject of federal litigation. In Phase II, the new structure will be designed and constructed on-site. The new center will be focused on treating detainees and inmates with short-term sentences for various substance abuse and mental health issues in order to reduce recidivism. This facility will allow the State to be in compliance with the Duvall Agreement. It will have 1390 beds including 558 beds dedicated to medical and mental health treatment and 256 beds for female detainees. The center will also have an on-site hospital to provide both routine medical care and a range of mental health treatment. The total estimated cost of this project is \$377,586,000.

FY 2020 - FY 2024 Capital Improvement Program

Grants and Loans

LOCAL JAILS AND DETENTION CENTERS

Budget Code: ZB02

Local Jails and Detention Centers (Statewide) **FY 2020 Total** **\$8,153**

The Capital Improvement Program includes matching grants to the counties for design, construction, and capital equipping of local jails and detention centers. By law, the State funds 50 percent of the eligible capital costs based on the level of local need and 100 percent of the eligible capital costs of capacity needed for additional inmates directed by law to local facilities. The amounts recommended are based on the most recent information provided to the State by the counties. These facility improvements are funded to the extent they conform to standards established by the Departments of Public Safety and Correctional Services, Budget and Management, and General Services. The FY 2020 budget includes funds for four projects in four counties.

MARYLAND STATE DEPARTMENT OF EDUCATION

SUMMARY

The Maryland State Department of Education includes the Interagency Commission on School Construction, which administers the State's Public School Construction Program to assist in county school construction. Funding is provided for total building renovations, additions, new construction, systemic renovations, wiring schools for technology, pre-kindergarten facilities, science labs, and movement of relocatable classrooms. The purpose of the program is to:

- Provide local tax relief;
- Relieve the subdivisions of the high costs of school construction;
- Address the considerable need to renovate and replace existing schools and construct new schools; and
- Equalize educational facilities throughout the State.

While the cost to design and equip public schools is a local responsibility, the State and local governments share in the cost of constructing public schools. The State/local cost-share formula is based on a number of factors, such as per-pupil State aid, the percentage of students receiving free or reduced price meals, unemployment rates in the subdivision, enrollment growth beyond the State average, and school construction debt of more than one percent of local wealth. The minimum State share of any subdivision under this formula is 50 percent, and the maximum State share is 100 percent.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

The capital budget includes funding for a new school construction initiative named the Building Opportunity Fund. In addition, during the 2018 legislative session, House Bill 1783 and Senate Bill 611 passed which created new public school programs. These new programs are discussed below.

Additions:

Building Opportunity Fund: The capital budget includes \$1.9 billion in new school construction funding over five years. This funding consists of \$45 million in "Education Lock Box" revenues and a proposed \$1.8 billion revenue bond issuance. This proposed new funding is in addition to the \$1.6 billion in public school construction funding currently included in the State's five year Capital Improvement Program.

Healthy School Facility Fund: Senate Bill 611 of 2018 requires the Governor to include \$30 million annually in fiscal years 2020 and 2021. Eligible projects will include the installation of air conditioning and heating systems, indoor air quality improvements, mold remediation, plumbing upgrades, and window replacements. Up to \$1.2 million of the funding will be available for charter schools.

Public Safety School Improvements: House Bill 1783 of 2018 requires the Governor to include \$10 million annually for school safety improvements. The school safety grant program will provide grants to county boards for school security improvements, including: secure and lockable classroom doors for each classroom in the school, and an area of safe refuge in each classroom in the school.

Local Share of School Construction Costs Revolving Loan Fund: House Bill 1783 of 2018 requires the creation of a fund to assist local governments with forward funding school construction projects.

Non-Public School Security Improvements: Funding has been added to assist non-public schools with security improvements.

Grants and Loans

INTERAGENCY COMMISSION ON SCHOOL CONSTRUCTION

Budget Code: RA07.02

Public School Construction Program (Statewide)

FY 2020 Total \$280,000

This program provides matching grants to local educational agencies for the construction and renovation of public school facilities in Maryland. Included in this program are funds used for major projects, systemic renovations to existing school facilities, the movement and installation of State-owned relocatable classrooms, science facility renovations, and kindergarten and pre-kindergarten projects. The goal of the program is to support the construction of public school facilities that meet the needs of the educational curriculum and are conducive to teaching and learning. The State only provides funding for the eligible portion of the total construction cost of projects. Local educational agencies are responsible for design, construction, and equipment costs. Financial assistance is provided to the subdivisions based on a State/local shared cost formula that includes factors such as per-pupil State aid, enrollment growth in the subdivision, and local school debt. The State/local cost-share formula provides between 50 percent and 98 percent of eligible construction costs. The actual funding allocation is subject to reduction based on the project scope or the inclusion of items that are ineligible for State participation. The FY 2020 budget includes \$280,000,000 for school construction projects.

MARYLAND STATE DEPARTMENT OF EDUCATION

Building Opportunity Fund (Statewide)

FY 2020 Total \$45,000

Provide enhancement funding for public school construction projects. This funding is in addition to the GO Bond funding for the Public School Construction Program planned in the Governor's Capital Improvement Program. Projects will be recommended for funding by the Interagency Commission on School Construction. Projects may be managed and overseen by the Maryland Stadium Authority or the Local Education Agency. A total of \$1.8 billion in Revenue Bonds will be issued by the Maryland Stadium Authority to fund school construction projects, including up to four percent for charter schools. Debt service for these bonds will be obtained from casino revenues in the Education Lock Box. The bonds are expected to have a maturity of 20 years. The FY 2020 budget includes \$45,000,000 in casino revenues from the "Education Lock Box" for public school construction projects.

Supplemental Capital Grant Program (Regional)

FY 2020 Total \$40,000

This program provides grants to local school systems for the construction and renovation of public school facilities in jurisdictions that have enrollment growth that exceeds 150 percent of the statewide average or with more than 300 relocatable classrooms over a five-year period. The grants are supplemental to the funding for the public school construction program. Grant awards are subject to the State and local cost-share formula for each school system and require approval by the Interagency Commission on School Construction. The FY 2020 budget provides funding to five local school systems in Anne Arundel, Baltimore, Howard, Montgomery, and Prince George's Counties.

Healthy School Facility Fund (Statewide)

FY 2020 Total \$30,000

The Healthy School Facility Fund, established by Senate Bill 611 of 2018, will provide grants to public primary and secondary schools in the State to address facility problems that impact the health of students, staff, and other building occupants. The grants are supplemental to the funding for the public school construction program and will be administered by the Interagency Commission on School Construction. Priority for grants will be based on the severity of the facility problems in schools. Eligible projects will include the installation of air conditioning and heating systems, indoor air quality improvements, mold remediation, plumbing upgrades, and window replacements. In addition, a portion of the funding available will be used for charter school projects. The FY 2020 budget includes \$30,000,000 for the Healthy School Facility Fund.

Local Share of School Construction Costs Revolving Loan Fund (Statewide)

FY 2020 Total \$20,000

The purpose of the Local Share of School Construction Costs Revolving Loan Fund, which is to be administered by the Interagency Commission on School Construction (IAC), is to provide loans to local governments to forward fund the local share of school construction costs for local education agencies that rely on the local share to be fully funded in order to complete a project. The fund may be used only to provide low or no interest loans to local governments. The fund is supplemental to, and is not intended to take the place of funding that otherwise would be appropriated to local governments for school construction. The IAC will administer the Fund and develop application procedures and eligibility criteria for loans from the Fund. The FY 2020 budget includes \$20,000,000 in "Education Lock Box" Special Fund revenues to capitalize the Fund.

Public School Safety Improvements Grant Program (Statewide)

FY 2020 Total \$10,000

This program, which was established in House Bill 1783 of 2018, will provide grants to local education agencies (LEAs) for school security improvements based on deficiencies identified through facility safety risk assessments. By 2020-2021 each public school in the State is required to have secure, lockable classroom doors; an area of safe refuge in each classroom; and security technology for school monitoring purposes. Additionally, school safety evaluations must be completed by the LEAs for each of their schools by June 15, 2019. The program requires that the Interagency Commission on School Construction, in collaboration with the Maryland Center for School Safety, adopt certain school safety facility requirements. The FY 2020 budget includes \$10,000,000 for public school safety improvements.

Aging Schools Program (Statewide)

FY 2020 Total \$6,109

The Aging Schools Program, which is administered by the Interagency Commission on School Construction, provides funds to all school systems in the State for capital improvements, repairs, and deferred maintenance work at existing public school buildings. The State funds provided under this program do not require any matching local funds, and the State/local cost-share formulas used for other State-funded school construction projects do not apply. The program is intended to protect school buildings from deterioration, improve the safety of students and staff, and enhance the delivery of educational programs. The allocation of \$6,109,000 among the State's jurisdictions is determined by statute.

MARYLAND STATE DEPARTMENT OF EDUCATION

Senator James E. "Ed" DeGrange Nonpublic Aging Schools (Statewide)

FY 2020 Total \$3,500

Provide grants to eligible nonpublic schools currently participating in the Maryland Nonpublic Student Textbook Program for renovations and improvements to existing school buildings. Funds will be distributed to nonpublic schools for expenditures eligible under the Public School Construction Program Aging Schools Program established in Section 5-206 of the Education Article, including school security improvements. Payment for work completed under this program will be through reimbursement to the grant recipient. No matching grant is required, but the nonpublic school shall be responsible for all project costs exceeding the amount of the grant. This program was renamed the Senator James E. "Ed" DeGrange Nonpublic Aging Schools Program in 2018. FY 2020 projects will be determined based on the applications received by the Maryland State Department of Education.

BOARD OF PUBLIC WORKS

SUMMARY

The Board of Public Works ensures that State expenditures are necessary, appropriate, fair, and lawful. To this end, the Board, which consists of the Governor, Comptroller, and Treasurer, approves State contracts. The Board also authorizes capital improvements for State government offices, District Court facilities, and several statewide programs, including major facilities renewal projects for building maintenance at State buildings and fuel storage tank replacements. These programs and facilities are generally managed by the Department of General Services (DGS).

DGS is responsible for building and managing State-owned facilities and for procuring leased spaces for State agencies. DGS also oversees daily operations at State-owned facilities, such as providing maintenance and security. DGS manages approximately 6.3 million square feet of State-owned facilities and approximately 4.6 million square feet of leased facilities. DGS's overall goals are to provide State workers and citizens with facilities that are safe and secure and on the forefront in energy efficiency.

The Judiciary, in the context of the State's capital budget, refers to State-owned facilities including the Court of Appeals, Administrative Offices of the Courts, and District Courts. The Court of Appeals is located in Annapolis, as required by the Maryland Constitution. The District Courts are located in 12 districts throughout Maryland, with at least one judge presiding in each County and in Baltimore City.

The FY 2020 - FY 2024 Capital Improvement Program includes funding to address urgent facility upgrades and repairs to ensure State agencies remain operational. Funding is also provided to individual facility projects to resolve health and safety issues, correct severe spatial deficits, improve operational effectiveness, and respond to other pressing needs for DGS and the Judiciary.

Total authorized funds for statewide programs included in the current Capital Improvement Program between FY 1999 and FY 2019 were as follows:

- \$232,053,121 for facilities renewal projects;
- \$11,334,000 for construction contingencies; and
- \$4,100,000 for fuel storage tank replacements.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

None

Deletions:

None

Changes to FY 2021 - FY 2023

Rehabilitation of the Shaw House: Funding for this project has been deferred to FY 2022 due to limited capital budget capacity. The schedule delays in the Annapolis Post Office project make it possible to delay the timing of the Shaw House renovation.

Education Building - 200 West Baltimore Street Renovations: Initial design funding planned for FY 2022 has been deferred to FY 2023 due to limited capital budget capacity.

New Harford County District Court: Funding for this project has been deferred from FY 2022 to FY 2023 due to limited capital budget capacity.

BOARD OF PUBLIC WORKS

Replacement of Lawyer's Mall Underground Infrastructure: Funding is no longer required in FY 2021 due to an accelerated project timeline.

BOARD OF PUBLIC WORKS

State-Owned Facilities

ANNAPOLIS STATE GOVERNMENT CENTER

Budget Code: DE0201

Replacement of Lawyer's Mall Underground Infrastructure (Anne Arundel)

FY 2020 Total \$6,000

Construct the replacement of underground infrastructure in Lawyer's Mall adjacent to the Maryland State House, Government House, and the Legislative Services Building in Annapolis. The scope of work includes the removal and replacement of pavement, concrete and masonry sidewalks, supplying and installing steam heating, condensation and chilled water piping, relocation of all other utilities in the way of the existing piping, connection of relevant piping to all buildings related to the system, supplying temporary steam boilers, and all other related work associated with the project. The plaza that includes the Thurgood Marshall and related historical artifacts will be temporarily relocated and returned upon completion of the project. The scope will also identify, via underground mapping, all utilities (water, sewer, electric, security, telecommunications) that are located within the perimeter of the Lawyer's Mall area. Existing steam and chilled water lines are experiencing leaks and are failing. The telecommunications and electrical infrastructure are also at the end of their functional lives and will be replaced at the same time. The FY 2020 budget includes funding to complete the construction of the underground infrastructure and the construction of plaza restoration.

Rehabilitation of the Shaw House (Anne Arundel)

Renovate the historic Shaw House and annex located at 21 State Circle in Annapolis. The main structure was constructed in three major phases between 1723 and 1922, and the annex was constructed in 1950. The building houses units of the Executive Department, Department of Information Technology, and Department of Transportation. Factors which necessitate rehabilitation of the Shaw House include signs of structural deterioration in the interior framing system and sagging floors; chronic moisture penetration in the roof and foundation systems and the south chimney and wall; deficient and uneven heating and cooling systems; damaged and deteriorating walls and ceilings, and limited ADA accessibility. The project will also improve interior accessibility to the annex, located immediately behind the Shaw House.

BOARD OF PUBLIC WORKS

Renovations to the Louis L. Goldstein Treasury Building (Anne Arundel)

Renovate the four-story, 91,095 NSF/113,265 GSF Louis L. Goldstein Treasury Building, located at 80 Calvert Street, in the Annapolis State Government Complex. The building was constructed in 1958 and is occupied by the Comptroller of the Treasury, the State Treasurer, and the Board of Public Works. Scope of work to include, but not limited to, the complete renovation of the interiors of the building on the second, third, and fourth floors, and partial alterations on the first floor, consisting of all mechanical, electrical, and plumbing infrastructure upgrades, fire protection and security system upgrades, and ADA compliance upgrades. The estimated total cost of this project is \$37,454,000.

Renovation of the Legislative Services Building (Anne Arundel)

Renovate the Legislative Services Building located in the Annapolis State Government Complex. This building was constructed in 1976 and has not undergone a substantial renovation since it was completed. Consequently, the building's mechanical, electrical, and HVAC systems have reached the end of their useful lives. The building's current HVAC system requires the Department of General Services to run the central Annapolis State Center chillers through the entire winter for this one building, which is inefficient and leads to substantial operating expenses. The upgrades will include providing ADA accessibility in public restrooms and the Joint Committee Hearing Room; mechanical, HVAC, and electrical systems infrastructure upgrades; and upgrades to the fire safety systems (fire detection and alarm), roof and window replacement, elevator upgrades, and adequate/appropriate space upgrades to relieve overcrowding, and achieve proper functioning for the Department of Legislative Services staff. The estimated total cost for this project is \$37,125,000.

GENERAL STATE FACILITIES

Budget Code: DE0201

Facilities Renewal Fund (Statewide)

FY 2020 Total \$35,763

Provide funds for the repair and rehabilitation of State-owned capital facilities. This is a continuing long-term effort which will require funding beyond FY 2024. Projects in this program must cost more than \$100,000 and less than \$2,500,000 to be funded. The specific appropriation is for non-higher education projects. University System of Maryland facilities renewal projects are funded with a separate appropriation to the System. Other higher education facilities renewal projects are funded with a separate appropriation in the capital or operating budget. The FY 2020 budget includes funding for 57 projects in 14 jurisdictions. Additional funding is intended for Department of Public Safety and Correctional Services projects, statewide preventative roof replacements, and emergency reserves to fund unanticipated projects.

BOARD OF PUBLIC WORKS

Construction Contingency Fund (Statewide)

FY 2020 Total

\$2,500

Provide funds for the Construction Contingency Fund. This fund enables the Board of Public Works to award a construction contract or authorize payment for project change orders for previously authorized capital projects when the existing funds are insufficient to complete the project. The fund may also be used to conduct value engineering on previously authorized projects. The FY 2020 budget includes funds to replenish the construction contingency fund.

Fuel Storage Tank System Replacement Program (Statewide)

FY 2020 Total

\$1,000

Provide funds to remove, replace, or upgrade State-owned fuel storage tanks. This program is primarily designed to correct gasoline fuel storage tank deficiencies at Maryland State Police barracks and other specified fueling facilities throughout the State. A significant number of existing underground gasoline fuel storage tanks at these locations have reached or are nearing the end of their useful lives. The fuel storage tanks will be replaced and/or upgraded to eliminate or prevent leakage problems and related soil contamination. Fuel leaks can contaminate groundwater and cause other environmental damage. Leaking tanks may also subject the State to significant regulatory penalties. The FY 2020 budget includes funding for two projects in two jurisdictions.

BOARD OF PUBLIC WORKS

Education Building - 200 West Baltimore Street Renovations (Baltimore City)

Renovate the ten-story, 217,000 GSF building at 200 West Baltimore Street in downtown Baltimore City. The building houses the administrative offices of the Maryland State Department of Education and the Maryland Higher Education Commission. The scope of work includes an upgrade/replacement of the HVAC and electrical systems, ADA upgrades throughout the building, telecommunications enhancements, restoration of the main lobby, replacement windows, and an upgrade to the building exterior. The estimated cost of this project totals \$29,614,000.

Shillman Building Conversion - Baltimore City District Court (Baltimore City)

FY 2020 Total \$2,080

Renovate the 111,846 NASF/159,994 GSF Shillman Building located at 500 North Calvert Street in Baltimore City to house seven courtrooms of the Baltimore City District Court. The current building cannot handle criminal and traffic cases, and exclusively handles civil cases. The civil division's existing leased facility has inadequate space for court functions; maintenance problems such as flooding, missing ceiling tiles, peeling paint; poor air circulation due to an overtaxed HVAC system; and an unsecured parking lot. It also fails to comply with ADA accessibility standards. Renovation of the Shillman Building will provide courtrooms, judicial chambers, and support space that is more suitable to accommodate court services, including criminal and traffic cases. The FY 2020 budget includes funding to complete design.

BOARD OF PUBLIC WORKS

Addition to the Washington County District Court (Washington)

FY 2020 Total

\$325

Construct a 4,885 NSF/8,200 GSF addition to the existing Hagerstown District Court. This project will add a third courtroom and office space for judicial chambers and support staff. Currently, the building lacks sufficient space for a third judge and staff. Furthermore, this addition will enhance interior circulation, and extend HVAC and building support systems to the additional space. These improvements will help manage the caseload at the court by providing space for a third judge and modernize the interior space and systems. The FY 2020 budget includes funding to begin design.

Harford County District Court (Harford)

Construct a new seven-courtroom District Court facility in Bel Air to house the District Court of Maryland. The existing facility has insufficient space to efficiently conduct the Court's business. The existing building has deficiencies related to security, climate control, electrical systems, water intrusion (leading to mold on several occasions) and roofing. The new facility will include space for seven courtrooms and court-related agencies, as well as site improvements. The space vacated by the District Court in its existing building will be backfilled by the expansion of other State agencies already housed in the Multi-Service Building. The estimated cost of this project totals \$54,274,000.

New Courts of Appeal Building (Anne Arundel)

Construct a new Courts of Appeal (COA) building encompassing the Court of Appeals, Court of Special Appeals, State Law Library, and other Judiciary Units. The existing COA building has significant deficiencies that impair operational effectiveness. The current COA building, completed in 1972, has functionally obsolete mechanical systems, structural envelope issues, climate control deficiencies, insufficient space requirements for Appellate Judges and staff, and lacks an effective security design and layout. In addition, the size and configuration of the State Law Library is inadequate for a modern library. The library's interior does not meet ADA requirements, is not configured to offer the ideal acoustics needed for research space or privacy, and the Library's collection exceeds the available space in the existing facility. The new facility will offer improved safety and security and provide sufficient space to serve the Court of Appeals, Court of Special Appeals, State Law Library, and Judiciary Units. The estimated cost of this project totals \$89,200,000.

ST. MARY'S COLLEGE OF MARYLAND

SUMMARY

St. Mary's College of Maryland is a four-year liberal arts college designated as Maryland's "Public Honors College." Located in southern Maryland, the College enrolls approximately 1,700 students annually, primarily undergraduates. The College's campus master plan includes the construction of new academic space and the renovation of existing buildings to address space deficits in lab, assembly, and student study space, which are expected to increase as enrollment grows over the next decade. The senior thesis requirement for all students and growing enrollment in Biology, Chemistry, and Physics has placed increased demand on existing lab space. Changes in learning methods, including increased collaborative projects, have stressed existing student study resources. Further, the College has a historic deficit in assembly space. To address these needs, the College has prioritized the construction of a New Academic Building and Auditorium and renovation of Goodpaster Hall for science lab space. St. Mary's College is also committed to upgrading its existing infrastructure and building systems to reduce its deferred maintenance backlog and improve energy efficiency.

The New Academic Building and Auditorium project requires relocating the existing athletic fields to make the site available for the new buildings. The relocation of the athletic fields is fully funded and construction is nearing completion. The FY 2020 - FY 2024 Capital Improvement Program includes funding to continue construction of the New Academic Building and Auditorium. The Goodpaster Hall Renovation will convert a portion of space in Goodpaster Hall to science labs after current Educational Studies occupants move into the New Academic Building and Auditorium. In addition, funding will be provided to upgrade, replace, and renovate building systems and campus infrastructure, including a new phase in FY 2024.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

None

Changes to FY 2021 - FY 2023

Goodpaster Hall Renovation: State funding for this project has been included in FY 2023 to renovate Goodpaster Hall for new science labs after the current occupants relocate to the New Academic Building and Auditorium. Non-Budgeted Funds (institutional funds) scheduled in FY 2022 will fund design of the renovations.

ST. MARY'S COLLEGE OF MARYLAND

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

ST. MARY'S COLLEGE OF MARYLAND

Budget Code: RD00

New Academic Building and Auditorium (St. Mary's)

FY 2020 Total \$13,208

Construct a new 33,108 NASF/60,634 GSF academic building to provide space for the College's Music department, Educational Studies department, a learning commons study space, and a 700-seat auditorium. The learning commons will address deficiencies in study space and the auditorium will address deficiencies in assembly space. Relocation of the Music department makes space available in Montgomery Hall to relieve constriction of fine arts and theater programs located there. Because the new building will be located on the site of the existing varsity athletic field and stadium, the project relocates these athletic facilities to a new site. The new facilities include a grass field, artificial turf field, running track, and a 3,840 NASF/11,321 GSF support facility. In addition, the College will construct a commemorative area adjacent to the new athletic fields to recognize that slave quarters identified during the archaeological phase of the project existed on the site. The design of the commemorative area will be funded by the College. Non-Budgeted Funds for the project as a whole total \$4,140,000 to support the stadium construction, the design of the commemoration, as well as the design and construction of a café in the new academic building. The FY 2020 budget includes funding to begin construction of the New Academic Building and Auditorium.

Campus Infrastructure Improvements (St. Mary's)

FY 2020 Total \$3,763

Construct various infrastructure improvements on the St. Mary's College of Maryland campus. The project consists of a wide range of renewal projects throughout the campus, such as replacement of HVAC components at the Library, Calvert Hall, Montgomery Hall, and Schaefer Hall; replacement of windows at Calvert Hall and Montgomery Hall; replacement of roofs at Schaefer Hall, Montgomery Hall, and the O'Brien Athletic and Recreation Center; and other capital renewal and required system replacements. The College has an estimated \$30 million deferred maintenance backlog. The projects, organized in phases, will upgrade aging and obsolete building systems, improve energy efficiency, and improve campus infrastructure to address safety, environmental, and quality of life concerns. The FY 2020 budget includes funding for design and construction of a new phase of projects.

ST. MARY'S COLLEGE OF MARYLAND

Goodpaster Hall Renovation (St. Mary's)

Renovate a portion of Goodpaster Hall to reconfigure space for teaching labs and offices. Goodpaster Hall is currently occupied by Chemistry, Psychology, and Educational Studies departments. The Education Studies department will vacate the building upon the completion of the New Academic Building and Auditorium in 2022. The relocation of the Educational Studies department to the New Academic Building will vacate approximately 3,030 NASF currently in use in Goodpaster Hall. This unoccupied space will be reconfigured for instructional lab space and offices in the physical sciences programs, including Biology, Chemistry, Physics, Math, and Computer Science, which are located in Goodpaster Hall and the adjacent Schaefer Hall. These programs are experiencing space shortages, primarily class lab space, which will be addressed by the renovation. The University will provide \$153,000 to fund design.

DEPARTMENT OF STATE POLICE

SUMMARY

The Department of State Police protects the lives and property of Maryland's citizens by enforcing the State's motor vehicle and criminal laws and analyzing crime scene evidence. As the State's lead law enforcement agency, the Department has statewide law enforcement jurisdiction, except in incorporated municipalities. The State Police currently coordinates field operations from 23 barracks located throughout the State.

The FY 2020 - FY 2024 Capital Improvement Program includes funding to construct replacement State Police Barracks and Garages in Cumberland, Berlin, Forestville, and College Park as well as a Tactical Services Operations Building at the Waterloo complex.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

State Law Enforcement Special Operations Group: Funding for this project has been added to the CIP to address high level violent criminal networks with a nexus in Baltimore City.

Barrack V - Berlin: New Barrack and Garage: Funding for this project has been accelerated from FY 2021 to FY 2020. This project will replace the current barrack which is too small and poorly configured for modern police operations. It will also address the deficiencies of the current East Regional Forensics lab, housed in this barrack.

Deletions:

None

Changes to FY 2021 - FY 2023

Barrack C - Cumberland: New Barrack and Garage: Funding for this project has been removed from FY 2021 due to sufficient funding provided in FY 2020 to complete this project.

Tactical Services Facility: Operations Building: Funding for this project has been accelerated from FY 2022 to FY 2021. This project will provide suitable training, testing, and administrative space for the Special Operations Unit which includes canine, explosives, Pro-Active Criminal Enforcement (PACE), and tactical teams.

DEPARTMENT OF STATE POLICE

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

DEPARTMENT OF STATE POLICE

Budget Code: WA01

Barrack C - Cumberland: New Barrack and Garage (Allegany) FY 2020 Total \$9,020

Construct a 8,110 NSF/ 12,527 GSF barrack, and 4,351 NSF/ 7,206 GSF garage, and a radio tower to replace Barrack C in Cumberland. The new barrack will be a modern facility that meets all standards and rectifies many of this station's current problems. Barrack C was constructed in 1956 as a combined residence and operations center for ten to 20 troopers. There are now 50 sworn troopers and 15 civilian personnel assigned to the barrack. The barrack is old, obsolete, and poorly configured to meet modern police requirements. The multi-floor configuration of the existing barrack has led to slip/fall injuries to troopers, causing them to be placed on extended light duty. The configuration of cells and detainee processing areas violates regulations requiring the separation of juveniles and adults. The FY 2020 budget includes funds to complete construction and equip the facility.

State Law Enforcement Special Operations Group Center FY 2020 Total \$2,200 **(Baltimore City)**

Construct a state of the art intelligence center in Baltimore City to support law enforcement operations around the State. The center will provide direct support to operational initiatives, while collaborating with existing intelligence and fusion centers operating in the State. It will house the Organized Crime Drug Enforcement Task Force Strike Force and federal partners, to create a Special Operations Group (SOG). The SOG will focus on investigations of high level violent criminal networks with a nexus in Baltimore City and will operate under the authority and direction of Maryland State Police. The SOG will be housed in space leased from the federal government on a long-term basis. Capital funds will be used for interior build-out, furniture and capital equipment. The FY 2020 budget includes funding to design, construct, and equip this facility.

DEPARTMENT OF STATE POLICE

Barrack V - Berlin: New Barrack, Forensic Lab, and Garage (Worcester)

FY 2020 Total

\$800

Construct a new barrack, garage, and forensic science laboratory to replace Barrack V in Berlin. The new barrack will be properly sized and configured to meet modern policing requirements. The new barrack will also include a forensic laboratory that will provide services to all law enforcement agencies on the Eastern Shore. The current facility was constructed in 1976 for ten to 15 permanent troopers who were supplemented by additional temporary troopers during the summer season. The barrack is too small and poorly configured for the 33 personnel who currently occupy it. Because the laboratory is not suited to handle the current high level of demand, it must send some of the materials that need to be tested to other regions in the State, such as Baltimore City. Humidity and condensation problems also pose problems to staff and adversely affect the building. The FY 2020 budget includes funds to begin design of this project.

<u>Source</u>	<u>Prior Auth.</u>	<u>FY 2020</u>	<u>FY 2021</u>	<u>FY 2022</u>	<u>FY 2023</u>	<u>FY 2024</u>	<u>TOTAL</u>

Tactical Services Facility: Operations Building (Howard)

Construct a new facility to house the Special Operations Division (SOD) of the Maryland State Police. This is the second of two buildings comprising the Maryland State Police Tactical Services Facility. The first building, the Tactical Services Garage, was completed in 2016. Located at the Department's Waterloo Complex, this project will provide space for the SOD's administration, canine training, physical fitness training, and explosive license testing. The Operations Building will be adjacent to the Tactical Services Garage and storage building. The project will also include space for briefings, as well as command and control of tactical responses. Currently, there is insufficient space for the SOD personnel. For example, the tactical team has 12 team members that share a single office and some personnel must work from remote locations as far away as Garrett County. The various units of SOD use unique and highly sensitive equipment. At present, most of this equipment is stored in various, off-site locations. This situation requires additional time to monitor and maintain the accountability, security, and access to this equipment. The new facility will improve the SOD's ability to coordinate, respond rapidly when needed, and consolidate its equipment inventory.

DEPARTMENT OF STATE POLICE

Barrack L - Forestville: New Barrack and Garage (Prince George's)

Construct a new barrack and garage to replace Barrack L in Forestville. The current facility was constructed in 1972. There are several major flaws in the design of this facility. Prisoner intake, processing and holding cells are at the lower level and remote from the duty officer station at the upper level which creates a response issue for the officer on duty. The maintenance garage is also at the lower level but is currently condemned. Due to hazardous conditions identified from servicing vehicles in this garage, all vehicles assigned to this barrack must be serviced at Barrack Q in College Park. There is no elevator between levels and the current HVAC and electrical systems are also out of date. The current assigned law enforcement personnel is 34 troopers, two administrative staff, five police communications operators, and variable numbers of investigators. The estimated cost of this project totals \$10,330,000.

<u>Source</u>	<u>Prior Auth.</u>	<u>FY 2020</u>	<u>FY 2021</u>	<u>FY 2022</u>	<u>FY 2023</u>	<u>FY 2024</u>	<u>TOTAL</u>

Barrack Q - College Park: New Barrack and Garage (Prince George's)

Construct a new barrack and garage with site improvements to replace Barrack Q in College Park. The current facility was constructed in 1978. The existing condition, age, and size of the existing facility does not meet the mission needs or standard of operations for a contemporary state police barrack. There are several major flaws in the design of this facility. The current facility's multistory configuration is non ADA compliant. There is no elevator between levels and the current mechanical systems are out of date. Prisoner intake, processing, and holding cells are at the lower level requiring prisoners to navigate two sets of stairs. This poses security risks for aggressive and/or uncooperative prisoners. The project is conceived in two phases. The new barrack can be constructed with the existing barrack remaining in operation. After occupying the new barrack, a second phase of demolition and new construction would proceed for the parking, driveways, and garage. A new fuel dispensing station would also be constructed. The current assigned law enforcement personnel is 30 troopers, four investigators, seven civilians, and three garage mechanics. The estimated cost of this project totals \$12,000,000.

UNIVERSITY OF MARYLAND MEDICAL SYSTEM

SUMMARY

University of Maryland Medical System Corporation (UMMS) is a private, not-for-profit corporation formed in 1984 to provide healthcare services to Maryland residents. Together with its subsidiaries, UMMS owns and operates a multi-hospital regional healthcare delivery system that provides a wide range of healthcare services, including primary, secondary, tertiary, and quaternary care, as well as rehabilitation, chronic care, sub-acute care and skilled nursing care. The flagship hospital of UMMS is the University of Maryland Medical Center (UMMC), a 767-bed academic medical center located in downtown Baltimore City.

The UMMC facilities consist of University Hospital, The University of Maryland Marlene and Stewart Greenebaum Comprehensive Cancer Center, and the R Adams Cowley Shock Trauma Center. UMMC has collectively served as the teaching hospital for the University of Maryland School of Medicine of the University of Maryland, Baltimore, a constituent institution of the University System of Maryland. From 1823 to 1984, UMMS' downtown facilities were State-owned, operated and financed as part of the University of Maryland, now a part of the University System. Many of the UMMC facilities were constructed over 50 years ago and have become obsolete. Over the past two decades, UMMS has been implementing a phased facility master plan to renovate and build modern diagnostic and treatment facilities to house inpatient, outpatient, and ancillary care services.

UMMS' 12 other acute care hospitals operate in 13 of Maryland's 23 counties, covering 68 percent of the State's population. The other facilities include: UM Rehabilitation and Orthopedic Institute, UM Midtown Campus, UM Baltimore Washington Medical Center, UM Shore Medical Center at Easton, UM Shore Medical Center at Dorchester, UM Shore Medical Center at Chestertown, UM Charles Regional Medical Center, UM Saint Joseph Medical Center, UM Upper Chesapeake Medical Center, UM Harford Memorial Hospital, UM Capital Region Medical Center, and UM Laurel Regional Hospital.

UNIVERSITY OF MARYLAND MEDICAL SYSTEM

Budget Code: RQ00

Capital Region Medical Center (Prince George's) FY 2020 Total \$56,200

Construct a new 205-bed hospital to serve as a regional medical center for Prince George's County and the National Capital Region. This project was formerly titled Prince George's Regional Medical Center in previous capital budgets. The University of Maryland Medical System acquired ownership of this project in 2017. The Capital Area Region Medical Center will include acute care, teaching, and research facilities and will be connected to a health system that will promote improved access to primary care and be a community partner in helping to improve the health status of Prince George's County residents. The existing hospital is inefficient and obsolete, causing a preponderance of Prince George's County residents to seek hospital care in neighboring jurisdictions. The sources of Non-Budgeted Funds include Prince George's County bonds and UMMS funding. The FY 2020 budget includes the State share of funds to continue construction and equipping of the project.

Comprehensive Cancer Treatment and Organ Transplant Center FY 2020 Total \$5,000 **(Baltimore City)**

Construct new facilities and renovate existing space to support the increasing number of clinical programs at the Marlene and Stewart Greenebaum Comprehensive Cancer Center and other high acuity ambulatory and inpatient programs. The new building includes an expanded ten floors; parking garage; and specialty outpatient centers for heart and vascular medicine, organ transplant, neurology, and neurosurgery. This project will also expand and renovate the North Hospital at 22 Greene Street as well as provide necessary support space for clinical, training, and staff needs. The estimated cost of this project is \$275,000,000 with a total state share of \$125,000,000. The remaining \$150,000,00 will be funded by the University of Maryland Medical System and philanthropy funds. The FY 2020 budget includes the State share of funds to continue design of the project.

UNIVERSITY OF MARYLAND MEDICAL SYSTEM

R Adams Cowley Shock Trauma Center Renovation - Phase III (Baltimore City)

FY 2020 Total \$4,000

Renovate the R. Adams Cowley Shock Trauma Center at the University of Maryland Medical Center (UMMC) to include replacing the current trauma resuscitation unit (TRU) with a trauma and critical care resuscitation center, relocating the Acute Care Transfusion Service, constructing an observation unit, expanding the outpatient pavilion, and modernizing the hyperbaric chamber. The TRU is in need of a large-scale renovation in order to meet the continuing needs of patients. Currently, the limited capacity of TRU bays has caused patients to be double-bunked. This project allows both the Critical Care Resuscitation Unit and the Acute Care Transfusion Service to streamline blood supply, equipment, and staff resources. The State's commitment totals \$20 million and the remaining \$20 million will be funded from the University of Maryland Medical Center funds. The FY 2020 budget includes funds to continue design and begin construction and equipment purchases.

UNIVERSITY SYSTEM OF MARYLAND

SUMMARY

The University System of Maryland (USM) includes the State's flagship public institution of higher education at College Park and nine other major institutions: Coppin State University, the University of Baltimore, and University of Maryland, Baltimore in Baltimore City; Towson University and the University of Maryland Baltimore County in Baltimore County; Frostburg State University in Allegany County; Bowie State University in Prince George's County; Salisbury University in Wicomico County; and the University of Maryland Eastern Shore in Somerset County. The System also operates the University of Maryland Center for Environmental Science, with research centers in Allegany, Calvert, and Dorchester Counties; a network of agricultural experiment stations throughout the State; and University of Maryland University College, headquartered in Prince George's County, which offers programs throughout the State. USM also operates Regional Higher Education Centers in Montgomery, Harford, and Washington Counties.

The FY 2020 - FY 2024 Capital Improvement Program (CIP) focuses on two primary goals: 1) construction of new academic facilities to accommodate enrollment growth and to enhance instructional programs; and 2) modernization of existing facilities, many of which were constructed decades ago, to bring them into compliance with current codes.

New Instructional Facilities: Over the next ten years, the Maryland Higher Education Commission projects that enrollment at USM institutions will grow by 29,654 students (from 175,176 to 204,830), an increase of 17 percent. While much of the growth is expected to occur in part-time enrollments at the University of Maryland University College, the traditional campuses are expected to grow by 11,625 students, or ten percent. Several of these campuses are already facing academic space deficits given current enrollments. To address these deficits and accommodate projected growth, the CIP includes funds to construct and/or renovate instructional facilities at several of the System's comprehensive institutions.

Capital Facilities Renewal: System institutions have a backlog of projects to modernize existing facilities. Many of these facilities were constructed decades ago and need to be upgraded to meet current code requirements, incorporate modern telecommunications and information technology, and improve life safety. The costs of these projects are estimated to be \$1.9 billion. The CIP provides \$201 million over five years to support a variety of small projects to correct deficiencies in building systems and infrastructure and other deferred maintenance issues through the Capital Facilities Renewal Program, Campuswide Building System and Infrastructure Improvement project at the University of Maryland, College Park, a Campus Flood Mitigation project at the University of Maryland Eastern Shore, and a Utility Upgrade project at the University of Maryland Baltimore County., as well as approximately \$725 million to support major renovation and replacement projects.

To accomplish both of the goals identified above, the CIP provides an average of \$187 million a year in State General Obligation Bonds. In FY 2020, the System will contribute \$34 million through the sale of Academic Revenue Bonds, which are not a debt obligation of the State. In FY 2021 through FY 2024, the System will contribute between \$30 million and \$32 million each year in Academic Revenue Bonds for capital projects in the CIP.

In addition to the projects included in the State's Capital Improvement Program, the University System, through the issuance of Auxiliary Revenue Bonds, also provides funding for auxiliary facilities projects, such as student housing and parking facilities. Those projects are listed at the end of this section and are not included in the totals for the CIP.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

UNIVERSITY SYSTEM OF MARYLAND

BSU - Communication Arts and Humanities Building (P): Design funding has been advanced from FY 2021 to FY 2020 due to the condition of the building.

UMES - Flood Mitigation (P): Funding for this project has been added to address frequent flood damage at the University of Maryland Eastern Shore. Between 1994 and 2018, the University has experienced 13 significant flood events.

FSU - Education and Health Sciences Center (PC): Funding is added in FY 2020 to complete design and relocate utilities. The FY 2020 funding will allow the project to remain on schedule.

Deletions:

UMCP - New Cole Field House (PCE): State funding planned in FY 2020 has been eliminated, because the State's \$25 million commitment was fully funded by the General Assembly in FY 2019.

Changes to FY 2021 - 2023

TU - Smith Hall Renovation: Design funding for the renovation of Smith Hall, which will be vacant after its current occupants relocate to the New Science Facility, is scheduled beginning in FY 2023.

UNIVERSITY SYSTEM OF MARYLAND

FY 2020 - FY 2024 Capital Improvement Program

State-Owned Facilities

UNIVERSITY OF MARYLAND, BALTIMORE

Budget Code: RB21

Central Electric Substation and Electrical Infrastructure Upgrades (Baltimore City)

FY 2020 Total \$13,159

Construct new electric substations at the north and south ends of the University of Maryland, Baltimore (UMB) campus to replace the existing UMB Greene Street substation and upgrade the existing electrical infrastructure serving the campus. The scope of work includes providing redundancy for the campus by constructing two new electric substations that are fed from two different Baltimore Gas and Electric (BGE) sources, new duct banks throughout the campus, new cables, and demolition of the existing recycling center building. The new north substation facility will also include space for the UMB Recycling Center. The north electric substation and recycling center facility will total approximately 6,200 NASF/12,461 GSF and the south substation will be approximately 6,140 GSF. This work is critical to the UMB schools and programs that are dependent on reliable, uninterrupted electrical service. The project will be phased over many years and includes design, construction, and equipment. The estimated cost of this project totals \$81,252,000. Non-Budgeted Funds reflect UMB institutional funds. The first phase of work encompasses demolishing the recycling center and constructing the north substation and new recycling center. The FY 2020 budget includes funding to complete construction and equip the north substation and recycling center facility.

School of Public Policy Building (Prince George's) FY 2020 Total **\$12,500**

Construct a 38,355 NASF/69,700 GSF office and classroom building for the School of Public Policy. The new building will provide office, conference, classroom, class lab, and study space, while enabling the School to consolidate its operations into a single location and vacate Van Munching Hall, which is necessary for the School of Business to expand. This project will enable the School of Public Policy to meet its Strategic Plan goals for growth, which includes creating an undergraduate major in Public Policy, becoming a nationwide top-ten public policy program, and infusing a culture of philanthropy across the University through the Do Good Institute. This project leverages \$25,000,000 of private and institutional funding, as well as additional private funds for operating support. The FY 2020 budget includes funding to complete design and continue construction.

Chemistry Building Wing 1 Replacement (Prince George's) FY 2020 Total **\$4,663**

Construct a replacement for Wing 1 of the Chemistry Building. This project will be implemented in three phases. Phase I, which included Chemistry teaching labs and classrooms, was incorporated into the St. John Learning and Teaching Center project that was completed in summer 2017. Phase II will renovate 14,308 NASF/27,000 GSF of the Chemistry Building, perform minor upgrades to select other spaces, and upgrade the HVAC in the second and third floors of Wing 2 to relocate occupants from Wing 1. Phase III will demolish Wing 1 and replace it with a 55,900 NASF/105,500 GSF facility with state-of-the-art research and teaching labs and support space. Wing 1 was constructed in 1968 and has not had any significant renewal since the original construction. There is no central air conditioning and the heating system functions poorly, resulting in extreme temperature conditions that are not conducive to modern teaching and research. There are outmoded lab configurations, antiquated casework, inadequate fume hood exhaust systems, obsolete and deficient electrical systems, and insufficient environmental controls. This project will correct those deficiencies. Phase II will be funded by the University and is estimated to cost \$14,700,000. The Non-Budgeted Funds reflect these institutional funds. Phase III will be completed with State funds and is estimated to cost \$102,899,000. The FY 2020 budget includes funding to continue design of Phase III.

Campuswide Building System and Infrastructure Improvements (Prince George's)

Upgrade campus fire protection systems and failing infrastructure to address the most critical needs arising from a \$935 million deferred maintenance backlog. This project will include: the installation or upgrade of fire alarm systems, fire sprinkler systems, and fire pump controllers; replacement of electrical gear; replacement of underground heating and cooling piping, domestic water piping, foundation drain piping and sanitary piping; replacement of emergency generators and emergency power circuits; replacement of HVAC equipment; upgrades of exterior security lighting, exterior security cameras, and telephones; the addition of an uninterrupted power source to the campus Primary Data Center; repairs to various campus roads and bridges; and repair of campus storm drain outfalls, storm drain ponds, and the foundations of buildings. This project will prevent major service interruptions, improve life safety systems, and reduce ongoing maintenance costs. This is an ongoing project that will continue beyond FY 2024.

New Engineering Building (Prince George's)

Construct a state-of-the-art engineering building for the A. James Clark School of Engineering. The new building will enable the University to recruit and retain world-class faculty, as well as foster collaboration between disciplines and with institutional and business partners. The building will enhance the Clark School's ability to meet its strategic goals for growth, secure sponsored research opportunities, and contribute to the economic growth of the State and region. This project leverages \$55,000,000 of private funds. The estimated cost of this project totals \$200,000,000.

TOWSON UNIVERSITY

Budget Code: RB24

New Science Facility (Baltimore Co.)

FY 2020 Total \$68,225

Construct a new 182,242 NASF/316,000 GSF science facility on a vacant site on York Road to accommodate the College of Science and Mathematics. The new facility will integrate instructional and research space with a flexible building layout. It will replace inadequate and insufficient space in Smith Hall where the Jess and Mildred Fisher College of Science and Mathematics is currently housed. The building systems within Smith Hall have reached the end of their useful lives, and the instructional areas do not provide appropriate flexibility for modern science curriculum. Additionally, Smith Hall does not have sufficient space to accommodate enrollment growth in the College of Science and Mathematics. The new science building will support current and projected enrollment growth of the College of Science and Mathematics. This project includes approximately 9,000 NASF/16,000 GSF that will be constructed as shell space to be fitted out by the University. This project, excluding the shell space that will be completed with approximately \$4,000,000 in non-State funds, will leverage \$17,000,000 in private and University funds. The FY 2020 budget includes funding to continue construction and provide equipment.

New College of Health Professions Building (Baltimore Co.)

FY 2020 Total \$5,266

Construct a new 228,993 NASF/131,661 GSF building to accommodate the Departments of Health Science, Nursing, Occupational Therapy, Communication Sciences and Disorders, Collaborative Programs, and the support space for Kinesiology. The facility will be sited near the new College of Liberal Arts Complex on land currently occupied by the Dowell Health Center, which will be demolished. The new building will have classrooms and laboratories appropriately configured and equipped to meet the requirements of the respective departments. The space currently occupied by the aforementioned programs is insufficient for current enrollment and projected growth. Existing space is inadequate. For example, teaching labs are outdated and poorly configured, and they do not meet the needs of current teaching and learning practices. The departments are also dispersed among five buildings, creating inefficiencies and inhibiting collaboration. The FY 2020 budget includes funding to begin design.

Smith Hall Renovation (Baltimore Co.)

Renovate Smith Hall, the current science building, after its occupants relocate to the New Science Facility. The space will be renovated for (1) the College of Fine Arts, (2) the departments of Mass Communications and Communication Studies and Electronic Media and Film, and (3) general purpose classroom space to relieve campuswide shortages. The College of Fine Arts and the Communications departments are experiencing space shortages, functionally inadequate and poorly configured space, and dispersion of programs among multiple buildings. The renovation will adaptively reuse an existing building that is located in the center of campus and would be largely unusable without renovation. Much of the existing space is obsolete science labs that are not usable for other purposes. Once the science programs move to the New Science Facility, 60 percent of Smith Hall will be unusable. The renovation will replace inadequate building systems such as HVAC, electrical, plumbing, and fire suppression, as well as provide modern classroom, study, media production, and other needed space. The estimated cost of this project totals \$117,770,000.

School of Pharmacy and Health Professions (Somerset)

FY 2020 Total \$10,015

Construct a new 70,956 NASF/120,000 GSF building for the School of Pharmacy and Health Professions. The building will house the School of Pharmacy's Doctor of Pharmacy and Doctor of Pharmaceutical Sciences programs. The facility will also include shared space for other health sciences disciplines including Physical Therapy, Kinesiology, and Rehabilitation. The new building will include classrooms, seminar rooms, a small animal research facility, computer labs, pharmacy practice labs (dispensing labs), a pharmacy information center, resource rooms, and other support spaces. The existing facilities available to the School of Pharmacy are too small, lack modern instructional spaces, and are not centrally located. The new facility will provide modern instructional and research space to support the current and future growth of health science-related programs. The FY 2020 budget includes funding to continue design and begin construction.

Campus Flood Mitigation Project (Somerset)

FY 2020 Total \$1,008

Construct site improvements along the Manokin Tributary and University Boulevard South to mitigate flooding on campus. The project includes flood and other hazard mitigation measures in various campus buildings including Kiah Hall, Steam Plant, Carver Hall, Performing Arts Center, and Public Safety buildings. These measures include the installation of sump pumps, drains, and gutters. The project also includes stormwater improvements, such as the installation of bio-retention facilities, infiltration trenches, and swales in different areas of the campus to reduce damage during flood events on campus. The FY 2020 budget includes funding to design the project.

Education and Health Sciences Center (Allegany) FY 2020 Total \$6,200

Construct a new 57,115 NASF/100,009 GSF facility for the College of Education, the Exercise and Sports Science program, Health Professions, Nursing program, and campus Health Center. The new building will include modern classrooms, laboratories, offices, and support space. The proposed occupants are currently located in four campus buildings that are too small and do not have adequate academic and support space. The lack of modern instructional space makes it difficult to deliver instruction efficiently and to offer new academic programs, and it limits enrollment growth. The FY 2020 budget includes funding to continue design and begin construction.

Percy Julian Building Renovation for the College of Business (Baltimore City)

Renovate the 30,410 NASF/52,190 GSF Percy Julian Science and Art Building and construct a 4,690 NASF/12,200 GSF addition for the College of Business and the School of Graduate Studies. The building will include classrooms, class labs, and offices. The Julian Science and Arts Building was vacated when the new Science and Technology Center opened in 2015. The project will address critical needs of the University's graduate education mission and the College of Business by modernizing instructional and support spaces. The project will also make the building compliant with current accessibility and building codes.

Blackwell Hall Renovation (Wicomico)

Renovate Blackwell Hall for student service functions. With the completion of the new Patricia R. Guerrieri Academic Commons, the former library, Blackwell Hall, will be renovated to become a Student Services Center or one-stop shop. Student service departments, including the Registrar, Financial Aid, Academic Advising, Career Services, Bursar, Admissions, Counseling Center, Health Center, and Welcome Center units, will be combined into one building. This will provide for better service and efficiencies as well as open space in other buildings for much needed academic classroom, lab, and study space. The project will also include entire replacement of the outdated mechanical, plumbing, and electrical systems which are at the end of their life, as well as bringing the building up to code, including new elevators and restrooms which meet ADA requirements. The estimated cost of this project totals \$40,092,000.

Utility Upgrades (Baltimore Co.) **FY 2020 Total** **\$4,022**

Replace or renew critically deteriorated utility system components, provide additional utility system capacity to support current and future buildings, and respond to State environmental regulations. The scope includes the replacement of a primary high-temperature, hot-water generator that has ruptured and cannot be economically repaired; replacement of deteriorated electrical distribution system components including feeders, transformers, and switchgear; repair of damaged utility tunnels; refurbishment of domestic water lines; replacement of deteriorated exterior lighting system components; and construction of stormwater management facility to address Maryland municipal separate storm sewer system environmental regulations and prevent pollution of downstream watersheds. The frequency and severity of system failures have resulted in total and partial campus closures, exposes the campus to avoidable unnecessary risks, presents risks to health and safety, and adversely impacts university operations. The project will be implemented in three phases. The FY 2020 budget includes construction funding for Phase I.

Chesapeake Analytics Collaborative Building (Calvert)

Construct the new Chesapeake Analytics Collaborative Building at University of Maryland Center for Environmental Science (UMCES), Chesapeake Biological Lab (CBL) in Solomons Island. UMCES-CBL currently does not have modern research collaboration space. In addition, existing library space is not ADA compliant and is insufficient to house the Chesapeake Biological Laboratory's library collection. The building will provide adequate space for the library collection, including the Chesapeake Archives, and house information technology and 'big data' visualization systems needed to support collaborative research and instructional programs.

Southern Maryland Regional Higher Education Center (St. Mary's)

FY 2020 Total \$11,953

Construct a third 52,264 NASF/84,316 GSF academic building on the Southern Maryland Higher Education Center (SMHEC) campus to support new education, research and professional training programs, and enrollment growth. The building will also support local and regional initiatives related to Unmanned Autonomous Systems. The building will include classrooms, faculty offices, and engineering laboratories and research space to meet the needs of the ten major universities and colleges offering courses at this facility. The Center currently provides 86 graduate degree and upper-division bachelor degree programs in the fields of education, science and technology, engineering, social work, health, and management. The new building will allow the expansion of UMCP and Navy programs related to Unmanned Autonomous Systems. It will also accommodate the needs of existing programs offered at the Southern Maryland Higher Education Center and 17 proposed programs. Non-Budgeted Funds consist of a contribution by St. Mary's County. The Center serves the needs of St. Mary's, Charles, and Calvert counties, as well as the training needs of the U.S. Naval Base at Patuxent River. The FY 2020 budget includes funds to complete design and to begin construction.

FIVE-YEAR TOTAL ** \$600,263

All dollars are displayed in thousands.

* Includes \$20.328 million approved by the Board of Regents outside the regular annual budget cycle.

** The Five-Year Total consists of projects considered by the Board of Regents for implementation during the FY2019-FY2023 period, which is a difference of one year from the timeframe used in the State's five-year Capital Improvement Program.

DEPARTMENT OF VETERANS AFFAIRS

SUMMARY

The Maryland Department of Veterans Affairs provides Maryland veterans and their dependents with a variety of services including information and technical assistance in applying for federal financial assistance, interment (burial) services at its five Veterans Cemeteries, and housing and medical care at the Charlotte Hall Veterans Home in Southern Maryland. The Department is also responsible for the maintenance of the memorials and monuments honoring Maryland's veterans.

The FY 2020 - FY 2024 Capital Improvement Program includes funding for additional burial capacity at the Cheltenham Veterans Cemetery and for a new State Veterans Home.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

None

Deletions:

New State Veterans Home (P): The project was deferred from FY 2020 to FY 2022 to allow for site selection.

Changes to FY 2021 - FY 2023

Cheltenham Veterans Cemetery Burial Expansion and Improvements: All Federal Funds were included in FY 2020, instead of split between FY 2020 and FY 2021.

State-Owned Facilities

DEPARTMENT OF VETERANS AFFAIRS

Budget Code: DP0002

Cheltenham Veterans Cemetery Burial Expansion and Improvements (Prince George's)

FY 2020 Total \$11,538

Expand burial capacity at Cheltenham Veterans Cemetery and construct various infrastructure improvements for a total of 8,425 NSF/10,500 GSF. The project will develop 6,500 gravesites and include new road and irrigation systems, a new well, landscaping, and provisions for in-ground cremains and columbaria burial capacity. The infrastructure improvements include the construction of a new 1,100 GSF Vehicle and Equipment Storage building, a new 1,200 GSF Bulk Material Storage building, renovations to the existing Maintenance building, a new Service Yard, and a new 3,000 GSF Administration building. This project will allow the Department of Veterans Affairs to meet the burial needs of Maryland's veterans for the next ten years. The FY 2020 budget includes funding to complete construction and provide equipment.

DEPARTMENT OF VETERANS AFFAIRS

New State Veterans Home (Regional)

Design and construct a 120-bed skilled nursing facility to serve Maryland's veterans. The new Veterans Home will provide additional bed space for Maryland's aging veteran population and a more centrally located, state-of-the-art nursing facility. Currently, the State's only veterans home is in St. Mary's County, far from the majority of Maryland's veterans as well as major medical centers. This project was selected by the U.S. Department of Veterans Affairs for a State Home Construction Grant, a federal program which shares the cost of new veterans homes with states. The project will be funded 65 percent with Federal Funds and 35 percent with State GO Bonds. The site location in Central Maryland is to be determined.

MISCELLANEOUS

SUMMARY

Miscellaneous grants are included in the State's capital budget each year. These grants do not fit into the departmental categories and are presented in this category. This category includes executive initiatives of statewide importance, such as grants to private higher educational facilities, hospitals, museums, and other cultural and social service agencies. These projects meet one or more of the following criteria:

- They have an important public purpose and serve a large number of Maryland citizens;
- The project will be capital in nature and have a useful life expectancy of at least 15 years;
- The project is developed enough to justify funding and will be ready for financing within two years; and
- State support is needed for the success of the project.

This chapter is organized in the following manner:

Listed first, the Maryland Hospital Association, the Maryland Independent College and University Association, and the Maryland Zoo in Baltimore all represent organizations that the State has a long-standing commitment to.

Second, the list of miscellaneous grants represents one-time State commitments in FY 2020 for a variety of projects throughout the State of Maryland.

Finally, projects with multi-year State commitments are listed individually. GO Bonds represent only the State's contribution to the project.

CHANGES TO FY 2019 - FY 2023 CAPITAL IMPROVEMENT PROGRAM

Changes to FY 2020

Additions:

Legislative Initiatives: Funding for this program is included in FY 2020 of the capital budget because budget capacity is available and there are various local needs.

Deletions:

FBI Headquarters Relocation Project (PC): Funding for this project was removed from the CIP because the Federal Government cancelled the project.

Merriweather Post Pavillion (C): This project is not included in the FY 2020 capital budget because it received all planned funding during the 2018 (FY 2019) Legislative Session.

Changes to FY 2021 - FY 2023

Private Hospital Grant Program (Statewide)

FY 2020 Total \$5,500

The Private Hospital Grant Program provides grants to assist private hospitals in the construction and renovation of facilities that improve patient care, particularly access to primary and preventative services; focus on unmet community health needs; and address aging facility issues. Specific projects included in the budget have been selected by a committee of hospital trustees and executives from all regions of the State. The FY 2020 budget includes funding for nine projects in eight jurisdictions.

MARYLAND INDEPENDENT COLLEGE AND UNIVERSITY ASSOCIATION

Budget Code: ZA00

MICUA - Private Higher Education Facilities Grant Program (Statewide)

FY 2020 Total \$9,600

Provide grants to assist the State's independent colleges and universities with the costs of constructing and renovating academic facilities and infrastructure. These grants leverage private donations and help the recipients maintain financial stability. The institutions receiving grants benefit the State by offering a diversity of learning opportunities and by easing enrollment pressures at State-owned institutions; MICUA State-aided institutions account for 15 percent of student enrollment in statewide higher education and award 26 percent of all degrees conferred annually by Maryland's four-year institutions. The FY 2020 budget includes \$9,600,000 for four projects: (1) Hood College - renovation of the Beneficial-Hodson Library and Technology Center to create a modern learning commons; (2) Johns Hopkins University - construction of a new academic building on the Homewood Campus to house the Stavros Niarchos Foundation Agora Institute (SNFAI); (3) Mount St. Mary's University - renovation and construction of an addition to the Knott Academic Center; and (4) Stevenson University - construction of a new academic building on the Owings Mills Campus to house the library, a black box theater, and faculty offices.

MARYLAND ZOO IN BALTIMORE

Budget Code: ZA00

Maryland Zoo in Baltimore - Infrastructure Improvements (Baltimore City)

FY 2020 Total \$5,000

Construct improvements to the aging infrastructure at The Maryland Zoo in Baltimore. The Zoo identified a variety of projects that are grouped into three categories: basic infrastructure improvements, strategic services improvements, and exhibits/attractions improvements. The Zoo will use \$3,550,000 for basic infrastructure improvements including the correction of life-safety and animal welfare deficiencies throughout the Zoo; perimeter fence replacement; an emergency backup generator; roof replacements; and renovations to the Elephant House, Leopard Building, and Visitor Parking Lots A and B. The Zoo will use \$250,000 for strategic services improvements, including the installation of a shade shelter at the Polar Bear Tram Stop and the renovation of the Waterfowl Pavillion. The FY 2020 budget also includes \$1,200,000 for exhibit/attraction improvements, including renovations to the Crane Barn; reptile/amphibian exhibits; and the Chimpanzee Forest, as well as a new chicken exhibit.

MISCELLANEOUS PROJECTS

Budget Code: ZA00

Miscellaneous Projects (Statewide) FY 2020 Total \$27,800

The miscellaneous projects to be funded in FY 2020 will directly involve public use and benefit. These diverse projects throughout the State will provide a variety of services including education, public safety, community revitalization, health care, and other public services of cultural and historical significance. Grants will be provided to local governments, nonprofit organizations, and various other private institutions. The FY 2020 budget includes one-time grants to assist in funding 53 projects in 17 subdivisions.

Stevenson University - Rosewood Property Environmental Abatement (Baltimore Co.)

FY 2020 Total \$6,000

Plan and complete the environmental abatement and demolition of buildings on the 117-acre Rosewood Property, including any appropriate site surveys and investigation; design and construct site development and utility improvements including, but not limited to, roads, sidewalks, parking, storm water management, and utility connections/disconnections on the property. Remediation prior to the University's acquisition of the land from the State requires the removal and disposal of hazardous and non-hazardous debris, site restoration, and capping of coal ash. Funding for this project is based on a memorandum of understanding approved by the Board of Public Works.

Garrett College - Community Education and Performing Arts Center (Garrett)

FY 2020 Total \$5,500

Renovate and expand the 9,082 NASF/10,960 GSF 800 Building on Garrett College's main campus. The expanded building, the Community Education and Performing Arts Center (CEPAC), will house two major departments: Continuing Education and Workforce Development, and Fine and Performing Arts. Originally constructed in 1971, the 800 Building has fallen into disuse. Garrett College's original gymnasium sits within the building, but has become superfluous with the construction of the Community Aquatic and Recreation Center in 2012. The CEPAC will provide a large space for contract training and other conferences, and serve as the main performing arts center of the campus. This project is also envisioned to be the new home of the Garrett Lakes Arts Festival as well as other community gatherings and events. Garrett County will provide matching funds, while the State will fund the remainder of the project.

Historic Annapolis Restoration (Anne Arundel)

FY 2020 Total \$3,000

Provide grants to assist Historic Annapolis Inc. which manages and maintains 11 State-owned, historic properties in downtown Annapolis. The funds in FY 2020 will be used to continue a state-of-the-art restoration of the James Brice House, and continue annual maintenance and repairs on the other state-owned properties under the organization's stewardship which are public assets that are open for interpretation and use year round. Maintenance and improvement of the properties is an ongoing need which extends beyond the current CIP.

National Aquarium in Baltimore (Baltimore City)	FY 2020 Total	\$2,000
--	----------------------	----------------

Construct a new Animal Care and Rescue Center for the National Aquarium and construct critical maintenance upgrades at the Main Aquarium Building, both in Baltimore City. The rescue center will provide a permanent solution for the care and welfare of the Aquarium's growing animal population. The current animal care center is located in a leased space that is deteriorating. The new facility will consolidate hospital services for all of the animals in the Aquarium's care. The facility will accommodate public visits, open houses for the community, and school visits. Additionally, funding is provided to address repairs to critical infrastructure throughout the National Aquarium with projects including: repairing the failing glass pyramid above the Harbor Overlook, repairing glazing in the Harbor View room, and upgrades to aging exhibit infrastructure on Level 2.

Sinai Hospital of Baltimore - Primary and Specialty Care Complex (Baltimore City)	FY 2020 Total	\$2,000
--	----------------------	----------------

Construct a Community Primary and Specialty Care Complex at Sinai Hospital of Baltimore. The project will address the problems of heart disease, which is the leading cause of death in Baltimore City, and the lack of access to healthcare in Baltimore City. The complex will include a cardiovascular center, a patient-centered community health clinic to provide primary care, chronic care, and integrated behavioral health services, and additional specialty care centers.

Hagerstown Revitalization (Washington)	FY 2020 Total	\$500
---	----------------------	--------------

Expand and renovate the Maryland Theatre; redevelop a vacant building between the Barbara Ingram School for the Arts and Maryland Theatre to create office, classroom, and lab space; and construct new lab space for proposed University System of Maryland health programs. The expansion of the Maryland Theatre will create new space for the Maryland Symphony Orchestra and allow a greater number of performances to be offered annually. The new academic facilities will serve students from the Barbara Ingram School for the Arts and the University System of Maryland at Hagerstown. The proposed projects will tie into the revitalization of downtown Hagerstown.

Lexington Market Revitalization (Baltimore City)

FY 2020 Total

\$500

Renovate the 65-year old Lexington Market, located in Baltimore City. The existing Lexington Market facility is an aging and inadequate facility with high operating costs which does not meet the needs of the vendors or the market's customers. This project will create a modern and efficient facility with adequate space for vendors and other commercial uses, event space, a hands-on teaching kitchen, and an outdoor farmers' market pavilion. The new facility is expected to revitalize the Market, reduce operating costs, and address the issue of food deserts in West Baltimore.

Woodbourne Center Vocational Program (Baltimore City)

FY 2020 Total

\$380

Construct a new trade school in Baltimore City on the campus of the Woodbourne Center, a residential treatment center for boys aged 12 to 21 with serious mental health issues. The Woodbourne Center has identified the need for a vocational education program which will provide a variety of training programs, including automotive, carpentry, culinary/food service, and basic electrical training. This new program will introduce students to vocational and trade curricula that can lead to long-term employment. Existing residential buildings on the campus of the Woodbourne Center are currently at capacity and cannot accommodate the new trade school. This project will construct a new facility which will accommodate the new training program. The Center anticipates that providing students with vocational training will help equip them with the skills required to succeed in the future and will reduce the potential for incarceration, recidivism, and dependency on social subsidies.

LEGISLATIVE INITIATIVES

Budget Code: ZA00

Legislative Initiatives (Statewide) FY 2020 Total \$15,000

Each year the General Assembly considers bond bills to fund various projects of local governments and nonprofit entities. These projects are related to art and culture, economic development, education, historic preservation, recreation, and other worthy purposes, usually on a matching fund basis. In formulating the Capital Improvement Program, \$15,000,000 is reserved in FY 2020 for these Legislative Initiatives.

DEPARTMENT OF TRANSPORTATION

SUMMARY

The Department of Transportation (MDOT) represents the largest component of the State's Capital Improvement Program. The Department is divided into several entities that execute this program. The administrations include:

Motor Vehicle Administration (MDOT MVA) - The MDOT MVA has responsibility for numerous regulatory programs affecting over three million Maryland citizens. MDOT MVA is committed to providing convenient, efficient services to Maryland's motorists, and carrying out legislative mandates in a responsive and progressive fashion.

Maryland Aviation Administration (MDOT MAA) - The MDOT MAA is directing its primary efforts towards preservation and modernization of its facilities and services at Baltimore/Washington International Thurgood Marshall (BWI) and Martin State (MTN) airports.

Maryland Port Administration (MDOT MPA) - The MDOT MPA focuses on the public side of the Port of Baltimore. Critical to the Port's continued success is the ability to attract new business and the maintenance of shipping channels. To this end, MDOT MPA will continue its dredging program including examining alternative dredge placement sites and maintaining its terminals including the South Locust Point Cruise Terminal.

Maryland Transit Administration (MDOT MTA) - The MDOT MTA operates bus, subway, light rail, and commuter rail systems. Its capital program focuses on system preservation, reducing system operating costs, and improving the quality of service offered by Maryland's mobility and mass transit systems.

Washington Metropolitan Area Transit (WMAT) - The WMAT provides Maryland's share of the funding for the preservation and operation of the Washington Area Metro System (bus and heavy rail), which is operated by the Washington Metropolitan Area Transit Authority (WMATA).

State Highway Administration (MDOT SHA) - The MDOT SHA has the responsibility for planning, designing, constructing, and maintaining all state highway facilities in order to provide a safe and efficient highway system for the State.

Maryland Transportation Authority (MDTA) - The MDTA is a separate agency with responsibility for the operation and maintenance of eight toll roads, bridges, and tunnels around the State. Its projects are financed by toll revenues, rather than through the Transportation Trust Fund. The summary information is shown in this section for convenience, but is not included in the totals for the Department of Transportation's Trust Fund summary.

The FY 2019 – FY 2024 Consolidated Transportation Program (CTP) emphasizes preservation, but also continues to include expansion projects to reduce congestion and expand economic growth. The current focus is on partnerships and innovative finance mechanisms to address long-standing transportation issues across the State of Maryland including projects to reduce congestion in the central core and to ensure the competitiveness of the Port of Baltimore and BWI Marshall Airport.

Enacted in December 2015, the Fixing America's Surface Transportation (FAST) Act's \$305 billion authorization continued federal funding for highway, transit and other multimodal projects through FFY 2020. With the FAST Act Congress extended current funding levels adding only inflation. The FAST Act finally addresses the long-term solvency of the Highway Trust Fund (HTF) with a general fund fix. In FFY 2019 Maryland is expected to receive approximately \$650 million in highway formula funding and approximately \$200 million in transit formula funding. The majority of funds authorized in the FAST Act are being used for projects already committed in our capital program and for unfunded system preservation needs. MDOT requested discretionary federal funding for the development of Maryland's first New Starts project, the Purple Line. The FFY 2019 Appropriations bill supports the Administration's request for \$900 million for

DEPARTMENT OF TRANSPORTATION

Maryland's Purple Line, to date the project has received \$445 million in appropriations from the combined FFY 2015 - FFY 2018 appropriations.

The capital program includes \$8.7 billion in the highway program, \$5.9 billion in the transit program (including the MTA and WMATA), \$645 million in the airport program and \$843 million in the Port program.

On the following pages are tables summarizing the total FY 2020 capital budget and the total FY 2019 - FY 2024 Consolidated Transportation Program as reported by the Department of Transportation.

Washington Metropolitan Transit Authority Upgrades (Statewide)

FY 2020 Total \$125,000

The Washington Metropolitan Area Transit Authority (WMATA) was established in 1967 through an interstate compact among Maryland, Virginia, and the District of Columbia. The original purpose was construction and operation of a rapid rail transit system for the Washington metropolitan area. Maryland's overall participation in the Washington metropolitan transit system consists of the provision of annual funding to WMATA for capital and operating costs of the Metrorail, Metrobus, and MetroAccess systems. WMATA's operations are funded through operating revenues and subsidies provided by the compact signatories: Maryland, Virginia, and the District of Columbia. Since fiscal 2012, WMATA has seen a decline in ridership, resulting in decreased operating revenues. In April 2017, WMATA released a report, Keeping Metro Safe, Reliable, and Affordable, which proposed a number of changes to WMATA funding and operations. The report states that WMATA has \$25 billion in unfunded capital needs and will need \$15.5 billion over the next 10 years for its most critical capital projects. During the 2018 legislative session, legislation passed requiring the Governor to include a State budget appropriation from the funds available in the State capital program in the Transportation Trust Fund beginning in FY 2020.
